The outer envelope shall bear the words "Absent Voter's Ballot" and the address and official title of the county clerk and shall provide space for the voter's signature, voting address and precinct number. A detachable flap on the inner envelope shall provide space for the voter's signature, voting address, precinct number and notice of penalty provided in KRS 117.995(4). The clerk shall type the voter's address and precinct number in the upper left hand corner of the absent voter's outer envelope and of the detachable flap on the inner envelope immediately below the blank space for the voter's signature. The inner envelope shall be blank. The clerk shall retain the application *for twenty-two (22) months* [~~until thirty (30) days~~] after the election.

(4) A list of persons to whom absentee ballots are mailed shall be posted in the clerk's office, for public inspection, and a list shall be included in the supplies sent to each precinct on election day and shall be posted at the polling place throughout the voting hours on election day.

(5) Any person who has been mailed an absent voter's ballot but who shall be in his voting precinct on election day may cancel his absent ballot and vote in person if he appears at the county clerk's office at least seven (7) days prior to election day and returns his absent ballot. Upon such personal appearance of the voter, the clerk shall mark on the outer envelope of the sealed ballot or the unmarked ballot the words "Cancelled because voter appeared to vote in person." (1) The challenge of an absent voter's ballot must be in writing and in the hands of the county clerk before 3:00 p.m. on election day.

The board may appoint a central absentee ballot counting board of not less than three (3) members, who shall be qualified voters and no more than two-thirds (2/3) of which shall be members of the same political party, to count the ballots at the direction of the county board of elections.

(3) Beginning at 3:00 p.m. on election day the board may meet at the clerk's office to count the absentee ballots. Candidates or their representatives shall be permitted to be present. The county board of elections shall authorize representatives of the news media to observe the counting of absent voters' ballots. The board shall open the boxes containing absent voters' ballots and remove the envelopes one (1) at a time. As each envelope is removed, it shall be examined to ascertain whether the outer envelope and the detachable flap are in proper order and have been signed by the absent voter. All unsigned absentee ballots shall be rejected automatically. The *chairman of the county board of elections* [~~clerk~~] shall compare the signatures on the outer envelope and the detachable flap with the signature of the voter that appears on the registration card. If the outer envelope and the detachable flap are found to be in order the *chairman* [~~clerk~~] shall read aloud the name of the absent voter. If the vote of such voter is not rejected on a challenge then made as provided in subsection (4), the *chairman* [~~clerk~~] shall then remove the detachable flap and place the inner envelope unopened in a ballot box which has been provided for the purpose.

(4) When the name of an absent voter is read aloud by the *chairman* [~~clerk~~], the vote of such voter may be challenged by any board member or by the written challenge provided in subsection (1) of this section and the challenge thereto may be determined and the absentee vote accepted or rejected by the board as if the voter was present and voting in person, but if the outer envelope and the detachable flap are regular, and substantially comply with the provisions of this chapter, they shall be considered as showing that the absent voter is prima facie entitled to vote. If the vote of an absent voter is rejected pursuant to the challenge, the outer envelope shall not be opened, and the *chairman* [~~clerk~~] shall write on the envelope the word "rejected".

(5) After the challenges have been made and all the blank inner envelopes have been placed in a ballot box, the box shall be thoroughly shaken so as to redistribute the ballots in the box. The board shall then open the ballot box, remove the absentee ballots from the inner envelopes, count and record the absentee ballot votes on a form provided by the state board.

(6) *Except as otherwise required by this chapter that certain records and papers relative to specified elections be retained for twenty-two (22) months,* the county clerk shall retain the ballots, detachable flaps and the outer envelopes for thirty (30) days, at which time they shall be *destroyed in such a manner as to render them unreadable* [~~burned~~] by the county board of elections. If a contest or recount proceeding is instituted during said thirty-day period, the ballots shall not be *destroyed* [~~burned~~] but shall be disposed of as directed by the court in which such proceeding was instituted.

(7) The county board of elections shall make public the absentee ballot results after 6:00 p.m.

Section 10. KRS 117.145 is amended to read as follows:

(3) At least three (3) days before a special or regular election the county clerk shall equip the voting machines with the necessary supplies for the purpose of write-in votes. The county clerk shall also attach a pencil or pen to the voting machine for write-in purposes.

(4) If supplemental paper ballots have been approved as provided in KRS 118.215, the county clerk shall cause to be printed a sufficient number of paper ballots for the registered voters of each precinct. The paper ballots shall have stubs which are numbered consecutively. The quality of paper on which the supplemental paper ballots are printed shall be determined by regulations promulgated by the secretary of the finance and administration cabinet.

Section 11. KRS 117.235 is amended to read as follows:

(1) No person, other than the election officers and challengers, shall be permitted within the voting room while the vote is being polled, except for the purpose of voting or except by authority of the election officers to keep order and enforce the law.

(2) No officer of election shall do any electioneering on election day.

(3) No person shall do any electioneering at the polling place *or within a fifty (50) foot perimeter of the voting machine* on election day unless the fiscal court or legislative body of an urban-county government specifically authorizes by ordinance on a county wide basis *a greater distance from the polling place within which* electioneering [~~and establishes the distance from the polling place where such electioneering~~] may be permitted, but in no case shall electioneering be allowed within a fifty (50) foot perimeter of the voting machine. Electioneering shall include the displaying of signs, the distribution of campaign literature, cards or handbills, the soliciting of signatures to any petition, or the solicitation of votes for or against any candidate or question on the ballot in any manner.

(4) No voter shall be permitted to converse with others while in the voting room concerning their support or nonsupport of any candidate, party or issue to be voted on, except as provided in KRS 117.255.

(5) The election sheriff, under the supervision of the precinct election judges, shall maintain law and order

within a fifty (50) foot perimeter of the voting machine. Assistance may be requested of any law enforcement officer.

Section 12. KRS 117.255 is amended to read as follows:

(1) The voter shall be instructed by the officers of election, with the aid of the instruction cards and the model, in the use of the machine, if the voter so requests.

(2) No voter shall be permitted to receive any assistance in voting at the polls unless he makes and signs an oath that, by reason of inability to read English, or by reason of blindness or other physical disability he is unable to vote without assistance. Upon making and filing with the judges such oath, the voter shall retire to the voting machine, with the judges, and one (1) of the judges shall then, in the presence of the other and the voter, operate the machine as the voter directs. The disabled person applying to vote may, if he prefers, be assisted by a person of his own choice who is not an election officer, *except that the voter's employer or agent of that employer or officer or agent of the voter's union shall not assist the voter.* The clerk shall swear the person accompanying the disabled or blind voter to operate the voting machine in accordance with the directions of the disabled or blind voter, and the disabled or blind voter and the person sworn shall then enter the voting booth and the one so sworn shall operate the machine for the disabled or blind voter as he directs. Voting booth shall mean an area in which a voter casts his vote which is designed in such a manner that the secrecy of the vote is insured. No voter shall be assisted under this subsection unless the judges and the sheriff of election are satisfied of the truth of the facts stated in the oath. The voter shall state in his oath the specific physical disability that requires him to receive assistance, and the judges of election shall enter in writing, on a record of assisted voters, the voter's name and the specific physical disability which required him to receive assistance.

(3) No voter shall be permitted to occupy the voting machine more than two (2) minutes if other voters are waiting to use it.

(4) In primary elections, before a voter is permitted to use the voting machine, a judge of the election shall adjust the machine so that the voter will only be able to vote for the persons for whom the voter is qualified to vote.

(5) If the machine is so constructed as to require adjustment after one (1) person has voted before another person may vote, the judges of election shall so adjust it after each person has voted.

(6) The election officers shall constantly maintain a watch in order to prevent any person from voting more than once.

(7) In elections for president and vice president, if a voter is eligible to vote only for the office of president and vice president a judge of the election shall adjust the machine so that the voter will only be able to vote for president and vice president.

(8) If supplemental paper ballots have been approved, as provided in KRS 118.215, the voter shall vote his ballot in privacy in a booth provided for that purpose by the county clerk. If the voter spoils his ballot, he shall return the spoiled paper ballot to an election official who shall stamp the ballot "Spoiled," initial and place the spoiled ballot in an envelope provided for that purpose. The voter shall then be issued a second supplemental paper ballot. Upon completion of voting, the voter shall remove the numbered stub from the ballot, hand the stub to an election official and deposit the voted ballot in the locked ballot box in the presence of precinct election officials.

Section 13. KRS 117.275 is amended to read as follows:

(c) The number registered on the protective or accumulative counter or device, if any; and

(d) The number or other designation of the voting machine, which certificate shall be returned by the judges of election to the officials authorized by law to receive the same. The judges shall then compare the number of voters, as shown by the counter of the machine, with the number of those who have voted as shown by the protective or accumulative counter or device.

(3) The judges, in the presence of the representatives mentioned in subsection (1), if any, and of all other persons who may be lawfully within the polling place, shall then make visible the registering counters, and, for that purpose, shall unlock and open the doors, or other covering concealing the same, giving full view of all the counter numbers. The judges shall, under the scrutiny of such representatives, and in the order of the offices as their titles are arranged on the machine, read and announce, in distinct tones, the results as shown by the counter numbers for each candidate and for and against each question voted on. The counters shall not be read consecutively along the party rows or columns, but shall always be read along the office columns or rows, completing the canvass for each office or question before proceeding to the next. The vote as registered shall be entered by the judges, in ink, on quadruplicate return sheets, and also on a general return sheet and statement, all of which, after the canvass is completed, shall be signed by the judges. The total votes cast for each candidate, and for and against each question, and the votes written in, shall then be entered on the general and quadruplicate return sheets and statement. There shall also be entered on the general return sheet and statement the number of voters who have voted, as shown by the lists of voters, and the number who have voted on each machine, as shown by the public counters, and also the number registered on the protective or accumulative counter or device on each machine immediately after the closing thereof and sealing of the machine. The number or other designation of each machine used shall also be entered thereon. In the case of primary elections, quadruplicate return sheets shall remain exposed to view until the said returns and all other reports have been fully completed.

(4) The proclamation of the result of the votes cast shall be announced distinctly and audibly by one of the judges of election, who shall read the name of the vote cast for each candidate and the vote for and against each question submitted. During such proclamation ample opportunity shall be given to any person lawfully present to compare the results so announced with the counter dials of the machine, and any necessary corrections shall then and there be made by the judges, after which the doors or other cover of the voting machine shall be closed and locked and the return sheet shall be signed by each of the judges of election. If any judge shall decline to sign such return, he shall state his reason therefor in writing, and a copy thereof, signed by him, shall be enclosed with such return. Each of the return sheets shall be enclosed in an envelope, which shall be securely sealed, and each of the judges shall write his name across the fold of the envelope. One (1) of the quadruplicate return sheets, along with the general return sheet and precinct list, shall be directed to the county board of elections of the county in which the election is being held, one (1) to the county clerk of the county in which the election is being held and one (1) to the local governing body of each of the two (2) dominant political parties. Said envelope shall have endorsed thereon a certificate of the election officers, stating the number of the machine, the precinct where it has been used, the number on the seal, and the number on the protective or accumulative counter or device at the close of the polls. Following the tabulation of all votes cast in the election, including absentee votes, the county board shall immediately mail the tabulation result, the general return sheets and the precinct lists from each precinct to the state board of elections.

(5) As soon as possible after the completion of the count, the election officers shall return to the county board of elections the keys to the voting machine received and receipted for by them, and the county clerk in which the precinct is located shall have the voting machine properly boxed or securely covered and removed to a proper and secure place of storage.

(6) In primary elections, each candidate or group of candidates may designate to the county board of elections a representative to witness and check the vote count. In regular elections, the governing authority of each political party, each candidate for member of board of education, independent candidate or independent ticket may designate a representative to the county board of elections to witness and check the vote count. The county board of elections shall authorize representatives of the news media to observe the taking of the tally of votes from the voting machine in each precinct in each primary, regular or special election.

(7) If supplemental paper ballots have been approved, as provided in KRS 118.215, after the polls are closed, the precinct election officials shall stamp "Unused" on all supplemental paper ballots not used. The election officers shall string all used ballots' stubs upon a string provided for that purpose, and the stubs shall be placed

in an envelope. The sheriff and the judge from the opposite political party from the sheriff shall return to the county clerk's office the locked ballot box, all ballot stubs, spoiled ballots and unused ballots at the same time as the tabulation of votes from the voting machine is delivered. The county clerk shall issue a receipt for the number of ballot stubs, unused ballots, spoiled ballots and the ballot box. The county board of elections, or its designee, shall count and tally the paper ballots manually or with the use of tabulating equipment which does not involve an additional voting system. The results of the vote tally shall be certified by the county board of elections to the county clerk and to the secretary of state. The county board of elections shall authorize the candidates or their representatives and representatives of the news media to be present during the counting of the paper ballots. *Except as otherwise required in this chapter that certain records and papers relating to specified elections be retained for twenty-two (22) months,* the county clerk shall retain the paper ballots for sixty (60) days, after which time they shall be *destroyed in such a manner as to render them unreadable* [~~burned~~] by the county board of elections if no contest or recount action has been filed.

Section 14. KRS 117.305 is amended to read as follows:

The canvass and returns provided for in KRS 117.275 shall constitute the official returns of the precinct, unless within ninety-six (96) hours after the close of the polls, the county clerk or county board of elections takes notice of a discrepancy in the talley of votes cast in any precinct or number of precincts, or a candidate makes a written request to the county board of elections to check and recanvass the voting machines and absentee ballots of any precinct or any number of precincts involving his race. After this time period has elapsed and notice is taken, the election *board* [~~commission~~] shall immediately assemble and recheck and recanvass each machine and make a proper return thereof to the county clerk, in which event the canvass and return shall become the official returns for the election. In making the recanvass the board shall make a record of the number of the seal upon the voting machine and without unlocking the machine against voting, recanvass the vote cast thereon. If, upon a recanvass, it is found that the original canvass of the returns has been correctly made from the machine, and that there still remains a discrepancy unaccounted for this discrepancy shall be noted. The registering counter of each candidate who requested a recanvass and the counter of the candidate's opponent shall be reset at zero before it is tested, after which it shall be operated at least one hundred (100) times. If, upon recanvass, it appears that the original canvass of the returns by the election officers was incorrect, the returns and all papers being prepared by the board shall be corrected accordingly, except that there shall be no change in the vote of any candidate from that originally certified unless such candidate was actually notified. *The county board of elections shall, immediately upon receipt of a request for a recanvass, notify each candidate for the office of the time and place of the recanvass.* At the recanvass, each political party represented on the board may appoint a representative there to be its governing body, and also each candidate to be voted for may be present either in person or by a representative or both. The county board of elections shall authorize representatives of the news media to observe the recanvass of the votes cast on the voting machine in each precinct. Nothing in this section shall prohibit an individual from requesting, in addition to a recanvass, a recount as authorized by KRS Chapter 120.

Section 15. KRS 117.315 is amended to read as follows:

(1) [~~The county executive committee of any political party having a ticket to elect at any regular election, may designate not more than two (2) challengers to be present at and witness the holding of the election in each precinct in the county. The provisions of this section shall be enforceable against the chairman of the political party committees by a mandatory summary proceeding instituted in the circuit court. The order of the court may be reviewed by the court of appeals as provided for the granting or dissolving of temporary injunctions.

(2) Any school board candidate, any independent ticket or candidate for city office, any nonpartisan city candidate, or candidate for an office of the court of justice at the primary or regular election may designate not more than one (1) challenger to be present at and witness the holding of primaries or elections in each precinct in the county. (11)[~~(12)~~] Persons qualified to vote at a regular election are qualified to vote at a nonpartisan primary election and the law applicable to challenges made at a regular election is applicable to challenges made at a nonpartisan primary election.

(12)[~~(13)~~] Votes shall be counted as provided in general election laws and the result shall be published as provided in KRS Chapter 424.

(13)[~~(14)~~] The two (2) applicants receiving the highest number of votes for nomination for each city office shall be nominated, or where the nominations are for city legislative body members in cities electing legislative body members at large, there shall be nominated the number of applicants receiving the highest number of votes equal to twice the number of offices to be filled.

(14)[~~(15) The ballot position of a candidate shall not be changed after the ballot position has been designated by the county clerk.~~

~~(16)~~] At the regular election following a nonpartisan primary election, the names of the successful nominees *and candidates who have filed a petition of candidacy as provided in this chapter to fill a vacancy* shall be placed before the voters.

(15)[~~(17)~~] The nominee *or candidate* receiving the greater number of votes cast for each city office shall be elected.

(16)[~~(18)~~] General election law prescribing duties of county clerks and other public officers in the conduct of elections shall be applicable in all respects to nonpartisan city elections, except no election officer or other person within a polling place shall tell or indicate to a voter, by word of mouth or otherwise, the political affiliation of any candidate for city office.

Section 5. KRS 116.155 is amended to read as follows:

All forms pertaining to registration and purgation shall be prescribed and furnished by the state board of elections. The registration form shall include the voter's name; date of birth; social security number, if any; address; and such other information as the state board of elections may deem necessary. *No person who fails to include his social security number shall be denied the right to register because of such failure.* All forms which require a voter's signature shall provide for verification by the signer thereof.

Section 6. KRS 117.045 is amended to read as follows:

(1) The county board of elections shall, not later than September 20 each year, appoint for each precinct in the county two (2) judges, one (1) clerk, and one (1) sheriff of election, who shall hold their offices for one (1) year and until their successors are appointed. They shall serve in all elections held in the county during the year, *except as provided in Chapter 242.* The county executive committees of the two (2) political parties having representation on the state board of elections may, on or before September 15 each year, designate in writing to the county board of elections a list of not less than four (4) names for each precinct except that in any precinct where there are not as many as four (4) persons possessing the qualifications of an election officer belonging to the political party filing the list, a less number may be designated. If there are two (2) or more contending executive committees of the same party in any county, the one (1) recognized by the written certificate of the chairman of the state central committee of the party shall be the one authorized to submit the lists. If lists are submitted, one (1) judge at each voting place shall be selected from each list, and the sheriff shall be chosen from one (1) list and the clerk from the other. If no lists are submitted, the officers of the election shall be so selected and appointed that one (1) of the judges at each voting place is of one (1) political party and the other judge of a different political party, and there shall be a like difference at each voting place between the sheriff and the clerk of election. The county board of elections shall, within ten (10) days before the next ensuing election, give each election officer written notice of his appointment. The board may direct the sheriff of the county to serve the notice of appointment, if it deems such action is necessary.

(2) An election officer shall be a qualified voter of the precinct, except that where no qualified voter of the required political party is available within the precinct, the election officer shall be a qualified voter of the county. An election officer shall not be a candidate or the spouse, parent, *brother, sister* or child of a candidate who is to be voted for at the election. An election officer may be removed, for cause, at any time up to five (5) days before an election. Vacancies shall be filled in the same manner as provided for original appointments and the person appointed to fill the vacancy shall be of the same political party as his predecessor.

(3) If the county board of elections fails to appoint election officers, or if any such officer fails to attend for thirty (30) minutes after the time for commencing the election, or refuses to act, the officer in attendance representing the political party of the absentee shall appoint a suitable person to act in his place for that election. If both representatives of the same political party are absent, qualified voters present affiliating with that party shall elect, viva voce, suitable persons to act in their places.

(4) Each election officer shall be paid a minimum of fifteen dollars ($15.00) per day, and such an additional amount as may be determined by the county board of elections, with the approval of the governing body which would be responsible for funding said election officers' pay, for each election in which the election officer serves, to be paid by the county. For delivering election returns, the sheriff and the judge of the opposite political party from the sheriff shall receive in addition ten (10) cents for each mile necessarily traveled from the place of voting to and from the place of delivery, to be paid by the county.

Section 7. KRS 117.058 is amended to read as follows:

The county board of elections shall not add *territory* to, delete *territory from,* or *otherwise* change the boundary of *any congressional, representative or,* [~~legislative and~~] senatorial *district* [~~districts identified by precinct name, number or ward,~~] without legislative approval to redefine the district *in the form of a legislative act changing the district's boundaries. Nothing in this section shall be deemed to prohibit the consolidation, creation or division of precincts within legislative and congressional district boundaries under KRS 117.055* [~~involved~~].

Section 8. KRS 117.085 is amended to read as follows:

(1) Any qualified voter in any county who will be absent from the county on any election day or any person incarcerated in jail that has been charged for a crime but has yet to be convicted of the said crime may, at any time not less than seven (7) days before the election, make application in person or by mail to the county clerk for a special ballot, except that such application shall be restricted to the use of the voter, the voter's spouse, the voter's parents, or the voter's dependent children. The clerk shall type the name of the absent voter on the application form for that person's use and no other. The application form shall be in the form prescribed by the state board of elections, shall bear the seal of the county clerk and shall contain the following information: name, residential address, precinct, party affiliation, statement of absence on election day, statement of compliance with residency requirements for voting in said precinct, and the voter's mailing address for a special

ballot. The form shall be verified and signed by the voter. A notice of the penalty provided in KRS 117.995(4) shall be printed on the application.

(2) Residents of Kentucky, who are members of the armed forces, or dependents of members of the armed forces, may apply for an absentee ballot by means of the federal post card application. Such applications may be used to register, re-register and to apply for an absentee ballot. If the federal post card application is received at any time not less than seven (7) days before the election, the county clerk shall affix his seal to such application form upon receipt.

(3) If the county clerk finds that the voter is properly registered as stated in his application, he shall mail to the voter a special ballot, two (2) official envelopes for returning the ballot, and instructions for voting. Special ballots which are requested prior to the printing of such ballots shall be mailed by the county clerk to the voter within three (3) days of the receipt of such ballots. Special ballots which are requested subsequent to the receipt of such ballots by the county clerk shall be mailed to the voter within three (3) days of the receipt of such request. The clerk shall cause the special ballot to be printed thirty (30) days prior to each primary or general election. The outer envelope shall bear the words "Absent Voter's Ballot" and the address and official title of the county clerk and shall provide space for the voter's signature, voting address and precinct number. A detachable flap on the inner envelope shall provide space for the voter's signature, voting address, precinct number and notice of penalty provided in KRS 117.995(4). The clerk shall type the voter's address and precinct number in the upper left hand corner of the absent voter's outer envelope and of the detachable flap on the inner envelope immediately below the blank space for the voter's signature. The inner envelope shall be blank. The clerk shall retain the application *for twenty-two (22) months* [~~until thirty (30) days~~] after the election.

(4) A list of persons to whom absentee ballots are mailed shall be posted in the clerk's office, for public inspection, and a list shall be included in the supplies sent to each precinct on election day and shall be posted at the polling place throughout the voting hours on election day.

(5) Any person who has been mailed an absent voter's ballot but who shall be in his voting precinct on election day may cancel his absent ballot and vote in person if he appears at the county clerk's office at least seven (7) days prior to election day and returns his absent ballot. Upon such personal appearance of the voter, the clerk shall mark on the outer envelope of the sealed ballot or the unmarked ballot the words "Cancelled because voter appeared to vote in person." Sealed envelopes so marked shall not be opened. The clerk shall remove the voter's name from the list of persons who were sent absentee ballots, and the voter may vote in the precinct in which he is properly registered.

Section 9. KRS 117.087 is amended to read as follows:

(1) The challenge of an absent voter's ballot must be in writing and in the hands of the county clerk before 3:00 p.m. on election day.

(2) The county board of elections shall count the absentee ballots. The board may appoint a central absentee ballot counting board of not less than three (3) members, who shall be qualified voters and no more than two-thirds (2/3) of which shall be members of the same political party, to count the ballots at the direction of the county board of elections.

(3) Beginning at 3:00 p.m. on election day the board may meet at the clerk's office to count the absentee ballots. Candidates or their representatives shall be permitted to be present. The county board of elections shall authorize representatives of the news media to observe the counting of absent voters' ballots. The board shall open the boxes containing absent voters' ballots and remove the envelopes one (1) at a time. As each envelope is removed, it shall be examined to ascertain whether the outer envelope and the detachable flap are in proper order and have been signed by the absent voter. All unsigned absentee ballots shall be rejected automatically. The *chairman of the county board of elections* [~~clerk~~] shall compare the signatures on the outer envelope and the detachable flap with the signature of the voter that appears on the registration card. If the outer envelope and the detachable flap are found to be in order the *chairman* [~~clerk~~] shall read aloud the name of the absent voter. If the vote of such voter is not rejected on a challenge then made as provided in subsection (4), the *chairman* [~~clerk~~] shall then remove the detachable flap and place the inner envelope unopened in a ballot box which has been provided for the purpose.

(4) When the name of an absent voter is read aloud by the *chairman* [~~clerk~~], the vote of such voter may be challenged by any board member or by the written challenge provided in subsection (1) of this section and the

challenge thereto may be determined and the absentee vote accepted or rejected by the board as if the voter was present and voting in person, but if the outer envelope and the detachable flap are regular, and substantially comply with the provisions of this chapter, they shall be considered as showing that the absent voter is prima facie entitled to vote. If the vote of an absent voter is rejected pursuant to the challenge, the outer envelope shall not be opened, and the *chairman* [~~clerk~~] shall write on the envelope the word "rejected".

(5) After the challenges have been made and all the blank inner envelopes have been placed in a ballot box, the box shall be thoroughly shaken so as to redistribute the ballots in the box. The board shall then open the ballot box, remove the absentee ballots from the inner envelopes, count and record the absentee ballot votes on a form provided by the state board.

(6) *Except as otherwise required by this chapter that certain records and papers relative to specified elections be retained for twenty-two (22) months,* the county clerk shall retain the ballots, detachable flaps and the outer envelopes for thirty (30) days, at which time they shall be *destroyed in such a manner as to render them unreadable* [~~burned~~] by the county board of elections. If a contest or recount proceeding is instituted during said thirty-day period, the ballots shall not be *destroyed* [~~burned~~] but shall be disposed of as directed by the court in which such proceeding was instituted.

(7) The county board of elections shall make public the absentee ballot results after 6:00 p.m.

Section 10. KRS 117.145 is amended to read as follows:

(1) At least two (2) days before any special election, and at least thirty (30) days before any primary *or regular* election, [~~and at least fifteen (15) days before any regular election,~~] the county clerk of each county shall cause to be printed and ready for use ballot labels for each candidate who, and each question which, is entitled to be voted upon in such election. The ballot labels shall be printed on clear white paper or other material which shall be furnished by the printer. They shall be printed in black ink, in plain, clear type clearly legible to a person with normal vision, and shall be of such size as will fit the ballot frames. The labels shall include the necessary party designations.

(2) Each county clerk shall have printed a sufficient number of special paper ballots. The special ballot shall be used for voting by absent voters; by voters so disabled by age, infirmity or illness as to be unable to appear at the polls; and for voting in an emergency situation. The ballot stubs shall be consecutively numbered and the county board shall keep a record, by number, of all special ballots used for any of the purposes listed herein.

(3) At least three (3) days before a special or regular election the county clerk shall equip the voting machines with the necessary supplies for the purpose of write-in votes. The county clerk shall also attach a pencil or pen to the voting machine for write-in purposes.

(4) If supplemental paper ballots have been approved as provided in KRS 118.215, the county clerk shall cause to be printed a sufficient number of paper ballots for the registered voters of each precinct. The paper ballots shall have stubs which are numbered consecutively. The quality of paper on which the supplemental paper ballots are printed shall be determined by regulations promulgated by the secretary of the finance and administration cabinet.

Section 11. KRS 117.235 is amended to read as follows:

(1) No person, other than the election officers and challengers, shall be permitted within the voting room while the vote is being polled, except for the purpose of voting or except by authority of the election officers to keep order and enforce the law.

(2) No officer of election shall do any electioneering on election day.

(3) No person shall do any electioneering at the polling place *or within a fifty (50) foot perimeter of the voting machine* on election day unless the fiscal court or legislative body of an urban-county government specifically authorizes by ordinance on a county wide basis *a greater distance from the polling place within which* electioneering [~~and establishes the distance from the polling place where such electioneering~~] may be permitted, but in no case shall electioneering be allowed within a fifty (50) foot perimeter of the voting machine. Electioneering shall include the displaying of signs, the distribution of campaign literature, cards or handbills, the soliciting of signatures to any petition, or the solicitation of votes for or against any candidate or question on the ballot in any manner.

(4) No voter shall be permitted to converse with others while in the voting room concerning their support or nonsupport of any candidate, party or issue to be voted on, except as provided in KRS 117.255.

(5) The election sheriff, under the supervision of the precinct election judges, shall maintain law and order within a fifty (50) foot perimeter of the voting machine. Assistance may be requested of any law enforcement officer.

Section 12. KRS 117.255 is amended to read as follows:

(1) The voter shall be instructed by the officers of election, with the aid of the instruction cards and the model, in the use of the machine, if the voter so requests.

(2) No voter shall be permitted to receive any assistance in voting at the polls unless he makes and signs an oath that, by reason of inability to read English, or by reason of blindness or other physical disability he is unable to vote without assistance. Upon making and filing with the judges such oath, the voter shall retire to the voting machine, with the judges, and one (1) of the judges shall then, in the presence of the other and the voter, operate the machine as the voter directs. The disabled person applying to vote may, if he prefers, be assisted by a person of his own choice who is not an election officer, *except that the voter's employer, an agent of that employer, an officer or agent of the voter's union, or a candidate shall not assist the voter.* The clerk shall swear the person accompanying the disabled or blind voter to operate the voting machine in accordance with the directions of the disabled or blind voter, and the disabled or blind voter and the person sworn shall then enter the voting booth and the one so sworn shall operate the machine for the disabled or blind voter as he directs. Voting booth shall mean an area in which a voter casts his vote which is designed in such a manner that the secrecy of the vote is insured. No voter shall be assisted under this subsection unless the judges and the sheriff of election are satisfied of the truth of the facts stated in the oath. The voter shall state in his oath the specific physical disability that requires him to receive assistance, and the judges of election shall enter in writing, on a record of assisted voters, the voter's name and the specific physical disability which required him to receive assistance.

(3) No voter shall be permitted to occupy the voting machine more than two (2) minutes if other voters are waiting to use it.

(4) In primary elections, before a voter is permitted to use the voting machine, a judge of the election shall adjust the machine so that the voter will only be able to vote for the persons for whom the voter is qualified to vote.

(5) If the machine is so constructed as to require adjustment after one (1) person has voted before another person may vote, the judges of election shall so adjust it after each person has voted.

(6) The election officers shall constantly maintain a watch in order to prevent any person from voting more than once.

(7) In elections for president and vice president, if a voter is eligible to vote only for the office of president and vice president a judge of the election shall adjust the machine so that the voter will only be able to vote for president and vice president.

(8) If supplemental paper ballots have been approved, as provided in KRS 118.215, the voter shall vote his ballot in privacy in a booth provided for that purpose by the county clerk. If the voter spoils his ballot, he shall return the spoiled paper ballot to an election official who shall stamp the ballot "Spoiled," initial and place the spoiled ballot in an envelope provided for that purpose. The voter shall then be issued a second supplemental paper ballot. Upon completion of voting, the voter shall remove the numbered stub from the ballot, hand the stub to an election official and deposit the voted ballot in the locked ballot box in the presence of precinct election officials.

Section 13. KRS 117.275 is amended to read as follows:

(1) At the count of the votes in any such precinct, any candidate and any representatives to witness and check the count of the votes therein, who are hereby authorized to be appointed as is provided in subsection (6) of this section, shall be admitted and be permitted to be present and witness the count.

(2) As soon as the polls are closed, and the last voter has voted, the judges shall immediately lock and seal the

operating lever or mechanism of the machine so that the voting and counting mechanism will be prevented from operation, and they shall then sign a certificate stating:

(a) That the machine has been locked against voting and sealed;

(b) The number of voters, as shown on the public counters;

(c) The number registered on the protective or accumulative counter or device, if any; and

(d) The number or other designation of the voting machine, which certificate shall be returned by the judges of election to the officials authorized by law to receive the same. The judges shall then compare the number of voters, as shown by the counter of the machine, with the number of those who have voted as shown by the protective or accumulative counter or device.

(3) The judges, in the presence of the representatives mentioned in subsection (1), if any, and of all other persons who may be lawfully within the polling place, shall then make visible the registering counters, and, for that purpose, shall unlock and open the doors, or other covering concealing the same, giving full view of all the counter numbers. The judges shall, under the scrutiny of such representatives, and in the order of the offices as their titles are arranged on the machine, read and announce, in distinct tones, the results as shown by the counter numbers for each candidate and for and against each question voted on. The counters shall not be read consecutively along the party rows or columns, but shall always be read along the office columns or rows, completing the canvass for each office or question before proceeding to the next. The vote as registered shall be entered by the judges, in ink, on quadruplicate return sheets, and also on a general return sheet and statement, all of which, after the canvass is completed, shall be signed by the judges. The total votes cast for each candidate, and for and against each question, and the votes written in, shall then be entered on the general and quadruplicate return sheets and statement. There shall also be entered on the general return sheet and statement the number of voters who have voted, as shown by the lists of voters, and the number who have voted on each machine, as shown by the public counters, and also the number registered on the protective or accumulative counter or device on each machine immediately after the closing thereof and sealing of the machine. The number or other designation of each machine used shall also be entered thereon. In the case of primary elections, quadruplicate return sheets shall remain exposed to view until the said returns and all other reports have been fully completed.

(4) The proclamation of the result of the votes cast shall be announced distinctly and audibly by one of the judges of election, who shall read the name of the vote cast for each candidate and the vote for and against each question submitted. During such proclamation ample opportunity shall be given to any person lawfully present to compare the results so announced with the counter dials of the machine, and any necessary corrections shall then and there be made by the judges, after which the doors or other cover of the voting machine shall be closed and locked and the return sheet shall be signed by each of the judges of election. If any judge shall decline to sign such return, he shall state his reason therefor in writing, and a copy thereof, signed by him, shall be enclosed with such return. Each of the return sheets shall be enclosed in an envelope, which shall be securely sealed, and each of the judges shall write his name across the fold of the envelope. One (1) of the quadruplicate return sheets, along with the general return sheet and precinct list, shall be directed to the county board of elections of the county in which the election is being held, one (1) to the county clerk of the county in which the election is being held and one (1) to the local governing body of each of the two (2) dominant political parties. Said envelope shall have endorsed thereon a certificate of the election officers, stating the number of the machine, the precinct where it has been used, the number on the seal, and the number on the protective or accumulative counter or device at the close of the polls. Following the tabulation of all votes cast in the election, including absentee votes, the county board shall immediately mail the tabulation result, the general return sheets and the precinct lists from each precinct to the state board of elections.

(5) As soon as possible after the completion of the count, the election officers shall return to the county board of elections the keys to the voting machine received and receipted for by them, and the county clerk in which the precinct is located shall have the voting machine properly boxed or securely covered and removed to a proper and secure place of storage.

(6) In primary elections, each candidate or group of candidates may designate to the county board of elections a representative to witness and check the vote count. In regular elections, the governing authority of each political party, each candidate for member of board of education, independent candidate or independent ticket may designate a representative to the county board of elections to witness and check the vote count. The

county board of elections shall authorize representatives of the news media to observe the taking of the tally of votes from the voting machine in each precinct in each primary, regular or special election.

(7) If supplemental paper ballots have been approved, as provided in KRS 118.215, after the polls are closed, the precinct election officials shall stamp "Unused" on all supplemental paper ballots not used. The election officers shall string all used ballots' stubs upon a string provided for that purpose, and the stubs shall be placed in an envelope. The sheriff and the judge from the opposite political party from the sheriff shall return to the county clerk's office the locked ballot box, all ballot stubs, spoiled ballots and unused ballots at the same time as the tabulation of votes from the voting machine is delivered. The county clerk shall issue a receipt for the number of ballot stubs, unused ballots, spoiled ballots and the ballot box. The county board of elections, or its designee, shall count and tally the paper ballots manually or with the use of tabulating equipment which does not involve an additional voting system. The results of the vote tally shall be certified by the county board of elections to the county clerk and to the secretary of state. The county board of elections shall authorize the candidates or their representatives and representatives of the news media to be present during the counting of the paper ballots. *Except as otherwise required in this chapter that certain records and papers relating to specified elections be retained for twenty-two (22) months,* the county clerk shall retain the paper ballots for sixty (60) days, after which time they shall be *destroyed in such a manner as to render them unreadable* [~~burned~~] by the county board of elections if no contest or recount action has been filed.

Section 14. KRS 117.305 is amended to read as follows:

The canvass and returns provided for in KRS 117.275 shall constitute the official returns of the precinct, unless within ninety-six (96) hours after the close of the polls, the county clerk or county board of elections takes notice of a discrepancy in the talley of votes cast in any precinct or number of precincts, or a candidate makes a written request to the county board of elections to check and recanvass the voting machines and absentee ballots of any precinct or any number of precincts involving his race. After this time period has elapsed and notice is taken, the election *board* [~~commission~~] shall immediately assemble and recheck and recanvass each machine and make a proper return thereof to the county clerk, in which event the canvass and return shall become the official returns for the election. In making the recanvass the board shall make a record of the number of the seal upon the voting machine and without unlocking the machine against voting, recanvass the vote cast thereon. If, upon a recanvass, it is found that the original canvass of the returns has been correctly made from the machine, and that there still remains a discrepancy unaccounted for this discrepancy shall be noted. The registering counter of each candidate who requested a recanvass and the counter of the candidate's opponent shall be reset at zero before it is tested, after which it shall be operated at least one hundred (100) times. If, upon recanvass, it appears that the original canvass of the returns by the election officers was incorrect, the returns and all papers being prepared by the board shall be corrected accordingly, except that there shall be no change in the vote of any candidate from that originally certified unless such candidate was actually notified. *The county board of elections shall, immediately upon receipt of a request for a recanvass, notify each candidate for the office of the time and place of the recanvass.* At the recanvass, each political party represented on the board may appoint a representative there to be its governing body, and also each candidate to be voted for may be present either in person or by a representative or both. The county board of elections shall authorize representatives of the news media to observe the recanvass of the votes cast on the voting machine in each precinct. Nothing in this section shall prohibit an individual from requesting, in addition to a recanvass, a recount as authorized by KRS Chapter 120.

Section 15. KRS 117.315 is amended to read as follows:

(1) [~~The county executive committee of any political party having a ticket to elect at any regular election, may designate not more than two (2) challengers to be present at and witness the holding of the election in each precinct in the county. The challengers shall be entitled to stay in the room or at the door. The challengers shall be registered voters of the county in which the election is held, shall be appointed in writing signed by the chairman of the committee and shall produce written appointments on demand of any election officer.~~

~~(2) Any school board candidate, independent candidate, candidate for an office of the court of justice, or independent ticket at the regular election may designate not more than one (1) challenger to be present at and witness the holding of the elections in each precinct in the county. The challenger shall be entitled to stay in the room or at the door. The challenger shall be a registered voter of the county in which the election is held, shall be appointed in writing by the chairman of the committee, independent candidate or candidates representing a ticket, and shall produce written appointment on demand of any election officer.~~

~~(3) Not later than thirty (30) days prior to an election at which constitutional amendments or other public questions are to be submitted to the vote of the people, any committee that in good faith advocates or opposes an amendment or public question may file a petition with the clerk of the county asking that the petitioners be recognized as the committee entitled to nominate inspectors and challengers to serve at the election at which the constitutional amendment or public question is to be voted on. If more than one (1) committee alleging itself to advocate or oppose the same amendment file such a petition, the county board of elections shall decide, and announce by certified mail, return receipt requested to each committee not less than twenty (20) days immediately preceding the election, which committee is entitled to nominate the challengers and inspectors. Such decision shall not be final, but any aggrieved party may institute proceedings with the county judge/executive and upon hearing the county judge/executive shall determine which of such committees shall be recognized as the one to select inspectors and challengers at the election.~~

~~(4) The committee shall file the names of the persons nominated by it with the clerk of the county at least five (5) days before the election. The county board of elections shall, within two (2) days thereafter, certify the nominees of the committee for the respective precincts to serve as challengers and inspectors at the election where any constitutional amendment or public question is to be voted upon. If more than one (1) amendment or question is to be voted upon, the county board of elections may designate, on the petition of the committee, one (1) person for each amendment and question to serve as inspector at the election and one (1) person for each amendment and question to serve as challenger at the election.~~

~~(5) The challengers and inspectors shall perform their duties in the same manner and be subject to the same privileges as other inspectors and challengers at an election.~~

~~(6)~~] Each political party is entitled to have not exceeding two (2) challengers at each precinct during the holding of the primary election. Any group of bona fide candidates, as defined in KRS 118.176, of the same political party equal to twenty-five percent (25%) of all the candidates for that party to be voted for in a county in any primary, including state, district and all other candidates, may recommend to the county committee or governing authority of the party for the county a list of persons whom they desire to have appointed as challengers in each precinct in the county. If more than two (2) such lists are furnished, the committee or governing authority, in making appointments of challengers, shall alternate between the several lists so furnished so as to give to each list an equal amount or proportion of the appointments, but in no event shall there be appointed more than one (1) challenger for any precinct from any one (1) list. The list of challengers shall be presented to the chairman or secretary of the party committee of the county not less than seven (7) days before the date on which the primary is to be held, and the committee or the chairman thereof shall make the appointments and certify to same at least four (4) days before the date on which the primary is held. The appointment of challengers shall be certified in all respects as challengers at regular elections, except as otherwise provided in this section, and the challengers shall be registered voters of the county in which the primary is held, shall be subject to the same penalties and possess the same rights and privileges as challengers at regular elections, except that the challengers of one (1) political party shall not be entitled to challenge persons who offer to vote for candidates of any other party in the primary. The provisions of this section shall be enforceable against the chairman of the political party committees by a mandatory summary proceeding instituted in the circuit court. The order of the court may be reviewed by the court of appeals as provided for the granting or dissolving of temporary injunctions.

(2) Any school board candidate, any independent ticket or candidate for city office, any nonpartisan city candidate, or candidate for an office of the court of justice at the primary or regular election may designate not more than one (1) challenger to be present at and witness the holding of primaries or elections in each precinct in the county. The challenger shall be entitled to stay in the room or at the door. The challenger shall be a registered voter of the county in which the primary or election is held, shall be appointed in writing by the chairman of the committee, independent candidate or candidates representing a ticket, and shall produce written appointment on demand of any election officer.

(c) A description of the proposed location;

(d) The name and address of this cabinet; and

(e) The following statement: "Any person who may be aggrieved by the issuance of a permit for this proposed waste site or facility may file with the cabinet a petition which sets forth the grounds of the objection and demand a hearing pursuant to KRS 224.081(2)." Such hearing shall be held within the county where the waste site or facility is proposed.

(4) No permit shall be issued until at least thirty (30) days have expired following publication of the application. The applicant for a permit must establish the date of publication by a verified affidavit from the newspaper which publishes the advertisement. If a hearing is requested, no permit shall be issued prior to a completed hearing. In the case of hazardous waste *incinerators,* landfills and other sites or facilities for the land disposal of hazardous waste no permit shall be approved or issued prior to notification of the cabinet by the local unit of government of its actions pursuant to subsection (5) of this section. *Except that in the case of a hazardous waste incinerator, the procedure set forth in subsection (5) of this section shall not apply if a local unit of government wherein the incinerator is proposed has adopted zoning regulations pursuant to KRS Chapter 100.*

(5) The fiscal court of the county, urban-county government, or governing body of an incorporated municipality wherein a hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste is proposed, shall conduct a public hearing after public notice has been given in accordance with KRS Chapter 424 and shall vote to approve or disapprove the hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste within thirty (30) days after the hearing described in subsections (3) and (4) of this section. If no hearing is requested under the provisions of subsections (3) and (4) of this section, the fiscal court, urban-county government, or governing body of an incorporated municipality shall conduct such public hearing and vote to approve or disapprove the hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste within sixty (60) days following publication of the application. In making a determination the fiscal court, urban-county government, or governing body of an incorporated municipality shall consider the social and economic impacts of the proposed hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste on the affected community, including changes in property values, community perception and other psychic costs; costs and availability of public services, facilities and improvements required to support the landfill or other site or facility and protect public health, safety and the environment; and the relationship of the proposed hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste to local planning and existing development. After a fiscal court or urban-county government or governing body of an incorporated municipality has voted to approve or disapprove a hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste, the court, urban-county government, or governing body of an incorporated municipality shall so notify the cabinet in writing within ten (10) days. If a hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste is disapproved by the court, urban-county government, or governing body of an incorporated municipality, the reasons for disapproval shall be set forth clearly and concisely, and so recorded in the minutes. No permit shall be issued by the cabinet if a fiscal court, urban-county government or governing body of an incorporated municipality disapproves the hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste in the manner prescribed herein.

(6) The provisions of subsection (5) of this section shall not apply to a proposed regional integrated waste treatment and disposal demonstration facility.

Section 6. KRS 224.866 is amended to read as follows:

(1) No person shall engage in the storage, treatment, recycling or disposal of hazardous waste without first obtaining construction and operation permits from the cabinet. The cabinet shall promulgate regulations establishing standards for such permits but in no case shall a permit to construct or operate a hazardous waste disposal facility or a regional integrated waste treatment and disposal demonstration facility be issued unless it can be demonstrated that the proposed facility can be integrated into the surroundings in an environmentally compatible manner, including but not limited to insuring that hydrologic, seismologic, geologic and soil considerations have been adequately addressed in the permit application and in an operational plan. In no case shall a permit to construct a hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste be approved or issued prior to notification of the cabinet by the local unit of government of

its actions pursuant to KRS 224.855(5), *unless the exception set forth in KRS 224.855(4) applies.* The cabinet shall not issue a construction permit to a regional integrated waste treatment and disposal demonstration facility until it has been issued a certificate of environmental safety and public necessity. A person desiring a construction permit shall file an application on forms supplied by the cabinet which shall contain such information as the cabinet deems necessary and provide evidence that the hazardous waste shall be treated, stored or disposed of in the manner prescribed by the cabinet. The applicant shall not initiate construction at the proposed site of a new facility for the storage, treatment or disposal of hazardous waste until notice has been given to that portion of the public most likely to be affected by the operation of the proposed facility pursuant to KRS 224.855(1) through KRS 224.855(4) and until a construction permit for said facility has been issued by the cabinet. The cabinet may consider past performance in this or related fields by the applicant. The cabinet, in making a determination to issue, deny or condition a construction permit, shall consider the following:

(a) An evaluation of alternatives, to include other locations and other treatment, storage, and disposal approaches, different from those proposed, available to the applicant;

(b) An evaluation of the public health, safety, and environmental aspects of the proposals;

(c) An evaluation of the social and economic impacts of the proposed action on the affected community, to include, at a minimum, changes in property values, community perception and other psychic costs, and the costs and availability of public services, facilities and improvements required to support the facility and protect public health, safety and the environment;

(d) An evaluation of mitigation measures to alleviate problems identified in *paragraphs* [~~subsections~~] (b) and (c) of this *subsection* [~~section~~]; and

(e) The relationship of the proposal to local planning and existing development.

Except that in the case of hazardous waste *incinerators,* landfills or other sites or facilities for the land disposal of hazardous waste the provisions of paragraphs (c) and (e) of this subsection shall be determined by the local unit of government pursuant to KRS 224.855(5); in the case of a regional integrated waste treatment and disposal demonstration facility the provisions of paragraphs (c) and (e) of this subsection shall be determined by the siting board established pursuant to KRS 224.2203.

(2) Any hazardous waste which would migrate, leach, or generate gas in its normal state shall not be disposed of in a landfill unless such waste has been either neutralized, detoxified, solidified, encapsulated or otherwise treated so that the character of the waste is such that it will prevent substantial migration, leaching or gas generation or unless the landfill is designed and constructed in such manner as will prevent substantial migration, leaching or gas generation, that in either case may cause or significantly contribute to an increase in mortality or an increase in serious irreversible, or incapacitating reversible, illness or pose a substantial present or potential hazard to human health or the environment.

(3) In conjunction with the application for permits under this section the applicant shall establish adequate financial responsibility as follows:

(a) The applicant shall file as part of his application for a permit to construct the facility an estimate of the cost of closing the facility after its capacity is reached or operations have otherwise ceased. In the case of storage facilities, the cost of closing shall include the cost of properly disposing of the hazardous waste stored. The cabinet shall evaluate this cost estimate and either accept the estimate as made or shall revise it in accordance with acceptable guidelines, using, where available, actual data on closure costs associated with similar existing facilities. Before a permit to operate can be issued the applicant for any hazardous waste permit shall assure that the funds needed to close the facility are available by establishing assurance through one (1) or more of the following mechanisms: cash, certificates of deposit, irrevocable credit or other sureties satisfactory to the cabinet and the mechanism shall be established by agreement with the cabinet. The agreement shall provide that disbursement is permissible only upon written approval of the cabinet and whenever, on the basis of any information, the cabinet determines that the owner or operator is in violation of any of the closure requirements for the facility, that the cabinet shall have the right to use part or all of the closure fund to carry out the closure requirements. The financial institution, surety company or escrow agent shall release these funds upon receiving a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more closure violations. Upon determination that closure has been satisfactorily accomplished, the cabinet shall release the applicant from further financial responsibility for closure.

(b) Any applicant for a hazardous waste disposal permit shall file with the cabinet as part of his application an estimate of the annual cost of post-closure monitoring and routine maintenance at the site. The cabinet shall evaluate the cost estimate, and, after such modification as may be necessary in light of its evaluation, shall give notice of acceptance of the cost estimate. This cost estimate which will be referred to as the annual post-closure operating cost will then be used to determine the amount of the post-closure monitoring and maintenance fund to be used for monitoring and maintenance for a period of a minimum of thirty (30) years after facility closure. The post-closure monitoring and maintenance fund shall be cash, irrevocable credit or other sureties satisfactory to the cabinet and shall be established by an agreement with the cabinet. The agreement shall provide that whenever, on the basis of any information, the cabinet determines that the owner or operator of the facility is in violation of any of the post-closure monitoring and maintenance requirements, the cabinet shall have the right to use part or all of the funds to carry out the post-closure monitoring and maintenance for the facility. The funds shall be released upon receipt of a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more post-closure monitoring and maintenance violations. One (1) year after closure and annually, thereafter, for a period of thirty (30) years, the applicant who has carried out all necessary post-closure maintenance and monitoring requirements may upon application to the cabinet be reimbursed out of the post-closure monitoring and maintenance fund an amount equal to the estimated costs for monitoring and routine maintenance for that year. Request for release of funds for reimbursement must be accompanied by an itemized list of costs incurred. Upon determination that the expenditures incurred are in accordance with the approved plan or otherwise justified the cabinet may authorize the release of the funds to the applicant in writing. Any funds remaining in the account following a termination hearing in which the applicant is released of further responsibility will likewise be released to the applicant.

(c) All applicants for any hazardous waste permit must provide evidence of financial responsibility in an amount and for a time period specified by the cabinet for the purpose of satisfying claims arising out of injury to persons or property resulting from the release or escape of hazardous waste into the environment. Such financial responsibility may be established by one or a combination of evidence of liability insurance, self-insurance, or other evidence of financial responsibility acceptable to the cabinet. The level of self-insurance shall not exceed ten percent (10%) of equity, and financial responsibility must be maintained during the entire operation of the facility and until termination. The minimum liability coverage for sudden occurrences, exclusive of legal defense costs, for a storage, treatment or disposal facility shall be one million dollars ($1,000,000) per occurrence with an annual aggregate of two million dollars ($2,000,000). A hazardous waste disposal facility shall maintain additional excess liability coverage in the amount of at least ten million dollars ($10,000,000). The minimum liability coverage for nonsudden occurrences, exclusive of legal defense costs, for a hazardous waste facility involving land disposal shall be five million dollars ($5,000,000) per occurrence with an annual aggregate of ten million dollars ($10,000,000). Combined coverage for sudden and nonsudden occurrences shall be no less than the combined totals herein set forth for separate coverage.

(4) The cabinet shall promulgate regulations establishing minimal standards for closure, post-closure monitoring and maintenance, and termination of sites for the disposal of hazardous waste. Any person who obtains a disposal permit for hazardous waste shall be responsible for the post-closure monitoring and maintenance of the permitted facility for a minimum of thirty (30) years after closure of the facility, and may apply to the cabinet for termination of the responsibility for post-closure monitoring and maintenance at any time after the site has been closed for at least thirty (30) years. Upon receipt of such application the cabinet shall provide notice to the public and to the owner or operator and an opportunity for a hearing on the termination of the site. In this proceeding the burden shall be on the applicant to prove by clear and convincing evidence that additional post-closure monitoring and maintenance is not necessary for adequate protection of public health or the environment. The cabinet shall determine either that post-closure monitoring and maintenance of the site is no longer required in which case the applicant shall be relieved of such responsibility; or that additional post-closure monitoring and maintenance of the site as specified in a plan of operation is still required, in which case the cabinet may order appropriate remedial measures, impose restrictive covenants as to future use of the property involved, or otherwise condition termination as may be necessary for adequate protection of public health and the environment."

HB 413, AN ACT relating to the crime victim compensation fund.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 346.185 is amended to read as follows:

(1) There is established in the state treasury the "crime victims' compensation fund," hereinafter referred to as the "fund," to be administered by the crime victims' compensation board. In all cases in which defendants are *found* [~~given a sentence of imprisonment or are placed under the supervision of the state parole board or have been placed on probation or other form of conditional release, after an adjudication of~~] guilty [~~or after imposition of sentence~~], whether upon a plea of guilty or after trial, there shall be imposed as an additional cost the sum of ten dollars ($10.00) for all offenses for which imprisonment may be imposed. *This sum shall not be suspended or probated.* The clerk of the court shall collect the cost and forward it monthly to the state treasurer, to be deposited in the fund. Nothing herein shall be construed to limit the power of the court to order additional forms of restitution including public or charitable work or reparation to the victim, to the fund, or otherwise as authorized by law.

(2) The fund shall consist of moneys from the following: appropriations by the general assembly; the federal government; payments by the defendant pursuant to subsection (1) of this section and any other public or private source. Any unexpended balance remaining in the fund at the end of the biennium shall not lapse and be transferred to the general fund, but shall remain in the crime victims' compensation fund. Any funds not utilized by the board shall be used to provide assistance to programs for victims and the board shall allocate such funds to any agency providing services to victims. In the event there are insufficient funds in the fund to pay all claims in full, all claims shall be paid on a pro rata basis. If there are no moneys in the fund, then no claim shall be paid until moneys have again accumulated. In addition to payment of claims, moneys in the fund shall be used to pay all the necessary and proper expenses of the crime victims' compensation board.

(3) When judgment is entered against a defendant as provided in this section and each sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Kentucky to such defendant an amount equal to the unpaid amount of the judgment. The amount shall be paid to the crime victims' compensation fund and satisfaction of the judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for judgment.

HB 431, AN ACT relating to crime victim compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 346.010 is amended to read as follows:

The general assembly hereby declares that it serves a public purpose and is of benefit to the state to indemnify those needy *persons* [~~residents of the Commonwealth of Kentucky~~] who are innocent victims of criminal acts and who suffer bodily or[~~, in the case of a child,~~] psychological injury or death as a consequence thereof. Such persons or their dependents may thereby suffer disability, incur financial hardships and become dependent upon public assistance. To that end, it is the general assembly's intent that aid, care and support be provided by the state, as a matter of grace, for such victims of crime.

Section 2. KRS 346.020 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Board" means the crime victims compensation board.

(2) "Child" means any person less than eighteen (18) years of age.

(3) "Claimant" means any of the following claiming compensation under this chapter: a victim, a dependent of a deceased victim, a third person other than a collateral source, or an authorized person acting on behalf of any of them.

(4) "Criminally injurious conduct" means conduct that occurs or is attempted in this jurisdiction, poses a substantial threat of personal physical, or in the case of a child, psychological injury or death, and is punishable by fine, imprisonment or death. Acts which, but for the insanity or mental irresponsibility or lack of capacity of the perpetrator, would constitute criminal conduct shall be deemed to be criminally injurious conduct. The operation of a motor vehicle, motorcycle, train, boat, aircraft or other vehicle in violation of law does not constitute a criminally injurious conduct unless the injury or death was intentionally inflicted or involved a violation of KRS 189A.010.

(5) "Family," when used with reference to a person, shall mean:

(a) Any person related to such person within the third degree of consanguinity;

(b) Any person maintaining a sexual relationship with such person; or

(c) Any person residing in the same household with such person.

(6) "Victim" means a *needy person* [~~resident of this state or the resident of a reciprocal state,~~] who suffers personal physical[~~,~~] or [~~in the case of a child,~~] psychological injury or death from a criminal act in Kentucky as a result of:

(a) Criminally injurious conduct;

(b) A good faith effort to prevent criminally injurious conduct; or

(c) A good faith effort to apprehend a person reasonably suspected of engaging in criminally injurious conduct.

Section 3. KRS 346.050 is amended to read as follows:

(1) Except as provided in subsections (2) and (3) of this section, the following persons shall be eligible for awards pursuant to this chapter:

(a) A victim of criminally injurious conduct;

(b) A surviving spouse, parent or child of a victim of criminally injurious conduct who died as a direct result of such conduct;

(c) Any other person dependent for his principal support upon a victim of criminally injurious conduct who died as a direct result of such crime.

(2) A person who is criminally responsible for the crime upon which a claim is based or an accomplice of such person or a member of the family of such persons shall not be eligible to receive an award with respect to such claim*, except where the board determines, in a particular case, that the interest of justice so requires.*

(3) No compensation of any kind shall be awarded when injury occurred while the victim was confined in any state, county, urban county, or city jail, prison or other correctional facility, or any state institution maintained and operated by the department for human resources.

Section 4. KRS 346.060 is amended to read as follows:

(1) A claim may be filed by a person eligible to receive an award, as provided in KRS 346.050, or, if such person is a minor, by his parent or guardian.

(2) A claim must be filed by the claimant not later than one (1) year after the occurrence of the criminally injurious conduct upon which such claim is based, or not later than one (1) year after the death of the victim, *provided, however, that upon good cause shown, the board may extend the time for filing if, in a particular case, the interest of justice so requires.*

(3) Claims shall be filed in the office of the board in person or by mail. The board shall accept for filing all claims submitted by persons eligible under subsection (1) of this section and alleging the jurisdiction requirements set forth in this chapter and meeting the requirements as to form in the rules and regulations of the board.

(4) Upon filing of a claim pursuant to this chapter, the board shall promptly notify the *United States attorney (if a federal offense is involved), the* commonwealth attorney or county attorney of the county wherein the crime is alleged to have occurred. If, within ten (10) days after such notification, such *United States attorney,* commonwealth attorney or county attorney advises the board that a criminal prosecution is pending upon the same alleged crime and requests that action by the board be deferred, the board shall defer all proceedings under this chapter until such time as such criminal prosecution has been concluded and shall so notify such *United States attorney,* commonwealth or county attorney and the claimant. When such criminal prosecution has been concluded such *United States attorney,* commonwealth or county attorney shall promptly so notify the board. Nothing in this section shall limit the authority of the board to grant emergency awards pursuant to KRS 346.120.

Section 5. KRS 346.130 is amended to read as follows:

(1) No award shall be made unless the board or board member, as the case may be, finds that:

(a) Criminally injurious conduct occurred;

(b) Such criminally injurious conduct resulted in personal physical or[~~, in the case of a child,~~] psychological injury to or death of, the victim; and

(c) Police records show that such crime was promptly reported to the proper authorities; and in no case may an award be made where the police records show that such report was made more than forty-eight (48) hours after the occurrence of such crime unless the board for good cause shown, finds the delay to have been justified.

(2) The board upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies shall deny, reconsider, or reduce an award.

(3) Any award made pursuant to this chapter shall [~~exclude therefrom the initial one hundred dollars ($100) of losses incurred and shall~~] be in an amount not exceeding out-of-pocket expenses, including indebtedness reasonably incurred for medical or other services, *including mental health counseling,* necessary as a result of the injury upon which the claim is based, together with loss of earnings or support resulting from such injury. [~~Provided, however, that any award made pursuant to this chapter to a victim sixty-five (65) years of age or older shall not exclude therefrom the initial one hundred dollars ($100) of losses incurred.~~]

(4) Any award made for loss of earnings or support shall, unless reduced pursuant to other provisions of this chapter be in an amount equal to the actual loss sustained; provided, however, that no such award shall exceed one hundred fifty dollars ($150) for each week of lost earnings or support. If there are two (2) or more persons entitled to an award as a result of the injury or death of a person which is the direct result of criminally injurious conduct the award shall be apportioned by the board among the claimants.

(5) The board is authorized to set a reasonable limit for the payment of funeral and burial expenses which shall include funeral costs, a monument and grave plot. In no event shall an award for funeral expenses exceed twenty-five hundred dollars ($2,500).

(6) Any award made under this chapter shall not exceed *twenty-five* [~~fifteen~~] thousand dollars *($25,000)* [~~($15,000)~~].

Section 6. KRS 346.185 is amended to read as follows:

(1) There is established in the state treasury the "crime victims' compensation fund," hereinafter referred to as the "fund," to be administered by the crime victims' compensation board. In all cases in which defendants *plead or* are *found guilty of a crime as defined in KRS 500.080(2)* [~~given a sentence of imprisonment or are placed under the supervision of the state parole board or have been placed on probation or other form of conditional release, after an adjudication of guilty or after imposition of sentence, whether upon a plea of guilty or after trial~~], there shall be imposed as an additional cost the sum of ten dollars ($10.00) [~~for all offenses for which imprisonment may be imposed~~]. The clerk of the court shall collect the cost and forward it monthly to the state treasurer, to be deposited in the fund. Nothing herein shall be construed to limit the power of the court to order additional forms of restitution including public or charitable work or reparation to the victim, to the fund, or otherwise as authorized by law.

(2) The fund shall consist of moneys from the following: appropriations by the general assembly; the federal government; payments by the defendant pursuant to subsection (1) of this section and any other public or private source. Any unexpended balance remaining in the fund at the end of the biennium shall not lapse and be transferred to the general fund, but shall remain in the crime victims' compensation fund. Any funds not utilized by the board shall be used to provide assistance to programs for victims and the board shall allocate such funds to any agency providing services to victims. In the event there are insufficient funds in the fund to pay all claims in full, all claims shall be paid on a pro rata basis. If there are no moneys in the fund, then no claim shall be paid until moneys have again accumulated. In addition to payment of claims, moneys in the fund shall be used to pay all the necessary and proper expenses of the crime victims' compensation board.

(3) When judgment is entered against a defendant as provided in this section and each sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Kentucky to such defendant an amount equal to the unpaid amount of the judgment. The amount shall be paid to the crime victims' compensation fund and satisfaction of the judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for judgment.

Section 7. KRS 346.070, Limitation on awards, is repealed.

HB 73, AN ACT relating to crimes and punishments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 533 IS CREATED TO READ AS FOLLOWS:

When imposing a sentence in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out of pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the cabinet for human resources, the crime victim compensation board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work for a public agency of the Commonwealth, a county, or a city for a period of time equal to that determined in the case of working for a victim. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employe for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

(1) Restitution by payment may be ordered in a lump sum or in specified payments;

(2) Restitution by payment may be ordered paid through the circuit clerk who shall disburse the monies as ordered by the court;

(3) Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;

(4) Restitution by payment to governmental agencies shall be made through payments to and disbursement by the circuit clerk;

(5) The circuit clerk shall assess an additional fee of two percent (2%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall enure to the general fund of the state treasury;

(6) When a defendant fails to make restitution ordered to be paid through the circuit clerk, the circuit clerk shall notify the court. The court shall hold a hearing to determine if the defendant is in contempt of the court or has violated the terms of his probation;

(7) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out of pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order;

(8) When a defendant is employed or is self-employed or has any other continuing source of income, the court may order the defendant to place all of his income from any source into a special account maintained by the circuit clerk. Monies placed in this account shall be disbursed by the clerk according to the order of the court. In ordering disbursement of the monies the court shall consider:

(a) Lawful debts of the defendant;

(b) Restitution payments;

(c) Support and other payments required by court order;

(d) Essential living expenses of the defendant and his family; and

(e) Other expenses of the defendant;

(9) The court shall prioritize the needs of the defendant and the defendant's family, the victim of the crime, and others and shall set an equitable distribution of the available funds. The court shall make the terms and conditions of such order a part of the conditions of any probation or conditional discharge granted to the defendant. The parole board shall make the terms and conditions of such order a part of the conditions of parole if the restitution has not already been performed in full prior to the granting of the parole.

Section 2. KRS 533.030 is amended to read as follows:

(1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.

(2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:

(a) Avoid injurious or vicious habits;

(b) Avoid persons or places of disreputable or harmful character;

(c) Work faithfully at suitable employment as far as possible;

(d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;

(e) Post a bond, without surety, conditioned on performance of any of the prescribed conditions;

(f) Support his dependents and meet other family responsibilities;

(g) Pay the cost of the proceeding as set by the court;

(h) Remain within a specified area;

(i) Report to the probation officer as directed;

(j) Permit the probation officer to visit him at his home or elsewhere; and

(k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment.

(3) [~~When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out of pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the cabinet for human resources, the crime victim compensation board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. The term includes all information received by the sexual assault counselor in the course of that relationship.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 510 IS CREATED TO READ AS FOLLOWS:

(1) A person is guilty of an offense committed by another person when he knowingly permits a person who is twelve (12) years of age or less or who is physically helpless or mentally helpless of whom he has actual custody to be subjected to sexual intercourse, deviate sexual intercourse, or sexual contact committed by such other person.

(2) In subsection (1) of this section, "physically helpless" and "mentally helpless" means a person who lacks substantial capacity to defend himself or solicit protection from law enforcement agencies.

Section 2. KRS 530.020 is amended to read as follows:

(2) *Notwithstanding any provision of KRS 505.040 or 505.050 to the contrary, a conviction for any degree of rape shall not bar a conviction for incest.*

(3) Incest is a Class C felony.

Section 3. KRS 532.025 is amended to read as follows:

(1) (a) Upon conviction of a defendant in cases where the death penalty may be imposed a hearing shall be conducted. In such hearing the judge shall hear additional evidence in extenuation, mitigation, and aggravation of punishment, including the record of any prior criminal convictions and pleas of guilty or pleas of nolo contendere of the defendant, or the absence of any prior conviction and pleas: Provided, however, that only such evidence in aggravation as the State has made known to the defendant prior to his trial shall be admissible. The judge shall also hear argument by the defendant or his counsel and the prosecuting attorney, as provided by law, regarding the punishment to be imposed. The prosecuting attorney shall open and the defendant shall conclude the argument. In cases in which the death penalty may be imposed, the judge when sitting without a jury shall follow the additional procedure provided in subsection (2) of this section. Upon the conclusion of the evidence and arguments the judge shall impose the sentence or shall recess the trial for the purpose of taking the sentence within the limits prescribed by law. If the trial court is reversed on appeal because of error only in the presentence hearing, the new trial which may be ordered shall apply only to the issue of punishment.

(b) In all cases in which the death penalty may be imposed and which are tried by a jury, upon a return of a verdict of guilty by the jury, the court shall resume the trial and conduct a presentence hearing before the jury. Such hearing shall be conducted in the same manner as presentence hearings conducted before the judge as provided in paragraph (a) of this subsection. Upon the conclusion of the evidence and arguments, the judge shall give the jury appropriate instructions, and the jury shall retire to determine whether any mitigating or aggravating circumstances, as defined in subsection (2) of this section, exist and to recommend a sentence for the defendant. Upon the findings of the jury, the judge shall fix a sentence within the limits prescribed by law.

(2) In all cases of offenses for which the death penalty may be authorized, the judge shall consider, or he shall include in his instructions to the jury for it to consider, any mitigating circumstances or aggravating circumstances otherwise authorized by law and any of the following statutory aggravating or mitigating circumstances which may be supported by the evidence:

(a) Aggravating Circumstances.

1. The offense of murder or kidnapping was committed by a person with a prior record of conviction for a capital offense, or the offense of murder was committed by a person who has a substantial history of serious assaultive criminal convictions.

2. The offense of murder or kidnapping was committed while the offender was engaged in the commission of arson in the first degree, robbery in the first degree, burglary in the first degree, or rape in the first degree, or sodomy in the first degree.

3. The offender by his act of murder, armed robbery, or kidnapping knowingly created a great risk of death to more than one person in a public place by means of a destructive device weapon or other device which would normally be hazardous to the lives of more than one person.

4. The offender committed the offense of murder for himself or another, for the purpose of receiving money or any other thing of monetary value, or for other profit.

5. The offense of murder was committed by a person who was a prisoner and the victim was a prison employe engaged at the time of the act in the performance of his duties.

6. The offender's act or acts of killing were intentional and resulted in multiple deaths.

7. The offender's act of killing was intentional and the victim was a state or local public official or police officer, sheriff, or deputy sheriff engaged at the time of the act in the lawful performance of his duties.

8. The offender's act of killing was intentional and the victim was a person under the age of fourteen (14) years.

(b) Mitigating Circumstances.

1. The defendant has no significant history of prior criminal activity.

2. The capital offense was committed while the defendant was under the influence of extreme mental or emotional disturbance even though the influence of extreme mental or emotional disturbance is not sufficient to constitute a defense to the crime.

3. The victim was a participant in the defendant's criminal conduct or consented to the criminal act.

4. The capital offense was committed under circumstances which the defendant believed to provide a moral justification or extenuation for his conduct even though the circumstances which the defendant believed to provide a moral justification or extenuation for his conduct are not sufficient to constitute a defense to the crime.

5. The defendant was an accomplice in a capital offense committed by another person and his participation in the capital offense was relatively minor.

6. The defendant acted under duress or under the domination of another person even though the duress or the domination of another person is not sufficient to constitute a defense to the crime.

7. At the time of the capital offense the capacity of the defendant to appreciate the criminality of his conduct to the requirements of law was impaired as a result of mental disease or defect or intoxication even though the impairment of the capacity of the defendant to appreciate the criminality of his conduct or to conform the conduct to the requirements of law is insufficient to constitute a defense to the crime.

8. The youth of the defendant at the time of the crime.

(3) The instructions as determined by the trial judge to be warranted by the evidence or as required by KRS 532.030(4) shall be given in charge and in writing to the jury for its deliberation. The jury, if its verdict be a recommendation of death, or imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall designate in writing, signed by the foreman of the jury, the aggravating circumstance or circumstances which it found beyond a reasonable doubt. In non-jury cases the judge shall make such designation. In all cases unless at least one (1) of the statutory aggravating circumstances enumerated in subsection (2) of this section is so found, the death penalty or the sentence to imprisonment for life without benefit of probation or parole until the defendant has served a minimum of twenty-five (25) years of his sentence, shall not be imposed.

Representative M. Brown moved to suspend the rules to consider a Resolution. Agreed.

Representative M. Brown moved the adoption of the following HR 77:

HR 77, A RESOLUTION urging the Secretary of Transportation to increase the weight classification on segments of Kentucky Route 1851 and Kentucky Route 2317 in Jefferson and Bullitt Counties.

WHEREAS, Ky 1851 from the junction of Ky 1450 to the junction of Ky 2317 and Ky 2317 south to its termination point is currently a Class A highway restricted to gross weights of 44,000 pounds; and

WHEREAS, the total mileage of this route is approximately 1.2 miles, but is responsible for the movement of a significant amount of black shale annually; and

WHEREAS, the low weight limits on this stretch of road is unwarranted because the only bridge being utilized was reconstructed as a part of the Interstate 65 project and the balance of the route is without bridges, grades or other significant factors which may cause safety problems; and

WHEREAS, the operator of the black shale venture is losing business to Indiana because of an inability to move commodities in sufficient quantities to compete; and

WHEREAS, despite the fact that this company contributes in excess of $20,000 annually in severance, sales, and road use taxes, the department of highway's reluctance to increase the weights causes tax losses in areas related to weight distance taxes, higher registration fees and other road use fees; and

WHEREAS, the department of highways has misled the owner of this operation to believe that the General Assembly has exclusive control over weight classifications on specific highway segments;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the Secretary of Transportation be urged to increase the weight classification from Class A to a Class AAA on Kentucky Route 1851 from the junction of Kentucky Route 1450 to the junction of Kentucky Route 2317 and then south on Kentucky 2317 to its termination point.

Section 2. That should there be any reason the Secretary cannot meet the intent of this resolution, a written response be provided to the sponsors of this resolution as to those reasons.

Section 3. That a copy of this resolution be transmitted to the Secretary of the Kentucky Transportation Cabinet.

on page 18, after line 17, by inserting the following:

"Section 5. KRS 224.866 is amended to read as follows:

(1) No person shall engage in the storage, treatment, recycling or disposal of hazardous waste without first obtaining construction and operation permits from the cabinet. The cabinet shall promulgate regulations establishing standards for such permits but in no case shall a permit to construct or operate a hazardous waste disposal facility or a regional integrated waste treatment and disposal demonstration facility be issued unless it can be demonstrated that the proposed facility can be integrated into the surroundings in an environmentally compatible manner, including but not limited to insuring that hydrologic, seismologic, geologic and soil considerations have been adequately addressed in the permit application and in an operational plan. In no case shall a permit to construct a hazardous waste landfill or other site or facility for the land disposal of hazardous waste be approved or issued prior to notification of the cabinet by the local unit of government of its actions pursuant to KRS 224.855(5), except when the landfill is part of a regional integrated waste treatment and disposal demonstration facility. The cabinet shall not issue a construction permit to a regional integrated waste treatment and disposal demonstration facility until it has been issued a certificate of environmental safety and public necessity. A person desiring a construction permit shall file an application on forms supplied by the cabinet which shall contain such information as the cabinet deems necessary and provide evidence that the hazardous waste shall be treated, stored or disposed of in the manner prescribed by the cabinet. The applicant shall not initiate construction at the proposed site of a new facility for the storage, treatment or disposal of hazardous waste until notice has been given to that portion of the public most likely to be affected by the operation of the proposed facility pursuant to KRS 224.855(1) through KRS 224.855(4) and until a construction permit for said facility has been issued by the cabinet. The cabinet may consider past performance in this or related fields by the applicant. The cabinet, in making a determination to issue, deny or condition a construction permit, shall consider the following:

(a) An evaluation of alternatives, to include other locations and other treatment, storage, and disposal approaches, different from those proposed, available to the applicant;

(b) An evaluation of the public health, safety, and environmental aspects of the proposals;

(c) An evaluation of the social and economic impacts of the proposed action on the affected community, to include, at a minimum, changes in property values, community perception and other psychic costs, and the costs and availability of public services, facilities and improvements required to support the facility and protect public health, safety and the environment;

(d) An evaluation of mitigation measures to alleviate problems identified in subsections (b) and (c) of this section; and

(e) The relationship of the proposal to local planning and existing development.

Except that in the case of hazardous waste landfills or other sites or facilities for the land disposal of hazardous waste the provisions of paragraphs (c) and (e) of this subsection shall be determined by the local unit of government pursuant to KRS 224.855(5); in the case of a regional integrated waste treatment and disposal demonstration facility the provisions of paragraphs (c) and (e) of this subsection shall be determined by the siting board established pursuant to KRS 224.2203.

(2) Any hazardous waste which would migrate, leach, or generate gas in its normal state shall not be disposed of in a landfill unless such waste has been either neutralized, detoxified, solidified, encapsulated or otherwise treated so that the character of the waste is such that it will prevent substantial migration, leaching or gas generation or unless the landfill is designed and constructed in such manner as will prevent substantial migration, leaching or gas generation, that in either case may cause or significantly contribute to an increase in mortality or an increase in serious irreversible, or incapacitating reversible, illness or pose a substantial present or potential hazard to human health or the environment.

(3) In conjunction with the application for permits under this section the applicant shall establish adequate financial responsibility as follows:

(a) The applicant shall file as part of his application for a permit to construct the facility an estimate of the cost of closing the facility after its capacity is reached or operations have otherwise ceased. In the case of storage facilities, the cost of closing shall include the cost of properly disposing of the hazardous waste stored. The cabinet shall evaluate this cost estimate and either accept the estimate as made or shall revise it in accordance with acceptable guidelines, using, where available, actual data on closure costs associated with similar existing facilities. Before a permit to operate can be issued the applicant for any hazardous waste permit shall assure that the funds needed to close the facility are available by establishing assurance through one (1) or more of the following mechanisms: cash, certificates of deposit, irrevocable credit or other sureties satisfactory to the cabinet and the mechanism shall be established by agreement with the cabinet. The agreement shall provide that disbursement is permissible only upon written approval of the cabinet and whenever, on the basis of any information, the cabinet determines that the owner or operator is in violation of any of the closure requirements for the facility, that the cabinet shall have the right to use part or all of the closure fund to carry out the closure requirements. The financial institution, surety company or escrow agent shall release these funds upon receiving a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more closure violations. Upon determination that closure has been satisfactorily accomplished, the cabinet shall release the applicant from further financial responsibility for closure.

(b) Any applicant for a hazardous waste disposal permit shall file with the cabinet as part of his application an estimate of the annual cost of post-closure monitoring and routine maintenance at the site. The cabinet shall evaluate the cost estimate, and, after such modification as may be necessary in light of its evaluation, shall give notice of acceptance of the cost estimate. This cost estimate which will be referred to as the annual post-closure operating cost will then be used to determine the amount of the post-closure monitoring and maintenance fund to be used for monitoring and maintenance for a period of a minimum of thirty (30) years after facility closure. The post-closure monitoring and maintenance fund shall be cash, irrevocable credit or other sureties satisfactory to the cabinet and shall be established by an agreement with the cabinet. The agreement shall provide that whenever, on the basis of any information, the cabinet determines that the owner or operator of the facility is in violation of any of the post-closure monitoring and maintenance requirements, the cabinet shall have the right to use part or all of the funds to carry out the post-closure monitoring and maintenance for the facility. The funds shall be released upon receipt of a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more post-closure monitoring and maintenance violations. One (1) year after closure and annually, thereafter, for a period of thirty (30) years, the applicant who has carried out all necessary post-closure maintenance and monitoring requirements may upon application to the cabinet be reimbursed out of the post-closure monitoring and maintenance fund an amount equal to the estimated costs for monitoring and routine maintenance for that year. Request for release of funds for reimbursement must be accompanied by an itemized list of costs incurred. Upon determination that the expenditures incurred are in accordance with the approved plan or otherwise justified the cabinet may authorize the release of the funds to the applicant in writing. Any funds remaining in the account following a termination hearing in which the applicant is released of further responsibility will likewise be released to the applicant.

(c) All applicants for any hazardous waste permit must provide evidence of financial responsibility in an amount and for a time period specified by the cabinet for the purpose of satisfying claims arising out of injury to persons or property resulting from the release or escape of hazardous waste into the environment. Such financial responsibility may be established by one or a combination of evidence of liability insurance, self-insurance, or other evidence of financial responsibility acceptable to the cabinet. The level of self-insurance shall not exceed ten percent (10%) of equity, and financial responsibility must be maintained during the entire operation of the facility and until termination. The minimum liability coverage for sudden occurrences, exclusive of legal defense costs, for a storage, treatment or disposal facility shall be one million dollars ($1,000,000) per occurrence with an annual aggregate of two million dollars ($2,000,000). [~~A hazardous waste disposal facility shall maintain additional excess liability coverage in the amount of at least ten million dollars ($10,000,000).~~] The minimum liability coverage for nonsudden occurrences, exclusive of legal defense costs, for a hazardous waste facility involving land disposal shall be *three million dollars ($3,000,000)* [~~five million dollars ($5,000,000)~~] per occurrence with an annual aggregate of *six million dollars ($6,000,000)* [~~ten million dollars ($10,000,000)~~]. Combined coverage for sudden and nonsudden occurrences shall be no less than the combined totals herein set forth for separate coverage.

(4) The cabinet shall promulgate regulations establishing minimal standards for closure, post-closure monitoring and maintenance, and termination of sites for the disposal of hazardous waste. Any person who obtains a disposal permit for hazardous waste shall be responsible for the post-closure monitoring and maintenance of the permitted facility for a minimum of thirty (30) years after closure of the facility, and may apply to the cabinet for termination of the responsibility for post-closure monitoring and maintenance at any time after the site has been closed for at least thirty (30) years. Upon receipt of such application the cabinet shall provide notice to the public and to the owner or operator and an opportunity for a hearing on the termination of the site. In this proceeding the burden shall be on the applicant to prove by clear and convincing evidence that additional post-closure monitoring and maintenance is not necessary for adequate protection of public health or the environment. The cabinet shall determine either that post-closure monitoring and maintenance of the site is no longer required in which case the applicant shall be relieved of such responsibility; or that additional post-closure monitoring and maintenance of the site as specified in a plan of operation is still required, in which case the cabinet may order appropriate remedial measures, impose restrictive covenants as to future use of the property involved, or otherwise condition termination as may be necessary for adequate protection of public health and the environment.

HB 120, AN ACT relating to local governments.

WHEREAS, it is recognized by the General Assembly that local governments in this Commonwealth provide the grass-roots services and functions which are indispensable to the health, safety and welfare of the citizens of this Commonwealth; and

WHEREAS, the Kentucky Supreme Court in a recent decision, *Gas Services Co., Inc. v. WHEREAS, county governments, even though currently immune under the Common Law, are also becoming increasingly concerned about the liability of county officers and employes; and

WHEREAS, the General Assembly has considered the problems engendered by increased local government tort liability and determined that a need exists for legislation to protect the limited resources of local government and their employes so that the provision of needed services will not be endangered, while preserving the right of citizens to have recourse for injuries or damages caused by local governments;

No provision of this Act shall in any way be construed to expand the existing common law concerning municipal tort liability nor eliminate or abrogate the defense of governmental immunity for county governments.

SECTION 3. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

(1) The amount of damages recoverable against a local government or an employe for death, personal injury or property damage arising out of a single accident or occurrence, or sequence of accidents or occurrences, shall not exceed the lesser of:

(a) The total damages recoverable by plaintiff, reduced by the percentage of fault including contributory fault, attributed by the trier of fact to other parties, if any; or

(b) The sum of three hundred thousand dollars ($300,000), provided that the aggregate liability of a local government for a single accident or occurrence, or sequence of accidents or occurrences, shall not exceed the sum of one million dollars ($1,000,000) to be apportioned equitably among all plaintiffs.

(2) A local government shall not be liable for punitive damages, or for damages for non-economic losses, including conscious pain and suffering, emotional distress, grief, loss of consortium and loss of uncompensated services.

(3) The prevailing party in any action brought under this Act may petition the court to be awarded reasonable attorney fees to be paid by the losing party. The trial court shall award attorney fees at the time and in the manner provided for fixing costs in civil actions. A successful plaintiff may receive appropriate and reasonable attorney fees at the discretion of the trial court, except that such fees shall not exceed the amount of damages awarded the plaintiff and in no case shall attorney fees together with total damages awarded exceed the limitations on liability established by this section. If a local government successfully defends an action brought under this Act, it may be awarded attorney fees on a showing that the plaintiff was guilty of bad faith in the commencement, conduct or maintenance of the action.

SECTION 4. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

Notwithstanding Section 2 of this Act, a local government or an employe shall not be liable for injuries or losses resulting from:

(1) Any claim by an employe of the local government which is covered by the Kentucky workers' compensation law;

(2) Any claim in connection with the assessment or collection of taxes;

(3) Any claim arising from the exercise of judgment or discretion vested in the local government, including:

(a) The adoption or failure to adopt an ordinance, resolution, order or rule;

(b) The failure to enforce a law;

(c) The issuance, denial, suspension, revocation of, or failure or refusal to issue, deny, suspend or revoke any permit, license, certificate, approval, order or similar authorization;

(d) The exercise of discretion when in the face of competing demands, the local government determines whether and how to utilize or apply existing resources; or

(e) Failure to make an inspection.

Nothing contained in this subsection shall be construed to hold a local government not liable for negligence arising out of acts or omissions of its employes in carrying out their ministerial duties.

(4) Any claim resulting from damage, destruction or removal of real or personal property by any riotous or tumultuous assemblage of people, unless the plaintiff proves that the local government authorities had notice or good reason to believe that a riot or tumultuous assemblage was about to take place in time to prevent the destruction, either by their own force or by the aid of the citizens of the local government. No person may maintain an action under this subsection if he has unlawfully contributed by word or deed toward exciting or inflaming the tumult or riot, or if he failed to do what he reasonably could toward preventing, allaying or suppressing it;

(5) Any claim against a city or urban-county government growing out of any defect in the condition of any bridge, street, sidewalk, alley or other public thoroughfare, unless notice has been given to the mayor, clerk of the city or urban-county government or clerk of the board of aldermen in the manner provided for the service of notice in actions in the Rules of Civil Procedure. This notice shall be filed within ninety (90) days of the occurrence for which damage is claimed, stating the time of and place where the injury was received and the character and circumstances of the injury, and that the person injured will claim damages therefor from the city or urban county;

(6) Any claim arising from the operation of aircraft into or out of an airport unless written notice is given to such local government within seven (7) days of the time within which each such operation occurred. Such notice shall state:

(a) The location of the property affected;

(b) The approximate time such operation occurred; and

(c) If known, the type of aircraft and general direction of its flight.

SECTION 5. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

(1) Upon motion of a local government against which final judgment has been rendered for a claim within the scope of this Act, the court in accordance with subsection (2) of this section may include in such judgment a requirement that the judgment be paid in whole or in part by periodic payments. Periodic payments may be ordered paid over a period of time not exceeding ten (10) years. Any periodic payment upon becoming due under the terms of the judgment shall constitute a separate judgment. Any judgment ordering any such payments shall specify the total amount awarded, the amount of each payment, the interval between payments and the number of payments to be paid under the judgment. Judgments paid pursuant to this section shall bear interest accruing from the date final judgment is entered, at the tax interest rate as provided in KRS 131.183. For good cause shown, the court may modify such judgment with respect to the amount of such payments and the number of payments to be made or the interval between payments, but the total amount of damages awarded by such judgment shall not be subject to modification in any event and periodic payments shall not be ordered paid over a period in excess of ten (10) years.

(2) A court may order periodic payments only upon finding that:

(a) Payment of the judgment is not totally covered by insurance; and

(b) Funds for the current budget year and other funds of the local government which lawfully may be utilized to pay judgments are insufficient to finance both the adopted budget of expenditures for the year and the payment of that portion of the judgment not covered by insurance.

SECTION 6. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

If the legislative body of a local government against whom a judgment has been entered or a settlement made for a tort claim covered by this Act determines that current revenues of the local government are insufficient to pay the judgment or settlement, or the installment due pursuant to Section 5 of this Act, it may levy a special tax for the purpose of paying such judgment or settlement. Such levy may include any tax permitted by Section 181 of the Kentucky constitution. An ad valorem tax levied pursuant to this section shall not be considered for purposes of calculating either the maximum tax rate or the compensating tax rate in accordance with KRS 132.027. Any tax levied for the purpose of paying a judgment or settlement shall be used solely for such purpose.

SECTION 7. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

(1) A local government shall provide for the defense of any employe in any action in tort arising out of an act or omission occurring within the scope of his employment. The local government shall pay any judgment based thereon or any compromise or settlement of the action except as provided in subsection (2) of this section.

(2) A local government may refuse to pay a judgment or settlement in any action against an employe, or if a local government pays any claim or judgment against any employe pursuant to subsection (1) of this section, it may recover from such employe the amount of such payment and the costs to defend if:

(a) The employe acted or failed to act because of fraud, malice or corruption;

(b) The action was outside the actual or apparent scope of his employment; or

(c) The employe willfully failed or refused to assist the defense of the cause of action in good faith.

SECTION 8. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

This Act shall apply to all actions in tort in which money damages have not been adjudged as of the effective date of this Act.

SECTION 9. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

(1) Any two (2) or more local governments may enter into an agreement to pool their financial and administrative resources for the purposes of providing the parties to the agreement risk management, insurance or self-insurance for any liability risks to which local governments may be exposed. All such agreements shall be made pursuant to KRS 65.230 to 65.260, except that the provisions of KRS 65.260(2) shall not apply to any agreement entered into under this section. Additional local governments may be made parties to an agreement under this section under such terms as the agreement may provide.

(2) In addition to those items included in any such agreement pursuant to KRS 65.250, the agreement may specify: the nature and scope of insurance coverages to be provided; the methods by which coverages are to be extended, contributions levied and paid, claims administered and defended against; the procedures by which financial reserves shall be established and maintained; and, any other provisions necessary for proper administration of the pooled resources.

(3) Such agreements may provide for the pooling of losses so that any or all of the funds contributed by a participating local government may be used to pay claims against or with respect to any of the other participating local governments.

(4) No entity established by an agreement under this section shall be considered an "insurer" as defined by KRS 304.1-040 or an assessment or cooperative insurance company as defined by KRS Chapter 299. Provided, however, that there shall be maintained in any fund or pool created pursuant to this section, an amount of reserve funds as is deemed adequate by the department of insurance. The department of insurance is authorized to charge reasonable fees to cover expenses incurred in the course of investigations and audits conducted for the purpose of making this determination and is authorized to promulgate such rules and regulations necessary to accomplish the purposes of this section.

Section 10. The following KRS sections are repealed:

411.100 Liability of city for property damaged by mob.

411.110 Action against city for injury from defect in thoroughfare—Service of notice.

411.115 Notice of action against governmental unit for damages from use of airport required—Contents.

The Committee Substitute to HB 120 is as follows:

HB 120, AN ACT relating to local governments.

WHEREAS, it is recognized by the General Assembly that local governments in this Commonwealth provide the grass-roots services and functions which are indispensable to the health, safety and welfare of the citizens of this Commonwealth; and

WHEREAS, the Kentucky Supreme Court in a recent decision, *Gas Services Co., Inc. v. City of London*, destabilized the common law doctrine of municipal liability creating anxiety among municipal officials that larger judgments will be obtained against local governments, that insurance costs will accordingly increase and ultimately that there will be an increased reluctance on the part of municipal officials to provide needed services; and

WHEREAS, the Supreme Court acknowledged as well the consequences of unlimited liability upon local governments and strongly urged the General Assembly to enact a municipal tort claims act; and

WHEREAS, county governments, even though currently immune under the Common Law, are also becoming increasingly concerned about the liability of county officers and employes; and

WHEREAS, the General Assembly has considered the problems engendered by increased local government tort liability and determined that a need exists for legislation to protect the limited resources of local government and their employes so that the provision of needed services will not be endangered, while preserving the right of citizens to have recourse for injuries or damages caused by local governments;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. KRS CHAPTER 65A IS ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:

(2) Any act or omission of an employe, while acting within the scope of his employment or duties; or

Except as otherwise specifically provided herein, all enacted and case-made law, substantive or procedural, concerning actions in tort against local governments shall continue in force. No provision of this Act shall in any way be construed to expand the existing common law concerning municipal tort liability as of the effective date of this Act nor eliminate or abrogate the defense of governmental immunity for county governments.

SECTION 3. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

(1) The amount of damages recoverable against a local government for death, personal injury or property damage arising out of a single accident or occurrence, or sequence of accidents or occurrences, shall not exceed the total damages recoverable by plaintiff, reduced by the percentage of fault including contributory fault, attributed by the trier of fact to other parties, if any.

(2) A local government shall not be liable for punitive damages, or for damages for non-economic losses, including conscious pain and suffering, emotional distress, grief, loss of consortium and loss of uncompensated services.

(3) The prevailing party in any action brought under this Act may petition the court to be awarded reasonable attorney fees to be paid by the losing party. The trial court shall award attorney fees at the time and in the manner provided for fixing costs in civil actions. A successful plaintiff may receive appropriate and reasonable attorney fees at the discretion of the trial court, except that such fees shall not exceed the amount of damages awarded the plaintiff and in no case shall attorney fees together with total damages awarded exceed the limitations on liability established by this section. If a local government successfully defends an action brought under this Act, it may be awarded attorney fees on a showing that the plaintiff was guilty of bad faith in the commencement, conduct or maintenance of the action.

SECTION 4. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

No action in tort subject to the provisions of this Act, except for actions pursuant to Section 5(5), shall be maintainable against a local government unless notice has been given to the mayor of a city or urban-county government, the county judge/executive of a county, or the chairman of the governing body or chief executive officer of a special district, in the manner provided for the service of notice in actions in the Rules of Civil Procedure, within one hundred and eighty (180) days of the occurrence which gives rise to the claimed action in tort. Such notice shall state the time and place of the occurrence and the character and circumstances of the injury or damages sustained.

SECTION 5. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

No person may maintain an action under this subsection if he has unlawfully contributed by word or deed toward exciting or inflaming the tumult or riot, or if he failed to do what he reasonably could toward preventing, allaying or suppressing it;

SECTION 6. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

Periodic payments may be ordered paid over a period of time not exceeding ten (10) years. Any periodic payment upon becoming due under the terms of the judgment shall constitute a separate judgment. Any judgment ordering any such payments shall specify the total amount awarded, the amount of each payment, the interval between payments and the number of payments to be paid under the judgment. Judgments paid pursuant to this section shall bear interest accruing from the date final judgment is entered, at the interest rate as specified in KRS 360.040. For good cause shown, the court may modify such judgment with respect to the amount of such payments and the number of payments to be made or the interval between payments, but the total amount of damages awarded by such judgment shall not be subject to modification in any event and periodic payments shall not be ordered paid over a period in excess of ten (10) years.

(2) A court may order periodic payments only upon finding that:

(a) Payment of the judgment is not totally covered by insurance; and

(b) Funds for the current budget year and other funds of the local government which lawfully may be utilized to pay judgments are insufficient to finance both the adopted budget of expenditures for the year and the payment of that portion of the judgment not covered by insurance.

SECTION 7. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

If the legislative body of a local government against whom a judgment has been entered or a settlement made for a tort claim covered by this Act determines that current revenues of the local government are insufficient to pay the judgment or settlement, or the installment due pursuant to Section 6 of this Act, it may levy a special tax for the purpose of paying such judgment or settlement. Such levy may include any tax permitted by Section 181 of the Kentucky constitution. An ad valorem tax levied pursuant to this section shall not be considered for purposes of calculating either the maximum tax rate or the compensating tax rate in accordance with KRS 132.027. SECTION 8. A NEW SECTION OF KRS CHAPTER 65A IS CREATED TO READ AS FOLLOWS:

All such agreements shall be made pursuant to KRS 65.230 to 65.260, except that the provisions of KRS 65.260(2) shall not apply to any agreement entered into under this section.

(2) Any pooling agreement established pursuant to this section shall be open to any local government requesting to enter into such agreement. In addition to agreeing to all terms of the agreement, a local government shall agree to an annual contribution sufficient to pay a proportionate share of the expenses necessary to maintain the resources of the pool. Contributions levied against participating local governments may vary, based upon the individual local government's loss history, risk management practices, exposure to risk and such other factors deemed relevant.

(1) The board may suspend or revoke any license or certificate or may refuse to issue or renew a license or certificate, or may accept an assurance of voluntary compliance, or may place a licensee or certificate holder on probation. Upon proof that the licensee or certificate holder has:

(a) Committed any act involving moral turpitude, dishonesty, or corruption, relating to the practice of psychology, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon conviction, of such a crime, the judgment and sentence is presumptive evidence at the ensuing disciplinary hearing of the guilt of the licensee or applicant of the crime described in the indictment or information and of the person's violation of the statute on which it is based. For the purpose of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended;

(b) Misrepresented or concealed a material fact in obtaining a license or certificate, or in reinstatement thereof;

(c) Committed any unfair, false, misleading or deceptive act or practice;

(d) Been incompetent or negligent in the practice of psychology;

(e) Practiced psychology while under the suspension, revocation, or restriction of the individual's license to practice by competent authority in any state, federal, or foreign jurisdiction;

(f) Violated any state statute or administrative regulation governing the practice of psychology;

(g) Unlawfully failed to cooperate with the board by:

1. Not furnishing any papers or documents requested by the board;

(i) Aided or abetted an unlicensed person to practice when a license or certificate is required;

(j) Grossly overcharged for professional services;

(k) Practiced beyond the scope of practice defined in the speciality area of examination;

(l) Failed to provide adequate supervision for certified psychologists, psychological assistants, applicants for licensure, or other staff;

(m) Been convicted of any misdemeanor or felony relating to the practice of psychology. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended;

(n) Physically abused or had sexual contact with a patient or client; and

(o) Improperly divulged confidential information.

(2) No unlawful act or violation of any provision of this chapter by any certificate holder employed or supervised by a licensed psychologist shall be cause for the revocation of the supervisor's license unless the board finds that the licensed psychologist had knowledge of it.

(3) Three (3) years from the date of a revocation, any person whose license or certificate has been revoked may petition the board for reinstatement. The board shall investigate his petition and may reinstate his license or certificate upon finding that the former holder has complied with any reasonable regulations prescribed by the board and is again able to engage in the practice of psychology with reasonable skill, competency and safety to the public.

(4) The board may, at its own discretion, reconsider, modify or reverse its probations, suspensions, revocations or refusals to issue or renew licenses or certificates at any time.

SECTION 14. A NEW SECTION OF KRS CHAPTER 319 IS CREATED TO READ AS FOLLOWS:

(1) In every proceeding for probation, suspension or revocation of a license or certificate, the licensee or certificate holder shall be furnished with written notice setting out each offense charged with sufficient detail to apprise him of the nature, time and place thereof at least twenty (20) days prior to the hearing. The notice is sufficient if served on the licensee or certificate holder personally or by certified mail, return receipt requested, to his last known address. The nonappearance of the licensee or certificate holder shall not prevent a hearing. The board or a hearing officer appointed by the board shall conduct the hearing. The licensee or certificate holder shall have the right to be present in persons or by counsel, to present evidence and to be heard in opposition to the charges. If the licensee or certificate holder fails to respond to the complaint at or before the time of the hearing thereon, the board may take the allegations set forth in the complaint as confessed.

(2) The board or the hearing officer shall have the authority to issue subpoenas for the attendance of witnesses and the production of papers and records, administer oaths and schedule hearings. All decisions revoking or suspending a license or certificate or placing a licensee or certificate holder on probation shall be made by the board.

(3) Orders of the board suspending or revoking a license or certificate or placing a licensee or certificate holder on probation shall become effective thirty (30) days after written notice is served on the licensee or certificate holder, unless an earlier date is necessary to protect the public health, welfare and safety in which case the order shall become effective as of the date specified and the licensee or certificate holder shall not, after notice of same, engage or continue to engage in the practice of psychology unless the board's order is revoked or modified by a final order or judgment.

(4) Any person aggrieved by an order of the board may within thirty (30) days after notice thereof appeal

thereupon to the Franklin circuit court. The court shall decide the appeal upon the certified record and no new or additional evidence shall be heard or considered by the court.

(5) A party aggrieved by a final order of the circuit court may appeal to the court of appeals as in a civil action.

Section 15. KRS 319.111 is amended to read as follows:

[~~For the purpose of KRS 319.005 to 319.131,~~] The confidential relations and communications between licensed *psychologists* [~~psychologist~~] or [~~holder of~~] certificate *holders* [~~of qualification~~] and *their clients* [~~client~~] are placed upon the same basis as those provided by the law between attorney and client, and nothing in this chapter shall be construed to require any such privileged communication to be disclosed.

SECTION 16. A NEW SECTION OF KRS CHAPTER 319 IS CREATED TO READ AS FOLLOWS:

(1) Members of the board, its agents and employes shall be immune from personal liability in any action, civil or criminal, which is based upon any official act or acts performed by them in good faith.

(2) Notwithstanding the existence or pursuit of any other remedy, civil or criminal, the board is hereby authorized to institute and maintain actions to restrain or enjoin any violation of this chapter, or the rules and regulations of the board.

(3) City, county and Commonwealth's attorney, and the attorney general, shall within their respective jurisdictions and within their legal discretion represent the board, its agents and employes, in the enforcement of the provisions of this chapter and the rules and regulations of the board.

Section 17. KRS 319.990 is amended to read as follows:

Any person who violates any of the provisions of *this chapter* [~~KRS 319.005~~] shall be guilty of a misdemeanor and, upon conviction, shall be punished by imprisonment for not more than six (6) months, or by a fine of not more than five hundred dollars ($500), or by both such fine and imprisonment, and each violation shall be deemed a separate offense.

SECTION 5. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

These provisions may be cited as the "Pyramid Sales Act."

HB 628, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.316 is amended to read as follows:

(1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employe was last exposed to the hazard of the occupational disease during any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973 shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator. Said employer shall have the right to contribution from each previous employer, as determined in an independent civil action, wherein the employe was similarly exposed to the hazard of said occupational disease, in a sum equal to the ratio that each exposure employment time bears to the total exposure employment time except as otherwise provided in paragraph (a) of subsection (13) of this section.

(b) The time of the beginning of compensation payments shall be the date of the employe's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later.

(2) (a) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to such disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter except that notice of claim shall be given to the employer as soon as practicable after the employe first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted such disease, or a diagnosis of such disease is first communicated to him, whichever shall first occur.

(b) The procedure with respect to filing of claims shall be as follows:

1. The application shall set forth the work history of the applicant with a concise description of injurious exposure to a specific occupational disease together with the names and addresses of employer or employers with the approximate date of employment and shall also include with the application two (2) written medical reports supporting his claim. These medical reports shall be made on the basis of comprehensive clinical examinations and shall contain full and complete statements of the results thereof. The reports shall be made by duly licensed physicians. The clinical examinations shall include x-ray examinations. However, the failure of an x-ray examination to disclose the presence of an occupational disease shall not affect the legal presumption referred to in subsection (5) of this section.

2. The filing of a properly executed application for adjustment of claim, accompanied by the two (2) medical reports described in subparagraph 1. of this paragraph, shall satisfy the requirements of the presumptive clause set out in subsection (5) of this section and the burden of proof shall immediately thereafter shift to the employer.

3. Immediately upon receipt of said application for adjustment of claim, the board shall notify the affected employer, the special fund and any other interested party of such claim and shall furnish them with a full and complete copy of the claim.

4. Upon receipt of notice of claim the employer, the special fund, and any other interested party shall have the right to have the claimant examined by competent medical experts, at their expense, including a reasonable sum for travel. After said examination, the claimant or his representative shall be furnished a copy of said medical report within a reasonable time. Also, the employer, the special fund, or any other party to the claim shall have the right to have the claimant evaluated by vocational experts or institutions, at their expense, including a reasonable sum for travel. After said examination, the claimant or his representative, shall be furnished a copy of said vocational report within a reasonable time.

5. Within ninety (90) days of the receipt of notice by the employer of the filing of the claim, the employer, the special fund, and any other interested party shall notify the board and the claimant whether or not the claim will be resisted. If the claim is not resisted, then the board shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the board shall set a date for a hearing and shall notify all parties thereof. In litigated claims the regular procedures prescribed by the workers' compensation board shall be followed.

(3) The right to compensation under this chapter for disability resulting from an occupational disease shall be forever barred unless a claim is filed with the workers' compensation board within three (3) years after the last injurious exposure to the occupational hazard or after the employe first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within said period, unless a claim therefor be filed with the workers' compensation board within three (3) years after such death; provided, however, that notice of such claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or, if the incurrence of the disease or the death of the employe, and its cause was known to the employer. Provided, however, that the right to compensation for any occupational disease shall be forever barred unless a claim is filed with the workers' compensation board within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease *or asbestos-related disease*, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.

(4) The amount of compensation payable for disability due to occupational disease or for death from such disease, and the time and manner of its payment, shall be as provided for under the general provisions of the workers' compensation act, but in no event to exceed such amounts as were in effect at the time of the last injurious exposure, and provided further, that the time of the beginning of compensation payments shall be the date of the employe's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later, and provided further, that in case of death where the employe has been awarded compensation or made timely claim within the period provided for in this section, an employe has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the workers' compensation act and in this section.

(5) Where the occupational disease is a compensable pneumoconiosis and there has been employment exposure for ten (10) years or more to an industrial hazard sufficient to cause the disability of pneumoconiosis there shall be a rebuttable presumption that the disability or death was due to the compensable pneumoconiosis.

(6) Where the employe is suffering or suffered from a chronic dust disease of the lung which:

(a) When diagnosed by chest roentgenogram, yields one (1) or more large opacities (greater than one (1) centimeter in diameter) and would be classified in category A, B, or C in the international classification of radiographs of the pneumoconiosis by the international labor organization;

(b) When diagnosed by biopsy or autopsy, yields massive lesions in the lung; or

(c) When diagnosis is made by other means, would be a condition which could reasonably be expected to yield results described in paragraph (a) or (b) of this subsection if diagnosis had been made in the manner prescribed in paragraph (a) or (b) of this subsection, then there shall be an irrebuttable presumption that he is totally disabled due to pneumoconiosis or that his death was due to pneumoconiosis, as the case may be.

(7) In case of disability or death from silicosis, coal workers' pneumoconiosis, or any other compensable pneumoconiosis, complicated with tuberculosis of the lungs, pulmonary emphysema or other pulmonary dysfunction and there has been employment exposures to harmful dust or industrial hazards reasonably competent to produce such accompanying disease or dysfunction, there is a rebuttable legal presumption that all resultant disability therefrom is work related and compensable, and compensation shall be payable as for the uncomplicated disease, provided, however, that the disease or dysfunction was an essential factor in causing such disability or death.

(8) If an autopsy has been performed, no testimony relative thereto shall be competent unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.

(9) No compensation shall be payable for occupational disease if the employe at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of such disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written inquiry made by the employer, the place, duration and nature of previous employment, or, to the best of his knowledge, the previous state of his health.

(10) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which, under the provisions of this chapter would give right to compensation, arose, subsequent to the beginning of the first compensable disability, save only to after-born children of a marriage existing at the beginning of such disability.

(11) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of such cause, that the claim for injury, disability or death which was the basis for such application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for such injury, disability or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and such compensation may be awarded as is warranted by the whole evidence pursuant to the provisions of this chapter. When such amendment is submitted, further or additional evidence may be heard by the board when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required herein.

(12) When an employe has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier; except as otherwise provided herein.

(13) (a) The employer liable for compensation for occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disablement only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, shall be the employer in whose employment the employe was last exposed to the hazard of such occupational disease. In those cases where disability or death are not conclusively proven to be the result of such last exposure all compensation shall be paid out of the special fund for all claims filed prior to January 1, 1973; and seventy-five percent (75%) shall be paid by the special fund and twenty-five percent (25%) by the employer for all claims filed thereafter. In all other cases of occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disablement only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, the compensation for disability or death due to such diseases shall be paid jointly by the employer and the special fund, and the employer shall be liable for sixty percent (60%) of the compensation due and the special fund shall be liable for forty percent (40%) of the compensation due. Provided, however, that when there is a joint award against the carrier or self-insured employer and the special fund under this section, all of the compensation awarded shall be paid pursuant to KRS 342.120 and under such regulations as the board may provide for such purpose.

(b) In all claims for compensation partially payable by the special fund the commissioner of labor shall be designated as codefendant.

SECTION 2. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

The provisions of KRS 342.316(3) shall apply to employes' asbestos-related disease claims filed on or after July 15, 1986.

The Committee on Natural Resources and Environment reported HB 316 with Committee Amendment attached thereto, HB 392, and HB 511 with Committee Amendment attached thereto, with the expression of opinion that the same should pass. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 77.155 is amended to read as follows:

(1) A person shall not by himself, his agent or employe, or as agent or employe of another, discharge into the atmosphere from any single source of emission whatsoever, any air contaminant for a period or periods aggregating more than three (3) minutes in any one (1) hour which is:

(a) As dark or darker in shade as that designated as No. 2 on the Ringelmann Chart, as published by the United States bureau of mines;

(b) Of such opacity as to obscure an observer's view to a degree equal to or greater than the smoke described in (a) of this subsection.

(2) A person shall not by himself, his agent or employe, or as agent or employe of another, discharge from any source whatsoever such quantities of air contaminants or other material which cause injury, detriment, nuisance or annoyance to any considerable number of persons or to the public or which endanger the comfort, repose, health or safety of any such persons or the public or which cause or have a natural tendency to cause injury or damage to business or property. The board shall have power, by regulation, to fix reasonable limits, by weight or otherwise, for particular air contaminants or other material which in the opinion of said board may cause or have tendency to cause injury, detriment, nuisance, or annoyance to any considerable number of persons or to the public. Exceeding such limits shall be prima facie evidence of violation of this section.

(3) If a district conducts a vehicle emissions testing program, it shall not charge a fee if a vehicle passes the test. No vehicle shall be tested until it is three (3) years old. The age of the vehicle shall be determined by the model year on the vehicle registration certificate.

The Committee Amendment No. 1 to HB 316 is as follows:

Amend printed copy of HB 316:

On page 2, by adding after line 14, the following: "Section 2. It is not the intent of this Act to impair existing contracts for vehicle emissions testing, and emissions testing programs currently conducted under contracts which cover automobiles or include fees exempted or prohibited by this Act may continue unaffected for the duration of the contract."

(1) Before the cabinet may issue a permit to operate a solid waste disposal site or facility, the operator shall file with the cabinet a bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in a sum to be determined by the cabinet on the recommendation of the secretary of each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000) per site, conditioned upon the faithful performance of the requirements in this chapter and of the rules and regulations of the cabinet to insure satisfactory closure of the facility. The cabinet may accept liquid or semi-liquid assets deposited in an escrow account for the operating life of the landfill plus not less than two (2) additional years as an alternative guarantee of adequate financial responsibility for closure of the facility.

(2) An operator may at any time during the term of the permit apply to the cabinet for an amendment of the permit so as to increase or reduce the acreage affected by it. The operator shall file an application and map in the same form and with the same content as required for an original application under this chapter and shall pay a basic fee set by regulation bearing a reasonable relationship to the cost of processing the permit application and shall file with the cabinet a supplemental bond for each acre or fraction of an acre of the increase approved. If the cabinet approved a reduction in the acreage covered by the original or supplemental permit, it shall release the bond for each acre reduced but in no case shall the bond for the site be reduced below ten thousand dollars ($10,000).

(3) When the facility has been filled, covered, graded, seeded and revegetated according to regulations promulgated by the cabinet and approved by the cabinet the secretary shall release the bond or other guarantee of financial responsibility that has been provided to the cabinet. *However, the bond or other guarantee of financial responsibility shall not be released earlier than two (2) years from the date of the last placement of waste at the facility.* If such closure requirements are not accomplished by the operator of the facility, the cabinet shall forfeit the bond or demand release of the moneys held to guarantee financial responsibility.

(4) All funds from the forfeiture of bonds or other sureties required pursuant to this section shall be placed in the state treasury and credited to a special trust and agency account which shall not lapse. Such account shall be

known as the "solid waste disposal site restoration fund" and all moneys placed in the fund shall be used solely for the proper closure of solid waste disposal sites and insofar as practicable be used to correct the problems at the same site for which the bond or other sureties were originally provided.

(5) No operator or person shall be eligible to receive another permit to operate a solid waste disposal site or facility who has forfeited any bond or other surety provided pursuant to this section, unless the land for which the bond or other surety was forfeited has been reclaimed without cost to the state, or the operator or person has paid such sum as the cabinet finds is adequate to reclaim such lands.

(6) Where one (1) operator succeeds another at any solid waste disposal site or facility prior to final closure, either by sale, assignment, lease or otherwise, the cabinet may release the first operator from all liability under this section, provided that the successor operator meets the requirements of this section and assumes, as part of his obligation under this chapter, all liability for the reclamation and final closure of the area of land affected by the former operation.

(7) In the reclamation of land affected by incomplete or improper closure of a solid waste disposal site or facility for which it has the funds available, the cabinet may avail itself of any services which may be provided by other state agencies or by agencies of the federal government, and may compensate them for such services. The cabinet may cause the reclamation work to be done by its own employes, or by employes of other governmental agencies or through contracts with qualified persons.

(8) The cabinet may also receive any federal funds, state funds, or any other funds for the closure of solid waste disposal sites or facilities.

(9) The cabinet, any other agency and any person under a contract with the cabinet pursuant to this section shall have the right of access to the land affected to carry out such reclamation.

(10) No city, county, urban-county government or agency of a city, county, or urban-county government, or taxing district, or other political subdivision of the Commonwealth shall be required to file any surety bond with the cabinet pursuant to this section for the operation of a solid waste disposal site or facility by such city, county, urban-county government or agency thereof, or taxing district, or any other political subdivision of the Commonwealth.

HB 511, AN ACT relating to hazardous waste.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.855 is amended to read as follows:

(1) No permit shall be issued until a complete application has been submitted to and approved by the cabinet and notice of the application for a waste site or facility has been published at the expense of the applicant in a manner reasonably calculated to inform that portion of the public which is most likely to be affected by the operation of the proposed waste site or facility. The publication shall take place after the cabinet has made a preliminary determination of the application.

(2) At a minimum, publication shall be made at least once by advertisement in a daily or weekly newspaper of general circulation in the locality where the proposed site is to be located.

(3) The contents of the public notice of an application for a waste site or facility shall include the following:

(a) The name and address of the applicant;

(b) A brief description of the activity for which a permit is being sought;

(c) A description of the proposed location;

(d) The name and address of this cabinet; and

(e) The following statement: "Any person who may be aggrieved by the issuance of a permit for this proposed waste site or facility may file with the cabinet a petition which sets forth the grounds of the objection and demand a hearing pursuant to KRS 224.081(2)." Such hearing shall be held within the county where the waste site or facility is proposed.

(4) No permit shall be issued until at least thirty (30) days have expired following publication of the application. The applicant for a permit must establish the date of publication by a verified affidavit from the newspaper which publishes the advertisement. If a hearing is requested, no permit shall be issued prior to a completed hearing. [~~In the case of hazardous waste landfills and other sites or facilities for the land disposal of hazardous waste no permit shall be approved or issued prior to notification of the cabinet by the local unit of government of its actions pursuant to subsection (5) of this section.~~]

(5) The fiscal court of the county, urban-county government, or governing body of an incorporated municipality wherein a hazardous waste [~~landfill or other~~] site or facility [~~for the land disposal of hazardous waste~~] is proposed, shall conduct a public hearing after public notice has been given in accordance with KRS Chapter 424 and shall vote to approve or disapprove the hazardous waste [~~landfill or other~~] site or facility [~~for the land disposal of hazardous waste~~] within thirty (30) days after the hearing described in subsections (3) and (4) of this section. If no hearing is requested under the provisions of subsections (3) and (4) of this section, the fiscal court, urban-county government, or governing body of an incorporated municipality shall conduct such public hearing and vote to approve or disapprove the hazardous waste [~~landfill or other~~] site or facility [~~for the land disposal of hazardous waste~~] within sixty (60) days following publication of the application. In making a determination the fiscal court, urban-county government, or governing body of an incorporated municipality shall consider the social and economic impacts of the proposed hazardous waste [~~landfill or other~~] site or facility [~~for the land disposal of hazardous waste~~] on the affected community, including changes in property values, community perception and other psychic costs; costs and availability of public services, facilities and improvements required to support the [~~landfill or other~~] site or facility and protect public health, safety and the environment; and the relationship of the proposed hazardous waste [~~landfill or other~~] site or facility [~~for the land disposal of hazardous waste~~] to local planning and existing development. After a fiscal court or urban-county government or governing body of an incorporated municipality has voted to approve or disapprove a hazardous waste [~~landfill or other~~] site or facility [~~for the land disposal of hazardous waste~~], the court, urban-county government, or governing body of an incorporated municipality shall so notify the cabinet in writing within ten (10) days. If a hazardous waste [~~landfill or other~~] site or facility [~~for the land disposal of hazardous waste~~] is disapproved by the court, urban-county government, or governing body of an incorporated municipality, the reasons for disapproval shall be set forth clearly and concisely, and so recorded in the minutes. No permit shall be issued by the cabinet if a fiscal court, urban-county government or governing body of an incorporated municipality disapproves the hazardous waste [~~landfill or other~~] site or facility [~~for the land disposal of hazardous waste~~] in the manner prescribed herein.

(6) The provisions of subsection (5) of this section shall not apply to a proposed regional integrated waste treatment and disposal demonstration facility.

Section 2. KRS 224.866 is amended to read as follows:

(1) No person shall engage in the storage, treatment, recycling or disposal of hazardous waste without first obtaining construction and operation permits from the cabinet. The cabinet shall promulgate regulations establishing standards for such permits but in no case shall a permit to construct or operate a hazardous waste disposal facility or a regional integrated waste treatment and disposal demonstration facility be issued unless it can be demonstrated that the proposed facility can be integrated into the surroundings in an environmentally compatible manner, including but not limited to insuring that hydrologic, seismologic, geologic and soil considerations have been adequately addressed in the permit application and in an operational plan. In no case shall a permit to construct a hazardous waste [~~landfill or other~~] site or facility [~~for the land disposal of hazardous waste~~] be approved or issued prior to notification of the cabinet by the local unit of government of its actions pursuant to KRS 224.855(5), except when the landfill is part of a regional integrated waste treatment and disposal demonstration facility. The cabinet shall not issue a construction permit to a regional integrated waste treatment and disposal demonstration facility until it has been issued a certificate of environmental safety and public necessity. A person desiring a construction permit shall file an application on forms supplied by the cabinet which shall contain such information as the cabinet deems necessary and provide evidence that the hazardous waste shall be treated, stored or disposed of in the manner prescribed by the cabinet. The applicant shall not initiate construction at the proposed site of a new facility for the storage, treatment or disposal of hazardous waste until notice has been given to that portion of the public most likely to be affected by the operation of the proposed facility pursuant to KRS 224.855(1) through KRS 224.855(4) and until a construction permit for said facility has been issued by the cabinet. The cabinet may consider past performance

in this or related fields by the applicant. The cabinet, in making a determination to issue, deny or condition a construction permit, shall consider the following:

(a) An evaluation of alternatives, to include other locations and other treatment, storage, and disposal approaches, different from those proposed, available to the applicant;

(b) An evaluation of the public health, safety, and environmental aspects of the proposals;

(c) An evaluation of the social and economic impacts of the proposed action on the affected community, to include, at a minimum, changes in property values, community perception and other psychic costs, and the costs and availability of public services, facilities and improvements required to support the facility and protect public health, safety and the environment;

(d) An evaluation of mitigation measures to alleviate problems identified in subsections (b) and (c) of this section; and

(e) The relationship of the proposal to local planning and existing development.

[~~Except that~~] In the case of hazardous waste [~~landfills or other~~] sites or facilities [~~for the land disposal of hazardous waste~~] the provisions of paragraphs (c) and (e) of this subsection shall be determined by the local unit of government pursuant to KRS 224.855(5); in the case of a regional integrated waste treatment and disposal demonstration facility the provisions of paragraphs (c) and (e) of this subsection shall be determined by the siting board established pursuant to KRS 224.2203.

(2) Any hazardous waste which would migrate, leach, or generate gas in its normal state shall not be disposed of in a landfill unless such waste has been either neutralized, detoxified, solidified, encapsulated or otherwise treated so that the character of the waste is such that it will prevent substantial migration, leaching or gas generation or unless the landfill is designed and constructed in such manner as will prevent substantial migration, leaching or gas generation, that in either case may cause or significantly contribute to an increase in mortality or an increase in serious irreversible, or incapacitating reversible, illness or pose a substantial present or potential hazard to human health or the environment.

(3) In conjunction with the application for permits under this section the applicant shall establish adequate financial responsibility as follows:

(a) The applicant shall file as part of his application for a permit to construct the facility an estimate of the cost of closing the facility after its capacity is reached or operations have otherwise ceased. In the case of storage facilities, the cost of closing shall include the cost of properly disposing of the hazardous waste stored. The cabinet shall evaluate this cost estimate and either accept the estimate as made or shall revise it in accordance with acceptable guidelines, using, where available, actual data on closure costs associated with similar existing facilities. Before a permit to operate can be issued the applicant for any hazardous waste permit shall assure that the funds needed to close the facility are available by establishing assurance through one (1) or more of the following mechanisms: cash, certificates of deposit, irrevocable credit or other sureties satisfactory to the cabinet and the mechanism shall be established by agreement with the cabinet. The agreement shall provide that disbursement is permissible only upon written approval of the cabinet and whenever, on the basis of any information, the cabinet determines that the owner or operator is in violation of any of the closure requirements for the facility, that the cabinet shall have the right to use part or all of the closure fund to carry out the closure requirements. The financial institution, surety company or escrow agent shall release these funds upon receiving a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more closure violations. Upon determination that closure has been satisfactorily accomplished, the cabinet shall release the applicant from further financial responsibility for closure.

(b) Any applicant for a hazardous waste disposal permit shall file with the cabinet as part of his application an estimate of the annual cost of post-closure monitoring and routine maintenance at the site. The cabinet shall evaluate the cost estimate, and, after such modification as may be necessary in light of its evaluation, shall give notice of acceptance of the cost estimate. This cost estimate which will be referred to as the annual post-closure operating cost will then be used to determine the amount of the post-closure monitoring and maintenance fund to be used for monitoring and maintenance for a period of a minimum of thirty (30) years after facility closure. The post-closure monitoring and maintenance fund shall be cash, irrevocable credit or other sureties satisfactory to the cabinet and shall be established by an agreement with the cabinet. The agreement shall provide that whenever, on the basis of any information, the cabinet determines that the owner or operator of the facility is in violation of any of the post-closure monitoring and maintenance requirements, the cabinet shall have the right to use part or all of the funds to carry out the post-closure monitoring and maintenance for the facility. The funds shall be released upon receipt of a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more post-closure monitoring and maintenance violations. One (1) year after closure and annually, thereafter, for a period of thirty (30) years, the applicant who has carried out all necessary post-closure maintenance and monitoring requirements may upon application to the cabinet be reimbursed out of the post-closure monitoring and maintenance fund an amount equal to the estimated costs for monitoring and routine maintenance for that year. Request for release of funds for reimbursement must be accompanied by an itemized list of costs incurred. Upon determination that the expenditures incurred are in accordance with the approved plan or otherwise justified the cabinet may authorize the release of the funds to the applicant in writing. Any funds remaining in the account following a termination hearing in which the applicant is released of further responsibility will likewise be released to the applicant.

(c) All applicants for any hazardous waste permit must provide evidence of financial responsibility in an amount and for a time period specified by the cabinet for the purpose of satisfying claims arising out of injury to persons or property resulting from the release or escape of hazardous waste into the environment. Such financial responsibility may be established by one or a combination of evidence of liability insurance, self-insurance, or other evidence of financial responsibility acceptable to the cabinet. The level of self-insurance shall not exceed ten percent (10%) of equity, and financial responsibility must be maintained during the entire operation of the facility and until termination. The minimum liability coverage for sudden occurrences, exclusive of legal defense costs, for a storage, treatment or disposal facility shall be one million dollars ($1,000,000) per occurrence with an annual aggregate of two million dollars ($2,000,000). A hazardous waste disposal facility shall maintain additional excess liability coverage in the amount of at least ten million dollars ($10,000,000). The minimum liability coverage for nonsudden occurrences, exclusive of legal defense costs, for a hazardous waste facility involving land disposal shall be five million dollars ($5,000,000) per occurrence with an annual aggregate of ten million dollars ($10,000,000). Combined coverage for sudden and nonsudden occurrences shall be no less than the combined totals herein set forth for separate coverage.

(4) The cabinet shall promulgate regulations establishing minimal standards for closure, post-closure monitoring and maintenance, and termination of sites for the disposal of hazardous waste. Any person who obtains a disposal permit for hazardous waste shall be responsible for the post-closure monitoring and maintenance of the permitted facility for a minimum of thirty (30) years after closure of the facility, and may apply to the cabinet for termination of the responsibility for post-closure monitoring and maintenance at any time after the site has been closed for at least thirty (30) years. Upon receipt of such application the cabinet shall provide notice to the public and to the owner or operator and an opportunity for a hearing on the termination of the site. In this proceeding the burden shall be on the applicant to prove by clear and convincing evidence that additional post-closure monitoring and maintenance is not necessary for adequate protection of public health or the environment. The cabinet shall determine either that post-closure monitoring and maintenance of the site is no longer required in which case the applicant shall be relieved of such responsibility; or that additional post-closure monitoring and maintenance of the site as specified in a plan of operation is still required, in which case the cabinet may order appropriate remedial measures, impose restrictive covenants as to future use of the property involved, or otherwise condition termination as may be necessary for adequate protection of public health and the environment.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 441 IS CREATED TO READ AS FOLLOWS:

(1) Whenever a prisoner confined in the county jail is in need of psychiatric or similar evaluation, treatment or services, it shall be the responsibility of the Commonwealth to provide such evaluation, treatment, or services at the expense of the Commonwealth at the nearest state operated or state supported facility suitable for the provision of the required evaluation, treatment, or services at no cost to the county.

(2) Whenever a criminal defendant is in need of psychiatric, sociological, or similar evaluation in connection with the criminal proceedings in which he is a defendant it shall be the responsibility of the Commonwealth to provide the evaluation at the nearest state operated or state supported facility suitable for the provision of the required evaluation at no cost to the county.

In such instances a request must first be made to the cabinet for human resources to provide the evaluation, treatment or service unless the situation is an emergency requiring immediate attention. If the cabinet cannot provide the service or if the situation is an emergency, then local resources may be utilized.

(4) In the event that local resources are utilized in an emergency situation, or when the cabinet for human resources is unable to provide the evaluation, treatment, or service, then the reasonable cost of providing such service, treatment, or evaluation shall be paid from the state treasury in the same manner as other medical expenses of indigent prisoners confined in the county jail.

(5) The cabinet for human resources shall administer the provisions of this section and shall issue such administrative regulations as necessary to carry out the provisions of this section.

(1) An excise tax is imposed on every person, corporation or association which operates a [~~running horse~~] race track *under the jurisdiction of the Kentucky state racing commission* at which betting is conducted through a pari-mutuel or other similar system. The tax shall be an amount equal to four and three-fourths percent (4 3/4%) of all money wagered during the year. A year as used herein shall begin at 12:01 a. m. From July 13, 1984, the effective date of this Act until September 15, 1986, any track with a daily average handle of less than nine hundred thousand dollars ($900,000), which experienced an overlap of its racing dates in 1983 with another thoroughbred track, shall be exempt from payment of the tax levied under this subsection, with exception of the amount to be paid to the thoroughbred development fund, and the license tax levied in KRS 137.170, for the period of the overlap should the 1983 overlap of racing dates be continued. The commission at those tracks averaging nine hundred thousand dollars ($900,000) or less in pari-mutuel handle per racing day, at the discretion of such track, shall not be less than sixteen and one half percent (16 1/2%) nor more than seventeen and one half percent (17 1/2%) in races where the patron is required to select one (1) horse, [~~except that for the purposes of races conducted under the auspices of the quarter horse and appaloosa commission shall not exceed seventeen percent (17%) of the gross amount handled,~~] and the breaks, which breaks shall be made and calculated to the dime.

(2) The commission, including the tax levied in KRS 138.510, deducted from the gross amount wagered by the person, corporation or association which operates a [~~running horse~~] race track *under the jurisdiction of the Kentucky state racing commission* at which betting is conducted through a pari-mutuel or other similar system shall not exceed nineteen percent (19%) of the gross handle in races where the patron is required to select two (2) horses, and the breaks, which breaks shall be made and calculated to the dime.

Section 3. KRS 230.215 is amended to read as follows:

(1) It is the policy of the Commonwealth of Kentucky, in furtherance of its responsibility to foster and to encourage legitimate occupations and industries in the Commonwealth and to promote and to conserve the public health, safety, and welfare, and it is hereby declared the intent of the Commonwealth to foster and to encourage the thoroughbred horse breeding industry within the Commonwealth and to encourage the improvement of the breed of thoroughbred horses. Further, it is the policy and intent of the Commonwealth to foster and to encourage the business of legitimate thoroughbred racing with pari-mutuel wagering thereon in the Commonwealth on the highest possible plane. Further, it hereby is declared the policy and intent of the Commonwealth that all thoroughbred racing not licensed under KRS 230.210 to 230.360 and appaloosa racing not licensed under KRS 230.210 to 230.360 or *230.610 to 230.760* [~~230.410 to 230.447~~] is a public nuisance and may be enjoined as such. Further, it is hereby declared the policy and intent of the Commonwealth that the conduct of thoroughbred racing or appaloosa racing at a thoroughbred race meeting, or the participation in any way in thoroughbred racing or appaloosa racing at thoroughbred race meetings, or the entrance to or presence where thoroughbred racing and appaloosa racing is conducted, is a privilege and not a personal right; and that this privilege may be granted or denied by the commission or its duly approved representatives acting in its behalf.

(2) It is hereby declared the purpose and intent of KRS 230.210 to 230.360 in the interest of the public health, safety, and welfare, to vest in the commission forceful control of thoroughbred racing and appaloosa racing at thoroughbred race meetings in the Commonwealth with plenary power to prescribe rules and regulations and conditions under which all legitimate thoroughbred racing and appaloosa racing at thoroughbred race meetings and wagering thereon is conducted in the Commonwealth so as to encourage the improvement of the breed of thoroughbreds in the Commonwealth, to regulate and maintain thoroughbred racing and appaloosa racing at thoroughbred race meetings in the Commonwealth of the highest quality and free of any corrupt, incompetent, dishonest, or unprincipled thoroughbred racing or appaloosa racing practices, and to regulate and maintain

thoroughbred racing and appaloosa racing at thoroughbred race meetings in the Commonwealth so as to dissipate any cloud of association with the undesirable and maintain the appearance as well as the fact of complete honesty and integrity of thoroughbred racing and appaloosa racing in the Commonwealth. In addition to the general powers and duties vested in the commission by KRS 230.210 to 230.360, it is the intent hereby to vest in the commission the power to eject or exclude from association grounds or any part thereof any person, licensed or unlicensed, whose conduct or reputation is such that his presence on association grounds may, in the opinion of the commission, reflect on the honesty and integrity of thoroughbred racing or interfere with the orderly conduct of thoroughbred racing or appaloosa racing.

Section 4. KRS 230.300 is amended to read as follows:

(1) Any person desiring to conduct thoroughbred racing and Appaloosa racing at a thoroughbred race meeting within the Commonwealth of Kentucky during any calendar year shall first apply to the commission for a license to do so. The application shall be filed at the commission's general office on or before a day fixed by the commission. The application shall specify the location of the track and the days on which racing is desired to be conducted or held and shall be in the form and contain such other information and data as the commission may, by rule require.

(2) The commission shall as soon as practicable, but in no event later than March 1 in any calendar year award dates for racing in the Commonwealth during the year. In the event scheduled racing is canceled by reason of flood, fire, or inclement weather, the commission may award after March 1 additional racing dates to make up for those dates canceled by such flood, fire, or inclement weather. The commission may issue such license to conduct a thoroughbred race meeting to any association making the aforesaid application if the commission finds that the proposed conduct of racing by such association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to the Commonwealth, and if by reason of financial stability, track location, traffic flow, facilities for the public, facilities for racing participants and horses, character and reputation for honesty of all persons identified with the association, competence of proposed racing officials and association employes, absence of conflict with other race meetings in time and patronage area, sentiment of the community in which such association proposes to conduct a race meeting, and capability to comply with the rules and rulings of the commission, the licensing of such association would serve to nurture, promote, develop, or improve the thoroughbred industry in the Commonwealth. As a condition precedent to the issuance of such license, the commission may require a surety bond or other surety conditioned upon the payment of all taxes due the Commonwealth, together with the payment of operating expenses including purses and awards to owners of horses participating in races.

(3) Every license issued under KRS 230.210 to 230.360 shall specify among other things the name of the person to whom issued, the address and location of the track where the thoroughbred race meeting to which it relates is to be held or conducted, and the days and hours of the day when the meeting will be permitted; provided, however, that no track which is granted overlapping dates with another thoroughbred or harness racing track within a fifty (50) mile radius shall be permitted to have a post time after 5:30 p.m., prevailing time for overlapping days between July 1 and September 15, unless agreed to in writing by the tracks affected.

(4) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a thoroughbred race meeting at any track not specified therein. However, if the track specified becomes unsuitable for thoroughbred racing or Appaloosa racing because of flood, fire or other catastrophe, the commission may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of such track willingly consents to the use thereof.

(5) Thoroughbred racing dates may be awarded and licenses issued authorizing thoroughbred racing and Appaloosa racing at a thoroughbred race meeting on any day of the year. Thoroughbred racing or Appaloosa racing at thoroughbred race meetings shall be held or conducted only between sunrise and midnight.

(6) The commission may at any time require the removal of any official or employe of any association in those instances where it has reason to believe that the official or employe has been guilty of any dishonest practice in connection with thoroughbred racing or Appaloosa racing at a thoroughbred race meeting or has failed to comply with any condition of his license or has violated any law or any rule or regulation of this commission.

(7) Every thoroughbred race not licensed under this section or Appaloosa race not licensed by this section or

KRS *230.610 to 230.760* [~~230.410~~ ~~to~~ ~~230.447~~] is hereby declared to be a public nuisance and the commission may obtain an injunction against the same in the circuit court of the county where the unlicensed race is proposed to take place.

Section 5. KRS 230.360 is amended to read as follows:

Further, it hereby is declared the policy and intent of the Commonwealth that all standardbred, *quarter horse, appaloosa and arabian* racing not licensed as provided herein is a public nuisance and may be enjoined as such. Further, it is hereby declared the policy and intent of the Commonwealth that the conduct of standardbred, *quarter horse, appaloosa and arabian* racing, or the participation in any way in standardbred, *quarter horse, appaloosa and arabian* racing, or the entrance to or presence where standardbred, *quarter horse, appaloosa and arabian* racing is conducted, is a privilege and not a personal right; and that this privilege may be granted or denied by the commission or its duly approved representatives acting in its behalf.

(1) In addition to the employes referred to in KRS 230.650, the commission may employ, at reasonable compensation, veterinarians, inspectors, accountants, guards and other employes deemed by the commission to be essential at or in connection with any [~~standardbred~~] horse race meeting *under the jurisdiction of the commission* and to the best interest of standardbred, *quarter horse, appaloosa and arabian* racing. The commission for the purpose of maintaining integrity and honesty in standardbred, *quarter horse, appaloosa and arabian* racing shall prescribe by rule the powers and duties of the persons employed under this section or performing duties rendering services to an association. The commission shall promulgate rules and regulations for effectively preventing the use of improper devices, the administration of drugs or stimulants or other improper acts for the purpose of affecting the speed or health of horses in races in which they are to participate, and in connection therewith the commission is authorized to acquire, operate and maintain, or to provide by contract for the maintenance and operation of, a testing laboratory and related facilities, for the purpose of saliva, urinal or other tests, and to purchase supplies and equipment for and in connection with such laboratory or testing processes. The expense of the laboratory or other testing processes, whether furnished by contract or otherwise, together with all supplies and equipment used in connection therewith, shall be paid by the various associations licensed under KRS 230.610 to 230.760 in such manner and in such proportions as the commission may by rule provide.

(2) The compensation of the employes referred to in this section shall be paid by the licensee directly or to the commission, as the commission shall direct the conducting of the [~~standardbred~~] race meeting in connection with which said employes are utilized or employed. The salary of the secretary to the commission and costs of operation of the commission including but not limited to office rental, expenses, utilities, commissioners' actual expenses, etc. shall be prorated among and paid by the various associations licensed under KRS 230.610 to 230.760 in the manner as the commission may, by rule, provide. The employes referred to in this section shall be deemed employes of the commission, and are paid by the licensee or association for convenience only.

(3) Each person, as a condition precedent to the privilege of receiving a license under KRS 230.610 to 230.760 to conduct standardbred, *quarter horse, appaloosa or arabian* horse race meetings shall be deemed to have agreed that it will pay such expenses and compensation as provided in this section.

Section 13. KRS 230.680 is amended to read as follows:

No person, corporation or association shall hold or conduct any standardbred, *quarter horse, appaloosa or arabian* horse race meeting for any stake, purse, or reward within the Commonwealth of Kentucky without securing the required license from the commission, and paying to the commission the license fee which the commission may in its discretion prescribe.

Section 14. KRS 230.690 is amended to read as follows:

(1) Any person desiring to conduct standardbred, *quarter horse, appaloosa or arabian* horse racing within the Commonwealth of Kentucky during any calendar year shall first apply to the commission for a license to do so. The application shall be filed at the commission's general office on or before a day fixed by the commission. The application shall specify the location of the track and the days on which racing is desired to be conducted or held and shall be in the form and contain such other information and data as the commission may, by rule, require.

(2) The commission shall as soon as practicable, but in no event later than February 1 in any calendar year award dates for racing in the Commonwealth during the year. In the event scheduled racing is cancelled by reason of flood, fire, inclement weather, or other causes the commission may award after February 1

additional racing dates to make up for those dates cancelled by such flood, fire, inclement weather, or other causes. The commission may issue such license to conduct a standardbred, *quarter horse, appaloosa or arabian* horse race meeting to any association making the aforesaid application if the commission finds that the proposed conduct of racing by such association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to the Commonwealth, and if by reason of financial stability, track location, traffic flow, facilities for the public, facilities for racing participants and horses, character and reputation for honesty of all persons identified with the association, competence of proposed racing officials and association employes, absence of conflict with other race meetings in time and patronage area, sentiment of the community in which such association proposes to conduct a race meeting, and capability to comply with the rules and rulings of the commission, the licensing of such association would serve to nurture, promote, develop, or improve the standardbred, *quarter horse, appaloosa and arabian* industry in the Commonwealth. As a condition precedent to the issuance of such license, the commission may require a surety bond or other surety conditioned upon the payment of all taxes due the Commonwealth, together with the payment of operating expenses including, but not limited to, purses and awards to owners of horses participating in races.

(3) Every license issued under this section shall specify among other things the name of the person to whom issued, the address and location of the track where the [~~standardbred~~] race meeting to which it relates is to be held or conducted, and the days and hours of the day when the meeting will be permitted.

(4) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a standardbred, *quarter horse, appaloosa or arabian* horse race meeting at any track not specified therein. However, if the track specified becomes unsuitable for [~~standardbred~~] horse racing because of flood, fire or other catastrophe or other causes, the commission may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of such track willingly consents to the use thereof.

(5) The commission may at any time require the removal of any official or employe of any association in those instances where it has reason to believe that the official or employe has been guilty of any dishonest practice in connection with standardbred, *quarter horse, appaloosa or arabian* horse racing or has failed to comply with any condition of his license or has violated any law or any rule or regulation of this commission.

(6) The fee for a license issued under this section shall be in such amount as prescribed by the commission.

(7) Every standardbred, *quarter horse, appaloosa or arabian* horse race not licensed under this section is hereby declared to be a public nuisance and the commission may obtain an injunction against the same in the circuit court of the county where the unlicensed race is proposed to take place.

Section 15. KRS 230.700 is amended to read as follows:

Every person not required to be licensed under KRS 230.690 who desires to participate in standardbred, *quarter horse, appaloosa or arabian* horse racing in the Commonwealth as a horse owner, trainer, driver, apprentice driver, agent, stable employe, racing official, association employe, mutuel clerk or employe of a person or concern contracting with the association to provide a service or commodity and which requires their presence on association grounds during a race meeting, or veterinarian, farrier, horse dentist, or supplier of food, tack, medication, or horse feed, shall first apply to the commission for a license to participate in such activity on association grounds during a race meeting. No person required to be licensed by this section may participate in any activity required to be licensed on association grounds during a race meeting without a valid license therefor. The commission may issue a license if it finds that the financial responsibility, age, experience, reputation, competence, and general fitness of the applicant to perform the activity permitted by a license, are consistent with the best interests of [~~standardbred~~] horse racing *under the jurisdiction of the commission* and the maintenance of the honesty, integrity, and high quality thereof. Such license shall be issued for the calendar year in which it is issued and may be renewed by the commission. The license shall be valid at all standardbred, *quarter horse, appaloosa and arabian* horse race meetings in the Commonwealth during the period for which it is issued unless suspended or revoked under the rules and regulations prescribed by the commission under KRS 230.610 to 230.760. Fees for all licenses issued under this section shall be prescribed by and paid to the commission.

Section 16. KRS 230.720 is amended to read as follows:

(1) Every license granted under KRS 230.610 to 230.760 is subject to revocation or suspension by the

commission in any case where it has reason to believe that any provision of KRS 230.610 to 230.760 or rule, regulation or condition of the commission affecting it has not been complied with or has been broken or violated. The commission in the interest of honesty and integrity of [~~standardbred~~] horse racing *under the jurisdiction of the commission* may prescribe rules and regulations under which any license may be denied, suspended or revoked.

(2) If any license is denied, suspended or revoked the commission shall state publicly its reasons for the suspension or revocation and shall cause an entry of such reasons to be made on its record book. The action of the commission in denying, suspending or revoking any license issued by it, or the imposition of any fine or penalty, is final except that such action is subject to appeal to the Franklin Circuit Court. The action of the commission shall remain in full force and effect until reversed or modified by a valid final order of the Franklin Circuit Court.

(3) No court may enjoin any order of the commission denying, suspending or revoking any license or imposing fine or penalty, pending appeal to the Franklin Circuit Court.

Section 17. KRS 230.740 is amended to read as follows:

The provisions of KRS 230.610 to 230.760 are intended to be statewide and exclusive in their effect and no city, county or other political subdivision of state government shall have the power or authority to make or enforce any local laws, ordinances or regulations on the subject of [~~standardbred~~] horse race meetings *under the jurisdiction of the commission.* Any persons licensed under KRS 230.690 shall continue to pay, or be responsible for the payment of, all state taxes presently imposed by law, including but without limitation, admission taxes imposed by KRS 138.480 to 138.490, and the pari-mutuel taxes imposed by KRS 138.510(2), and all state, as well as local, ad valorem taxes; provided, however, no tax shall be imposed by the state or any subdivision thereof upon, or measured by, that portion of the excise tax imposed upon pari-mutuel betting at running and standardbred, *quarter horse, appaloosa or arabian* horse race tracks which is collected and retained by the operators thereof under the provisions of KRS 138.510 to 138.550, both inclusive.

HB 454, AN ACT relating to the disqualification of prosecuting attorneys, and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 15 IS CREATED TO READ AS FOLLOWS:

(1) In the event a commonwealth's attorney or an assistant commonwealth's attorney; or a county attorney or an assistant county attorney is indicated by a duly empaneled state or federal grand jury on any felony charge under the laws of this Commonwealth, or a similar charge in the federal courts, such charge shall result in his immediate disqualification from further acting as a prosecuting attorney during the pendency of the action in any state or federal court. Such charge or charges shall in no way limit his right to practice civil law, unless the right to do so would contravene some other statute or existing canon of legal ethics, nor shall the charge alone prevent said attorney from receiving the usual salary or allowances for expense of the office, which would otherwise be payable.

(2) In the event such disqualification exists as to an assistant commonwealth's attorney or an assistant county attorney, the suspension of acting as a prosecuting attorney shall be exercised and enforced by the duly elected commonwealth's attorney or county attorney as applicable.

(3) In the event the disqualification relates to a commonwealth's attorney or county attorney, upon certification of such disqualification to the attorney general by the circuit judge or district judge of the

jurisdiction in which said prosecuting attorney has been duly elected, the attorney general shall name an attorney to serve as special prosecutor for the Commonwealth for the the duration of the disqualification. The attorney, in this instance, need not be a commonwealth's attorney or county attorney as provided in KRS 15.730.

(4) Nothing in this section shall prohibit a duly elected commonwealth's attorney or county attorney from being a candidate for re-election if said election is to be held during the period of disqualification, so long as said prosecuting attorney has not been found guilty of a felony or entered a plea of guilty to a felony at the initial trial court level. A conviction or a plea of guilty at the trial court level to a felony shall act as a bar to being a candidate for re-election.

Section 2. Whereas, disqualification of prosecutors as contemplated by this Act would foster the integrity of the judicial process, and whereas, such purpose is deemed to be of immediate importance, an emergency is declared to exist, and this Act shall become effective upon its passage and approval by the Governor.

(7) Any employe of a county participating in the county employes retirement system, or any employe of a department participating in the Kentucky employes retirement system, who has obtained for service performed six (6) months current service credit in either retirement system, who formerly worked for a state university in a position which would have qualified as a regular full-time position had the university been a participating department, and who did not have the option to be covered at the university by an advance funded retirement program in which he could vest during his period of employment, or did not participate in a retirement system which can be consolidated with other accounts pursuant to KRS 61.680(2), may obtain credit in the county employes retirement system or the Kentucky employes retirement system for prior and current service by paying either retirement system a delayed contribution payment for the service he would have received had his period of university employment been covered by the county employes or Kentucky employes retirement system. The delayed contribution payment shall not be picked up, as described in KRS *61.560(4)* [~~61.540(4)~~], by the employer.

(b) Effective July 1, 1973, any department participating in the Kentucky employes retirement system may purchase current service between July 1, 1956 and participation date of the department, for present employes of the department who were employes on the participation date of the department and elected coverage under KRS 61.525(2).

(c) Cost of the service credit purchased under this subsection shall be determined by computing the discounted value of the additional service credit based on an actuarial formula recommended by the board's consulting actuary and approved by the board. A department shall make payment for such service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of such service credit. The maximum period allowed in a payment schedule shall be ten (10) years with interest at the rate actuarially assumed by the board; however, a shorter period is desirable and the board may approve any schedule provided it is not longer than a ten (10) year period.

(d) If a county or department elects the provisions of this subsection any present employe who would be eligible to receive service credit under the provisions of this subsection and has purchased service credit under subsections (4) or (5) of this section shall have his payment for such service credit refunded with interest at the rate paid under KRS 61.575 or KRS 78.640.

(e) Any payments made by a county or department under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members.

(9) Interest paid by a member of the Kentucky employes retirement system, county employes retirement system, or state police retirement system under this section or other similar statutes under KRS 16.505 to 16.652 or 61.510 to 61.705 or 78.510 to 78.852 prior to June 19, 1976 shall be credited to the individual member's contribution account in the appropriate retirement system and considered as accumulated contributions of the member.

(10) Members who served as assistants to officers and employes of the general assembly who were unable to acquire service under KRS 61.510(20) may purchase credit for such service performed after January 1, 1960, provided the service purchased when added to other accumulated service will total at least forty-eight (48) months. Service credit under this section shall be obtained by the payment of a delayed contribution which shall not be picked up by the employer as described in KRS 61.560(4).

(11) Effective August 1, 1986, any employe of a county participating in the county employes retirement system, or any employe participating in the Kentucky employes retirement system, or any employe participating in the state police retirement system may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on an annual or fiscal year basis. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(12) A retired member, who is contributing to one (1) of the state administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, will have his retirement allowance recomputed:

(a) Upon termination from employment if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section if the member is contributing to a system other than the system or systems from which he is retired.

Section 11. KRS 61.558 is amended to read as follows:

(1) *An employe participating in* [~~Upon service retirement, a member of~~] the Kentucky employes' retirement system may obtain credit for all or any part of the service *in a regular full-time position* otherwise creditable under the county employes retirement system, the teachers' retirement system, *state police retirement system* or in the service of the United States government, *other than service in the armed forces,* for which service credit is not otherwise given *by paying to the system a delayed contribution payment*[~~, upon the payment by the member of such amount or amounts as are actuarially determined to be equal to the increased liability of the Kentucky employes' retirement system by virtue of such additional service credit~~]. No payment made pursuant to this section shall be picked up by the employer, as described in KRS 61.560(4).

(2) The amount paid under this section shall be considered as accumulated contributions of the individual member.

(3) No person shall be allowed credit for the same period of service in more than one (1) of these *four (4)* [~~three (3)~~] retirement systems.

Section 12. KRS 61.560 is amended to read as follows:

(1) Each employe shall, commencing on July 1, 1966, contribute for each pay period for which he receives compensation four percent (4%) of his creditable compensation, except that members of the general assembly, who elect the survivorship option provided in subsections *(13)* [~~(10)~~] and *(14)* [~~(11)~~] of KRS 61.635, shall each contribute six and six-tenths percent (6.6%) of creditable compensation commencing with the payroll period immediately following his election of the option. Any other provisions of KRS 61.510 through *61.705* [~~61.702~~] notwithstanding, any reemployed retiree, as described in KRS 61.637, shall contribute four percent (4%) of his creditable compensation, or the amount required by KRS 61.592(3) if applicable, if he anticipates that he will receive more than the maximum permissible earnings, as provided by the federal social security act, in compensation as a result of reemployment during the calendar year.

(2) Each employer shall cause to be deducted from the creditable compensation of each employe for each and every payroll period the contribution payable by each such employe as provided in KRS 61.510 to 61.705.

(3) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided by law for any employe shall be reduced thereby. Every employe shall be deemed to consent and agree to the deductions made as provided herein; and payment of salary or compensation less such deductions shall be a full and complete discharge of all claims for services rendered by such person during the period covered by such payment, except as to any benefits provided by KRS 61.510 to 61.705.

(4) Each employer shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employe contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). [~~However, each employer shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code,~~] These contributions shall not be included as gross income of the employe until such time as the contributions are distributed or made available to the employe. The picked up employe contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employe contribution, and the picked up employe contribution shall be in lieu of an employe contribution. Each employer shall pay these picked up employe contributions from the same source of funds which is used to pay earnings to the employe. The employe shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employe contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 61.510 to 61.705 in the same manner and to the same extent as employe contributions made prior to August 1, 1982.

Section 13. KRS 61.569 is amended to read as follows:

The employer shall pay the employer contributions as defined under KRS 18A.105 on the member's creditable compensation.

(2) No service credit shall be allowed for any time that the member contributions are not paid.

Section 14. KRS 61.592 is amended to read as follows:

(1) "Hazardous position" means any position whose principal duties involve active law enforcement, (including the position of probation and parole officer), active fire suppression or prevention, or other positions, including but not limited to pilots of the department of transportation, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning.

(2) Each employer may request hazardous duty coverage for those positions as defined in subsection (1) of this section. Upon request each employer shall certify to the board in the manner prescribed by the board; the names of all employes deemed by the employer to be working in a hazardous position as defined in subsection (1) of this section. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been

provided for in the budget of the employing department or county. The board shall determine whether the employes whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.

(3) (a) An employe determined by the board to be working in a hazardous position in accordance with subsection (2) of this section shall contribute for each pay period for which he receives compensation, seven percent (7%) of his creditable compensation;

(b) Each employer shall pay employer contributions based on the creditable compensation of the employes determined by the board to be working in a hazardous position at the employer contribution rate as determined by the board. Such rate will be determined by actuarial methods consistent with the provisions of KRS 61.565;

(c) In the event the employer participated in the system prior to electing hazardous duty coverage, then said employer may pay to the system an additional lump sum payment in order that the nonhazardous service be credited as hazardous service. *Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members.* Should the employer elect not to make the additional payment, then the employe may make the lump sum payment in his own behalf. *Payments made by the employe under this subsection shall not be picked up, as described in KRS 61.560(4), by the employer.* If neither the employer nor employe makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(5) Any person employed in a hazardous position after July 1, 1972 shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the employe's department or county and made available to the board upon request.

(6) In the event of doubt regarding the benefits payable to a hazardous position employe under this section, the board shall determine the benefits payable under KRS 61.510 to 61.705 or 78.510 to 78.852 or 16.510 to 16.652.

(a) The annual normal retirement allowance for members of the general assembly, who serve during the 1974 or 1976 general assembly, and will have eight (8) years or more of total legislative service as of January 6, 1978, shall not be less than $240 multiplied by the number of years of service as a member of the general assembly;

(b) The annual normal retirement allowance for members of the general assembly who will have fewer than eight (8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 general assembly for legislative service prior to January 1, 1974;

(c) Former members of the general assembly who have eight (8) or more years of legislative service prior to the 1976 regular session are eligible for an increased retirement allowance of $240 times the years of legislative service, provided such member pays to the Kentucky employes retirement system thirty-five (35) percent of the actuarial cost of the higher benefit, as determined by the board, except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five (65) percent of such computed actuarial cost shall be paid from the state treasury to the Kentucky employes retirement system upon presentation of a properly documented claim to the finance and administration cabinet. If any such member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph (c), and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the state treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is *one dollar ($1)* [~~twenty-five cents (25 cents)~~] greater or less than the amount of the initial retirement payment.

Section 16. KRS 61.625 is amended to read as follows:

If a member's employment has been terminated or if the member is employed by a participating employer in an employment status that does not require the member to participate in the system, the member if living, or if not living, his designated beneficiary, shall have the right to request a refund of his accumulated contributions, including the amount of any employe contributions picked up by the employer pursuant to KRS 61.560(4), reduced by the amount of any retirement allowances previously received. The payments shall be suspended at the beginning of the month in which the reemployment occurs.

(2) Employer and employe contributions shall be made as provided in KRS 61.510 to 61.705 and 78.510 to 78.852 on the compensation paid during such reemployment except where monthly payments were not suspended as provided in subsection (1) of this section *or would not increase the retired member's last monthly retirement allowance by at least one dollar ($1),* and the member shall be credited with additional service credit.

(3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.

(4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, provided he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment.

1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined.

2. If the retired member initially retired on or subsequent to his normal retirement date his retirement allowance shall be recomputed by using the formula in subsection (1) of KRS 61.595.

3. If the retired member initially retired prior to his normal retirement date his retirement allowance shall be recomputed using the formula in subsection (2) of KRS 61.595, except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment.

4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3; provided, however, the member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691.

(3) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided by law for any employe shall be reduced thereby. Every employe shall be deemed to consent and agree to the deductions made as provided herein; and payment of salary or compensation less such deductions shall be a full and complete discharge of all claims for services rendered by such person during the period covered by such payment, except as to any benefits provided by KRS 78.510 to 78.852.

(4) Each employer shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employe contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). [~~However, each employer shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code,~~] These contributions shall not be included as gross income of the employe until such time as the contributions are distributed or made available to the employe.

The picked up employe contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employe contribution, and the picked up employe contribution shall be in lieu of an employe contribution. Each employer shall pay these picked up employe contributions from the same source of funds which is used to pay earnings to the employe. The employe shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employe contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 78.510 to 78.852 in the same manner and to the same extent as employe contributions made prior to August 1, 1982.

SECTION 27. A NEW SECTION OF KRS CHAPTER 16 IS CREATED TO READ AS FOLLOWS:

(3) No benefit provided in this section shall be reduced as a result of any change in the extent of disability of any retired member who is age fifty-five (55) or over.

SECTION 1. A NEW SECTION OF KRS CHAPTER 353 IS CREATED TO READ AS FOLLOWS:

The commissioner shall have the following authority to appoint a special task force to investigate illegal drilling relative to violations of KRS Chapter 353:

(1) A sufficient number of inspectors and support personnel shall be assigned for the purpose of this section. Such inspectors shall be responsible for enforcement of the provisions of KRS Chapter 353 relating to criminal offenses;

(2) To assist with the enforcement of the duties of this section, the department may contract with the Kentucky state police for services of a sufficient number of police officers who possess adequate training and who shall be empowered to arrest any person either violating or in violation of the provisions of KRS Chapter 353 that constitutes criminal offenses;

(3) In addition to penalties prescribed in KRS 353.990 and 353.991, authorized representatives of the special task force for illegal drilling established by this section shall be empowered with the authority to seize and take possession of any equipment being used for the purpose of illegal drilling in violation of KRS 353.570. Such authorized representatives shall further be empowered to order any equipment being used for illegal drilling to remain at the site of said illegal drilling;

(4) Following arrest and before final disposition of the illegal drilling charges in violation of KRS 353.570, the accused shall have the right to have the equipment returned during such period if the accused posts bond equal to the fair market value of the equipment. Upon conviction or acquittal, the bond shall be refunded.

(5) Upon conviction of any person for violation of KRS 353.570, the court shall order any equipment used in the crime forfeited and sold by sealed bids. Proceeds from such sale shall be deposited in the illegal drilling fund as established in subsection (10) of this section;

(6) All property seized under this section shall be subject to the right of any owner or lienor, whose lien is valid and recorded, to intervene and, upon trial or special hearing held for that purpose before the court, establish his rights in the property by proving that the property was being used in connection with drilling in violation of KRS 353.570 without the knowledge, consent or approval of the owner or lienor. If the owner of the property does so prove, the court may order the property restored to him. If the lienor so proves, the court may order a sale of the property by sealed bid with the lienor receiving from such sale the amount of his outstanding lien. However, the department shall deliver any seized property to a lienor whose claim has been established by order of a court of competent jurisdiction upon payment to the department of the difference between the fair market value of the property so seized and the recorded claim of the lienor;

Every resident in a long-term care facility shall have at least the following rights:

(1) Before admission to a long-term care facility, the resident and his responsible family member or his guardian shall be fully informed in writing as evidenced by the resident's written acknowledgment and that of his responsible family member or his guardian of all services available at the long-term care facility. Every long-term care facility shall keep the original document of each written acknowledgment in the resident's personal file.

(5) All residents shall be encouraged and assisted throughout their periods of stay in long-term care facilities to exercise their rights as a resident and a citizen, and to this end may voice grievances and recommend changes in policies and services to facility staff and to outside representatives of their choice, free from restraint, interference, coercion, discrimination or reprisal.

(6) All residents shall be free from mental and physical abuse, and free from chemical and physical restraints except in emergencies or except as thoroughly justified in writing by a physician for a specified and limited period of time and documented in the resident's medical record.

(7) All residents shall have confidential treatment of their medical and personal records. Each resident and his responsible family member or his guardian shall approve or refuse the release of such records to any individuals outside the facility, except as otherwise specified by statute or regulation.

In case of death or for valid reasons when he is transferred or discharged the resident's valuables, personal possessions and funds that the facility is not liable for shall be promptly returned to the resident's responsible family member, or his guardian, or his executor.

(9) If a resident is married, privacy shall be assured for spouse's visits and if they are both residents in the facility, they may share the same room unless they are in different levels of care or unless medically contraindicated and documented by a physician in the resident's medical record.

(10) Residents shall not be required to perform services for the facility that are not included for therapeutic purposes in their plan of care.

(11) Residents may associate and communicate privately with persons of their choice and send and receive personal mail unopened.

(12) Residents may retain the use of their personal clothing unless it would infringe upon the rights of others.

(13) No responsible resident shall be detained against his will. Residents shall be permitted and encouraged to go outdoors and leave the premises as they wish unless a legitimate reason can be shown and documented for refusing such activity.

(14) Residents shall be permitted to participate in activities of social, religious, and community groups at their discretion.

(26) Any resident whose rights as specified in this section are deprived or infringed upon shall have a cause of action against any facility responsible for the violation. The action may be brought by the resident or his guardian. The action may be brought in any court of competent jurisdiction to enforce such rights and to recover actual and punitive damages for any deprivation or infringement on the rights of a resident. Any plaintiff who prevails in such action against the facility may be entitled to recover reasonable attorney's fees, costs of the action and damages, unless the court finds the plaintiff has acted in bad faith, with malicious purpose, or that there was a complete absence of justifiable issue of either law or fact. Prevailing defendants may be entitled to recover reasonable attorney's fees. The remedies provided in this section are in addition to and cumulative with other legal and administrative remedies available to a resident and to the cabinet.

Section 3. KRS 205.560 is amended to read as follows:

(1) The scope of medical care for which the department for human resources undertakes to pay shall be designated and limited by regulations promulgated by said cabinet, pursuant to the provisions hereof. Within the limitations of any appropriation therefor, the provision of complete upper and lower dentures to recipients of medical assistance program benefits who have their teeth removed by a dentist resulting in the total absence of teeth shall be a mandatory class in the scope of medical care. Payment to a dentist of any such medical assistance program benefits for complete upper and lower dentures shall only be provided on the condition of a preauthorized agreement between an authorized representative of the medical assistance program and the dentist prior to the removal of such teeth. The selection of another class or other classes of medical care shall be recommended by the council to the secretary for human resources after taking into consideration, among other things, the amount of federal and state funds available, the most essential needs of recipients, and the meeting of such need on a basis insuring the greatest amount of medical care as defined in KRS 205.510 consonant with the funds available including but not limited to the following categories, except where such aid is for the purpose of obtaining an abortion:

(a) Hospital care, including drugs, and medical supplies and services during any period of actual hospitalization;

(b) Nursing home care, including medical supplies and services, and drugs during confinement therein on prescription of a physician, dentist, or podiatrist;

(c) Drugs, nursing care, medical supplies and services during the time when a recipient is not in a hospital but is under treatment and on the prescription of a physician, dentist, or podiatrist;

(d) Physician, podiatric and dental services;

(e) Optometric services for all age groups shall be limited to prescription services, services to frames and lenses, and diagnostic services provided by an optometrist, to the extent the optometrist is licensed to perform the services and to the extent the services are covered in the ophthalmologist portion of the physician's program. Eyeglasses are provided only to children under age twenty-one (21).

(f) Nonprofit neighborhood health organizations or clinics where some or all of the medical services are provided by licensed registered nurses or by advanced medical students presently enrolled in a medical school accredited by the Association of American Medical Colleges and where such students or licensed registered nurses are under the direct supervision of a licensed physician who rotates his services in this supervisory capacity between two (2) or more of the nonprofit neighborhood health organizations or clinics specified herein.

(2) Payments for hospital care, nursing home care, and drugs or other medical, ophthalmic, podiatric and dental supplies shall be on bases which relate the amount of the payment to the cost of providing such services or supplies. It shall be one (1) of the functions of the council to make recommendations to the department for human resources with respect to such bases for payment.

(3) *Any skilled nursing facility or intermediate care facility participating in the Kentucky medical assistance program shall agree to admit at least as many intermediate care facility patients and skilled nursing facility patients as the statewide average of long-term care medical assistance recipients. If at any time a skilled nursing facility or an intermediate care facility participating in the medical assistance program has fewer than the statewide average of long-term care medical assistance recipients in its intermediate care facility beds or in its skilled nursing facility beds, the facility shall reserve beds as they become available for medicaid recipients until the statewide average in each level of care is attained.*

(4) No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.

(5)[~~(4)~~] The rules and regulations of the department for human resources shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing such medical services.

(6)[~~(5)~~] The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. The amount of payments for units of services need not be uniform for the entire state but may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in such locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, so long as the place of practice is within the boundaries of the state.

(7)[~~(6)~~] Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.

SECTION 4. A NEW SECTION OF KRS CHAPTER 216B IS CREATED TO READ AS FOLLOWS:

(1) No skilled nursing facility or intermediate care facility in the Commonwealth shall be issued a license unless the facility agrees and certifies in writing that it shall admit and provide long-term care services to at least as many medical assistance recipients as the statewide average of long-term care medical assistance recipients as defined in KRS 216.510.

(2) The Kentucky health facilities and health services certificate of need and licensure board or its successor agency shall suspend the license of any skilled nursing facility or intermediate care facility in the Commonwealth which refuses to admit at least as many medical assistance recipients as the statewide average of long-term care medical assistance recipients as defined in KRS 216.510.

Section 7. KRS 311.575 is amended to read as follows:

(1) Whenever, in the opinion of the secretary, based upon verified information contained in the application, an applicant for a [~~regular~~] license to practice medicine or osteopathy is eligible therefor under subsections (1) and (2) of KRS 311.571, the secretary may issue to such applicant, on behalf of the board, a temporary permit which shall entitle the holder to practice medicine or osteopathy in this state for a maximum of six months from date of issuance thereof unless the temporary permit is sooner cancelled by the secretary, who may cancel it at any time, without a hearing, for reasons deemed sufficient to him, and who shall cancel it immediately upon direction by the board or upon the board's denial of the holder's application for a regular license. The permit shall not be renewable.

(2) The secretary shall present to the board the application for a [~~regular~~] license made by the holder of the temporary permit. In the event the board issues a [~~regular~~] license to the holder of a temporary permit, the fee paid in connection with any temporary permit then in effect shall be applied upon the prescribed license fee.

(3) When the secretary cancels a temporary permit, he shall promptly notify, by *certified* [~~registered~~] United States mail, the holder of the temporary permit, at his last known address as reflected by the files of the board, and the temporary permit shall become terminated and of no further force and effect three (3) days after the giving of said notice to the holder.

Section 8. KRS 311.591 is amended to read as follows:

(1) The president of the board shall divide the membership of the board, excluding himself, into two (2) panels of five (5) members each. Each panel shall have the power to act as an inquiry or a hearing panel. The president shall not be a member of either panel, but shall have the power to render the deciding vote whenever a tie vote is rendered by either panel.

(2) Grievances may be submitted by an individual (including board members), organization or entity. Each grievance shall be investigated as necessary and the executive director shall assign each grievance to an inquiry panel. All inquiry panels and the executive director shall have the power to issue investigatory subpoenas for the appearance of any person or production of any record, document or other item within the jurisdiction of the Commonwealth. The panel or executive director may seek enforcement of investigatory subpoenas in the courts of the Commonwealth as may be necessary.

(3) Upon completion of its inquiry, the inquiry panel shall make a finding that:

(a) The grievance is without merit and no further action is necessary;

(b) The grievance discloses an instance of misconduct which does not warrant the issuance of a complaint; in such instances, the panel may admonish the physician for his misconduct; or

(c) The grievance discloses one (1) or more violations of the provisions of this chapter which warrant the issuance of a complaint; in such instances, the panel shall cause a complaint to be prepared, signed by the residing officer, which shall contain sufficient information to apprise the named physician of the general nature of the charges.

(4) The inquiry panel shall cause a complaint to be served on the charged physician by personal delivery or by certified mail to the physician's last address of which the board has record. The physician shall submit a response within thirty (30) days after service. Failure to submit a timely response or wilful avoidance of service may be taken by the board as an admission of the charges.

(5) Upon the issuance of the complaint, the executive director shall assign the matter for hearing and decision by a hearing panel. No member who served on the inquiry panel may also serve as a member of the hearing panel. The hearing panel or the hearing officer on behalf of the panel shall preside over all proceedings pursuant to the issuance of a complaint. All board members, the executive director and hearing officer shall have the authority to administer oaths and issue summonses, subpoenas and other process. During or after any proceeding, the board or the hearing officer may petition the courts of the Commonwealth to punish as contempt the failure of a person or entity to obey a subpoena or other process, or contemptuous conduct directed to the board or the hearing officer.

(6) All proceedings pursuant to the issuance of a complaint shall be in accordance with the rules and regulations established by the board to promote the fair, orderly and efficient conduct of the proceedings. The board may establish regulations regarding the informal disposition of any complaint and such disposition may be made at any stage of the proceeding.

(7) Upon completion of the hearing process, the hearing officer shall prepare proposed findings of fact and conclusions of law. The parties shall have the opportunity to file objections or other comments regarding the proposed findings and conclusions. The hearing panel may adopt the proposed findings and conclusions, in whole or in part, or may make its own in addition to or substitution for the proposed ones. If a hearing officer is not used or the hearing officer fails to prepare findings and conclusions, the hearing panel shall prepare its own findings and conclusions and may then issue its final order.

(8) Upon completion of the disciplinary proceedings, the hearing panel shall issue an order that:

(a) Dismisses the complaint upon a conclusion that the provisions of this chapter have not been violated;

(b) Finds a violation of the provisions of this chapter, but does not impose discipline because the panel does not believe discipline to be necessary under the circumstances; or

(c) Imposes discipline upon the licensee; in such instances, the panel may revoke, suspend, restrict, deny, or limit a license, or may reprimand or place a licensee on probation under terms the panel may establish to protect the licensee, his patients or the general public.

The hearing panel may impose a fine whenever it finds that a violation of this chapter has occurred. The hearing panel's order shall be considered the final order of the board regarding the matter.

(9) The proceedings of the inquiry panels shall be held in closed session; and all records, reports or other materials reviewed by the inquiry panels and the minutes of their meetings shall not be subject to public disclosure, except for that evidence introduced after the issuance of a complaint. All proceedings pursuant to the issuance of a complaint shall be in open session and the record thereof subject to public disclosure. However, the presiding officer may order that a session or record be closed and not subject to public disclosure to the extent necessary to protect privacy interests upon a showing that evidence is to be introduced, the public disclosure of which would constitute a clear invasion of personal privacy. The deliberations of the hearing panel shall be held in closed session.

(10) Regardless of the restrictions on public disclosure of information established in subsection nine (9) of this section, the board may order information derived from any investigation or inquiry be released to the physician licensure authority of another state or to any health care facility licensed and regulated by the Commonwealth of Kentucky upon a showing that the information is necessary to determine the propriety of a physician practicing in a particular state or facility. [~~Grievances may be submitted by any individual, organization or entity. Each grievance shall be investigated as necessary and shall be reviewed by the physician~~

~~review advisory committee which shall petition the board to issue a complaint against the physician named in the grievance or recommend some other appropriate action.~~

~~(2) If in the committee's opinion a grievance warrants the issuance of a complaint against a physician, the committee shall submit a complaint, signed by the chairman or vice-chairman, to the board together with a petition requesting the board to authorize the complaint's issuance. Upon receipt of the complaint and petition the board shall, within sixty (60) days:~~

~~(a) Grant the petition and authorize the complaint with or without modification; or~~

~~(b) Deny the petition and either remand the matter to the committee or direct that some other action be taken.~~

~~(3) If in the committee's opinion a grievance does not warrant the issuance of a complaint against a physician, the committee shall submit a report and recommendation of action to the board which may follow the recommendation or take other action it deems appropriate.~~

~~(4) When in the executive director's opinion, as evidenced by his or her affidavit, a grievance warrants the issuance of a complaint against a physician as soon as possible and it is impossible to timely present the grievance to the committee, the executive director may petition the board to authorize the issuance of a complaint which shall be signed by the executive director. The board may thereupon treat the petition and complaint as denoted in subsection (2) of this section.~~

~~(5) All complaints shall be authorized by the board and shall contain sufficient information to apprise the named physician of the general nature of the charges.~~

~~(6) If, in connection with any document submitted in regard to an application for licensure or an application for renewal of licensure, a physician makes an admission of facts which would constitute grounds for the denial of a license or the taking of any disciplinary action against a licensee, the board may issue an order directing the particular physician to appear to show cause why his license should not be denied or he should not be disciplined, accordingly. The order shall be signed by the president or secretary and shall set forth those facts which the named physician is believed to have admitted.~~

~~(7) Proceedings pursuant to the issuance of a complaint or show cause order shall be commenced by service of the particular documents on the named physician by personal delivery or by certified mail to the physician's last address of which the board has record. The physician shall submit a response to a complaint within thirty (30) days after service and failure to submit a response may be taken by the board as an admission of the charges contained in the complaint. The physician may submit a response to a show cause order at any time prior to the date of the hearing.~~

~~(8) The board or the hearing officer on behalf of the board shall preside over all proceedings pursuant to the issuance of a complaint or show cause order, including hearings held in connection with orders temporarily suspending, limiting or restricting a physician's license. The proceedings shall be held in accordance with due process and the rules and regulations established by the board relating to the conduct of the proceedings. All board members, the executive director and hearing officers shall have the authority to administer oaths and issue summonses, subpoenas and other process. During or after any proceeding, the board or the hearing officer may petition the district or circuit courts to punish as contempt the failure of a person or entity to obey a subpoena or other process, or contemptuous or contumacious conduct directed to the board or the hearing officer.~~

~~(9) Except as elsewhere provided, or if waived, no hearing at which substantive evidence is to be introduced shall be held unless thirty (30) days, prior written notice thereof has been given to the named physician, who may be present, in person or by counsel, and may present evidence and otherwise be heard in opposition to the charges.~~

~~(10) Notwithstanding any statutory or regulatory provision relating to the institution or procession of proceedings relating to the denial of a license or the taking of disciplinary action against a licensee, the board is empowered to implement procedures which, upon written waiver of rights by the particular physician, would allow for the informal dispensation of any matter, regardless of the stage of the proceedings.~~

~~(11) The presiding officer at any proceeding held pursuant to a complaint or show cause order shall take whatever measures are necessary to protect the privacy interests of individuals other than the charged physician upon a showing that evidence is to be introduced, the public disclosure of which would constitute a clear invasion of personal privacy. It is the general policy of the Commonwealth that administrative proceedings should be open to the public. Therefore, in applying this subsection the presiding officer shall balance the competing interests and employ the least restrictive measures available to protect the privacy interests involved.~~]

Section 9. KRS 311.592 is amended to read as follows:

(1) *At any time when an inquiry panel has probable cause to believe that a physician has violated the terms of an order placing him on probation, or a physician's practice constitutes a danger to the health, welfare and safety of his patients or the general public, the inquiry panel may issue an order suspending, limiting or restricting the physician's license. The order shall be signed by a member of the panel and shall state the grounds upon which the panel is relying. The order shall be served on the named physician by certified mail or by personal delivery, but shall be effective when the physician receives actual notice of the order.*

(2) An order as described in subsection (1) of this section shall not be issued unless grounds exist for the issuance of a complaint. The inquiry panel shall issue a complaint prior to the date of the hearing on the order or the order shall become void.

(3) Upon request of the named physician, the inquiry panel shall schedule a hearing in regard to the order within fifteen (15) days of the request. The hearing may be held before the panel or before a hearing officer appointed by the panel. Within five (5) days after conclusion of the hearing, the panel or hearing officer shall issue an order affirming or retracting the original order. The original order shall be affirmed if substantial evidence is produced that supports the panel's finding that a probation has been violated or a physician's practice constitutes a danger.

(4) The order issued pursuant to a hearing as described in subsection (3) of this section shall be appealable as described in KRS 311.593. If the order affirms the inquiry panel's original order, the named physician may petition the panel to modify the terms of the suspension or restriction and the panel may make such modifications as it deems appropriate. An order of temporary suspension, restriction or limitation shall not be maintained after a final order is served on the charged physician pursuant to the proceeding on the complaint.

[~~In connection with any petition requesting the board to authorize the issuance of a complaint, the petitioning party may also request the board to issue an order temporarily suspending, limiting or restricting the license held by the physician named in the complaint during the pendency of the proceedings. The petition shall set forth grounds upon which the petitioning party is relying to support the request and the petition shall be verified by the petitioning party.~~

~~(2) At any time during the pendency of a proceeding commenced pursuant to the authorized issuance of a complaint or show cause order, the executive director may petition the board to issue an order temporarily suspending, limiting or restricting the license held by the physician named in the complaint during the balance of the pendency of the proceeding. The executive director shall sign and verify the petition which shall set forth grounds in support of the request.~~

~~(3) (a) Upon submission of a verified petition requesting the board to issue an order temporarily suspending, limiting or restricting the license of a physician, the board shall within sixty (60) days:~~

~~1. Grant the petition, and issue the order with or without modification; or~~

~~2. Deny the petition.~~

~~(b) The board may grant the petition when in the opinion of the board, based upon sufficient reasonable cause, the continued unaffected practice by the named physician would constitute a danger to the health, welfare and safety of the physician's patients or of the general public.~~

~~(4) Any order temporarily suspending, limiting or restricting a license shall be effective when issued and the named physician shall not engage in any prohibited practice unless and until the order is reversed, modified or withdrawn. The named physician may petition the board in writing requesting a hearing to determine whether~~

~~the board's order is based on sufficient reasonable cause. The hearing, if requested, shall be held within fifteen (15) days after the petition is filed with the board; and the board, or the hearing officer on behalf of the board, shall issue an order within five (5) days after the hearing sustaining, modifying or withdrawing the contested order during the pendency of the proceedings.~~

~~(5) Except in extraordinary circumstances when the demands of time and circumstance do not allow, anyone petitioning the board to issue an order temporarily suspending, limiting or restricting a physician's license shall notify the physician of the nature of the charges at least ten (10) days prior to the submission of the petition. The named physician may respond to the charges either orally or in writing and the response shall be considered by the board in determining whether to grant the petition.~~

~~(6) Any order issued pursuant to a hearing on an order temporarily suspending, limiting or revoking a physician's license shall be considered final for purposes of appeal.~~]

SECTION 10. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) The board may issue an order directing an applicant for a license or the holder of a license to show cause why the applicant should be granted a license or the licensee should not be disciplined, respectively, when:

(a) An applicant admits or is otherwise found to have committed an act which constitutes a violation of the provisions of this chapter; or

(b) A licensee admits to having committed an act in violation of the provisions of this chapter in any document relating to the registration or reregistration of a license.

(2) The order shall be signed by an officer of the board and shall state those violations which the board believes to have been committed. The matter shall be assigned to a hearing panel and shall proceed in accordance with KRS 311.591. The burden of proof shall lie with the charged physician.

(3) If a show cause order has been issued to the particular physician, the board shall not approve any application for licensure or application for reregistration of an inactive license until a final order on the matter has been issued.

Section 11. KRS 311.599 is amended to read as follows:

The board may issue such an order to a licensee in conjunction with a complaint against the licensee or at any time during the proceedings, when in the board's opinion such action is deemed necessary in order to ascertain the licensee's ability to practice competently.~~]

(2) Failure of a physician to submit to such an examination when directed, unless the failure was due to circumstances beyond his control, shall constitute an admission that the concerned physician has developed such a physical or mental disability, or other conditions, that continued practice is dangerous to patients or to the public; said failure shall constitute a default and a final order may be entered without the taking of testimony or presentation of evidence.

(3) A physician whose license has been suspended, limited, restricted or revoked under this section and KRS 311.595(7), shall at reasonable intervals be afforded an opportunity to demonstrate that he can resume the competent practice of medicine with reasonable skill and safety to patients.

Section 12. KRS 311.605 is amended to read as follows:

(3) The board may institute, in its own name, proceedings to temporarily or permanently restrain and enjoin violations of KRS 311.550 to 311.620, regardless of whether the defendant has been convicted for violation of the penal provisions thereof, and shall not be required to pay any costs or filing fees or furnish any bond in connection therewith. Violation of injunctions and restraining orders shall be punished as a contempt without the intervention of a jury.

(18) Prescribe the time, place, method, manner, scope and content of examinations; provided, however, that at least two (2) examinations shall be held annually;

(19) Prescribe all forms which it considers appropriate, and require the submission of photographs, fingerprints, and personal history data;

(20) Prescribe and collect reasonable fees and charges for examinations, directories and the issuance and renewal of licenses and permits;

(21) Impose fines of not greater than five thousand dollars ($5,000) per violation upon a finding pursuant to disciplinary proceedings that the licensee has violated any provision of KRS 311.595 to 311.597 or duly promulgated disciplinary regulation of the board.

Section 7. KRS 311.575 is amended to read as follows:

(1) Whenever, in the opinion of the secretary, based upon verified information contained in the application, an applicant for a [~~regular~~] license to practice medicine or osteopathy is eligible therefor under subsections (1) and (2) of KRS 311.571, the secretary may issue to such applicant, on behalf of the board, a temporary permit which shall entitle the holder to practice medicine or osteopathy in this state for a maximum of six months from date of issuance thereof unless the temporary permit is sooner cancelled by the secretary, who may cancel it at any time, without a hearing, for reasons deemed sufficient to him, and who shall cancel it immediately upon direction by the board or upon the board's denial of the holder's application for a regular license. The permit shall not be renewable.

(2) The secretary shall present to the board the application for a [~~regular~~] license made by the holder of the temporary permit. In the event the board issues a regular license to the holder of a temporary permit, the fee paid in connection with any temporary permit then in effect shall be applied upon the prescribed license fee.

(3) When the secretary cancels a temporary permit, he shall promptly notify, by *certified* [~~registered~~] United States mail, the holder of the temporary permit, at his last known address as reflected by the files of the board, and the temporary permit shall become terminated and of no further force and effect three (3) days after the giving of said notice to the holder.

Section 8. KRS 311.591 is amended to read as follows:

(1) *The president of the board shall divide the membership of the board, excluding himself, into two (2) panels of five (5) members each. Each panel shall have the power to act as an inquiry or a hearing panel. The president shall not be a member of either panel, but shall have the power to render the deciding vote whenever a tie vote is rendered by either panel.*

(2) Grievances may be submitted by an individual (including board members), organization or entity. Each grievance shall be investigated as necessary and the executive director shall assign each grievance to an inquiry panel. All inquiry panels and the executive director shall have the power to issue investigatory subpoenas for the appearance of any person or production of any record, document or other item within the jurisdiction of the Commonwealth. The panel or executive director may seek enforcement of investigatory subpoenas in the courts of the Commonwealth as may be necessary.

(3) Upon completion of its inquiry, the inquiry panel shall make a finding that:

(a) The grievance is without merit and no further action is necessary; or

(b) The grievance discloses an instance of misconduct which does not warrant the issuance of a complaint; in such instances, the panel may admonish the physician for his misconduct; or

(c) The grievance discloses one (1) or more violations of the provisions of this chapter which warrant the issuance of a complaint; in such instances, the panel shall cause a complaint to be prepared, signed by the residing officer, which shall contain sufficient information to apprise the named physician of the general nature of the charges.

(4) The inquiry panel shall cause a complaint to be served on the charged physician by personal delivery or by certified mail to the physician's last address of which the board has record. The physician shall submit a response within thirty (30) days after service. Failure to submit a timely response or wilful avoidance of service may be taken by the board as an admission of the charges.

(5) Upon the issuance of the complaint, the executive director shall assign the matter for hearing and decision by a hearing panel. No member who served on the inquiry panel may also serve as a member of the hearing panel. The hearing panel or the hearing officer on behalf of the panel shall preside over all proceedings pursuant to the issuance of a complaint. All board members, the executive director and hearing officer shall have the authority to administer oaths and issue summonses, subpoenas and other process. During or after any proceeding, the board or the hearing officer may petition the courts of the Commonwealth to punish as contempt the failure of a person or entity to obey a subpoena or other process, or contemptuous conduct directed to the board or the hearing officer.

(6) All proceedings pursuant to the issuance of a complaint shall be in accordance with the rules and regulations established by the board to promote the fair, orderly and efficient conduct of the proceedings. The board may establish regulations regarding the informal disposition of any complaint and such disposition may be made at any stage of the proceeding.

(7) Upon completion of the hearing process, the hearing officer shall prepare proposed findings of fact and conclusions of law. The parties shall have the opportunity to file objections or other comments regarding the proposed findings and conclusions. The hearing panel may adopt the proposed findings and conclusions, in whole or in part, or may make its own in addition to or substitution of the proposed ones. If a hearing officer is not used or the hearing officer fails to prepare findings and conclusions, the hearing panel shall prepare its own findings and conclusions and may then issue its final order.

(8) Upon completion of the disciplinary proceedings, the hearing panel shall issue an order that:

(a) Dismisses the complaint upon a conclusion that the provisions of this chapter have not been violated;

(b) Finds a violation of the provisions of this chapter, but does not impose discipline because the panel does not believe discipline to be necessary under the circumstances; or

(c) Imposes discipline upon the licensee; in such instances, the panel may revoke, suspend, restrict, deny, or limit a license, or may reprimand or place a licensee on probation under terms the panel may establish to protect the licensee, his patients or the general public.

The hearing panel may impose a fine whenever it finds that a violation of this chapter has occurred. The hearing panel's order shall be considered the final order of the board regarding the matter.

(9) The proceedings of the inquiry panels shall be held in closed session; and all records, reports or other materials reviewed by the inquiry panels and the minutes of their meetings shall not be subject to public disclosure, except for that evidence introduced after the issuance of a complaint. All proceedings pursuant to the issuance of a complaint shall be in open session and the record thereof subject to public disclosure; provided, however, the presiding officer may order that a session or record be closed and not subject to public disclosure to the extent necessary to protect privacy interests upon a showing that evidence is to be introduced, the public disclosure of which would constitute a clear invasion of personal privacy. The deliberations of the hearing panel shall be held in closed session.

(10) Regardless of the restrictions on public disclosure of information established in subsection nine (9) of this section, the board may order information derived from any investigation or inquiry be released to the physician licensure authority of another state or to any health care facility licensed and regulated by the Commonwealth of Kentucky upon a showing that the information is necessary to determine the propriety of a physician practicing in a particular state or facility. [~~Grievances may be submitted by any individual, organization or entity. Each grievance shall be investigated as necessary and shall be reviewed by the physician review advisory committee which shall petition the board to issue a complaint against the physician named in the grievance or recommend some other appropriate action.~~

~~(2) If in the committee's opinion a grievance warrants the issuance of a complaint against a physician, the committee shall submit a complaint, signed by the chairman or vice-chairman, to the board together with a petition requesting the board to authorize the complaint's issuance. Upon receipt of the complaint and petition the board shall, within sixty (60) days:~~

~~(a) Grant the petition and authorize the complaint with or without modification; or~~

~~(b) Deny the petition and either remand the matter to the committee or direct that some other action be taken.~~

~~(3) If in the committee's opinion a grievance does not warrant the issuance of a complaint against a physician, the committee shall submit a report and recommendation of action to the board which may follow the recommendation or take other action it deems appropriate.~~

~~(4) When in the executive director's opinion, as evidenced by his or her affidavit, a grievance warrants the issuance of a complaint against a physician as soon as possible and it is impossible to timely present the grievance to the committee, the executive director may petition the board to authorize the issuance of a complaint which shall be signed by the executive director. The board may thereupon treat the petition and complaint as denoted in subsection (2) of this section.~~

~~(5) All complaints shall be authorized by the board and shall contain sufficient information to apprise the named physician of the general nature of the charges.~~

~~(6) If, in connection with any document submitted in regard to an application for licensure or an application for renewal of licensure, a physician makes an admission of facts which would constitute grounds for the denial of a license or the taking of any disciplinary action against a licensee, the board may issue an order directing the particular physician to appear to show cause why his license should not be denied or he should not be disciplined, accordingly. The order shall be signed by the president or secretary and shall set forth those facts which the named physician is believed to have admitted.~~

~~(7) Proceedings pursuant to the issuance of a complaint or show cause order shall be commenced by service of the particular documents on the named physician by personal delivery or by certified mail to the physician's last address of which the board has record. The physician shall submit a response to a complaint within thirty (30) days after service and failure to submit a response may be taken by the board as an admission of the charges contained in the complaint. The physician may submit a response to a show cause order at any time prior to the date of the hearing.~~

~~(8) The board or the hearing officer on behalf of the board shall preside over all proceedings pursuant to the issuance of a complaint or show cause order, including hearings held in connection with orders temporarily suspending, limiting or restricting a physician's license. The proceedings shall be held in accordance with due process and the rules and regulations established by the board relating to the conduct of the proceedings. All board members, the executive director and hearing officers shall have the authority to administer oaths and~~

~~issue summonses, subpoenas and other process. During or after any proceeding, the board or the hearing officer may petition the district or circuit courts to punish as contempt the failure of a person or entity to obey a subpoena or other process, or contemptuous or contumacious conduct directed to the board or the hearing officer.~~

~~(9) Except as elsewhere provided, or if waived, no hearing at which substantive evidence is to be introduced shall be held unless thirty (30) days, prior written notice thereof has been given to the named physician, who may be present, in person or by counsel, and may present evidence and otherwise be heard in opposition to the charges.~~

~~(10) Notwithstanding any statutory or regulatory provision relating to the institution or procession of proceedings relating to the denial of a license or the taking of disciplinary action against a licensee, the board is empowered to implement procedures which, upon written waiver of rights by the particular physician, would allow for the informal dispensation of any matter, regardless of the stage of the proceedings.~~

~~(11) The presiding officer at any proceeding held pursuant to a complaint or show cause order shall take whatever measures are necessary to protect the privacy interests of individuals other than the charged physician upon a showing that evidence is to be introduced, the public disclosure of which would constitute a clear invasion of personal privacy. It is the general policy of the Commonwealth that administrative proceedings should be open to the public. Therefore, in applying this subsection the presiding officer shall balance the competing interests and employ the least restrictive measures available to protect the privacy interests involved.~~]

Section 9. KRS 311.592 is amended to read as follows:

(1) *At any time when an inquiry panel has probable cause to believe that a physician has violated the terms of an order placing him on probation, or a physician's practice constitutes a danger to the health, welfare and safety of his patients or the general public, the inquiry panel may issue an order suspending, limiting or restricting the physician's license. The order shall be signed by a member of the panel and shall state the grounds upon which the panel is relying. The order shall be served on the named physician by certified mail or by personal delivery, but shall be effective when the physician receives actual notice of the order.*

(2) An order as described in subsection (1) of this section shall not be issued unless grounds exist for the issuance of a complaint. The inquiry panel shall issue a complaint prior to the date of the hearing on the order or the order shall become void.

(3) Upon request of the named physician, the inquiry panel shall schedule a hearing in regard to the order within fifteen (15) days of the request. The hearing may be held before the panel or before a hearing officer appointed by the panel. Within five (5) days after conclusion of the hearing, the panel or hearing officer shall issue an order affirming or retracting the original order. The original order shall be affirmed if substantial evidence is produced that supports the panel's finding that a probation has been violated or a physician's practice constitutes a danger.

(4) The order issued pursuant to a hearing as described in subsection (3) of this section shall be appealable as described in KRS 311.593. If the order affirms the inquiry panel's original order, the named physician may petition the panel to modify the terms of the suspension or restriction and the panel may make such modifications as it deems appropriate. An order of temporary suspension, restriction or limitation shall not be maintained after a final order is served on the charged physician pursuant to the proceeding on the complaint.

[~~In connection with any petition requesting the board to authorize the issuance of a complaint, the petitioning party may also request the board to issue an order temporarily suspending, limiting or restricting the license held by the physician named in the complaint during the pendency of the proceedings. The petition shall set forth grounds upon which the petitioning party is relying to support the request and the petition shall be verified by the petitioning party.~~

~~(2) At any time during the pendency of a proceeding commenced pursuant to the authorized issuance of a complaint or show cause order, the executive director may petition the board to issue an order temporarily suspending, limiting or restricting the license held by the physician named in the complaint during the balance of the pendency of the proceeding. The executive director shall sign and verify the petition which shall set forth grounds in support of the request.~~

~~(3) (a) Upon submission of a verified petition requesting the board to issue an order temporarily suspending, limiting or restricting the license of a physician, the board shall within sixty (60) days:~~

~~1. Grant the petition, and issue the order with or without modification; or~~

~~2. Deny the petition.~~

~~(b) The board may grant the petition when in the opinion of the board, based upon sufficient reasonable cause, the continued unaffected practice by the named physician would constitute a danger to the health, welfare and safety of the physician's patients or of the general public.~~

~~(4) Any order temporarily suspending, limiting or restricting a license shall be effective when issued and the named physician shall not engage in any prohibited practice unless and until the order is reversed, modified or withdrawn. The named physician may petition the board in writing requesting a hearing to determine whether the board's order is based on sufficient reasonable cause. The hearing, if requested, shall be held within fifteen (15) days after the petition is filed with the board; and the board, or the hearing officer on behalf of the board, shall issue an order within five (5) days after the hearing sustaining, modifying or withdrawing the contested order during the pendency of the proceedings.~~

~~(5) Except in extraordinary circumstances when the demands of time and circumstance do not allow, anyone petitioning the board to issue an order temporarily suspending, limiting or restricting a physician's license shall notify the physician of the nature of the charges at least ten (10) days prior to the submission of the petition. The named physician may respond to the charges either orally or in writing and the response shall be considered by the board in determining whether to grant the petition.~~

~~(6) Any order issued pursuant to a hearing on an order temporarily suspending, limiting or revoking a physician's license shall be considered final for purposes of appeal.~~]

SECTION 10. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) The board may issue an order directing an applicant for a license or the holder of a license to show cause why the applicant should be granted a license or the licensee should not be disciplined, respectively, when:

(a) An applicant admits or is otherwise found to have committed an act which constitutes a violation of the provisions of this chapter; or

(b) A licensee admits to having committed an act in violation of the provisions of this chapter in any document relating to the registration or reregistration of a license.

(2) The order shall be signed by an officer of the board and shall state those violations which the board believes to have been committed. The matter shall be assigned to a hearing panel and shall proceed in accordance with KRS 311.591. The burden of proof shall lie with the charged physician.

(3) The board shall not approve any application for licensure or application for reregistration of an inactive license until a final order on the matter has been issued.

Section 11. KRS 311.599 is amended to read as follows:

(1) *When a hearing or inquiry panel has probable cause to believe a physician is suffering from a physical or mental condition that might impede his ability to practice competently, the panel may order the physician to undergo a physical or mental examination by persons designated by the panel.* [~~To assist the board in enforcing the provisions of KRS 311.595(7), the board shall, upon probable cause, have authority to compel a physician to submit to a mental or physical examination by physicians designated by it. The board may issue such an order to a licensee in conjunction with a complaint against the licensee or at any time during the proceedings, when in the board's opinion such action is deemed necessary in order to ascertain the licensee's ability to practice competently.~~]

(2) Failure of a physician to submit to such an examination when directed, unless the failure was due to circumstances beyond his control, shall constitute an admission that the concerned physician has developed such a physical or mental disability, or other conditions, that continued practice is dangerous to patients or to

the public; said failure shall constitute a default and a final order may be entered without the taking of testimony or presentation of evidence.

(3) A physician whose license has been suspended, limited, restricted or revoked under this section and KRS 311.595(7), shall at reasonable intervals be afforded an opportunity to demonstrate that he can resume the competent practice of medicine with reasonable skill and safety to patients.

Section 12. KRS 311.605 is amended to read as follows:

(1) Every county board of health shall, at such times as are fixed by the board, report to the board the name and address of each person believed to be engaged in the practice of medicine or osteopathy, as defined by KRS 311.550, within their respective jurisdictions. The county boards of health shall also report to the board and to the county and Commonwealth's attorneys of their respective counties all violations of KRS 311.550 to 311.620 and shall assist in the enforcement thereof.

(2) For the purpose of enforcing the provisions of KRS 311.550 to 311.620, agents of the board shall have the power and authority to administer oaths, to enter upon premises at all times for the purpose of making inspections, to seize evidence, to interrogate all persons, and to require the production of books, papers, documents or other evidence. *The term "premises" as used in this subsection shall include physician offices, pharmacies and all health care facilities licensed or regulated by the Commonwealth. Agents of the board may only require pharmacies to produce prescription records and health care facilities to produce records of patients or physician peer reviews.*

(3) The board may institute, in its own name, proceedings to temporarily or permanently restrain and enjoin violations of KRS 311.550 to 311.620, regardless of whether the defendant has been convicted for violation of the penal provisions thereof, and shall not be required to pay any costs or filing fees or furnish any bond in connection therewith. Violation of injunctions and restraining orders shall be punished as a contempt without the intervention of a jury.

HB 521, AN ACT relating to medical assistance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 205.560 is amended to read as follows:

(1) The scope of medical care for which the cabinet for human resources undertakes to pay shall be designated and limited by regulations promulgated by said cabinet, pursuant to the provisions hereof. Within the limitations of any appropriation therefor, the provision of complete upper and lower dentures to recipients of medical assistance program benefits who have their teeth removed by a dentist resulting in the total absence of teeth shall be a mandatory class in the scope of medical care. Payment to a dentist of any such medical assistance program benefits for complete upper and lower dentures shall only be provided on the condition of a preauthorized agreement between an authorized representative of the medical assistance program and the dentist prior to the removal of such teeth. The selection of another class or other classes of medical care shall be recommended by the council to the secretary for human resources after taking into consideration, among other things, the amount of federal and state funds available, the most essential needs of recipients, and the meeting of such need on a basis insuring the greatest amount of medical care as defined in KRS 205.510 consonant with the funds available including but not limited to the following categories, except where such aid is for the purpose of obtaining an abortion:

(a) Hospital care, including drugs, and medical supplies and services during any period of actual hospitalization;

(b) Nursing home care, including medical supplies and services, and drugs during confinement therein on prescription of a physician, dentist, or podiatrist;

(c) Drugs, nursing care, medical supplies and services during the time when a recipient is not in a hospital but is under treatment and on the prescription of a physician, dentist, or podiatrist;

(d) Physician, podiatric and dental services;

(e) Optometric services for all age groups shall be limited to prescription services, services to frames and lenses, and diagnostic services provided by an optometrist, to the extent the optometrist is licensed to perform the services and to the extent the services are covered in the ophthalmologist portion of the physician's program. Eyeglasses are provided only to children under age twenty-one (21).

(f) Nonprofit neighborhood health organizations or clinics where some or all of the medical services are provided by licensed registered nurses or by advanced medical students presently enrolled in a medical school accredited by the Association of American Medical Colleges and where such students or licensed registered nurses are under the direct supervision of a licensed physician who rotates his services in this supervisory capacity between two (2) or more of the nonprofit neighborhood health organizations or clinics specified herein.

(2) Payments for hospital care, nursing home care, and drugs or other medical, ophthalmic, podiatric and dental supplies shall be on bases which relate the amount of the payment to the cost of providing such services or supplies. It shall be one (1) of the functions of the council to make recommendations to the cabinet for human resources with respect to such bases for payment.

(3) No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.

(4) The rules and regulations of the cabinet for human resources shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing such medical services.

(5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. The amount of payments for units of services need not be uniform for the entire state but may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in such locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, so long as the place of practice is within the boundaries of the state.

(6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.

(7) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of such payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.

(20) Prescribe and collect reasonable fees and charges for examinations, directories and the issuance and renewal of licenses and permits;

(21) Impose fines of not greater than five thousand dollars ($5,000) per violation upon a finding pursuant to disciplinary proceedings that the licensee has violated any provision of KRS 311.595 to 311.597 or duly promulgated disciplinary regulation of the board*; and*

(22) Exercise all the administrative functions of the state in regard to the regulation of physician assistants. In promulgating these regulations under the provisions of KRS Chapter 13A, the board shall address:

(d) Property which is forfeited under any section of this code may, upon order of the trial court, be retained for official use in the following manner. (b) The reinsurance is ceded to a residual market mechanism reinsurance association (or the members

thereof) created pursuant to law or which has been voluntarily created as such by its members with the approval of the commissioner; or

(c) The reinsurance is ceded to an assuming insurer which maintains a trust fund in a United States bank or trust company for the payment of the valid claims of its United States policyholders and ceding insurers, their assigns, and successors in interest. The assuming insurer shall report annually to the commissioner or his designee information substantially the same as that required to be reported on the national association of insurance commissioners annual statement form by authorized insurers to enable the commissioner to determine the sufficiency of the trust fund. In the case of a single assuming insurer, the trust shall consist of a trusteed account representing the assuming insurer's liabilities attributable to business written in the United States and, in addition, include a trusteed surplus of not less than twenty million dollars ($20,000,000). In the case of a group of individual unincorporated underwriters, the trust shall consist of a trusteed account representing the group's liabilities attributable to business written in the United States and, in addition, include a trusteed surplus of not less than one hundred million dollars ($100,000,000), and the group shall make available to the commissioner or his designee the annual certification by the group's domiciliary regulator and its independent public accounts of the solvency of each underwriter.

The trust and the assuming insurer shall be subject to examination as determined by the commissioner. The trust described herein must remain in effect for as long as the assuming insurer shall have outstanding obligations due under the reinsurance agreements subject to the trust.

2. No later than February 28th of each year, the trustees of the trust shall report to the commissioner or his designee in writing setting forth the balance of the trust and listing the trusts investments at the preceding year end and shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire prior to the next following December 31st; or

(2) To designate the secretary of state or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding company. This provision is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if such an obligation is created in the agreement [~~An insurer may reinsure all or part of any particular risk with any solvent insurer authorized to transact insurance in one or more states and having surplus to policyholders in amount not less than the paid-in capital stock required of an authorized foreign stock insurer transacting like kinds of insurance; or, in the case of a group of individual, unincorporated alien insurers, has assets held in trust for the benefit of its United States policyholders in a sum not less than $50,000,000, and is authorized to transact insurance in at least one (1) state~~].

(f) Cession of bulk reinsurance by a domestic insurer is subject to KRS 304.24-420.

(3) *A reduction from liability for reinsurance ceded to an assuming insurer not meeting the requirements of subsection (2) of this section shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer and such reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including*

funds held in trust for the ceding insurer, under a reinsurance contract with such assuming insurer as security for the payment of the obligations thereunder, if such security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer, or in the case of a trust, held in a United States bank or trust company that is a member of the federal reserve system. Such rates and supplementary rate information shall be filed not later than fifteen (15) days after the date of first use of the rates, unless the commissioner finds after a hearing that an insurer's rates require closer supervision because of the insurer's financial condition. On such a finding, rates for both personal and commercial risks, supplementary rate information, and supporting information shall be filed with the commissioner at least thirty (30) days before the effective date of the rates. Such an order shall expire no later than one (1) year after it is issued.

(2) In a noncompetitive market, every insurer shall file with the commissioner all rates for that market, supplementary rate information, and supporting information at least thirty (30) days before the proposed effective date of the rates. On application of the filer, the commissioner may authorize an earlier effective date.

(5) No domestic life insurer, and no other authorized life insurer, shall be authorized to deliver within this state any such contract or agreement providing benefits in variable amounts until the insurer has satisfied the commissioner that its condition or methods of operation in connection with the issuance of such contracts or agreements will not render its operation hazardous to the public or its policyholders in this state. In determining the qualification of an insurer requesting such authority, the commissioner shall consider, among other things:

(a) The history and financial condition of the insurer;

(b) The character, responsibility and general fitness of the officers and directors of the insurer; and

(6) Amounts allocated by domestic life insurers to separate accounts in the exercise of the power granted by this section shall be owned by the insurer and the insurer shall not be, or hold itself to be, a trustee, in respect to such amounts.

(7) The commissioner shall have sole authority to regulate the issuance and sale of such agreements, and to make rules and regulations for the effectuation of this section.

Such certificates shall be executed and acknowledged by an officer or managing agent of such society.

(3) *Successful completion of a* [~~No~~] written [~~or other~~] examination shall be required of any individual seeking to be named as a licensee to represent a fraternal benefit society as its agent. *The written examination shall be administered by the commissioner in the same manner as the written examinations for agents of authorized insurers.*

The liquidator may specify different dates for the filing of different kinds of claims.

(3) Notice conclusive. If notice is given in accordance with this section, the distribution of the assets of the insurer under this subtitle shall be conclusive with respect to all claimants, whether or not they received notice.

Section 24. KRS 304.46-080 is amended to read as follows:

(1) The association shall:

(a) Be obligated to the extent of the covered claims existing prior to the determination of insolvency and arising within thirty (30) days after the determination of insolvency, or before the policy expiration date if less than thirty (30) days after the determination, or before the insured replaces the policy or on request effects cancellation, if he does so within thirty (30) days of the determination, but such obligation shall include only that amount of each covered claim which is less than *one hundred thousand dollars ($100,000)* [~~fifty thousand dollars ($50,000)~~]. In no event shall the association be obligated to a policyholder or claimant in an amount in excess of the face amount of the policy from which the claim arises;

(b) Be deemed the insurer to the extent of its obligation on the covered claims and to such extent shall have all rights, duties, and obligations of the insolvent insurer as if the insurer had not become insolvent;

No member insurer may be assessed in any year an amount greater than *two* [~~one~~] percent *(2%)* of that member insurer's net direct written premiums for the calendar year preceding the assessment. If the maximum assessment, together with the other assets of the association, does not provide in any one year an amount sufficient to make all necessary payments, the funds available shall be prorated and the unpaid portion shall be paid as soon thereafter as funds become available. The association shall pay claims in any order which it may deem reasonable including the payment of claims as such are received from the claimants or in groups or categories of claims. The association may exempt or defer, in whole or in part, the assessment of any member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance; provided, however, that during the period of deferment no dividends shall be paid to shareholders or policyholders. Deferred assessments shall be paid when such payment will not reduce capital and surplus below required minimums. Such payments shall be refunded to those companies receiving larger assessments by virtue of such deferment, or at the election of any such company, credited against future assessments. Each member insurer serving as a servicing facility may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by such member insurer;

(d) Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association's obligation and deny all other claims;

(f) Handle claims through its employes or through one or more insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the commissioner, but such designation may be declined by a member insurer; and

(g) Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association and shall pay the other expenses of the association authorized by this subtitle.

(2) The association may:

(a) Appear in, defend, and appeal any action on a claim brought against the association;

(b) Employ or retain such persons as are necessary to handle claims and perform other duties of the association;

(c) Borrow funds necessary to effect the purposes of this subtitle in accord with the plan of operation;

(d) Sue or be sued;

(e) Negotiate and become a party to such contracts as are necessary to carry out the purpose of this subtitle;

(f) Perform such other acts as are necessary or proper to effectuate the purpose of this subtitle; and

(g) Refund to the member insurers in proportion to the contribution of each member insurer to the association that amount by which the assets of the association exceed the liabilities, if, at the end of any calendar year, the board of directors finds that the assets of the association exceed the liabilities of the association as estimated by the board of directors for the coming year.

Section 32. KRS 304.42.090 is amended to read as follows:

(1) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than 30 days after prior written notice to the member insurers and shall accrue interest at 8% per annum on and after the due date.

(2) There shall be three (3) classes of assessments:

(a) Class A assessments shall be made for the purpose of meeting administrative costs and other general expenses and examinations conducted under the authority of subsection (5) of KRS 304.42-120 not related to a particular impaired or insolvent insurer;

(b) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the association under KRS 304.42-080 with regard to an impaired or insolvent domestic insurer;

(c) Class C assessments shall be made to the extent necessary to carry out the powers and duties of the association under KRS 304.42-080 with regard to an insolvent foreign or alien insurer.

(3) (a) The amount of any Class A assessment shall be determined by the board and may be made on a non-pro rata basis. Such assessment shall be credited against future insolvency assessments and shall not exceed *one hundred and fifty dollars ($150)* [~~fifty dollars ($50)~~] per *member insurer* [~~company~~] in any one (1) calendar year. The amount of any Class B or C assessment shall be allocated for assessment purposes among the accounts in the proportion that the premiums received by the impaired or insolvent insurer on the policies covered by each account for the last calendar year preceding the assessment in which the impaired or insolvent insurer received premiums bears to the premiums received by such insurer for such calendar year on all covered policies;

(b) Class C assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies covered by each account for the calendar year preceding the assessment bears to such premiums received on business in this state for the calendar year preceding the assessment by all assessed member insurers;

(c) Class B assessments for each account shall be made separately for each state in which the impaired or insolvent domestic insurer was authorized to transact insurance at any time, in the proportion that the premiums received on business in such state by the impaired or insolvent insurer on policies covered by such account for the last calendar year preceding the assessment in which the impaired or insolvent insurer received premiums bears to such premiums received in all such states for such calendar year by the impaired or insolvent insurer. The assessments against member insurers shall be in the proportion that the premiums received on business in each such state by each assessed member insurer on policies covered by each account for the calendar year preceding the assessment bears to such premiums received on business in each state for the calendar year preceding assessment by all assessed member insurers;

(d) Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this subtitle. Classification of assessments under subsection (2) of this section and computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

(4) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated, or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section.

(5) The total of all assessments upon a member insurer for each account shall not in any one (1) calendar year exceed two percent (2%) of such insurer's premiums received in this state during the calendar year preceding the assessment on the policies covered by the account. If the maximum assessment, together with the other assets of the association in either account, does not provide in any one (1) year in either account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this subtitle.

(6) The board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account, including assets accruing from net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses if refunds are impractical.

(7) It shall be proper for any member insurer, in determining its premium rates and policy owner dividends as to any kind of insurance within the scope of this subtitle, to consider the amount reasonably necessary to meet its assessment obligations under this subtitle.

(8) The association shall issue to each insurer paying an assessment under this subtitle, other than a Class A assessment, a certificate of contribution, in a form prescribed by the commissioner, for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the commissioner may approve.

Section 33, KRS 304.43-080 is amended to read as follows:

(1) A prepaid dental plan shall register the names of all persons acting as its agents with the commissioner within thirty (30) days after July 15, 1982.

(2) In the event that the institution for which a charter is sought is to be created solely for the purpose of effectuating a merger or consolidation to facilitate the formation of a bank holding company, the commissioner may waive all or any part of the requirements of subsection (1) of this section.

Provided, however, that any real estate acquired in satisfaction of a debt previously contracted and improved by the bank shall be disposed of within five (5) years of the date of acquisition, with the commissioner authorized to extend such disposition upon written request of the bank for good cause shown on a year-to-year basis not exceeding an additional five (5) years;

For deep discount bonds or zero coupon bonds, accreted book value shall be used.

Section 7. KRS 287.180 is amended to read as follows:

(1) Banks authorized under the laws of this state may, except as provided in subsection (2) of this section, exercise, only at their principal office, powers necessary to carry on the business of banking by discounting and negotiating notes, drafts, bills of exchange and other evidences of debt, and by purchasing bonds, receiving deposits and allowing interest thereon, buying and selling exchange, coin and bullion and lending money on personal or real security.

(2) Any corporation presently or hereafter engaged in the business of banking, and meeting the requirements of this subsection, may apply to the commissioner for permission to establish, within the city in which either the principal office or an existing branch office which has been annexed into the city *or acquired by merger* is located and, subject to the limitation hereinafter imposed, within the county in which its principal office is located a branch at which all of the powers conferred in subsection (1) of this section may be exercised. Before the commissioner shall approve or disapprove any application made under this subsection he shall ascertain and determine that the public convenience and advantage will be served and prompted thereby and that there is reasonable probability of the successful operation of such branch *based upon the financial and managerial impact of the branch on the bank establishing the branch.* No such branch shall be authorized or approved by the commissioner unless all of the following are complied with:

(a) No such corporation having a combined capital and surplus of less than $100,000 shall be permitted to establish any branch. Any corporation applying for permission to establish a branch shall be required to have a minimum combined capital and surplus for each branch applied for in accordance with the following table:

If the principal office is located in:

1. An unincorporated area or in a city of 7,999 population or less	$100,000
2. City with population of 8,000 to 19,999	$200,000

3. City with population of 19,999 and over one (1) branch may be authorized for every $250,000 of capital and surplus.

Said population is to be determined by the last census or any future census of the United States.

(b) No such corporation shall be permitted to establish a branch in any incorporated city, other than in the city in which either the principal office or an existing branch office which has been annexed into the city *or acquired by merger* is located, in which there is an existing bank. Nor shall any such corporation be permitted to establish a branch in any unincorporated area within a radius of one (1) mile of an existing bank located in such unincorporated area. As used in this subsection, an "existing bank" shall mean the principal office of a bank as distinguished from a branch thereof.

(c) The permission to open a branch shall lapse one year after the commissioner has rendered a final order, as defined in KRS 287.062, unless it shall have been opened and business actually begun in good faith. If, for reasons beyond the control of the applicant, the branch is not opened within this time period, permission to open the branch may, with the approval of the commissioner, be extended for whatever period of time he deems to be necessary.

(d) An application to establish a branch office shall be approved or disapproved by the commissioner based upon the facts existing at the date of filing of the application, except for the financial condition of the bank proposing to establish a branch office, which condition shall be subject to review until an order ruling on the application is made.

(3) Any corporation which on January 1, 1966, was engaged in operating an agency or branch bank, may continue to retain and operate the same under the general banking laws, and the requirements set forth in this section in respect to capital shall not apply to any such existing agency or branch bank but only as to those agencies or branch banks which may be established in the future pursuant to the terms of this section.

(4) The provisions of this section shall not be construed to prohibit the merger of banks in the same county and the operation by the merged corporation of such banks, nor to prohibit the sale of any bank to, and the purchase thereof by, any other bank in the same county and the operation of such bank by the purchasing bank as a branch, provided the commissioner shall determine that the public convenience and necessity will be served by such operation, and provided further that, at the time of such merger or purchase, each of the banks

involved shall have been in operation for a period of five (5) years or more. *The bank which does not survive the merger must surrender its charter.*

(5) Any national banking association or any state bank member of the federal reserve system whose principal office is located in this state is hereby authorized to do all things and perform all acts which state banks are permitted to do or perform under this section, subject to the conditions and restrictions provided for banks as to exercise of such powers.

(6) When a branch or agency bank has once been established any operation thereof shall not be discontinued, and said branch or agency bank shall not be closed until after ninety (90) days notice in writing to the commissioner. In the discretion of the commissioner said branch or agency bank proposing to discontinue operation may be required to give notice of the date when such operation will cease.

Section 8. KRS 287.185 is amended to read as follows:

(1) No branch or principal office of any bank shall be moved from one location to another without the approval of the commissioner. Before the commissioner shall approve or disapprove any such change of location he shall ascertain and determine that the public convenience and advantage will be served and prompted thereby and that there is a reasonable probability of the successful operation of such branch or principal office at the new location.

(2) If a bank wishes to move its principal office from one location to another and retain its former principal office as a branch, the provisions of subsection (1) of this section shall be followed in regard to approval of the change of location. A final order by the commissioner approving or disapproving the change of location shall be deemed to constitute a similar approval or disapproval of the former principal office as a branch, and no further administrative proceedings shall be necessary. In no event shall the restrictions contained in KRS 287.180 as to where a branch may be located apply so as to prevent the approval of a former principal office as a branch in the manner provided for by this subsection.

(3) If the location of a branch or principal office is changed in the manner provided by either subsection (1) or (2) of this section, and if the new location *of the branch or principal office* is to be outside the corporation limits of the city in which it was formerly located, such new location *of the branch or principal office* must comply with the restrictions set out in KRS 287.180(2)(b) [~~in regard to where a branch may be located~~]. If a branch or principal office was formerly located in an unincorporated area and the new branch or principal office is to be located more than one (1) mile from the former branch or principal office, *such new location of the branch or principal office must comply with* the restrictions set out in KRS 287.180(2)(b) [~~as to where a branch may be located must also be complied with~~].

Section 9. KRS 287.280 is amended to read as follows:

(1) No bank or trust company shall permit any person to become indebted to it or to become obligated as guarantor or surety to it in an amount exceeding twenty per cent (20%) of its capital stock actually paid in and its actual amount of surplus, unless such person pledges with it good collateral security or executes to it a mortgage upon real or personal *property* [~~estate~~] which at the time is of more than the cash value of the indebtedness or obligation above all other encumbrances.

(2) No bank or trust company shall permit any of its directors or *executive* officers to become indebted *to it* or *become* obligated as guarantor or surety to it in an amount *which exceeds that which any other person is authorized by this section to become indebted or obligated. Such indebtedness or obligation is permitted if:*

(a) The indebtedness or obligation is made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions by the bank with other persons not covered by this subsection and does not involve more than the normal risk of repayment or present other unfavorable features; and

(b) The indebtedness or obligation has been approved in advance by a majority of the entire board of directors of the bank and the interested party has abstained from participating directly or indirectly in the voting [~~exceeding ten per cent (10%) of its capital stock actually paid in, without securing the excess by the mortgage or pledge of real personal property double in value the amount of the excess~~].

(3) In no event shall the indebtedness or obligation of any person exceed thirty per cent (30%) of the paid-in capital and actual surplus of a bank or trust company.

(4) In computing the indebtedness of *any person* [~~a partnership~~], the liability of *any partnership in which the person acts as a general partner* [~~the individual members~~] shall be included, and any obligation entered into for the benefit of a person, partnership or association shall be included in the total liabilities of the person, partnership or association.

(5) Except as otherwise provided in this section, the same security, both in kind and amount, shall be required from stockholders as from nonstockholders.

(6) The discount of bills of exchange drawn against actually existing value, and the purchase or discounting of commercial or business paper actually owned by the person negotiating such paper shall not be considered as borrowed money within the meaning of this section in fixing the limit of indebtedness or obligation of any person selling or negotiating such paper to a bank.

Section 10. KRS 287.470 is amended to read as follows:

(1) *Reports of examination of a bank or trust company shall be considered confidential information.* No officer *or director of a bank or trust company* or employe of the department shall *release* [~~impart~~] any information *contained in* [~~obtained by him by~~] the examination, except *when:*

(a) Required in a proper legal proceeding in which a subpoena and protective order insuring confidentiality has been issued by a court of competent jurisdiction; or

(b) The information is referred to an appropriate prosecuting attorney for possible criminal proceedings, to outside persons providing professional services to the bank, or to outside persons for the purpose of evaluating the bank for possible acquisition. Reports of examination released to outside persons providing professional services to the bank or for the purpose of evaluating the bank for possible acquisition, shall require a written request from such outside persons and prior approval by the board of directors or an executive committee of the bank [~~so far as necessary in the performance of his official duty as provided by law~~].

(2) The department may furnish to and exchange information and reports with officials and examiners of other properly authorized *state or federal regulatory* [~~supervisory~~] authorities, [~~state or federal,~~] including the federal deposit insurance corporation, *the federal reserve board and the office of the comptroller of the currency* [~~and the reconstruction finance corporation~~].

(3) Every official report concerning a bank or trust company, and every report of examination, shall be prima facie evidence of the facts therein stated for all purposes in any action in which the department, bank or trust company is a party.

Section 11. KRS 287.490 is amended to read as follows:

(1) Every institution under the supervision of the department shall make a written report to the commissioner whenever required by him to do so. The commissioner shall not require more than five (5) reports from any one (1) institution in any one (1) year, unless he deems it necessary in order to obtain complete information, and each report shall be verified by the oath of the corporation's president or vice-president, and its secretary or cashier, or two (2) principal officers.

(2) The reports shall show the actual condition of the bank making the report at the close of business on a date designated by the commissioner and shall specify:

(a) The amount of its capital stock and the number of shares into which it is divided;

(b) The names of the directors, and the number of shares of stock held by them;

(c) The total amount of capital actually paid in, and the total amount of surplus and other reserve funds;

(d) The total amount due depositors, and all other liabilities;

(e) The total amount and character of overdrafts secured, overdrafts not secured and all other assets;

(f) The amount at which the lot and building occupied by the bank for the transaction of its business stands debited on its books, and the market value of all other real estate held, and how acquired, the amount at which it stands debited on the books, and where situated;

(g) The amount loaned on real estate;

(h) The indebtedness or liability of each officer, and of each director to the bank;

(i) The amount invested in bonds and stocks;

(j) The amount loaned on stocks and bonds, on other securities, commercial paper and other notes and bills;

(k) The actual amount of money on hand and on deposit in other banks, and the name of such banks where deposited;

(l) Any other property held, or money loaned, deposited, invested or placed, not otherwise mentioned in this section, and the place where situated and the value of the property, and the amount loaned, deposited, or placed; and

(m) Any other information required by the commissioner.

(3) Any officer, director or board of directors of a bank or trust company shall immediately notify the commissioner concerning any information relating to that financial institution of which they have personal knowledge, involving fraud, defalcation, misfeasance or violations of this chapter. Failure to so notify the commissioner shall be grounds for officer or director removal pursuant to KRS 287.690.

Section 12. KRS 287.900 is amended to read as follows:

(1) For purposes of this section and KRS 287.905:

(a) "Bank" means any institution organized under this chapter, *the banking laws of another state* or the national bank act, as amended, to do a banking business[~~, and having its principal place of business in this state~~]. However, it shall not include an "interim bank" chartered solely for the purpose of facilitating the acquisition of an existing bank unless the existing bank has been in existence for less than five (5) years.

(b) "Bank holding company," "company," and "control" have the meanings accorded them in the federal bank holding company act of 1956, as amended (12 U.S.C. Section 1841, et seq.). "Control" may be acquired by acquisition of voting securities, by purchase of assets, by merger or consolidation, by contract, or otherwise.

(c) "Individual" means a natural person, partnership, association, business trust, voting trust, or similar organization. Individual does not include a corporation.

(d) "Deposit" has the meaning accorded it in the federal deposit insurance act, as amended, and regulations promulgated thereunder; excluded, however, from deposits are all interbank deposits and all deposits in foreign branches and international banking facilities, as shown in the reports made by all banks to their respective supervisory authorities.

(2) Any individual, or any bank holding company having its principal place of business in this state, may acquire control of one (1) or more banks or bank holding companies wherever located, except that no individual, who on July 13, 1984, controls a bank or bank holding company wherever located, and no bank holding company wherever located, may acquire, directly or indirectly, control of a bank having its principal place of business in this state if the bank was chartered after July 13, 1984, and if, at the time of the acquisition, the bank has been in existence less than five (5) years. The provisions of this subsection shall not prohibit the organization of a one-bank holding company for the purpose of acquiring control of a bank even if the bank was chartered after July 13, 1984, and has been in existence less than five (5) years at the time of the acquisition.

(3) No individual or bank holding company wherever located may acquire control of any bank or bank

holding company if, upon the acquisition, the individual or bank holding company would control banks in this state holding more than fifteen percent (15%) of the total deposits in all banks in this state as reported in the most recent year-end reports made by the banks to their respective supervisory authorities which are available at the time of the acquisition.

(4) *(a)* During the period expiring five (5) years after July 13, 1984, no individual or company wherever located may, directly or indirectly, by merger, consolidation, purchase or any other means, acquire control of a bank or bank holding company if as a result thereof such individual or company would acquire control of more than three (3) banks in this state during any twelve (12) month period.

(b) Provided, however, a bank holding company wherever located, may acquire control of a bank holding company which has its principal place of business in this state and which controls more than three (3) banks located in this state under conditions approved by the commissioner which would require the following:

1. That an acquisition made under this subsection shall be limited to only one (1) acquisition; and

2. That the banks acquired in excess of the three (3) bank per year limitation included in this acquisition shall be counted against future acquisitions during the remaining five (5) year period provided in this subsection; and

3. That the total bank acquisitions by a bank holding company shall not exceed in the aggregate fifteen (15) banks during the five (5) year period provided in this subsection.

(5) The limitations set forth in this section or any other provision of this chapter or any regulation promulgated thereunder, as now in effect or amended after July 13, 1984, shall not apply to the acquisition of a bank if, in his discretion, the commissioner, if the bank is organized under the laws of this state, or the comptroller of the currency, if the bank is a national bank, determines that an emergency exists and the acquisition is appropriate in order to prevent the probable failure of the bank which is closed or is in danger of closing.

(6) (a) Any bank holding company having its principal place of business in a state which is contiguous to this state may acquire control of any bank or bank holding company having its principal place of business in this state, if the state wherein the bank holding company has its principal place of business shall authorize the acquisition of control of a bank or bank holding company in that state by a bank holding company having its principal place of business in this state under conditions substantially no more restrictive than those imposed by this section.

(b) From and after two (2) years after July 13, 1984, any bank holding company having its principal place of business in a state other than a state which is contiguous to this state may acquire control of any bank or bank holding company having its principal place of business in this state, if the state wherein the bank holding company has its principal place of business shall authorize the acquisition of control of a bank or bank holding company in that state by a bank holding company having its principal place of business in this state under conditions substantially no more restrictive than those imposed by this section.

(c) For the purposes of this subsection, a bank holding company shall be deemed to be located or have its principal place of business in the state or other jurisdiction in which the total deposits of all the bank holding company's banking subsidiaries are largest.

(7) The provisions of this section shall not be construed to prohibit or restrict the merger or consolidation of banks or bank holding companies having their principal places of business in the same county and the operation by the merged or consolidated corporation of the banks, nor to prohibit the sale of any bank or bank holding company to, and the purchase thereof by, any other bank or bank holding company with its principal place of business in the same county and the operation of the bank as a branch so long as the provisions of KRS 287.180(4) have been satisfied.

Section 13. KRS 287.905 is amended to read as follows:

(1) Any bank holding company which proposes to acquire control of a bank chartered in this state or a bank holding company which includes a bank chartered in this state, shall concurrently file with the commissioner *copies* [~~a copy~~] of the application filed with the federal reserve board under applicable federal law. The commissioner shall approve such acquisition within *ninety (90)* [~~sixty (60)~~] days of acceptance of a complete application *if* [~~unless~~] he finds that:

(a) The terms of the acquisition are [~~not~~] in accordance with the laws of this state; [~~or~~]

(b) The financial condition, or the competence, experience and integrity of the acquiring company or its principals are such as will *not* jeopardize the financial stability of the acquired bank or bank holding company; [~~or~~]

(c) The public convenience and advantage will [~~not~~] be served by the acquisition*; and*

(d) No federal regulatory authority whose approval is required has disapproved the transaction because it would result in a monopoly or substantially lessen competition.

(2) A non-refundable fee shall accompany each application and shall be set by the commissioner in accordance with KRS 287.480.

(3) The commissioner may examine or elect to participate in a joint examination, with the applicable federal *or state* regulatory agency, of any holding company *or nonbank subsidiary of the holding company* that controls *or is affiliated with* a state-chartered bank.

(4) *The commissioner may enter into cooperative agreements with federal or state regulatory authorities to examine an out-of-state bank that is controlled by a Kentucky bank holding company or is controlled by a bank holding company which includes a state-chartered bank, or accept reports of examinations of such out-of-state banks from federal or state regulatory authorities in lieu of conducting examinations.*

(5) The commissioner may enter into cooperative agreements with federal or state regulatory authorities to exchange confidential information and reports of examination relating to interstate acquisitions of banks and bank holding companies.

(6) The cost of an examination shall be assessed against and paid by the company examined. The assessment for the examination shall be calculated in the same manner as that used for bank examinations.

SECTION 14. A NEW SECTION OF KRS CHAPTER 287 IS CREATED TO READ AS FOLLOWS:

For purposes of this chapter, it shall be illegal for any individual, corporation or bank holding company to directly or indirectly acquire, control, hold, charter, convert or operate any bank located in this state which is an "insured bank" or eligible to make application to become an "insured bank" as that term is defined in the federal deposit insurance act, which does not both accept deposits that the depositor has the legal right to withdraw on demand and actively engage in the business of making commercial loans.

SECTION 15. A NEW SECTION OF KRS CHAPTER 287 IS CREATED TO READ AS FOLLOWS:

Any officer or director removed from office pursuant to the provisions of KRS 287.690, shall not serve as an officer or director of any state-chartered bank without prior written approval of the commissioner.

Section 16. KRS 287.990 is amended to read as follows:

(1) Any person who violates subsection (2) of KRS 287.030 shall be fined not less than *five hundred dollars ($500)* [~~twenty ($20.00)~~] nor more than *one thousand dollars ($1,000)* [~~fifty dollars ($50.00)~~] for each day he is engaged in the private banking business.

(2) Any institution that fails to make the report required by KRS 287.420 to the commissioner within five (5) days after the report is due or demanded, or that fails to have the report published as required by KRS 287.420, shall pay a penalty of two hundred dollars ($200) [~~to be sued for and collected by the commissioner in the name of the state~~].

(3) If any person violates subsection (3) of KRS 287.440 his office shall ipso facto become vacant. The president or cashier of any bank or trust company to which any person becomes indebted in violation of subsection (3) of KRS 287.440 shall immediately report such fact to the commissioner, who shall remove the person so offending.

(4) Any receiver of an insolvent institution who fails to comply with the provisions of this chapter shall be subject to the same penalties provided for solvent institutions and officers so offending.

(5) Any directors of a bank who knowingly violate, or knowingly permit any officer or employe of the bank to violate, any of the laws relating to banks, shall be jointly and severally liable to the creditors and stockholders for any loss or damage resulting from such violation. If the loss or damage is not made good within a reasonable time, the commissioner, with the consent of the attorney general, shall institute proceedings to revoke the corporate powers of the bank.

(6) Any deputy commissioner or any examiner who has knowledge of the insolvency or unsafe condition of a state bank or trust company, or that it is inexpedient to permit the bank or trust company to continue business, and who fails to immediately present a signed report of such facts to the commissioner, or who violates any of the provisions of this chapter, shall forfeit his office and shall be fined not less than one hundred ($100) nor more than two thousand dollars ($2,000) for each offense.

(2) Whereas, experience has proved that protection by law of the right of public employes to organize and bargain collectively safeguards the public business from injury, impairment, or interruptions, and promotes public business by removing certain recognized sources of strife and unrest, by encouraging practices fundamental to the friendly adjustment of disputes arising out of differences as to wages, hours, or other working conditions, and by creating equality of bargaining power between employers and employes.

(3) Whereas, it is hereby declared to be the policy of the State of Kentucky to eliminate the causes of certain substantial obstructions to public business and to mitigate and eliminate these obstructions when they have occurred by encouraging the practice and procedure of collective bargaining and by protecting the exercise by fire fighters *and law enforcement officers* of full freedom of association, self-organization, and designation of representatives of their own choosing, for the purpose of negotiating the terms and conditions of their employment or other mutual aid or protection.

(2) Labor organizations designated by the state board of labor relations as the representative of the majority of fire fighters *or law enforcement officers* in an appropriate unit or recognized by a public employer as the representative of the majority of employes in an appropriate unit shall be the exclusive representative for the employes of such unit for the purpose of collective bargaining with respect to rates of pay, wages, hours and other conditions of employment.

(3) Labor organizations recognized by a public employer as the exclusive representative or so designated in accordance with the provisions of this chapter shall be responsible for representing the interest of all fire fighters *or law enforcement officers* in the unit without discrimination.

Section 5. KRS 345.050 is amended to read as follows:

(1) Public employers, their representatives or their agents are prohibited from:

(a) Interfering, restraining or coercing fire fighters *or law enforcement officers* in the exercise of the rights guaranteed in KRS 345.030;

(b) Dominating or interfering with the formation, existence or administration of any labor organization;

(c) Discriminating in regard to hiring or tenure of employment or any term or condition of employment to encourage or discourage membership in any labor organization; provided, that nothing in this chapter, or in any other statute of this state, shall preclude a public employer from making an agreement with a labor organization to require as a condition of employment membership therein on or after the thirtieth day following the beginning of such employment or on the effective date of such agreement, whichever is the later;

(d) Discharging or otherwise discriminating against an employe because he has signed or filed any affidavit, petition or complaint or given any information or testimony under this chapter;

1. Fire fighters *or law enforcement officers* in the exercise of the right guaranteed in subsection (1) of KRS 345.030, and

2. A public employer in the selection of his representative for the purposes of collective bargaining or the adjustment of grievances;

(b) Refusing to bargain collectively in good faith with a public employer, if they have been designated in accordance with the provisions of this chapter as the exclusive representative of fire fighters *or law enforcement officers* in an appropriate unit.

(3) For the purposes of this chapter, to bargain collectively is to carry out in good faith the mutual obligation of the parties, or their representatives; to meet together at reasonable times, including meetings in advance of the budget-making process; to negotiate in good faith with respect to wages, hours and other conditions of employment; to negotiate an agreement; to negotiate any question arising under any agreement; and to execute a written contract incorporating any agreement reached, if requested by either party. The obligation shall not be interpreted to compel either party to agree to a proposal, or require either party to make a concession.

Section 6. KRS 345.060 is amended to read as follows:

(1) Whenever in accordance with such regulations and as may be prescribed by the State Labor Relations Board a petition has been filed:

(a) By a fire fighter *or law enforcement officer* or group of fire fighters *or law enforcement officers* or any labor organization acting in behalf of *thirty* [~~30~~] percent *(30%)* of the employes who have signed union affiliation cards *or petitions* and the *labor organization* [~~union~~] showing proof of representation:

1. Wish to be represented for collective bargaining by a labor organization as exclusive representative, or

If the board finds that there is a question of representation, it shall direct an election by secret ballot to determine whether or by which labor organization the fire fighters *or law enforcement officers* desire to be represented and shall certify the result thereof.

(2) The board shall decide in each case, in order to assure fire fighters *or law enforcement officers* the fullest freedom in exercising the rights guaranteed by this chapter, the unit appropriate for the purposes of collective bargaining, based on such factors as community of interest, wages, hours and other working conditions of the fire fighters *or law enforcement officers* involved, the history of collective bargaining, and the desires of the fire fighters *or law enforcement officers.*

(3) An election shall not be directed in any bargaining unit or in any subdivision thereof within which in the preceding twelve-month period a valid election has been held. The board shall determine who is eligible to vote in the election and shall establish rules governing the election. In any election where none of the choices on the ballot receives a majority, a runoff shall be conducted, the ballot providing for the selection between the two choices receiving the largest and the second largest number of valid votes cast in the election. A labor organization which receives the majority of the votes cast in an election shall be certified by the board as exclusive representative of all the fire fighters *or law enforcement officers* in the unit.

(4) Nothing in this or any other law shall be construed to prohibit recognition of a labor organization as the exclusive representative by a public agency by mutual consent.

(5) No election shall be directed by the board in any bargaining unit where there is in force and effect a valid collective bargaining agreement. Provided, however, no collective bargaining agreement shall bar an election upon the petition of persons not parties thereto where more than three years have elapsed since the execution of the agreement or the last timely renewal, whichever was later.

Section 7. KRS 345.070 is amended to read as follows:

Violations of the provisions of KRS 345.050 shall be deemed to be unfair labor practices remedial by the board in the following manner.

(1) Whenever it is charged by a public employer or a labor organization that any person has engaged in or is engaging in any such unfair labor practices, the board, or any agent designated by the board for such purposes, shall issue and cause to be served upon the person a copy of the charges and a notice of hearing before the board or a member thereof, or before a designated agent, at a place therein fixed, not less than five days after serving of the copy of the charges by the board. Any charge may be amended by the charging party, at any time prior to the issuance of an order based thereon, provided that the charged party is not unfairly prejudiced thereby. The person upon whom the charge is served may file an answer to the charge. The charging party and the person charged shall appear in person or otherwise and give testimony at the place and time fixed in the notice of hearing. In the discretion of the member or agent conducting the hearing or the board, any other person may be allowed to intervene in the proceeding and to present testimony. In any hearing the board shall not be bound by the rules of evidence prevailing in the courts.

(2) The testimony taken by the member, agent or the board shall be reduced to writing and filed with the board. Thereafter the board upon notice may take further testimony or hear argument. If upon the preponderance of the testimony taken the board is of the opinion that any person named in the charge has engaged in or is engaging in an unfair labor practice, then it shall state its findings of fact and shall issue and cause to be served on the person an order requiring him to cease and desist from the unfair labor practice, and to take such affirmative action including reinstatement of fire fighters *or law enforcement officers* with or without back pay, as will effectuate the policies of this chapter. The order may further require the person to make reports from time to time showing the extent to which he has complied with the order. If upon the preponderance of the testimony taken the board is not of the opinion that the person named in the charge has engaged in or is engaging in the unfair labor practice, then the board shall state its finding of fact and shall issue an order dismissing the complaint. No order shall issue based upon any unfair labor practice occurring more than six months prior to the filing of the charge with the board, unless the person aggrieved thereby was prevented from filing the charge by reason of service in the armed forces, in which event, the six-month period shall be computed from the day of his discharge. No order of the board shall require the reinstatement of any individual as a fire fighter *or law enforcement officer* who has been suspended or discharged, or the payment to him of any back pay, if the individual was suspended or discharged for cause.

(3) Until the record in a case has been filed in court, the board at any time, upon reasonable notice and in such manner as it deems proper, may modify or set aside, in whole or in part, any finding or order made or issued by it.

(4) The board or the charging party may petition for the enforcement of the order and for appropriate temporary relief or restraining order, and shall file in the circuit court for the county in which the violation occurred, the record in the proceedings. Upon the filing of the petition, the circuit court shall cause notice thereof to be served upon the charged party, and thereupon shall have jurisdiction of the proceeding and shall grant such temporary or permanent relief or restraining order as it deems just and proper, enforcing modifying, enforcing as so modified, or setting aside in whole or in part the order of the board. No objection that has not been urged before the board, its member or agent, shall be considered by the court, unless the failure or neglect to urge the objection is excused because of extraordinary circumstances. The findings of the board with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall be conclusive. If either party applies to the circuit court for leave to present additional evidence and shows to the satisfaction of the circuit court that the additional evidence is material and that there were reasonable grounds for the failure to present it in the hearing before the board, its member or agent, the court may order the additional evidence to be taken before the board, its member or agent, and to be made a part of the record. The board may modify its findings as to the facts, or make new findings, by reason of additional evidence so taken and filed, and it shall file the modifying or new findings, which findings with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall be conclusive, and shall file its recommendations, if any, for the modification or setting aside of its original order. Upon the filing of the record (with it) the jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to review by the Court of Appeals in accordance with the general court rules.

(5) Any person aggrieved by a final order of the board granting or denying in whole or in part the relief sought may obtain a review of such order in the court by filing in the circuit court a complaint praying that the order of the board be modified or set aside, with copy of the complaint filed with the board, and thereupon the aggrieved party shall file in the court the record in the proceeding, certified by the board. Upon the filing of the complaint, the court shall proceed in the same manner as under subsection (4), and shall grant to the board such temporary relief or restraining order as it deems just and proper, enforcing modifying, enforcing as so modified, or setting aside in whole or in part the order of the board. The findings of the board with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall be conclusive.

(6) The commencement of proceedings under subsections (4) and (5) shall not, unless specifically ordered by the court, operate as a stay of the board's order.

(7) Complaints filed under this chapter shall be heard expeditiously by the court to which presented, and shall take precedence over all other civil matters except earlier matters of the same character.

Section 8. KRS 345.090 is amended to read as follows:

Except as hereinafter provided, when a labor organization has been designated in accordance with the provisions hereof as the exclusive representative of fire fighters *or law enforcement officers* in an appropriate unit, the chief executive officer of the political subdivision, whether elected or appointed, or his designated authorized representative or authorized representatives, shall represent the public employer in collective bargaining with such employe organization.

Section 9. KRS 345.100 is amended to read as follows:

No publication thereof shall be required to make it effective. The procedure for the making of an agreement between a political subdivision and a labor organization provided by this chapter shall be the exclusive method of making a valid agreement for fire fighters *or law enforcement officers* represented by a labor organization.

(3) Suits for violation of agreements between a public employer and a labor organization representing fire fighters *or law enforcement officers* may be brought by the parties to such agreement in the circuit court of the county of the employer or in cases where the state is the employer in the Franklin Circuit Court.

Section 10. KRS 345.110 is amended to read as follows:

Upon the written authorization of any fire fighters *or law enforcement officers* within a bargaining unit, the public employer shall deduct from the payroll of the public employe the monthly amount of dues as certified by the secretary of the exclusive bargaining representative and shall deliver the same to the treasurer of the exclusive bargaining representative.

Section 11. KRS 345.120 is amended to read as follows:

(1) There is hereby created and established a state labor relations board to assist in resolving disputes between public employers and fire fighters *or law enforcement officers* or their labor organization which shall be composed of three (3) members appointed by the governor, one (1) for a term of two (2) years, one (1) for a term of three (3) years, and one (1) for a term of four (4) years. The governor shall designate one (1) member to serve as chairman of the board. Thereafter, upon the expiration of the term of any member, members shall be appointed for four-year terms by the governor.

(2) Each member of the board shall have been an elector in this state for at least one (1) year next preceding his appointment. Any member may be removed by the governor for cause, shown in a public hearing after the accused has been given a copy of the charges made and has had an opportunity to answer such charges. The governor shall fill any vacancy by appointment for the unexpired term. No member shall receive a salary but each member shall be paid fifty dollars ($50) and expenses for each day during which he is engaged in the duties of the board. The board is authorized to hold hearings at any place in this state. Any and all expenses incurred by the labor relations board shall be shared by all parties concerned in the dispute.

(3) The board shall appoint such employes as may be necessary to carry out the work of the board. All files, records and documents accumulated by the board shall be kept in offices provided by the board. All decisions shall be made by a majority of the board.

(4) To accomplish the objectives and to carry out the duties prescribed by this chapter, the board may subpoena witnesses, issue subpoenas to require the production of books, papers, records and documents which may be needed as evidence in any matter under inquiry, and may administer oaths and affirmations.

(5) In case of neglect or refusal to obey a subpoena issued to any person, the circuit court of the county in which the investigations or the public hearings are taking place, upon application by the board may issue an order requiring such person to appear before the board, any member or agent, to produce evidence or give testimony about the matter under investigation. A failure to obey such order may be punished by the court as a contempt.

(6) Any subpoena, notice of hearing or other process or notice of the board issued under the provisions of this chapter may be served personally, by certified mail, return receipt requested or by leaving a copy at the principal office or place of residence of the respondent required to be served. A return, made and verified by the individual making such service and setting forth the manner of such service is proof of service and a returned post-office receipt, when certified mail is used, is proof of service. All process of any court to which application may be made under the provisions of this chapter may be served in the county wherein the persons required to be served reside or may be found.

(7) The board shall adopt, promulgate, amend or rescind such rules and regulations as it deems necessary and administratively feasible to carry out the provisions of this chapter. Public hearings shall be held by the board on any proposed rule or regulation of general applicability designed to implement, interpret or prescribe policy, procedure or practice requirements under the provisions of this chapter and on any proposed change in an existing rule or regulation. (2) Where one of the following provisions of this chapter specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law (including the conflict of the laws rules) so specified:

Section 2. KRS 355.1-201 is amended to read as follows:

Subject to additional definitions contained in the subsequent Articles of this chapter which are applicable to specific Articles or Parts thereof, and unless the context otherwise requires, in this chapter:

(1) "Action" in the sense of a judicial proceeding includes recoupment, counterclaim, set-off, suit in equity and any other proceedings in which rights are determined.

(2) "Aggrieved party" means a party entitled to resort to a remedy.

(3) "Agreement" means the bargain of the parties in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this chapter (KRS 355.1-205 and 355.2-208). Whether an agreement has legal consequences is determined by the provisions of this chapter, if applicable; otherwise by the law of contracts (KRS 355.1-103). (Compare "Contract.")

(4) "Bank" means any person engaged in the business of banking.

(5) "Bearer" means the person in possession of an instrument, document of title, or *certificated* security payable to bearer or indorsed in blank.

(6) "Bill of lading" means a document evidencing the receipt of goods for shipment issued by a person engaged in the business of transporting or forwarding goods, and includes an airbill. "Airbill" means a document serving for air transportation as a bill of lading does for marine or rail transportation, and includes an air consignment note or air waybill.

(7) "Branch" includes a separately incorporated foreign branch of a bank.

(8) "Burden of establishing" a fact means the burden of persuading the triers of fact that the existence of the fact is more probable than its non-existence.

(9) "Buyer in ordinary course of business" means a person who in good faith and without knowledge that the sale to him is in violation of the ownership rights or security interest of a third party in the goods buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. *All persons who sell minerals or the like, including but not limited to oil and gas, at wellhead or minehead shall be deemed to be persons in the business of selling goods of that kind.* "Buying" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(10) "Conspicuous": A term or clause is conspicuous when it is so written that a reasonable person against whom it is to operate ought to have noticed it. A printed heading in capitals (as: NONNEGOTIABLE BILL OF LADING) is conspicuous. Language in the body of a form is "conspicuous" if it is larger or other contrasting type or color. But in a telegram any stated term is "conspicuous." Whether a term or clause is "conspicuous" or not is for decision by the court.

(11) "Contract" means the total legal obligation which results from the parties' agreement as affected by this chapter and any other applicable rules of law. (Compare "Agreement.")

(12) "Creditor" includes a general creditor, a secured creditor, a lien creditor and any representative of creditors, including an assignee for the benefit of creditors, a trustee in bankruptcy, a receiver in equity and an executor or administrator of an insolvent debtor's or assignor's estate.

(15) "Document of title" includes bill of lading, dock warrant, dock receipt, warehouse receipt or order for the delivery of goods, and also any other document which in the regular course of business or financing is treated as adequately evidencing that the person in possession of it is entitled to receive, hold and dispose of the document and the goods it covers. To be a document of title a document must purport to be issued by or addressed to a bailee and purport to cover goods in the bailee's possession which are either identified or are fungible portions of an identified mass.

(16) "Fault" means wrongful act, omission or breach.

(17) "Fungible" with respect to goods or securities means goods or securities of which any unit is, by nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be deemed fungible for the purposes of this chapter to the extent that under a particular agreement or document unlike units are treated as equivalents.

(18) "Genuine" means free of forgery or counterfeiting.

(19) "Good faith" means honesty in fact in the conduct or transaction concerned.

(22) "Insolvency proceedings" includes any assignment for the benefit of creditors or other proceedings intended to liquidate or rehabilitate the estate of the person involved.

(a) He has actual knowledge of it; or

(b) He has received a notice or notification of it; or

(c) From all the facts and circumstances known to him at the time in question he has reason to know that it exists.

A person "knows" or has "knowledge" of a fact when he has actual knowledge of it. "Discover" or "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and circumstances under which a notice or notification may cease to be effective are not determined by this chapter.

(26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not such other actually comes to know of it. A person "receives" a notice or notification when

(a) It comes to his attention; or

(b) It is duly delivered at the place of business through which the contract was made or at any other place held out by him as the place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to his attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his regular duties or unless he has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(29) "Party," as distinct from "third party," means a person who has engaged in a transaction or made an agreement within this chapter.

(30) "Person" includes an individual or an organization (See KRS 355.1-102).

(31) "Presumption" or "presumed" means that the trier of fact must find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence.

(32) "Purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, issue or re-issue, gift or any other voluntary transaction creating an interest in property.

(33) "Purchaser" means a person who takes by purchase.

(34) "Remedy" means any remedial right to which an aggrieved party is entitled with or without resort to tribunal.

(35) "Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.

(36) "Rights" includes remedies.

(37) "Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation. The retention or reservation of title by a seller of goods notwithstanding

shipment or delivery to the buyer (KRS 355.2-401) is limited in effect to a reservation of a "security interest." The term also includes any interest of a buyer of accounts *or*[~~,~~] chattel paper[~~, or contract rights~~] which is subject to Article 9. The special property interest of a buyer of goods on identification of such goods to a contract for sale under KRS 355.2-401 is not a "security interest," but a buyer may also acquire a "security interest" by complying with Article 9. Unless a lease or consignment is intended as security, reservation of title thereunder is not a "security interest" but a consignment is in any event subject to the provisions on consignment sales (KRS 355.2-326). Whether a lease is intended as security is to be determined by the facts of each case; however, (a) the inclusion of an option to purchase does not of itself make the lease one intended for security, and (b) an agreement that upon compliance with the terms of the lease the lessee shall become or has the option to become the owner of the property for no additional consideration or for a nominal consideration does make the lease one intended for security.

(38) "Send" in connection with any writing or notice means to deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed and in the case of an instrument to an address specified thereon or otherwise agreed, or if there be none to any address reasonable under the circumstances. The receipt of any writing or notice within the time at which it would have arrived if properly sent has the effect of a proper sending.

(39) "Signed" includes any symbol executed or adopted by a party with present intention to authenticate a writing.

(40) "Surety" includes guarantor.

(41) "Telegram" includes a message transmitted by radio, teletype, cable, any mechanical method of transmission, or the like.

(42) "Term" means that portion of an agreement which relates to a particular matter.

(43) "Unauthorized" signature or indorsement means one made without actual, implied or apparent authority and includes a forgery.

(44) "Value", except as otherwise provided with respect to negotiable instruments and bank collections (KRS 355.3-303, 355.4-208 and 355.4-209) a person gives "value" for rights if he acquires them

(a) In return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection; or

(b) As security for or in total or partial satisfaction of a pre-existing claim; or

(c) By accepting delivery pursuant to a pre-existing contract for purchase; or

(d) Generally, in return for any consideration sufficient to support a simple contract.

(45) "Warehouse receipt" means a receipt issued by a person engaged in the business of storing goods for hire.

(46) "Written" or "writing" includes printing, typewriting or any other intentional reduction to tangible form.

SECTION 3. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

An obligation may be issued as subordinated to payment of another obligation of the person obligated, or a creditor may subordinate his right to payment of an obligation by agreement with either the person obligated or another creditor of the person obligated. Such a subordination does not create a security interest as against either the common debtor or a subordinated creditor. This section shall be construed as declaring the law as it existed prior to the enactment of this section and not as modifying it.

Section 4. KRS 355.2-107 is amended to read as follows:

(1) A contract for the sale of [~~timber,~~] minerals or the like or a structure or its materials to be removed from

realty is a contract for the sale of goods within this Article if they are to be severed by the seller, but until severance a purported present sale thereof which is not effective as a transfer of an interest in land is effective only as a contract to sell.

(2) A contract for the sale apart from the land of growing crops or other things attached to realty and capable of severance without material harm thereto but not described in subsection (1) *or of timber to be cut* is a contract for the sale of goods within this Article whether the subject matter is to be severed by the buyer or by the seller even though it forms part of the realty at the time of contracting, and the parties can by identification effect a present sale before severance.

(3) The provisions of this section are subject to any third party rights provided by the law relating to realty records, and the contract for sale may be executed and recorded as a document transferring an interest in land and shall then constitute notice to third parties of the buyer's rights under the contract for sale.

Section 5. KRS 355.2-702 is amended to read as follows:

(1) Where the seller discovers the buyer to be insolvent he may refuse delivery except for cash including payment for all goods theretofore delivered under the contract, and stop delivery under this Article (KRS 355.2-705).

(2) Where the seller discovers that the buyer has received goods on credit while insolvent he may reclaim the goods upon demand made within ten days after the receipt, but if misrepresentation of solvency has been made to the particular seller in writing within three months before delivery the ten day limitation does not apply. Except as provided in this subsection the seller may not base a right to reclaim goods on the buyer's fraudulent or innocent misrepresentation of solvency or of intent to pay.

(3) The seller's right to reclaim under subsection (2) is subject to the rights of a buyer in ordinary course or other good faith purchaser [~~or lien creditor~~] under this Article (KRS 355.2-403). Successful reclamation of goods excludes all other remedies with respect to them.

Section 6. KRS 355.3-501 is amended to read as follows:

(1) Unless excused (KRS 355.3-511) presentment is necessary to charge secondary parties as follows:

(a) presentment for acceptance is necessary to charge the drawer and indorsers of a draft where the draft so provides, or is payable elsewhere than at the residence or place of business of the drawee, or its date of payment depends upon such presentment. The holder may at his option present for acceptance any other draft payable at a stated date;

(b) presentment for payment is necessary to charge any indorser;

(c) in the case of any drawer, the acceptor of a draft payable at a bank or the maker of a note payable at a bank, presentment for payment is necessary, but failure to make presentment discharges such drawer, acceptor or maker only as stated in KRS 355.3-502 (1) (b).

(2) Unless excused (KRS 355.3-511)

(a) notice of any dishonor is necessary to charge any indorser;

(b) in the case of any drawer, the acceptor of a draft payable at a bank or the maker of a note payable at a bank, notice of any dishonor is necessary, but failure to give such notice discharges such drawer, acceptor or maker only as stated in KRS 355.3-502 (1) (b).

(3) Unless excused (KRS 355.3-511) protest of any dishonor is necessary to charge the drawer and indorsers of any draft which on its face appears to be drawn or payable outside of the states, [~~and~~] territories, *dependencies and possessions* of the United States, [~~and~~] the District of Columbia *and the Commonwealth of Puerto Rico.* The holder may at his option make protest of any dishonor of any other instrument and in the case of a foreign draft may on insolvency of the acceptor before maturity make protest for better security.

(4) Notwithstanding any provision of this section, neither presentment nor notice of dishonor nor protest is necessary to charge an indorser who has indorsed an instrument after maturity.

Section 7. KRS 355.5-114 is amended to read as follows:

(1) An issuer must honor a draft or demand for payment which complies with the terms of the relevant credit regardless of whether the goods or documents conform to the underlying contract for sale or other contract between the customer and the beneficiary. The issuer is not excused from honor of such a draft or demand by reason of an additional general term that all documents must be satisfactory to the issuer, but an issuer may require that specified documents must be satisfactory to it.

(2) Unless otherwise agreed when documents appear on their face to comply with the terms of a credit but a required document does not in fact conform to the warranties made on negotiation or transfer of a document of title (KRS 355.7-507) or of a *certificated* security (KRS 355.8-306) or is forged or fraudulent or there is fraud in the transaction

(a) The issuer must honor the draft or demand for payment if honor is demanded by a negotiating bank or other holder of the draft or demand which has taken the draft or demand under the credit and under circumstances which would make it a holder in due course (KRS 355.3-302) and in an appropriate case would make it a person to whom a document of title has been duly negotiated (KRS 355.7-502) or a bona fide purchaser of a *certified* security (KRS 355.8-302); and

(b) In all other cases as against its customer, an issuer acting in good faith may honor the draft or demand for payment despite notification from the customer of fraud, forgery or other defect not apparent on the face of the documents but a court of appropriate jurisdiction may enjoin such honor.

(3) Unless otherwise agreed an issuer which has duly honored a draft or demand for payment is entitled to immediate reimbursement of any payment made under the credit and to be put in effectively available funds not later than the day before maturity of any acceptance made under the credit.

Section 8. KRS 355.5-116 is amended to read as follows:

(1) The right to draw under a credit can be transferred or assigned only when the credit is expressly designated as transferable or assignable.

(2) Even though the credit specifically states that it is nontransferable or nonassignable the beneficiary may before performance of the conditions of the credit assign his rights to proceeds. Such an assignment is an assignment of *an account* [~~a contract right~~] under Article 9 on Secured Transactions and is governed by that Article except that*:*

(a) The assignment is ineffective until the letter of credit or advice of credit is delivered to the assignee which delivery constitutes perfection of the security interest under Article 9; and

(b) The issuer may honor drafts or demands for payment drawn under the credit until it receives a notification of the assignment signed by the beneficiary which reasonably identifies the credit involved in the assignment and contains a request to pay the assignee; and

(c) After what reasonably appears to be such a notification has been received the issuer may without dishonor refuse to accept or pay even to a person otherwise entitled to honor until the letter of credit or advice of credit is exhibited to the issuer.

(3) Except where the beneficiary has effectively assigned his right to draw or his right to proceeds, nothing in this section limits his right to transfer or negotiate drafts or demands drawn under the credit.

Section 9. KRS 355.7-209 is amended to read as follows:

(1) A warehouseman has a lien against the bailor on the goods covered by a warehouse receipt or on the proceeds thereof in his possession for charges for storage or transportation (including demurrage and terminal charges), insurance, labor, or charges present or future in relation to the goods, and for expenses necessary for preservation of the goods or reasonably incurred in their sale pursuant to law. If the person on whose account the goods are held is liable for like charges or expenses in relation to other goods whenever deposited and it is stated in the receipt that a lien is claimed for charges and expenses in relation to other goods, the warehouseman also has a lien against him for such charges and expenses whether or not the other goods have

been delivered by the warehouseman. But against a person to whom a negotiable warehouse receipt is duly negotiated a warehouseman's lien is limited to charges in an amount or at a rate specified on the receipt or if no charges are so specified then to a reasonable charge for storage of the goods covered by the receipt subsequent to the date of the receipt.

(2) The warehouseman may also reserve a security interest against the bailor for a maximum amount specified on the receipt for charges other than those specified in subsection (1), such as for money advanced and interest. Such a security interest is governed by the Article on Secured Transactions (Article 9).

(3) *(a)* A warehouseman's lien for charges and expenses under subsection (1) or a security interest under subsection (2) is also effective against any person who so entrusted the bailor with possession of the goods that a pledge of them by him to a good faith purchaser for value would have been valid but is not effective against a person as to whom the document confers no right in the goods covered by it under KRS 355.7-503.

(b) A warehouseman's lien on household goods for charges and expenses in relation to the goods under subsection (1) is also effective against all persons if the depositor was the legal possessor of the goods at the time of deposit. "Household goods" means furniture, furnishings and personal effects used by the depositor in a dwelling.

(4) A warehouseman loses his lien on any goods which he voluntarily delivers or which he unjustifiably refuses to deliver.

Section 10. KRS 355.8-102 is amended to read as follows:

(1) In this article unless the context otherwise requires:

(a) *A "certificated security" is a share, participation, or other interest in property of or an enterprise of the issuer or an obligation of the issuer which is:*

1. Represented by an instrument issued in bearer or registered form;

2. Of a type commonly dealt in on securities exchanges or markets or commonly recognized in any area in which it is issued or dealt in as a medium for investment; and

3. Either one of a class or series or by its terms divisible into a class or series of shares, participations, interests, or obligations.

(b) An "uncertificated security" is a share, participation or other interest in property or an enterprise of the issuer or an obligation of the issuer which is:

(d)[~~(c)~~] A *certificated* security is in "registered form" *if:* [~~when~~]

(b) Any remaining capital stock of which is held by individuals who have purchased *it* [~~such capital stock~~] at or prior to the time of their taking office as directors of *the* [~~such~~] corporation and who have purchased only so much of *the* [~~such~~] capital stock as *is* [~~may be~~] necessary to permit them to qualify as [~~such~~] directors.

Section 11. KRS 355.8-103 is amended to read as follows:

A lien upon a security in favor of an issuer thereof is valid against a purchaser only if*:*

(1) The security is certificated and the right of the issuer to *the* [~~such~~] lien is noted conspicuously *thereon; or,*

(2) The security is uncertificated and a notation of the right of the issuer to the lien is contained in the initial transaction statement sent to the purchaser or, if his interest is transferred to him other than by registration of transfer, pledge, or release, the initial transaction statement sent to the registered owner or the registered pledgee [~~on the security~~].

Section 12. KRS 355.8-104 is amended to read as follows:

(1) The provisions of this Article which validate a security or compel its issue or reissue do not apply to the extent that validation, issue, or reissue would result in overissue; but *if:*

(a) [~~if~~] An identical security which does not constitute an overissue is reasonably available for purchase, the person entitled to issue or validation may compel the issuer to purchase *the* [~~and deliver such a~~] security *for* [~~to~~] him *and either to deliver a certificated security or to register the transfer of an uncertificated security to him* against surrender of *any certificated* [~~the~~] security[~~, if any, which~~] he holds; or

(b) [~~if~~] A security is not so available for purchase, the person entitled to issue or validation may recover from the issuer the price he or the last purchaser for value paid for it with interest from the date of his demand.

(2) "Overissue" means the issue of securities in excess of the amount [~~which~~] the issuer has corporate power to issue.

Section 13. KRS 355.8-105 is amended to read as follows:

(1) *Certificated* securities governed by this article are negotiable instruments.

(2) Statements (KRS 355.8-408), notices, or the like, sent by the issuer of uncertificated securities and instructions (KRS 355.8-308) are neither negotiable instruments nor certificated securities.

(3) In any action on a security*:*

(a) Unless specifically denied in the pleadings, each signature on *a certificated* [~~the~~] security, [~~or~~] in a necessary indorsement, *on an initial transaction statement, or on an instruction,* is admitted;

(b) *If* [~~When~~] the effectiveness of a signature is put in issue, the burden of establishing it is on the party claiming under the signature, but the signature is presumed to be genuine or authorized;

(c) *If* [~~When~~] signatures *on a certificated security* are admitted or established, production of the *security* [~~instrument~~] entitles a holder to recover on it unless the defendant establishes a defense or a defect going to the validity of the security; [~~and~~]

(d) *If signatures on an initial transaction statement are admitted or established, the facts stated in the statement are presumed to be true as of the time of its issuance; and*

(e) After it is shown that a defense or defect exists, the plaintiff has the burden of establishing that he or some person under whom he claims is a person against whom the defense or defect is ineffective (KRS 355.8-202).

Section 14. KRS 355.8-106 is amended to read as follows:

The law (including the conflict of laws rules) of the jurisdiction of organization of the issuer governs the validity of a security, *the effectiveness of registration by the issuer,* and the rights and duties of the issuer with respect to*:*

(1) Registration of transfer *of a certificated security;* [~~are governed by the law (including the conflict of laws rules) of the jurisdiction of organization of the issuer.~~]

(2) Registration of transfer, pledge, or release of an uncertificated security; and

(3) Sending of statements of uncertificated securities.

Section 15. KRS 355.8-107 is amended to read as follows:

(1) Unless otherwise agreed and subject to any applicable law or regulation respecting short sales, a person obligated to *transfer* [~~deliver~~] securities may *transfer* [~~deliver~~] any *certificated* security of the specified issue in bearer form or registered in the name of the transferee, or indorsed to him or in blank, *or he may transfer an equivalent uncertificated security to the transferee or a person designated by the transferee.*

(2) *If* [~~When~~] the buyer fails to pay the price as it comes due under a contract of sale, the seller may recover the price *of:*

(a) *Certificated* [~~Of~~] securities accepted by the buyer; [~~and~~]

(b) *Uncertificated securities that have been transferred to the buyer or a person designated by the buyer; and*

(c) [~~Of~~] Other securities if efforts at their resale would be unduly burdensome or if there is no readily available market for their resale.

SECTION 16. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

A security interest in an uncertificated security may be evidenced by the registration of pledge to the secured party or a person designated by him. There can be no more than one registered pledge of an uncertificated security at any time. The registered owner of an uncertificated security is the person in whose name the security is registered, even if the security is subject to a registered pledge. The rights of a registered pledgee of an uncertificated security under this article are terminated by the registration of release.

Section 17. KRS 355.8-201 is amended to read as follows:

(1) With respect to obligations on or defenses to a security, "issuer" includes a person who*:*

(a) Places or authorizes the placing of his name on a *certificated* security (otherwise than as authenticating trustee, registrar, transfer agent, or the like) to evidence that it represents a share, participation, or other interest in his property or in an enterprise or to evidence his duty to perform an obligation *represented* [~~evidenced~~] by the *certificated* security; [~~or~~]

(b) *Creates shares, participations or other interests in his property or in an enterprise or undertakes obligations, which shares, participations, interests, or obligations are uncertificated securities;*

(c) Directly or indirectly creates fractional interests in his rights or property, which fractional interests are *represented* [~~evidenced~~] by *certificated* securities; or

(d)[~~(c)~~] Becomes responsible for or in place of any other person described as an issuer in this section.

(2) With respect to obligations on or defenses to a security, a guarantor is an issuer to the extent of his guaranty, whether or not his obligation is noted on *a certificated* [~~the~~] security *or on statements of uncertificated securities sent pursuant to KRS 355.8-408.*

(3) With respect to registration of transfer, *pledge or release* (Part 4 of this article) "issuer" means a person on whose behalf transfer books are maintained.

Section 18. KRS 355.8-202 is amended to read as follows:

(1) Even against a purchaser for value and without notice, the terms of a security include*:*

(a) If the security is certificated, those stated on the security;

(b) If the security is uncertificated, those contained in the initial transaction statement sent to such purchaser, or if his interest is transferred to him other than by registration of transfer, pledge, or release, the initial transaction statement sent to the registered owner or registered pledgee; and

(c) Those made part of the security by reference *on the certificated security or in the initial transaction statement,* to another instrument, indenture, or document or to a constitution, statute, ordinance, rule, regulation, order or the like, to the extent that the terms [~~so~~] referred to do not conflict with the [~~stated~~] terms *stated on the certificated security or contained in the statement.* [~~Such~~] A reference *under this paragraph* does not of itself charge a purchaser for value with notice of a defect going to the validity of the security, even though the *certificated* security *or statement* expressly states that a person accepting it admits [~~such~~] notice.

(2) [~~(a)~~] A *certificated* security *in the hands of a purchaser for value or an uncertificated security as to which an initial transaction statement has been sent to a purchaser for value,* other than *a security* [~~one~~] issued by a government or governmental agency or unit, even though issued with a defect going to its validity, is valid *with respect to the* [~~in the hands of a~~] purchaser *if he is* [~~for value and~~] without notice of the particular defect unless the defect involves a violation of constitutional provisions, in which case the security is valid *with respect to* [~~in the hands of~~] a subsequent purchaser for value and without notice of the defect. *This subsection* [~~The rule of paragraph (a)~~] applies to an issuer *that* [~~which~~] is a government or governmental agency or unit only if either there has been substantial compliance with the legal requirements governing the issue or the issuer has received a substantial consideration for the issue as a whole or for the particular security and a stated purpose of the issue is one for which the issuer has power to borrow money or issue the security.

(3) Except as [~~otherwise~~] provided in the case of certain unauthorized signatures [~~on issue~~] (KRS 355.8-205), lack of genuineness of a *certificated* security *or an initial transaction statement* is a complete defense, even against a purchaser for value and without notice.

(4) All other defenses of the issuer *of a certificated or uncertificated security,* including nondelivery and conditional delivery of *a certificated* [~~the~~] security, are ineffective against a purchaser for value who has taken without notice of the particular defense.

(5) Nothing in this section shall be construed to affect the right of a party to a "when, as and if issued" or a "when distributed" contract to cancel the contract in the event of a material change in the character of the security *that* [~~which~~] is the subject of the contract or in the plan or arrangement pursuant to which *the* [~~such~~] security is to be issued or distributed.

Section 19. KRS 355.8-203 is amended to read as follows:

(1) After an act or event *creating* [~~which creates~~] a right to immediate performance of the principal obligation *represented* [~~evidenced~~] by *a certificated* [~~the~~] security or *that* [~~which~~] sets a date on or after which the security is to be presented or surrendered for redemption or exchange, a purchaser is charged with notice of any defect in its issue or defense of the issuer *if:*

(a) [~~if~~] The act or event is one requiring the payment of money, [~~or~~] the delivery of *certificated* securities, *the registration of transfer of uncertificated securities,* or *any of these* [~~both~~] on presentation or surrender of the *certificated* security, *the* [~~and such~~] funds or securities are available on the date set for payment or exchange, and he takes the security more than one year after that date; and

(b) [~~if~~] The act or event is not covered by paragraph (a) and he takes the security more than two years after the date set for surrender or presentation or the date on which [~~such~~] performance became due.

(2) A call *that* [~~which~~] has been revoked is not within subsection (1).

Section 20. KRS 355.8-204 is amended to read as follows:

[~~Unless noted conspicuously on the security~~] A restriction on transfer *of a security* imposed by the issuer, even though otherwise lawful, is ineffective [~~except~~] against *any* [~~a~~] person *without* [~~with~~] actual knowledge of it *unless:*

(a) The security is certificated and the restriction is noted conspicuously thereon; or

(b) The security is uncertificated and a notation of the restriction is contained in the initial transaction statement sent to the person, or if his interest is transferred to him other than by registration of transfer, pledge, or release, the initial transaction statement sent to the registered owner or the registered pledgee.

Section 21. KRS 355.8-205 is amended to read as follows:

(1) An unauthorized signature placed on a *certificated* security prior to or in the course of issue *or placed on an initial transaction statement* is ineffective, *but* [~~except that~~] the signature is effective in favor of a purchaser for value *of the certificated security or a purchaser for value of an uncertificated security to whom such initial transaction statement has been sent, if the purchaser is* [~~and~~] without notice of the lack of authority *and* [~~if~~] the signing has been done by*:*

(a) An authenticating trustee, registrar, transfer agent or other person entrusted by the issuer with the signing of the security, [~~or~~] of similar securities, *or of initial transaction statements* or *the* [~~their~~] immediate preparation for signing *of any of them*; or

(b) An employe of the issuer, or of any of the foregoing, entrusted with responsible handling of the security *or initial transaction statement.*

Section 22. KRS 355.8-206 is amended to read as follows:

(1) *If* [~~Where~~] a *certificated* security contains the signatures necessary to its issue or transfer but is incomplete in any other respect*:*

(a) Any person may complete it by filling in the blanks as authorized; and

(b) Even though the blanks are incorrectly filled in, the security as completed is enforceable by a purchaser who took it for value and without notice of *the* [~~such~~] incorrectness.

(2) A complete *certificated* security *that* [~~which~~] has been improperly altered, even though fraudulently, remains enforceable, but only according to its original terms.

(3) If an initial transaction statement contains the signatures necessary to its validity, but is incomplete in any other respect:

(a) Any person may complete it by filling in the blanks as authorized; and

(b) Even though the blanks are incorrectly filled in, the statement as completed is effective in favor of the person to whom it is sent if he purchased the security referred to therein for value and without notice of the incorrectness.

(4) A complete initial transaction statement that has been improperly altered, even though fraudulently, is effective in favor of a purchaser to whom it has been sent, but only according to its original terms.

Section 23. KRS 355.8-207 is amended to read as follows:

(1) Prior to due presentment for registration of transfer of a *certificated* security in registered form, the

issuer or indenture trustee may treat the registered owner as the person exclusively entitled to vote, to receive notifications, and otherwise to exercise all the rights and powers of an owner.

(2) *Subject to the provisions of subsections (3), (4), and (6) of this section, the issuer or indenture trustee may treat the registered owner of an uncertificated security as the person exclusively entitled to vote, to receive notifications, and otherwise to exercise all the rights and powers of an owner.*

(3) The registered owner of an uncertificated security that is subject to a registered pledge is not entitled to registration of transfer prior to the due presentment to the issuer of a release instruction. The exercise of conversion rights with respect to a convertible uncertificated security is a transfer within the meaning of this section.

(4) Upon due presentment of a transfer instruction from the registered pledgee of an uncertificated security, the issuer shall:

(a) Register the transfer of the security to the new owner free of pledge, if the instruction specifies a new owner (who may be the registered pledgee) and does not specify a pledgee;

(b) Register the transfer of the security to the new owner subject to the interest of the existing pledgee, if the instruction specifies a new owner and the existing pledgee; or

(c) Register the release of the security from the existing pledge and register the pledge of the security to the other pledgee, if the instruction specifies the existing owner and another pledgee.

(5) Continuity of perfection of a security interest is not broken by registration of transfer under subsection (4)(b) of this section or by registration of release and pledge under subsection (4)(c) of this section, if the security interest is assigned.

(6) If an uncertificated security is subject to a registered pledge:

(a) Any uncertificated securities issued in exchange for or distributed with respect to the pledged security shall be registered subject to the pledge;

(b) Any certificated securities issued in exchange for or distributed with respect to the pledged security shall be delivered to the registered pledgee; and

(c) Any money paid in exchange for or in redemption of part or all of the security shall be paid to the registered pledgee.

(7) Nothing in this Article shall be construed to affect the liability of the registered owner of a security for calls, assessments, or the like.

Section 24. KRS 355.8-208 is amended to read as follows:

(1) A person placing his signature upon a *certificated* security *or an initial transaction statement* as authenticating trustee, registrar, transfer agent, or the like, warrants to a purchaser for value *of the certificated security or a purchaser for value of an uncertificated security to whom the initial transaction statement has been sent, if the purchaser is* without notice of the particular defect, that:

(a) The *certificated* security *or initial transaction statement* is genuine; [~~and~~]

(b) His own participation in the issue *or registration of the transfer, pledge or release* of the security is within his capacity and within the scope of the *authority* [~~authorization~~] received by him from the issuer; and

(c) He has reasonable grounds to believe that the security is in the form and within the amount the issuer is authorized to issue.

(2) Unless otherwise agreed, a person by so placing his signature does not assume responsibility for the validity of the security in other respects.

Section 25. The title of Part 3 of KRS Chapter 355.8 is amended to read as follows:

Part 3. *Transfer* [~~Purchase~~]

Section 26. KRS 355.8-301 is amended to read as follows:

(1) Upon *transfer* [~~delivery~~] of a security *to a purchaser (KRS 355.8-313)* the purchaser acquires the rights in the security which his transferor had or had actual authority to convey *unless the purchaser's rights are limited by KRS 355.8-302(4)* [~~except that a purchaser who has himself been a party to any fraud or illegality affecting the security or who as a prior holder had notice of an adverse claim cannot improve his position by taking from a later bona fide purchaser. "Adverse claim" includes a claim that a transfer was or would be wrongful or that a particular person is the owner of or has an interest in the security~~].

(2) [~~A bona fide purchaser in addition to acquiring the rights of a purchaser also acquires the security free of any adverse claim.~~

~~(3)~~] A *transferee* [~~purchaser~~] of a limited interest acquires rights only to the extent of the interest *transferred* [~~purchased~~]. *The creation or release of a security interest in a security is the transfer of a limited interest in that security.*

Section 27. KRS 355.8-302 is amended to read as follows:

(1) A "bona fide purchaser" is a purchaser for value in good faith and without notice of any adverse claim*:*

(a) Who takes delivery of a *certificated* security in bearer form or [~~of one~~] in registered form, issued [~~to him~~] or indorsed to him or in blank*;*

(b) To whom the transfer, pledge or release of an uncertificated security is registered on the books of the issuer; or

(c) To whom a security is transferred under the provisions of paragraph (c), (d)(i), or (g) of KRS 355.8-313(1).

(2) "Adverse claim" includes a claim that a transfer was or would be wrongful or that a particular adverse person is the owner of or has an interest in the security.

(3) A bona fide purchaser in addition to acquiring the rights of a purchaser (KRS 355.8-301) also acquires his interest in the security free of any adverse claim.

(4) Notwithstanding KRS 355.8-301(1), the transferee of a particular certificated security who has been a party to any fraud or illegality affecting the security, or who as a prior holder of that certificated security had notice of an adverse claim, cannot improve his position by taking from a bona fide purchaser.

Section 28. KRS 355.8-304 is amended to read as follows:

(1) A purchaser (including a broker for the seller or buyer but excluding an intermediary bank) of a *certificated* security is charged with notice of adverse claims if*:*

(a) The security, whether in bearer or registered form, has been *indorsed* [~~endorsed~~] "for collection" of "for surrender" or for some other purpose not involving transfer; or

(b) The security is in bearer form and has on it an unambiguous statement that it is the property of a person other than the transferor. The mere writing of a name on a security is not such a statement.

(2) *A purchaser (including a broker for the seller or buyer, but excluding an intermediary bank) to whom the transfer, pledge, or release of an uncertificated security is registered is charged with notice of adverse claims as to which the issuer has a duty under KRS 355.8-403(4) at the time of registration and which are noted in the initial transaction statement sent to the purchaser or, if his interest is transferred to him other than by registration of transfer, pledge, or release, the initial transaction statement sent to the registered owner or the registered pledgee.*

(3) The fact that the purchaser (including a broker for the seller or buyer) *of a certificated or uncertificated*

security has notice that the security is held for a third person or is registered in the name of or indorsed by a fiduciary does not create a duty of inquiry into the rightfulness of the transfer or constitute *constructive* notice of adverse claims. [~~If,~~] However, *if* the purchaser (excluding an intermediary bank) has knowledge that the proceeds are being used or [~~that~~] the transaction is for the individual benefit of the fiduciary or otherwise in breach of duty, the purchaser is charged with notice of adverse claims.

Section 29. KRS 355.8-305 is amended to read as follows:

(1) An act or event *that* [~~which~~] creates a right to immediate performance of the principal obligation *represented* [~~evidenced~~] by *a certificated* [~~the~~] security or [~~which~~] sets a date on or after which *a certificated* [~~the~~] security is to be presented or surrendered for redemption or exchange does not [~~of~~] itself constitute any notice of adverse claims except in the case of a *transfer:* [~~purchase~~]

(a) After one year from any date set for [~~such~~] presentment or surrender for redemption or exchange; or

(b) After six months from any date set for payment of money against presentation or surrender of the security if funds are available for payment on that date.

Section 30. KRS 355.8-306 is amended to read as follows:

(1) A person who presents a *certificated* security for registration of transfer or for payment or exchange warrants to the issuer that he is entitled to the registration, payment or exchange. But, a purchaser for value *and* without notice of adverse claims who receives a new, reissued or re-registered *certificated* security *on* [~~or~~] registration of transfer *or receives an initial transaction statement confirming the registration of transfer of an equivalent uncertificated security to him* warrants only that he has no knowledge of any unauthorized signature (KRS 355.8-311) in a necessary indorsement.

(2) A person by transferring a *certificated* security to a purchaser for value warrants only that:

(a) His transfer is effective and rightful; [~~and~~]

(b) The security is genuine and has not been materially altered; and

(c) He knows *of* no fact which might impair the validity of the security.

(3) *If* [~~Where~~] a *certificated* security is delivered by an intermediary known to be entrusted with delivery of the security on behalf of another or with collection of a draft or other claim against [~~such~~] delivery, the intermediary by [~~such~~] delivery warrants only his own good faith and authority, even though he has purchased or made advances against the claim to be collected against the delivery.

(4) A pledgee or other holder for security who redelivers *a certificated* [~~the~~] security received, or after payment and on order of the debtor delivers that security to a third person, makes only the warranties of an intermediary under subsection (3).

(5) *A person who originates an instruction warrants to the issuer that:*

(a) He is an appropriate person to originate the instruction; and

(b) At the time the instruction is presented to the issuer he will be entitled to the registration of transfer, pledge, or release.

(6) A person who originates an instruction warrants to any person specially guaranteeing his signature (KRS 355.8-312(3) that:

(a) He is an appropriate person to originate the instruction; and

(b) At the time the instruction is presented to the issuer:

1. He will be entitled to the registration of transfer, pledge, or release; and

2. The transfer, pledge, or release requested in the instruction will be registered by the issuer free from all liens, security interests, restrictions, and claims other than those specified in the instruction.

(7) A person who originates an instruction warrants to a purchaser for value and to any person guaranteeing the instruction (KRS 355.8-312(6) that:

(a) He is an appropriate person to originate the instruction;

(b) The uncertificated security referred to therein is valid; and

(c) At the time the instruction is presented to the issuer:

1. The transferor will be entitled to the registration of transfer, pledge, or release;

2. The transfer, pledge, or release requested in the instruction will be registered by the issuer free from all liens, security interests, restrictions, and claims other than those specified in the instruction; and

3. The requested transfer, pledge, or release will be rightful.

(8) If a secured party is the registered pledgee or the registered owner of an uncertificated security, a person who originates an instruction of release or transfer to the debtor or, after payment and on order of the debtor, a transfer instruction to a third person, warrants to the debtor or the third person only that he is an appropriate person to originate the instruction and at the time the instruction is presented to the issuer, the transferor will be entitled to the registration of release or transfer. If a transfer instruction to a third person who is a purchaser for value is originated on order of the debtor, the debtor makes to the purchaser the warranties of paragraphs (b), (c)2. and (c)3. of subsection (7) of this section.

(9) A person who transfers an uncertificated security to a purchaser for value and does not originate an instruction in connection with the transfer warrants only that:

(a) His transfer is effective and rightful; and

(b) The uncertificated security is valid.

(10) A broker gives to his customer and to the issuer and a purchaser the *applicable* warranties provided in this section and has the rights and privileges of a purchaser under this section. The warranties of and in favor of the broker acting as an agent are in addition to applicable warranties given by and in favor of his customer.

Section 31. KRS 355.8-307 is amended to read as follows:

If [~~Where~~] a *certificated* security in registered form has been delivered to a purchaser without a necessary indorsement he may become a bona fide purchaser only as of the time the indorsement is supplied;[~~,~~] but against the transferor the transfer is complete upon delivery and the purchaser has a specifically enforceable right to have any necessary indorsement supplied.

Section 32. KRS 355.8-308 is amended to read as follows:

(1) An indorsement of a *certificated* security in registered form is made when an appropriate person signs on it or on a separate document an assignment or transfer of the security or a power to assign or transfer it or *his* [~~when the~~] signature [~~of such person~~] is written without more upon the back of the security.

(2) An indorsement may be in blank or special. An indorsement in blank includes an indorsement to bearer. A special indorsement specifies [~~the person~~] to whom the security is to be transferred, or who has power to transfer it. A holder may convert a blank indorsement into a special indorsement.

(3) *An indorsement purporting to be only of part of a certificated security representing units intended by the issuer to be separately transferable is effective to the extent of the indorsement.*

(4) An "instruction" is an order to the issuer of an uncertificated security requesting that the transfer, pledge, or release from pledge of the uncertificated security specified therein be registered.

(5) An instruction originated by an appropriate person is:

(a) A writing signed by an appropriate person; or

(b) A communication to the issuer in any form agreed upon in a writing signed by the issuer and an appropriate person.

If an instruction has been originated by an appropriate person but is incomplete in any other respect, any person may complete it as authorized and the issuer may rely on it as completed even though it has been completed incorrectly.

(6) "An appropriate person" in subsection (1) means

[~~(a)~~] the person specified by the *certificated* security or by special indorsement to be entitled to the security.[~~; or~~]

(7) "An appropriate person" in subsection (5) of this section means:

(a) For an instruction to transfer or pledge an uncertificated security which is then not subject to a registered pledge, the registered owner; or

(b) For an instruction to transfer or release an uncertificated security which is then subject to a registered pledge, the registered pledgee.

(8) In addition to the persons designated in subsections (6) and (7) of this section, "an appropriate person" in subsections (1) and (5) includes:

(a) If [~~(b) where~~] the person *designated* [~~so specified~~] is described as a fiduciary but is no longer serving in the described capacity, [—] either that person or his successor; [~~or~~]

(b) If [~~(c) where~~] the *persons designated are described as* [~~security or indorsement so specifies~~] more than one person as fiduciaries and one or more are no longer serving in the described capacity, [—] the remaining fiduciary or fiduciaries, whether or not a successor has been appointed or qualified; [~~or~~]

(c) If [~~(d) where~~] the person *designated* [~~so specified~~] is an individual and is without capacity to act by virtue of death, incompetence, infancy, or otherwise, [—] his executor, administrator, guardian, or like fiduciary; [~~or~~]

(d) If [~~(e) where~~] the *persons designated are described as* [~~security or indorsement so specifies~~] more than one person as tenants by the entirety or with right of survivorship and by reason of death all cannot sign, [—] the survivor or survivors; [~~or~~]

(e)[~~(f)~~] A person having power to sign under applicable law or controlling instrument; *and* [~~or~~]

(f)[~~(g)~~] To the extent that *the person designated or* any of the foregoing persons may act through an agent, [—] his authorized agent.

(9)[~~(4)~~] Unless otherwise agreed, the indorser *of a certificated security* by his indorsement *or the originator of an instruction by his origination* assumes no obligation that the security will be honored by the issuer *but only the obligations provided in KRS 355.8-306.*

[~~(5) An indorsement purporting to be only of part of a security representing units intended by the issuer to be separately transferable is effective to the extent of the indorsement.~~]

(10)[~~(6)~~] Whether the person signing is appropriate is determined as of the date of signing and an indorsement *made by or an instruction originated* by *him* [~~such a person~~] does not become unauthorized for the purposes of this article by virtue of any subsequent change of circumstances.

(11)[~~(7)~~] Failure of a fiduciary to comply with a controlling instrument or with the law of the state having jurisdiction of the fiduciary relationship, including any law requiring the fiduciary to obtain court approval of

the transfer, *pledge, or release,* does not render his indorsement *or an instruction originated by him* unauthorized for the purposes of this article.

Section 33. KRS 355.8-309 is amended to read as follows:

An indorsement of a *certificated* security, whether special or in blank, does not constitute a transfer until delivery of the *certificated* security on which it appears or, if the indorsement is on a separate document, until delivery of both the document and the *certificated* security.

Section 34. KRS 355.8-310 is amended to read as follows:

An indorsement of a *certificated* security in bearer form may give notice of adverse claims (KRS 355.8-304) but does not otherwise affect any right to registration the holder *possesses* [~~may possess~~].

Section 35. KRS 355.8-311 is amended to read as follows:

[~~(1)~~] Unless the owner *or pledgee* has ratified an unauthorized indorsement *or instruction* or is otherwise precluded from asserting its ineffectiveness:

(1)[~~(a)~~] He may assert its ineffectiveness against the issuer or any purchaser, other than a purchaser for value and without notice of adverse claims, who has in good faith received a new, reissued, or re-registered *certificated* security on registration of transfer *or received an initial transaction statement confirming the registration of transfer, pledge, or release of an equivalent uncertificated security to him*; and

(2)[~~(b)~~] An issuer who registers the transfer of a *certificated* security upon the unauthorized indorsement *or who registers the transfer, pledge, or release of an uncertificated security upon the unauthorized instruction* is subject to liability for improper registration (KRS 355.8-404).

Section 36. KRS 355.8-312 is amended to read as follows:

(1) Any person guaranteeing a signature of an indorser of a *certificated* security warrants that at the time of signing*:*

(a) The signature was genuine; [~~and~~]

(b) The signer was an appropriate person to indorse (KRS 355.8-308); and

(c) The signer had legal capacity to sign.

(2) Any person guaranteeing a signature of the originator of an instruction warrants that at the time of signing:

(a) The signature was genuine;

(b) The signer was an appropriate person to originate the instruction (KRS 355.8-308) if the person specified in the instruction as the registered owner or registered pledgee of the uncertificated security was, in fact, the registered owner or registered pledgee of such security, as to which fact the signature guarantor makes no warranty;

(c) The signer had legal capacity to sign; and

(d) The taxpayer identification number, if any, appearing on the instruction as that of the registered owner or registered pledgee was the taxpayer identification number of the signer or of the owner or pledgee for whom the signer was acting.

(3) Any person specially guaranteeing the signature of the originator of an instruction makes not only the warranties of a signature guarantor (subsection (2)) but also warrants that at the time the instruction is presented to the issuer:

(a) The person specified in the instruction as registered owner or registered pledgee of the uncertificated security will be the registered owner or registered pledgee; and

(b) The transfer, pledge, or release of the uncertificated security requested in the instruction will be registered by the issuer free from all liens, security interests, restrictions, and claims other than those specified in the instruction.

(4) [~~But~~] The guarantor *under subsection (1) and (2) or the special guarantor under subsection (3)* does not otherwise warrant the rightfulness of the particular transfer, *pledge or release.*

(5)[~~(2)~~] Any person *guaranteeing* [~~may guarantee~~] an indorsement of a *certificated* security *makes not only the warranties of a signature guarantor under subsection (1)* [~~and by so doing warrants not only the signature (subsection (1))~~] but also *warrants* the rightfulness of the particular transfer in all respects. [~~But no issuer may require a guarantee of indorsement as a condition to registration of transfer~~].

(6) Any person guaranteeing an instruction requesting the transfer, pledge, or release of an uncertificated security makes not only the warranties of a special signature guarantor under subsection (3) but also warrants the rightfulness of the particular transfer, pledge, or release in all respects.

(7) No issuer may require a special guarantee or signature (subsection (3)), a guarantee of indorsement (subsection (5)), or a guarantee of instruction (subsection (6)) as a condition to registration of transfer, pledge or release.

(8)[~~(3)~~] The foregoing warranties are made to any person taking or dealing with the security in reliance on the guarantee and the guarantor is liable to *the* [~~such~~] person for any loss resulting from breach of the warranties.

Section 37. KRS 355.8-313 is amended to read as follows:

(1) *Transfer of a security or a limited interest (including a security interest) therein* [~~Delivery~~] to a purchaser occurs *only:* [~~when~~]

(a) *At the time* he or a person designated by him acquires possession of a *certificated* security; [~~or~~]

(b) At the time the transfer, pledge, or release of an uncertificated security is registered to him or a person designated by him;

(c)[~~(b)~~] *At the time* his *financial intermediary* [~~broker~~] acquires possession of a *certificated* security specially indorsed to or issued in the name of the purchaser; [~~or~~]

(d)[~~(c)~~] *At the time a financial intermediary, not a clearing corporation,* [~~his broker~~] sends him confirmation of the purchase and also by book entry or otherwise identifies [~~a specific security in the broker's possession~~] as belonging to the purchaser*:*[~~; or~~]

1. A specific certificated security in the financial intermediary's possession;

2. A quantity of securities that constitute or are part of a fungible bulk of certificated securities in the financial intermediary's possession or of uncertificated securities registered in the name of the financial intermediary; or

3. A quantity of securities that constitute or are part of a fungible bulk of securities shown on the account of the financial intermediary on the books of another financial intermediary;

(e)[~~(d)~~] With respect to an identified *certificated* security to be delivered while still in the possession of a third person, *not a financial intermediary, at the time* [~~when~~] that person acknowledges that he holds for the purchaser; [~~or~~]

(f) With respect to a specific uncertificated security the pledge or transfer of which has been registered to a third person, not a financial intermediary, at the time that person acknowledges that he holds for the purchaser;

(g)[(e)] *At the time* appropriate entries *to the account of the purchaser or a person designated by him* on the books of a clearing corporation are made under KRS 355.8-320*;*[~~.~~]

(h) With respect to the transfer of a security interest where the debtor has signed a security agreement containing a description of the security, at the time a written notification, which, in the case of the creation of the security interest, is signed by the debtor (which may be a copy of the security agreement) or which, in the case of the release or assignment of the security interest created pursuant to this paragraph, is signed by the secured party, is received by:

1. A financial intermediary on whose books the interest of the transferor in the security appears;

2. A third person, not a financial intermediary, in possession of the security, if it is certificated;

3. A third person, not a financial intermediary, who is the registered owner of the security, if it is uncertificated and not subject to a registered pledge; or

4. A third person, not a financial intermediary, who is the registered pledgee of the security, if it is uncertificated and subject to a registered pledge;

(i) With respect to the transfer of a security interest where the transferor has signed a security agreement containing a description of the security, at the time new value is given by the secured party; or

(j) With respect to the transfer of a security interest where the secured party is a financial intermediary and the security has already been transferred to the financial intermediary under paragraphs (a), (b), (c), (d), or (g) of this subsection, at the time the transferor has signed a security agreement containing a description of the security and value is given by the secured party.

(2) The purchaser is the owner of a security held for him by *a financial intermediary* [~~his broker~~], but *cannot be a bonafide purchaser of a security so held* [~~is not the holder~~] except *in the circumstances* [~~as~~] specified in *paragraphs* [~~subparagraphs (b),~~] (c), *(d)1.* and *(g)* [~~(e)~~] of subsection (1). *If* [~~Where~~] a security *so held* is part of a fungible bulk, *as in the circumstances specified in paragraphs (d)2. and (d)3. of subsection (1),* the purchaser is the owner of a proportionate property interest in the fungible bulk.

(3) Notice of an adverse claim received by the *financial intermediary* [~~broker~~] or by the purchaser after the *financial intermediary* [~~broker~~] takes delivery *of a certificated security* as a holder for value *or after the transfer, pledge, or release of an uncertificated security has been registered free of the claim to a financial intermediary who has given value* is not effective either as to the *financial intermediary* [~~broker~~] or as to the purchaser. However, as between the *financial intermediary* [~~broker~~] and the purchaser the purchaser may demand *transfer* [~~delivery~~] of [~~an~~] equivalent security as to which no notice of [~~an~~] adverse claim has been received.

(4) A "financial intermediary" is a bank, broker, clearing corporation or other person (or the nominee of any of them) which in the ordinary course of its business maintains security accounts for its customers and is acting in that capacity. A financial intermediary may have a security interest in securities held in account for its customer.

Section 38. KRS 355.8-314 is amended to read as follows:

(a) The selling customer fulfills his duty to *transfer at the time* [~~deliver when~~] he*:*

2. Causes an uncertificated security to be registered in the name of the selling broker or a person designated by the broker;

3. If requested, causes an acknowledgement to be made to the selling broker that a certificated or uncertificated security is held for the broker; or

4. Places in the possession of the selling broker or of a person designated by the broker a transfer instruction for an uncertificated security, providing the issuer does not refuse to register the requested transfer if the instruction is presented to the issuer for registration within thirty (30) days thereafter; and

(b) The selling broker, including a correspondent broker acting for a selling customer, fulfills his duty to *transfer at the time he:*

1. Places a certificated [~~deliver by placing the~~] security [~~or a like security~~] in the possession of the buying broker or a person designated by *the buying broker:*

2. Causes an uncertificated security to be registered in the name of the buying broker or a person designated by the buying broker;

3. Places in the possession of the buying broker or of a person designated by the buying broker a transfer instruction for an uncertificated security, providing the issuer does not refuse to register the requested transfer if the instruction is presented to the issuer for registration within thirty (30) days thereafter; or

4. Effects [~~him or by effecting~~] clearance of the sale in accordance with the rules of the exchange on which the transaction took place.

(2) Except as [~~otherwise~~] provided in this section and unless otherwise agreed, a transferor's duty to *transfer* [~~deliver~~] a security under a contract of purchase is not fulfilled until he:

(b) Causes an uncertificated security to be registered in the name of the purchaser or a person designated by the purchaser; or

(3) Unless made on an exchange, a sale to a broker purchasing for his own account is within [~~this~~] subsection *(2)* and not within subsection (1).

Section 39. KRS 355.8-315 is amended to read as follows:

(1) Any person against whom the transfer of a security is wrongful for any reason, including his incapacity, *as* [~~may~~] against anyone except a bona fide purchaser, *may:*

(a) Reclaim possession of the *certificated* security *wrongfully transferred;* [~~or~~]

(b) Obtain possession of any *certificated* new security *representing* [~~evidencing~~] all or part of the same rights;

(c) Compel the origination of an instruction to transfer to him or a person designated by him an uncertificated security constituting all or part of the same rights; or

(d) Have damages.

(2) If the transfer is wrongful because of an unauthorized indorsement *of a certificated security,* the owner may also reclaim or obtain possession of the security or *a* new *certificated* security, even from a bona fide purchaser, if the ineffectiveness of the purported indorsement can be asserted against him under the provisions of this Article on unauthorized indorsements (KRS 355.8-311).

(3) The right to obtain or reclaim possession of a *certificated* security *or to compel the origination of a transfer instruction* may be specifically enforced and *the* [~~its~~] transfer *of a certificated or uncertificated security* enjoined and *a certificated* [~~the~~] security impounded pending the litigation.

Section 40. KRS 355.8-316 is amended to read as follows:

Unless otherwise agreed the transferor *of a certificated security or the transferor, pledgor, or pledgee of an uncertificated security* [~~must~~] on due demand *must* supply his purchaser with any proof of his authority to transfer, *pledge, or release* or with any other requisite [~~which may be~~] necessary to obtain registration of the transfer, *pledge, or release* of the security*;* but if the transfer, *pledge, or release* is not for value, a transferor, *pledgor, or pledgee* need not do so unless the purchaser furnishes the necessary expenses. Failure *within a reasonable time* to comply with a demand made [~~within a reasonable time~~] gives the purchaser the right to reject or rescind the transfer, *pledge, or release.*

Section 41. KRS 355.8-317 is amended to read as follows:

(1) *Subject to the exceptions in subsections (3) and (4),* no attachment or levy upon a *certificated* security or any share or other interest *represented* [~~evidenced~~] thereby which is outstanding *is* [~~shall be~~] valid until the security is actually seized by the officer making the attachment or levy, but a *certificated* security which has been surrendered to the issuer may be *reached by a creditor by legal process at the issuer's chief executive office in the United States or at its registered office in Kentucky* [~~attached or levied upon at the source~~].

(2) An uncertificated security registered in the name of the debtor may not be reached by a creditor except by legal process at the issuer's chief executive office in the United States or at its registered office in Kentucky.

(3) The interest of a debtor in a certificated security that is in the possession of a secured party not a financial intermediary or in an uncertificated security registered in the name of a secured party not a financial intermediary (or in the name of a nominee of the secured party) may be reached by a creditor by legal process upon the secured party.

(4) The interest of a debtor in a certificated security that is in the possession of or registered in the name of a financial intermediary or in an uncertificated security registered in the name of a financial intermediary may be reached by a creditor by legal process upon the financial intermediary on whose books the interest of the debtor appears.

(5) Unless other provided by law, a creditor's lien upon the interest of a debtor in a security obtained pursuant to subsection (3) or (4) is not a restraint on the transfer of the security, free of the lien, to a third party for new value; but in the event of a transfer, the lien applies to the proceeds of the transfer in the hands of the secured party or financial intermediary, subject to any claims having priority.

(6)[~~(2)~~] A creditor whose debtor is the owner of a security *is* [~~shall be~~] entitled to [~~such~~] aid from courts of appropriate jurisdiction, by injunction or otherwise, in reaching *the* [~~such~~] security or in satisfying the claim by means [~~thereof as is~~] allowed at law or in equity in regard to property *that* [~~which~~] cannot readily be *reached* [~~attached or levied upon~~] by ordinary legal process.

Section 42. KRS 355.8-318 is amended to read as follows:

An agent or bailee who in good faith (including observance of reasonable commercial standards if he is in the business of buying, selling, or otherwise dealing with securities) has received *certificated* securities and sold, pledged, or delivered them *or has sold or caused the transfer or pledge of uncertificated securities over which he had control* according to the instructions of his principal, is not liable for conversion or for participation in breach of fiduciary duty although the principal had no right *so* to *deal with the securities* [~~dispose of them~~].

Section 43. KRS 355.8-319 is amended to read as follows:

(1) A contract for the sale of securities is not enforceable by way of action or defense unless

(a) There is some writing signed by the party against whom enforcement is sought or by his authorized agent or broker, sufficient to indicate that a contract has been made for sale of a stated quantity of described securities at a defined or stated price; [~~or~~]

(b) Delivery of *a certificated* [~~the~~] security *or transfer instruction* has been accepted, *or transfer of an uncertificated security has been registered and the transferee has failed to send written objection to the issuer within ten (10) days after receipt of the initial transaction statement confirming the registration,* or payment has been made, but the contract is enforceable under this provision only to the extent of *the* [~~such~~] delivery, *registration* or payment; [~~or~~]

(c) Within a reasonable time a writing in confirmation of the sale or purchase and sufficient against the sender under paragraph (a) has been received by the party against whom enforcement is sought and he has failed to send written objection to its contents within ten days after its receipt; or

(d) The party against whom enforcement is sought admits in his pleading, testimony, or otherwise in court that a contract was made for *the* sale of a stated quantity of described securities at a defined or stated price.

Section 44. KRS 355.8-320 is amended to read as follows:

(1) *In addition to other methods, a transfer, pledge, or release of a security or any interest therein may be effected by the making of appropriate entries on the books of a clearing corporation reducing the account of the transferee, pledgor, or pledgee by the amount of the obligation, or the number of shares or rights transferred, pledged, or released, if the security is shown on the account of a transferor, pledgor, or pledgee on the books of the clearing corporation; is subject to the control of the clearing corporation; and*

(a) If *certificated,* [~~a security~~]

1.[~~(a)~~] Is in the custody of *the* [~~a~~] clearing corporation, *another clearing corporation,* [~~or of~~] a custodian bank or a nominee of *any of them* [~~either subject to the instructions of the clearing corporation~~]; and

2.[~~(b)~~] Is in bearer form or indorsed in blank by an appropriate person or registered in the name of the clearing corporation, *a* [~~or~~] custodian bank, or a nominee of *any of them; or* [~~either; and~~]

(b) If uncertificated, is registered in the name of the clearing corporation, another clearing corporation, a custodian bank, or a nominee of any of them.

[~~(c) is shown on the account of a transferor or pledgor on the books of the clearing corporation; then, in addition to other methods, a transfer or pledge of the security or any interest therein may be effected by the making of appropriate entries on the books of the clearing corporation reducing the account of the transferor or pledgor and increasing the account of the transferee or pledgee by the amount of the obligation or the number of shares or rights transferred or pledged.~~]

(2) Under this section entries may be *made* with respect to like securities or interests therein as a part of a fungible bulk and may refer merely to a quantity of a particular security without reference to the name of the registered owner, certificate or bond number, or the like, and, in appropriate cases, may be on a net basis taking into account other transfers, [~~or~~] pledges, *or releases* of the same security.

(3) A transfer [~~or pledge~~] under this section *is effective (KRS 355.8-313) and the purchaser acquires the rights of the transferor (KRS 355.8-301). A pledge or release under this section is the transfer of a limited interest* [~~has the effect of a delivery of a security in bearer form or duly indorsed in blank (KRS 355.8-301) representing the amount of the obligation or the number of shares or rights transferred or pledged~~]. If a pledge or the creation of a security interest is intended, *the security interest is perfected at the time when both value is given by the pledgee and the appropriate entries are made (KRS 355.8-321)* [~~the making of entries has the effect of a taking of delivery by the pledgee or a secured party (KRS 355.9-304 and 355.9-305)~~]. A transferee or pledgee under this section *may be a bona fide purchaser (KRS 355.8-302)* [~~is a holder~~].

(4) A transfer or pledge under this section *is* [~~does~~] not [~~constitute~~] a registration of transfer under Part 4 [~~of this article~~].

(5) That entries made on the books of the clearing corporation as provided in subsection (1) are not appropriate does not affect the validity or effect of the entries *or* [~~nor~~] the liabilities or obligations of the clearing corporation to any person adversely affected thereby.

SECTION 45. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

(1) A security interest in a security is enforceable and can attach only if it is transferred to the secured party or a person designated by him pursuant to a provision of KRS 355.8-313(1).

(2) A security interest so transferred pursuant to agreement by a transferor who has rights in the security to a transferee who has given value is a perfected security interest, but a security interest that has been transferred

solely under paragraph (1) of KRS 355.8-313(1) becomes unperfected after twenty-one (21) days unless, within that time, the requirements for transfer under any other provision of KRS 355.8-313(1) are satisfied.

(3) A security interest in a security is subject to the provisions of article 9, but:

(a) No filing is required to perfect the security interest; and

(b) No written security agreement signed by the debtor is necessary to make the security interest enforceable, except as otherwise provided in paragraph (h), (i), or (j) of KRS 355.8-313(1). The secured party has the rights and duties provided under KRS 355.9-207, to the extent they are applicable, whether or not the security is certificated, and, if certificated, whether or not it is in his possession.

(4) Unless otherwise agreed, a security interest in a security is terminated by transfer to the debtor or a person designated by him pursuant to a provision of KRS 355.8-313(1). If a security is thus transferred, the security interest, if not terminated, becomes unperfected unless the security is certificated and is delivered to the debtor for the purpose of ultimate sale or exchange or presentation, collection, renewal, or registration of transfer. In that case, the security interest becomes unperfected after twenty-one (21) days unless, within that time, the security (or securities for which it has been exchanged) is transferred to the secured party or a person designated by him pursuant to a provision of KRS 355.8-313(1).

Section 46. KRS 355.8-401 is amended to read as follows:

(1) *If* [~~Where~~] a *certificated* security in registered form is presented to the issuer with a request to register transfer *or an instruction is presented to the issuer with a request to register transfer, pledge, or release*, the issuer *shall* [~~is under a duty to~~] register the transfer, *pledge or release* as requested if*:*

(a) The security is indorsed *or the instruction was originated* by the appropriate person or persons (KRS 355.8-308); [~~and~~]

(b) Reasonable assurance is given that those indorsements *or instructions* are genuine and effective (KRS 355.8-402); [~~and~~]

(c) The issuer has no duty *as to* [~~inquire into~~] adverse claims or has discharged *the* [~~any such~~] duty (KRS 355.8-403); [~~and~~]

(d) Any applicable law relating to the collection of taxes has been complied with; and

(e) The transfer, *pledge, or release* is in fact rightful or is to a bona fide purchaser.

(2) *If* [~~Where~~] an issuer is under a duty to register a transfer, *pledge, or release* of a security, the issuer is also liable to the person presenting *a certificated security or an instruction* [~~it~~] for registration or his principal for loss resulting from any unreasonable delay in registration or from failure or refusal to register the transfer, *pledge, or release.*

Section 47. KRS 355.8-402 is amended to read as follows:

(1) The issuer may require the following assurance that each necessary indorsement *of a certificated security or each instruction* (KRS 355.8-308) is genuine and effective*:*

(a) In all cases, a guarantee of the signature ([~~subsection (1) of~~] KRS 355.8-312*(1) or (2)*) of the person indorsing *a certificated security or originating an instruction including, in the case of an instruction, a warranty of the taxpayer identification number or, in the absence thereof, other reasonable assurance of identity*; [~~and~~]

(b) *If* [~~Where~~] the indorsement is *made or the instruction is originated* by an agent, appropriate assurance of authority to sign;

(c) *If* [~~Where~~] the indorsement is *made or the instruction is originated* by a fiduciary, appropriate evidence of appointment or incumbency;

(d) *If* [~~Where~~] there is more than one fiduciary, reasonable assurance that all who are required to sign have done so; *and*

(e) *If* [~~Where~~] the indorsement is *made or the instruction is originated* by a person not covered by any of the foregoing, assurance appropriate to the case corresponding as nearly as may be to the foregoing.

(2) A "guarantee of the signature" in subsection (1) means a guarantee signed by or on behalf of a person reasonably believed by the issuer to be responsible. The issuer may adopt standards with respect to responsibility *if they* [~~provided such standards~~] are not manifestly unreasonable.

(3) "Appropriate evidence of appointment or incumbency" in subsection (1) means*:*

(a) In the case of a fiduciary appointed or qualified by a court, a certificate issued by or under the direction or supervision of that court or an officer thereof and dated within sixty days before the date of presentation for transfer*, pledge, or release*; or

(b) In any other case, a copy of a document showing the appointment or a certificate issued by or on behalf of a person reasonably believed by the issuer to be responsible or, in the absence of *that* [~~such a~~] document or certificate, other evidence reasonably deemed by the issuer to be appropriate. The issuer may adopt standards with respect to *the* [~~such~~] evidence *if they* [~~provided such standards~~] are not manifestly unreasonable. The issuer is not charged with notice of the contents of any document obtained pursuant to this paragraph (b) except to the extent that the contents relate directly to the appointment or incumbency.

(4) The issuer may elect to require reasonable assurance beyond that specified in this section, but if it does so and, for a purpose other than that specified in subsection 3 (b), both requires and obtains a copy of a will, trust, indenture, articles of copartnership, bylaws, or other controlling instrument, it is charged with notice of all matters contained therein affecting the transfer*, pledge, or release.*

Section 48. KRS 355.8-403 is amended to read as follows:

(1) An issuer to whom a *certificated* security is presented for registration *shall* [~~is under a duty to~~] inquire into adverse claims if*:*

(a) A written notification of an adverse claim is received at a time and in a manner *affording* [~~which affords~~] the issuer a reasonable opportunity to act on it prior to the issuance of a new, re-issued, or re-registered *certificated* security, and the notification identifies the claimant, the registered owner, and the issue of which the security is a part, and provides an address for communications directed to the claimant; or

(b) The issuer is charged with notice of an adverse claim from a controlling instrument [~~which~~] it has elected to require under subsection (4) of KRS 355.8-402.

(2) The issuer may discharge any duty of inquiry by any reasonable means, including notifying an adverse claimant by registered or certified mail at the address furnished by him or, if there be no such address, then at his residence or regular place of business that the *certificated* security has been presented for registration of transfer by a named person, and that the transfer will be registered unless within thirty days from the date of mailing the notification, either*:*

(a) An appropriate restraining order, injunction or other process issues from a court of competent jurisdiction; or

(b) *There is filed with the issuer* an indemnity bond, sufficient in the issuer's judgment to protect the issuer and any transfer agent, registrar, or other agent of the issuer involved[~~,~~] from any loss [~~which~~] it or they may suffer by complying with the adverse claim [~~is filed with the issuer~~].

(3) Unless an issuer is charged with notice of an adverse claim from a controlling instrument which it has elected to require under subsection (4) of KRS 355.8-402 or receives notification of an adverse claim under subsection (1), *if* [~~of this section, where~~] a *certificated* security presented for registration is indorsed by the appropriate person or persons the issuer is under no duty to inquire into adverse claims. In particular*:*

(a) An issuer registering a *certificated* security in the name of a person who is a fiduciary or who is described as a fiduciary is not bound to inquire into the existence, extent, or correct description of the fiduciary relationship and thereafter the issuer may assume without inquiry that the newly registered owner continues to be the fiduciary until the issuer receives written notice that the fiduciary is no longer acting as such with respect to the particular security;

(b) An issuer registering transfer on an indorsement by a fiduciary is not bound to inquire whether the transfer is made in compliance with a controlling instrument or with the law of the state having jurisdiction of the fiduciary relationship, including any law requiring the fiduciary to obtain court approval of the transfer; and

(c) The issuer is not charged with notice of the contents of any court record or file or other recorded or unrecorded document even though the document is in its possession and even though the transfer is made on the indorsement of a fiduciary to the fiduciary himself or to his nominee.

(4) An issuer is under no duty as to adverse claims with respect to an uncertificated security except:

(a) Claims embodied in a restraining order, injunction, or other legal process served upon the issuer if the process was served at a time and in a manner affording the issuer a reasonable opportunity to act on it in accordance with the requirements of subsection (5);

(b) Claims of which the issuer has received a written notification from the registered owner or the registered pledgee if the notification was received at a time and in a manner affording the issuer a reasonable opportunity to act on it in accordance with the requirements of subsection (5) of this section;

(c) Claims (including restrictions on transfer not imposed by the issuer) to which the registration of transfer to the present registered owner was subject and were so noted in the initial transaction statement sent to him; and

(d) Claims as to which an issuer is charged with notice from a controlling instrument it has elected to require under KRS 355.8-402(4).

(5) If the issuer of an uncertificated security is under a duty as to an adverse claim, he discharges that duty by:

(a) Including a notation of the claim in any statements sent with respect to the security under KRS 355.8-408(3), (6), and (7); and

(b) Refusing to register the transfer or pledge of the security unless the nature of the claim does not preclude transfer or pledge subject thereto.

(6) If the transfer or pledge of the security is registered subject to an adverse claim, a notation of the claim must be included in the initial transaction statement and all subsequent statements sent to the transferee and pledgee under KRS 355.8-408.

(7) Notwithstanding subsections (4) and (5), if an uncertificated security was subject to a registered pledge at the time the issuer first came under a duty as to a particular adverse claim, the issuer has no duty as to that claim if transfer of the security is requested by the registered pledgee or an appropriate person acting for the registered pledgee unless:

(a) The claim was embodied in legal process which expressly provides otherwise;

(b) The claim was asserted in a written notification from the registered pledgee;

(c) The claim was one as to which the issuer was charged with notice from a controlling instrument it required under KRS 355.8-402(4) in connection with the pledgee's request for transfer; or

(d) The transfer requested is to the registered owner.

Section 49. KRS 355.8-404 is amended to read as follows:

(1) Except as [~~otherwise~~] provided in any law relating to the collection of taxes, the issuer is not liable to the owner, *pledgee* or any other person suffering loss as a result of the registration of a transfer, *pledge, or release* of a security if:

(a) There were on or with a *certificated* [~~the~~] security the necessary indorsements *or the issuer had received an instruction originated by an appropriate person* (KRS 355.8-308); and

(b) The issuer had no duty *as* to [~~inquire into~~] adverse claims or has discharged *the* [~~any such~~] duty (KRS 355.8-403).

(2) *If* [~~Where~~] an issuer has registered a transfer of a *certificated* security to a person not entitled to it, the issuer on demand *shall* [~~must~~] deliver a like security to the true owner unless*:*

(a) The registration was pursuant to subsection (1); [~~or~~]

(b) The owner is precluded from asserting any claim for registering the transfer under subsection (1) of KRS 355.8-405; or

(c) *The* [~~Such~~] delivery would result in overissue, in which case the issuer's liability is governed by KRS 355.8-104.

(3) If an insurer has improperly registered a transfer, pledge, or release of an uncertificated security, the issuer on demand from the injured party shall restore the records as to the injured party to the condition that would have obtained if the improper registration had not been made unless:

(a) The registration was pursuant to subsection (1); or

(b) The registration would result in overissue, in which case the issuer's liability is governed by KRS 355.8-104.

Section 50. KRS 355.8-405 is amended to read as follows:

(1) *If* [~~Where~~] a *certificated* security has been lost, apparently destroyed, or wrongfully taken, and the owner fails to notify the issuer of that fact within a reasonable time after he has notice of it and the issuer registers a transfer of the security before receiving [~~such a~~] notification, the owner is precluded from asserting against the issuer any claim or registering the transfer under KRS 355.8-404 or any claim to a new security under this section.

(2) *If* [~~Where~~] the owner of a *certificated* security claims that the security has been lost, destroyed, or wrongfully taken, the issuer *shall* [~~must~~] issue a new *certificated* security *or, at the option of the issuer, an equivalent uncertificated security* in place of the original security if the owner*:*

(a) So requests before the issuer has notice that the security has been acquired by a bona fide purchaser; [~~and~~]

(b) Files with the issuer a sufficient indemnity bond; and

(c) Satisfies any other reasonable requirements imposed by the issuer.

(3) If, after the issue of *a* [~~the~~] new *certificated or uncertificated* security, a bona fide purchaser of the original *certificated* security presents it for registration of transfer, the issuer *shall* [~~must~~] register the transfer unless registration would result in overissue, in which event the issuer's liability is governed by KRS 355.8-104. In addition to any rights on the indemnity bond, the issuer may recover the new *certificated* security from the person to whom it was issued or any person taking under him except a bona fide purchaser *or may cancel the uncertificated security unless a bona fide purchaser or any person taking under a bona fide purchaser is then the registered owner or registered pledgee thereof.*

Section 51. KRS 355.8-406 is amended to read as follows:

(1) *If* [~~Where~~] a person acts as authenticating trustee, transfer agent, registrar, or other agent for an issuer in the registration of transfers of its *certificated* securities *or in the registration of transfers, pledges, and releases of its uncertificated securities* or in the issue of new securities, or in the cancellation of surrendered securities*:*

(a) He is under a duty to the issuer to exercise good faith and due diligence in performing his functions; and

(b) [~~he has~~] With regard to the particular functions he performs, *he has* the same obligation to the holder or owner of *a certificated* [~~the~~] security *or to the owner or pledgee of an uncertificated security* and has the same rights and privileges as the issuer has in regard to those functions.

(2) Notice to an authenticating trustee, transfer agent, registrar or other [~~such~~] agent is notice to the issuer with respect to the functions performed by the agent.

SECTION 52. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

(1) No issuer is subject to the requirements of this section unless it regularly maintains a system for issuing the class of securities involved under which both certificated and uncertificated securities are regularly issued to the category of owners, which includes the person in whose name the new security is to be registered.

(2) Upon surrender of a certificated security with all necessary indorsements and presentation of a written request by the person surrendering the security, the issuer, if he has no duty as to adverse claims or has discharged the duty (KRS 355.8-403), shall issue to the person or a person designated by him an equivalent uncertificated security subject to all liens, restrictions, and claims that were noted on the certificated security.

(3) Upon receipt of a transfer instruction originated by an appropriate person who so requests, the issuer of an uncertificated security shall cancel the uncertificated security and issue an equivalent certificated security on which must be noted conspicuously any liens and restrictions of the issuer and any adverse claims (as to which the issuer has a duty under KRS 355.8-403(4)) to which the uncertificated security was subject. The certificated security shall be registered in the name of and delivered to:

(a) The registered owner, if the uncertificated security was not subject to a registered pledge; or

(b) The registered pledgee, if the uncertificated security was subject to a registered pledge.

SECTION 53. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

(1) Within two (2) business days after the transfer of an uncertificated security has been registered, the issuer shall send to the new registered owner and, if the security has been transferred subject to a registered pledge, to the registered pledgee a written statement containing:

(a) A description of the issue of which the uncertificated security is a part;

(b) The number of shares or units transferred;

(c) The name and address and any taxpayer identification number of the new registered owner and, if the security has been transferred subject to a registered pledge, the name and address and any taxpayer identification number of the registered pledgee;

(d) A notation of any liens and restrictions of the issuer and any adverse claims (as to which the issuer has a duty under KRS 355.8-403(4)) to which the uncertificated security is or may be subject at the time of registration or a statement that there are none of those liens, restrictions, or adverse claims; and

(e) The date the transfer was registered.

(2) Within two (2) business days after the pledge of an uncertificated security has been registered, the issuer shall send to the registered owner and the registered pledgee a written statement containing:

(c) The name and address and any taxpayer identification number of the registered owner and the registered pledgee;

(d) A notation of any liens and restrictions of the issuer and any adverse claims (as to which the issuer has a duty under KRS 355.8-403(4)) to which the uncertificated security is or may be subject at the time of registration or a statement that there are none of those liens, restrictions, or adverse claims; and

(e) The date the pledge was registered.

(3) Within two (2) business days after the release from pledge of an uncertificated security has been registered, the issuer shall send to the registered owner and the pledgee whose interest was released a written statement containing:

(e) The date the release was registered.

(4) An "initial transaction statement" is the statement sent to:

(a) The new registered owner and, if applicable, to the registered pledgee pursuant to subsection (1);

(b) The registered pledgee pursuant to subsection (2); or

(c) The registered owner pursuant to subsection (3).

Each initial transaction statement shall be signed by or on behalf of the issuer and must be identified as "Initial Transaction Statement."

(5) Within two (2) business days after the transfer of an uncertificated security has been registered, the issuer shall send to the former registered owner and the former registered pledgee, if any, a written statement containing:

(a) A description of the issue of which the uncertificated security is a part;

(b) The number of shares or units transferred;

(c) The name and address and any taxpayer identification number of the former registered owner and of any former registered pledgee; and

(b) The name and address and any taxpayer identification number of the registered owner;

(c) The name and address and any taxpayer identification number of the registered pledgee;

(d) The number of shares or units subject to the pledge; and

(e) A notation of any liens and restrictions of the issuer and any adverse claims (as to which the issuer has a duty under KRS 355.8-403(4)) to which the uncertificated security is or may be subject or a statement that there are none of those liens, restrictions, or adverse claims.

(8) If the issuer sends the statements described in subsections (6) and (7) of this section at periodic intervals no less frequent than quarterly, the issuer is not obliged to send additional statements upon request unless the owner or pledgee requesting them pays to the issuer the reasonable cost of furnishing them.

(9) Each statement sent pursuant to this section must bear a conspicuous legend reading substantially as follows: "This statement is merely a record of the rights of the addressee as of the time of its issuance. Delivery of this statement, of itself, confers no rights on the recipient. This statement is neither a negotiable instrument nor a security."

Section 54. KRS 355.9-102 is amended to read as follows:

(1) Except as otherwise provided [~~in KRS 355.9-103 on multiple state transactions and~~] in KRS 355.9-104 on excluded transactions, this Article applies*:* [~~so far as concerns any personal property and fixtures within the jurisdiction of this State~~]

(a) To any transaction (regardless of its form) which is intended to create a security interest in personal property or fixtures including goods, documents, instruments, general intangibles, chattel paper, *or* accounts [~~or contract rights~~]; and also

(b) To any sale of accounts[~~, contract rights~~] or chattel paper.

(2) This Article applies to security interests created by contract including pledge, assignment, chattel mortgage, chattel trust, trust deed, factor's lien, equipment trust, conditional sale, trust receipt, other lien or title retention contract and lease or consignment intended as security. This Article does not apply to statutory liens except as provided in KRS 355.9-310.

(3) The application of this Article to a security interest in a secured obligation is not affected by the fact that the obligation is itself secured by a transaction or interest to which this Article does not apply.

Section 55. KRS 355.9-103 is amended to read as follows:

(1) Documents, instruments and ordinary goods.

(a) This subsection applies to documents and instruments and to goods other than those covered by a certificate of title described in subsection (2) of this section, mobile goods described in subsection (3) of this section, and minerals described in subsection (5) of this section.

(b) Except as otherwise provided in this subsection perfection and the effect of perfection or non-perfection of a security interest in collateral are governed by the law of the jurisdiction where the collateral is when the last event occurs on which is based the assertion that the security interest is perfected or unperfected.

(c) If the parties to a transaction creating a purchase money security interest in goods in one (1) jurisdiction understand at the time that the security interest attaches that the goods will be kept in another jurisdiction, then the law of the other jurisdiction governs the perfection and the effect of perfection or non-perfection of the security interest from the time it attaches until thirty (30) days after the debtor receives possession of the goods and thereafter if the goods are taken to the other jurisdiction before the end of the thirty-day period.

(d) When collateral is brought into and kept in this state while subject to a security interest perfected under the law of the jurisdiction from which the collateral was removed, the security interest remains perfected, but if action is required by part 3 of this article to perfect the security interest:

1. If the action is not taken before the expiration of the period of perfection in the other jurisdiction or the end of four (4) months after the collateral is brought into this state, whichever period first expires, the security interest becomes unperfected at the end of that period and is thereafter deemed to have been unperfected as against a person who became a purchaser after removal;

2. If the action is taken before the expiration of the period specified in subparagraph (1), the security interest continues perfected thereafter;

3. For the purpose of priority over a buyer of consumer goods (subsection(2) of KRS 355.9-307), the period of the effectiveness of a filing in the jurisdiction from which the collateral is removed is governed by the rules with respect to perfection in subparagraphs (1) and (2).

(2) Certificate of title.

(a) This subsection applies to goods covered by a certificate of title issued under a statute of this state or of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection.

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or non-perfection of the security interest are governed by the law (including the conflict of laws rules) of the jurisdiction issuing the certificate until four (4) months after the goods are removed from that jurisdiction and thereafter until the goods are registered in another jurisdiction, but in any event not beyond surrender of the certificate. After the expiration of that period, the goods are not covered by the certificate of title within the meaning of this section.

(c) Except with respect to the rights of a buyer described in the next paragraph, a security interest, perfected in another jurisdiction otherwise than by notation on a certificate of title, in goods brought into this state and thereafter covered by a certificate of title issued by this state is subject to the rules stated in paragraph (d) of subsection (1) of this section.

(d) If goods are brought into this state while a security interest therein is perfected in any manner under the law of the jurisdiction from which the goods are removed and a certificate of title is issued by this state and the certificate does not show that the goods are subject to the security interest or that they may be subject to security interests not shown on the certificate, the security interest is subordinate to the rights of a buyer of the goods who is not in the business of selling goods of that kind to the extent that he gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest.

(3) Accounts, general intangibles and mobile goods.

(a) This subsection applies to accounts (other than an account described in subsection (5) of this section on minerals) and general intangibles (other than uncertificated securities) and to goods which are mobile and which are of a type normally used in more than one (1) jurisdiction, such as motor vehicles, trailers, rolling stock, airplanes, shipping containers, road building and construction machinery and commercial harvesting machinery and the like, if the goods are equipment or are inventory leased or held for lease by the debtor to others, and not covered by a certificate of title described in subsection (2).

(b) The law (including the conflict of laws rules) of the jurisdiction in which the debtor is located governs the perfection and the effect of perfection or non-perfection of the security interest.

(c) If, however, the debtor is located in a jurisdiction which is not a part of the United States, and which does not provide for perfection of the security interest by filing or recording in that jurisdiction, the law of the jurisdiction in the United States in which the debtor has its major executive office in the United States governs the perfection and the effect of perfection or non-perfection of the security interest through filing. In the alternative, if the debtor is located in a jurisdiction which is not a part of the United States or Canada and the collateral is accounts or general intangibles for money due or to become due, the security interest may be perfected by notification to the account debtor. As used in this paragraph, "United States" includes its territories and possessions and the Commonwealth of Puerto Rico.

(d) A debtor shall be deemed located at his place of business if he has one, at his chief executive office if he has more than one place of business, otherwise at his residence. If, however, the debtor is a foreign air carrier under the Federal Aviation Act of 1958, as amended, it shall be deemed located at the designated office of the agent upon whom service of process may be made on behalf of the foreign air carrier.

(e) A security interest perfected under the law of the jurisdiction of the location of the debtor is perfected until the expiration of four (4) months after a change of the debtor's location to another jurisdiction, or until perfection would have ceased by the law of the first jurisdiction, whichever period first expires. Unless perfected in the new jurisdiction before the end of that period, it becomes unperfected thereafter and is deemed to have been unperfected as against a person who became a purchaser after the change.

(4) Chattel paper. The rules stated for goods in subsection (1) of this section apply to a possessory security interest in chattel paper. The rules stated for accounts in subsection (3) of this section apply to a non-possessory security interest in chattel paper, but the security interest may not be perfected by notification to the account debtor.

(5) Minerals. Perfection and the effect of perfection or non-perfection of a security interest which is created by a debtor who has an interest in minerals or the like (including oil and gas) before extraction and which attaches thereto as extracted, or which attaches to an account resulting from the sale thereof at the wellhead or minehead are governed by the law (including the conflict of laws rules) of the jurisdiction wherein the wellhead or minehead is located.

(6) Uncertificated securities. The law (including the conflict of laws rules) of the jurisdiction of organization of the issuer governs the perfection and the effect of perfection or non-perfection of a security interest in uncertificated securities.

[~~(1) If the office where the assignor of accounts or contract rights keeps his records concerning them is in this state, the validity and perfection of a security interest therein and the possibility and effect of proper filing is governed by this Article; otherwise by the law (including the conflict of laws rules) of the jurisdiction where such office is located.~~

~~(2) If the chief place of business of a debtor is in this state, this Article governs the validity and perfection of a security interest and the possibility and effect of proper filing with regard to general intangibles or with regard to goods of a type which are normally used in more than one jurisdiction (such as automotive equipment, rolling stock, airplanes, road building equipment, commercial harvesting equipment, construction machinery and the like) if such goods are classified as equipment or classified as inventory by reason of their being leased by the debtor to others. Otherwise, the law (including the conflict of laws rules) of the jurisdiction where such chief place of business is located shall govern. If the chief place of business is located in a jurisdiction which does not provide for perfection of the security interest by filing or recording in that jurisdiction, then the security interest may be perfected by filing in this state.~~

~~(3) If personal property other than that governed by subsections (1) and (2) is already subject to a security interest when it is brought into this state, the validity of the security interest in this state is to be determined by the law (including the conflict of laws rules) of the jurisdiction where the property was when the security interest attached. However, if the parties to the transaction understood at the time that the security interest attached that the property would be kept in this state and it was brought into this state within 30 days after the security interest attached for purposes other than transportation through this state, then the validity of the security interest in this state is to be determined by the law of this state. If the security interest was already perfected under the law of the jurisdiction where the property was when the security interest attached and before being brought into this state, the security interest continues perfected in this state for four months and also thereafter if within the four month period it is perfected in this state. The security interest may also be perfected in this state after the expiration of the four month period; in such case perfection dates from the time of perfection in this state. If the security interest was not perfected under the law of the jurisdiction where the property was when the security interest attached and before being brought into this state, it may be perfected in this state; in such case perfection dates from the time of perfection in this state.~~

~~(4) Notwithstanding subsections (2) and (3), if personal property is covered by a certificate of title issued under a statute of this state or any other jurisdiction which requires indication on a certificate of title of any security interest in the property as a condition of perfection, then the perfection is governed by the law of the jurisdiction which issued the certificate.~~]

Section 56. KRS 355.9-104 is amended to read as follows:

(1) This Article does not apply

(a) To a security interest subject to any statute of the United States [~~such as the Ship Mortgage Act, 1920,~~] to the extent that such statute governs the rights of parties to and third parties affected by transactions in particular types of property; or

(b) To a landlord's lien; or

(c) To a lien given by statute or other rule of law for services or materials except as provided in KRS 355.9-310 on priority of such liens; or

(d) To a transfer of a claim for wages, salary or other compensation of an employe; or

(e) To *a transfer by a government or governmental subdivision or agency* [~~an equipment trust covering railway rolling stock~~]; or

(f) To a sale of accounts[~~, contract rights~~] or chattel paper as part of a sale of the business out of which they arose, or an assignment of accounts[~~, contract rights~~] or chattel paper which is for the purpose of collection only, or a transfer of a [~~contract~~] right to *payment under a contract* an assignee who is also to do the performance under the contract *or a transfer of a single account to an assignee in whole or partial satisfaction of a preexisting indebtedness*; or

(g) To a transfer of an interest or claim in or under any policy of insurance, *except as provided with respect to proceeds (KRS 355.9-306) and priorities in proceeds (KRS 355.9-312)*; or

(h) To a right represented by a judgment *(other than a judgment taken on a right to payment which was collateral)*; or

(i) To any right of set-off; or

(j) Except to the extent that provision is made for fixtures in KRS 355.9-313, to the creation or transfer of an interest in or lien on real estate, including a lease or rents thereunder; or

(k) To a transfer in whole or in part of [~~any of the following:~~] any claim arising out of tort*; or* [~~any deposit, savings, passbook or like account maintained with a bank, savings and loan association, credit union or like organization~~]

(l) To a transfer of an interest in any deposit account (subsection (1) of KRS 355.9-105), except as provided with respect to proceeds (KRS 355.9-306) and priorities in proceeds (KRS 355.9-312).

Section 57. KRS 355.9-105 is amended to read as follows:

(a) "Account debtor" means the person who is obligated on an account, chattel paper[~~, contract right~~] or general intangible;

(b) "Chattel paper" means a writing or writings which evidence both a monetary obligation and a security interest in or a lease of specific goods *but a charter or other contract involving the use or hire of a vessel is not chattel paper.* When a transaction is evidenced both by such a security agreement or a lease and by an instrument or a series of instruments, the group of writings taken together constitutes chattel paper;

(c) "Collateral" means the property subject to a security interest, and includes accounts[~~, contract rights~~] and chattel paper which have been sold;

(d) "Debtor" means the person who owes payment or other performance of the obligation secured, whether or not he owns or has rights in the collateral, and includes the seller of accounts[~~, contract rights~~] or chattel paper. Where the debtor and the owner of the collateral are not the same person, the term "debtor" means the owner of the collateral in any provision of the Article dealing with the collateral, the obligor in any provision dealing with the obligation, and may include both where the context so requires;

(e) *“Deposit account” means a demand, time, savings, passbook or like account maintained with a bank, savings and loan association, credit union or like organization, other than an account evidenced by a certificate of deposit;*

(i)[~~(g)~~] “Instrument” means a negotiable instrument (defined in KRS 355.3-104), or a *certificated* security (defined in KRS 355.8-102) or any other writing which evidences a right to the payment of money and is not itself a security agreement or lease and is of a type which is in ordinary course of business transferred by delivery with any necessary indorsement or assignment;

(j) “Mortgage” means a consensual interest created by a real estate mortgage, a trust deed on real estate, or the like;

(m)[~~(i)~~] “Secured party” means a lender, seller or other person in whose favor there is a security interest, including a person to whom accounts[~~, contract rights~~] or chattel paper have been sold. When the holders of obligations issued under an indenture of trust, equipment trust agreement or the like are represented by a trustee or other person, the representative is the secured party.

SECTION 59. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

(1) A person who delivers goods under a consignment which is not a security interest and who would be required to file under this article by subsection (3)(c) of KRS 355.2-326 has priority over a secured party who is or becomes a creditor of the consignee and who would have a perfected security interest in the goods if they were the property of the consignee, and also has priority with respect to identifiable cash proceeds received on or before delivery of the goods to a buyer, if:

(a) The consignor complies with the filing provision of the article on sales with respect to consignments (subsection (3)(c) of KRS 355.2-326) before the consignee receives possession of the goods; and

(b) The consignor gives notification in writing to the holder of the security interest if the holder has filed a financing statement covering the same types of goods before the date of the filing made by the consignor; and

(c) The holder of the security interest receives the notification within five (5) years before the consignee receives possession of the goods; and

(d) The notification states that the consignor expects to deliver goods on consignment to the consignee, describing the goods by item or type.

(2) In the case of a consignment which is not a security interest and in which the requirements of the preceding subsection have not been met, a person who delivers goods to another is subordinate to a person who would have a perfected security interest in the goods if they were the property of the debtor.

Section 60. KRS 355.9-203 is amended to read as follows:

(1) Subject to the provisions of KRS 355.4-208 on the security interest of a collecting bank, *KRS 355.8-321*

on a security interest in securities and KRS 355.9-113 on a security interest arising under the Article on Sales, a security interest is not enforceable against the debtor or third parties *with respect to the collateral and does not attach* unless:

(a) The collateral is in the possession of the secured party *pursuant to agreement*[~~;~~] or [~~(b)~~] the debtor has signed a security agreement which contains a description of the collateral and in addition, when the security interest covers crops *growing or to be grown* [~~or oil, gas or minerals to be extracted~~] or timber to be cut, a description of the land concerned.

(b) Value has been given; and

(c) The debtor has rights in the collateral. [~~In describing collateral, the word "proceeds" is sufficient without further description to cover proceeds of any character.~~]

(2) A security interest attaches when it becomes enforceable against the debtor with respect to the collateral. Attachment occurs as soon as all of the events specified in subsection (1) of this section have taken place unless explicit agreement postpones the time of attaching.

(3) Unless otherwise agreed a security agreement gives the secured party the rights to proceeds provided by KRS 355.9-306.

(4) A transaction, although subject to this Article, is also subject to KRS Chapters 190, 226, 287, 288, 290, 291, 359 and 360, and in the case of conflict between the provisions of this Article and any such statute, the provisions of such statute control. Failure to comply with any applicable statute has only the effect which is specified therein.

Section 61. KRS 355.9-204 is amended to read as follows:

(1) *Except as provided in subsection (2) of this section, a security agreement may provide that any or all obligations covered by the security agreement are to be secured by after-acquired collateral.*

(2) [~~A security interest cannot attach until there is agreement (subsection (3) of KRS 355.1-201) that it attach and value is given and the debtor has rights in the collateral. It attaches as soon as all of the events in the preceding sentence have taken place unless explicit agreement postpones the time of attaching.~~

~~(2) For the purposes of this section the debtor has no rights:~~

~~(a) In crops until they are planted or otherwise become growing crops, in the young of livestock until they conceived;~~

~~(b) In fish until caught, in oil, gas or minerals until they are extracted, in timber until it is cut;~~

~~(c) In a contract right until the contract has been made;~~

~~(d) In an account until it comes into existence.~~

~~(3) Except as provided in subsection (4) a security agreement may provide that collateral, whenever acquired, shall secure all obligations covered by the security agreement.~~

~~(4)~~] No security interest attaches under an after-acquired property clause:

(a) To crops which become such more than one year after the security agreement is executed except that a security interest in crops which is given in conjunction with a lease or a land purchase or improvement transaction evidenced by a contract, mortgage or deed of trust may if so agreed attach to crops to be grown on the land concerned during the period of such real estate transaction;

(b) To consumer goods other than accessions (KRS 355.9-314) when given as additional security unless the debtor acquires rights in them within ten (10) days after the secured party gives value.

(3)[~~(5)~~] Obligations covered by a security agreement may include future advances or other value whether or not the advances or value are given pursuant to commitment *(subsection (1) of KRS 355.9-105)*.

Section 62. KRS 355.9-205 is amended to read as follows:

A security interest is not invalid or fraudulent against creditors by reason of liberty in the debtor to use, commingle or dispose of all or part of the collateral (including returned or repossessed goods) or to collect or compromise accounts[~~, contract rights~~] or chattel paper, or to accept the return of goods or make repossessions, or to use, commingle or dispose of proceeds, or by reason of the failure of the secured party to require the debtor to account for proceeds or replace collateral. This section does not relax the requirements of possession where perfection of a security interest depends upon possession of the collateral by the secured party or by a bailee.

Section 63. KRS 355.9-301 is amended to read as follows:

(1) Except as otherwise provided in subsection (2), an unperfected security interest is subordinate to the rights of:

(a) Persons entitled to priority under KRS 355.9-312;

(b) A person who becomes a lien creditor [~~without knowledge of the security interest and~~] before *the security interest* [~~it~~] is perfected;

(c) In the case of goods, instruments, documents, and chattel paper, a person who is not a secured party and who is a transferee in bulk or other buyer not in ordinary course of business *or is a buyer of farm products in ordinary course of business,* to the extent that he gives value and receives delivery of the collateral without knowledge of the security interest and before it is perfected;

(d) In the case of accounts[~~, contract rights,~~] and general intangibles, a person who is not a secured party and who is a transferee to the extent that he gives value without knowledge of the security interest and before it is perfected.

(2) If the secured party files with respect to a purchase money security interest before or within twenty (20) days after the *debtor receives possession of the* collateral [~~comes into possession of the debtor~~], he takes priority over the rights of a transferee in bulk or of a lien creditor which arise between the time the security interest attaches and the time of filing.

(3) A "lien creditor" means a creditor who has acquired a lien on the property involved by attachment, levy or the like and includes an assignee for benefit of creditors from the time of assignment, and a trustee in bankruptcy from the date of the filing of the petition or a receiver in equity from the time of appointment. [~~Unless all the creditors represented had knowledge of the security interest such a representative of creditors is a lien creditor without knowledge even though he personally has knowledge of the security interest.~~]

(4) A person who becomes a lien creditor while a security interest is perfected takes subject to the security interest only to the extent that it secures advances made before he becomes a lien creditor or within forty-five (45) days thereafter or made without knowledge of the lien or pursuant to a commitment entered into without knowledge of the lien.

Section 64. KRS 355.9-302 is amended to read as follows:

(1) A financing statement must be filed to perfect all security interests except the following:

(a) A security interest in collateral in possession of the secured party under KRS 355.9-305;

(b) A security interest temporarily perfected in instruments or documents without delivery under KRS 355.9-304 or in proceeds for a ten day period under KRS 355.9-306;

(c) *A security interest created by an assignment of a beneficial interest in a trust or a decedent's estate* [~~a purchase money security interest in farm equipment having a purchase price not in excess of $500; but filing is required for a fixture under KRS 355.9-313 or for a motor vehicle required to be licensed~~];

(d) A purchase money security interest in consumer goods; *but, subject to subsections (3) and (4) of this section, filing is required for a motor vehicle; and fixture filing is required for priority over conflicting interests* *in fixtures to the extent provided in KRS 355.9-313* [~~but filing is required for a fixture under KRS 355.9-313 or for a motor vehicle required to be licensed~~];

(e) An assignment of accounts [~~or contract rights~~] which does not alone or in conjunction with other assignments to the same assignee transfer a significant part of the outstanding accounts [~~or contract rights~~] of the assignor;

(f) A security interest of a collecting bank (KRS 355.4-208) *or in securities (KRS 355.8-321)* or arising under the Article on Sales (see KRS 355.9-113) or covered in subsection (3) of this section;

(g) A security interest in property, including after-acquired property, under a mortgage or security agreement creating a lien upon real and personal property, including after-acquired property, executed by a railroad or public utility corporation and recorded and filed pursuant to the applicable provisions of the Kentucky Revised Statutes.

(h) An assignment for the benefit of all the creditors of the transferor, and subsequent transfers by the assignee thereunder.

(2) If a secured party assigns a perfected security interest, no filing under this article is required in order to continue the perfected status of the security interest against creditors of and transferees from the original debtor.

(3) *The filing of a financing statement otherwise required by this article is not necessary or effective to perfect a security interest in property subject to:*

(a) A statute or treaty of the United States which provides for a national or international registration or a national or international certificate of title or which specifies a place of filing different from that specified in this article for filing of the security interest;

(b) The provisions of KRS Chapter 186A, but during any period in which collateral is inventory held for sale by a person who is in the business of selling goods of that kind, the filing provisions of this Article (Part 4) apply to a security interest in that collateral created by him as debtor; or

(c) A certificate of title statute of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection (subsection (2) of KRS 355.9-103).

(4) Compliance with a statute or treaty described in subsection (3) of this section is equivalent to the filing of a financing statement under this article, and a security interest in property subject to the statute or treaty can be perfected only by compliance therewith except as provided in KRS 355.9-103 on multiple state transactions. Duration and renewal of perfection of a security interest perfected by compliance with the statute or treaty are governed by the provisions of the statute or treaty; in other respects the security interest is subject to this article. [~~The filing provisions of this article do not apply to a security interest in property subject to a statute:~~

~~(a) of the United States which provides for a national registration or filing of all security interests in such property; or~~

~~(b) of this state which provides for central filing of, or which requires indication on a certificate of title of, such security interests in such property.~~

~~(4) A security interest in property covered by a statute described in subsection (3) can be perfected only by registration or filing under that statute or by indication of the security interest on a certificate of title or a duplicate thereof by a public official.~~]

(5) KRS 355.9-401 to 355.9-406, inclusive, shall not apply to a security interest in property of any description, including after-acquired property of whatever kind, or any interest therein, created by a deed of trust or mortgage made by a utility, as defined in KRS 278.010, a corporation formed under KRS 279.010 to 279.220 or a corporation formed under KRS 279.310 to 279.600, but such security interest can be perfected only by recordation in accordance with the requirements of KRS 382.340.

Section 65. KRS 355.9-304 is amended to read as follows:

(1) A security interest in chattel paper or negotiable documents may be perfected by filing. A security interest in *money or* instruments (other than *certificated securities or* instruments which constitute part of chattel paper) can be perfected only by the secured party's taking possession, except as provided in subsections (4) and (5) *of this section and subsections (2) and (3) of KRS 355.9-306 on proceeds.*

(2) During the period that goods are in possession of the issuer of a negotiable document therefor, a security interest in the goods is perfected by perfecting a security interest in the document, and any security interest in the goods otherwise perfected during such period is subject thereto.

(3) A security interest in goods in the possession of a bailee other than one who has issued a negotiable document therefor is perfected by issuance of a document in the name of the secured party or by the bailee's receipt of notification of the secured party's interest or by filing as to the goods.

(4) A security interest in instruments or negotiable documents is perfected without filing or the taking of possession for a period of twenty-one days from the time it attaches to the extent that it arises for new value given under a written security agreement.

(5) A security interest remains perfected for a period of twenty-one days without filing where a secured party having a perfected security interest in an instrument, a negotiable document or goods in possession of a bailee other than one who has issued a negotiable document therefor

(a) Makes available to the debtor the goods or documents representing the goods for the purpose of ultimate sale or exchange or for the purpose of loading, unloading, storing, shipping, transshipping, manufacturing, processing or otherwise dealing with them in a manner preliminary to their sale or exchange, *but priority between conflicting security interests in the goods is subject to subsection (3) of KRS 355.9-312*; or

(b) Delivers the instrument to the debtor for the purpose of ultimate sale or exchange or of presentation, collection, renewal or registration of transfer.

(6) After the twenty-one day period in subsections (4) and (5) perfection depends upon compliance with applicable provisions of this Article.

Section 66. KRS 355.9-305 is amended to read as follows:

A security interest in letters of credit and advices of credit (subsection (2) (a) of KRS 355.5-116), goods, instruments *(other than certificated securities), money,* negotiable documents or chattel paper may be perfected by the secured party's taking possession of the collateral. If such collateral other than goods covered by a negotiable document is held by a bailee, the secured party is deemed to have possession from the time the bailee receives notification of the secured party's interest. A security interest is perfected by possession from the time possession is taken without relation back and continues only so long as possession is retained, unless otherwise specified in this Article. The security interest may be otherwise perfected as provided in this Article before or after the period of possession by the secured party.

Section 67. KRS 355.9-306 is amended to read as follows:

(1) "Proceeds" includes whatever is received *upon the sale, exchange, collection or other disposition of collateral or proceeds. Insurance payable by reason of loss or damage to the collateral is proceeds, except to the extent that it is payable to a person other than a party to the security agreement* [~~when collateral or proceeds is sold, exchanged, collected or otherwise disposed of. The term also includes the account arising when the right to payment is earned under a contract right~~]. Money, checks, *deposit accounts* and the like are "cash proceeds." All other proceeds are "non-cash proceeds."

(2) Except where this article otherwise provides, a security interest continues in collateral notwithstanding sale, exchange or other disposition thereof [~~by the debtor~~] unless *the disposition* [~~his action~~] was authorized by the secured party in the security agreement or otherwise, and also continues in any identifiable proceeds including collections received by the debtor.

(3) The security interest in proceeds is a continuously perfected security interest if the interest in the original collateral was perfected but it ceases to be a perfected security interest and becomes unperfected ten days after receipt of the proceeds by the debtor unless*:*

(a) A filed financing statement *covers the original collateral and the proceeds are collateral in which a security interest may be perfected by filing in the office or offices where the financing statement has been filed and, if the proceeds are acquired with cash proceeds, the description of collateral in the financing statement indicates the types of property constituting the proceeds* [~~covering the original collateral also covers proceeds~~]; or

(b) *A filed financing statement covers the original collateral and the proceeds are identifiable cash proceeds; or*

(c) The security interest in the proceeds is perfected before the expiration of the ten (10) day period. *Except as provided in this section, a security interest in proceeds can be perfected only by the methods or under the circumstances permitted in this article for original collateral of the same type.*

(4) In the event of insolvency proceedings instituted by or against a debtor, a secured party with a perfected security interest in proceeds has a perfected security interest *only in the following proceeds:*

(a) In identifiable non-cash proceeds *and in separate deposit accounts containing only proceeds*;

(b) In identifiable cash proceeds in the form of money which is *neither* [~~not~~] commingled with other money *nor* [~~or~~] deposited in a *deposit* [~~bank~~] account prior to the insolvency proceedings;

(c) In identifiable cash proceeds in the form of checks and the like which are not deposited in a *deposit* [~~bank~~] account prior to the insolvency proceedings; and

(d) In all cash and *deposit* [~~bank~~] accounts of the debtor *in which*, [~~if other cash~~] proceeds have been commingled *with other funds* [~~or deposited in a bank account~~], but the perfected security interest under this paragraph [~~(d)~~] is*:*

1. Subject to any right of set-off; and

2. Limited to an amount not greater than the amount of any cash proceeds received by the debtor within ten days before the institution of the insolvency proceedings *less the sum of:*

(i) The payments to the secured party on account of cash proceeds received by the debtor during such period; and

(ii) The cash proceeds received by the debtor during such period to which the secured party is entitled under subsection (4)(a) and (c) of this section [~~and commingled or deposited in a bank account prior to the insolvency proceedings less the amount of cash proceeds received by the debtor and paid over to the secured party during the ten day period~~].

(5) If a sale of goods results in an account or chattel paper which is transferred by the seller to a secured party, and if the goods are returned to or are repossessed by the seller or the secured party, the following rules determine priorities:

(a) If the goods were collateral at the time of sale for an indebtedness of the seller which is still unpaid, the original security interest attaches again to the goods and continues as a perfected security interest if it was perfected at the time when the goods were sold. If the security interest was originally perfected by a filing which is still effective, nothing further is required to continue the perfected status; in any other case, the secured party must take possession of the returned or repossessed goods or must file.

(b) An unpaid transferee of the chattel paper has a security interest in the goods against the transferor. Such security interest is prior to a security interest asserted under paragraph (a) to the extent that the transferee of the chattel paper was entitled to priority under KRS 355.9-308.

(c) An unpaid transferee of the account has a security interest in the goods against the transferor. Such security interest is subordinate to a security interest asserted under paragraph (a).

(d) A security interest of an unpaid transferee asserted under paragraph (b) or (c) must be perfected for protection against creditors of the transferor and purchasers of the returned or repossessed goods.

Section 68. KRS 355.9-307 is amended to read as follows:

(1) A buyer in ordinary course of business (subsection (9) of KRS 355.1-201) other than a person buying farm products from a person engaged in farming operations takes free of a security interest created by his seller even though the security interest is perfected and even though the buyer knows of its existence.

(2) If any tobacco crop subject to the lien of a security interest is sold at public auction through a duly licensed tobacco warehouse in the ordinary course of business, a bona fide purchaser for value of such crop shall take title thereto free and clear of any such lien, and the warehouseman selling such tobacco crop shall not be liable to the holder of such lien, unless written notice by certified mail, return receipt requested, of such lien, the name and address of the debtor and proper description of the property subject to lien, are given to the tobacco warehouseman prior to the payment of the proceeds of sale to the owner or producer of such tobacco crop.

(3) If any grain or soybean crop subject to the lien of a security interest is sold to any entity which is a bona fide purchaser for value and which holds a current grain storage license issued by the Commonwealth of Kentucky or a current federal warehouse storage license, in the ordinary course of business, such entity shall take title to such crop free and clear of any such lien, and shall not be liable to the holder of such lien, unless written notice by certified mail, return receipt requested, of such lien, the name and address of the debtor and proper description of the property subject to the lien is given to the entity purchasing said crop prior to the payment of the proceeds of purchase to the owner or producer of such grain or soybean crop.

(4) If any livestock subject to the lien of a security interest is sold at public auction through a stockyard licensed by the Commonwealth of Kentucky in the ordinary course of business, a bona fide purchaser for value of such livestock shall take title thereto free and clear of any such lien, and the stockyard and selling agents selling such livestock shall not be liable to the holder of such lien, unless written notice by certified mail, return receipt requested, of such lien, the name and address of the debtor and proper description of the livestock subject to lien is given to the stockyard prior to the time of sale.

(5) In the case of consumer goods [~~and in the case of farm equipment having an original purchase price not in excess of $500 (other than fixtures, see KRS 355.9-313)~~], a buyer takes free of a security interest even though perfected if he buys without knowledge of the security interest, for value and for his own personal, family or household purposes [~~or his own farming operations~~] unless prior to the purchase the secured party has filed a financing statement covering such goods.

(6) If any registered breed of horse, the racing of which is regulated by KRS Chapter 230, subject to the lien of a security interest is sold at public auction in the ordinary course of business by an organization engaged in the business of selling such horses at public auction, a bona fide purchaser for value of such horse shall take title thereto free and clear of any such lien, and the organization selling such horse shall not be liable to the holder of such lien, unless written notice by certified mail, return receipt requested, of such lien and the amount thereof, the name and address of the debtor and proper identification of the horse subject to lien are given to the organization prior to the time of sale.

(7) A buyer other than a buyer in ordinary course of business (subsection (1) of this section) takes free of a security interest to the extent that it secures future advances made after the secured party acquires knowledge of the purchase, or more than forty-five (45) days after the purchase, whichever first occurs, unless made pursuant to a commitment entered into without knowledge of the purchase and before the expiration of the forty-five (45) day period.

Section 69. KRS 355.9-308 is amended to read as follows:

A purchaser of chattel paper or an instrument who gives new value and takes possession of it in the ordinary course of his business has priority over a security interest in the chattel paper or instrument:

(1) Which is perfected under KRS 355.9-304 (permissive filing and temporary perfection) or under KRS 355.9-306 (perfection as to proceeds) if he acts without knowledge that the specific paper or instrument is subject to a security interest; or

(2) Which is claimed merely as proceeds of inventory subject to a security interest (KRS 355.9-306) even though he knows that the specific paper or instrument is subject to the security interest. [~~A purchaser of chattel paper or a non-negotiable instrument who gives new value and takes possession of it in the ordinary course of~~

~~his business and without knowledge that the specific paper or instrument is subject to a security interest has priority over a security interest which is perfected under KRS 355.9-304 (permissive filing and temporary perfection). A purchaser of chattel paper who gives new value and takes possession of it in the ordinary course of his business has priority over a security interest in chattel paper which is claimed merely as proceeds of inventory subject to a security interest (KRS 355.9-306), even though he knows that the specific paper is subject to the security interest.~~]

Section 70. KRS 355.9-309 is amended to read as follows:

Nothing in this Article limits the rights of a holder in due course of a negotiable instrument (KRS 355.3-302) or a holder to whom a negotiable document of title has been duly negotiated (KRS 355.7-501) or a bona fide purchaser of a security (KRS *355.8-302* [~~355.8-301~~]) and such holders or purchasers take priority over an earlier security interest even though perfected. Filing under this Article does not constitute notice of the security interest to such holders or purchasers.

Section 71. KRS 355.9-312 is amended to read as follows:

(1) The rules of priority stated in *other sections of this part and in the following sections shall govern when applicable: KRS 355.4-208 with respect to the security interests of collecting banks in items being collected, accompanying documents and proceeds; KRS 355.9-103 on security interests related to other jurisdictions; KRS 355.9-114 on consignments* [~~the following sections shall govern where applicable: KRS 355.4-208 with respect to the security interest of collecting banks in items being collected, accompanying documents and proceeds; KRS 355.9-301 on certain priorities; KRS 355.9-304 on goods covered by documents; KRS 355.9-306 on proceeds and repossessions; KRS 355.9-307 on buyers of goods; KRS 355.9-308 on possessory against non-possessory interests in chattel paper on non-negotiable instruments; KRS 355.9-309 on security interest in negotiable instruments, documents or securities; KRS 355.9-310 on priorities between perfected security interests and liens by operation of law; KRS 355.9-313 on security interests in fixtures as against interests in real estate; KRS 355.9-314 on security interests in accessions as against interests in goods; KRS 355.9-315 on conflicting security interests where goods lose their identity or become part of a product; and KRS 355.9-316 on contractual subordination~~].

(2) A perfected security interest in crops for new value given to enable the debtor to produce the crops during the production season and given not more than three months before the crops become growing crops by planting or otherwise takes priority over an earlier perfected security interest to the extent that such earlier interest secures obligations due more than six months before the crops become growing crops by planting or otherwise, even though the person giving new value had knowledge of the earlier security interest.

(3) A *perfected* purchase money security interest in inventory collateral has priority over a conflicting security interest in the same *inventory and also has priority in identifiable cash proceeds received on or before the delivery of the inventory to a buyer* [~~collateral~~] if:

(a) The purchase money security interest is perfected at the time the debtor *receives* [~~received~~] possession of the *inventory* [~~collateral~~]; [~~and~~]

(b) *The purchase money secured party gives notification in writing to the holder of the conflicting security interest if the holder had filed a financing statement covering the same types of inventory:*

(i) Before the date of the filing made by the purchase money secured party; or

(ii) Before the beginning of the twenty-one (21) day period where the purchase money security interest is temporarily perfected without filing or possession (subsection (5) of KRS 335.9-304) [~~Any secured party whose security interest is known to the holder of the purchase money security interest or who, prior to the date of the filing made by the holder of the purchase money security interest, had filed a financing statement covering the same items or type of inventory, has received notification of the purchase money security interest before the debtor receives possession of the collateral covered by the purchase money security interest~~]; [~~and~~]

(c) *The holder of the conflicting security interest receives the notification within five (5) years before the debtor receives possession of the inventory; and*

(d) The [~~Such~~] notification states that the person giving the notice has or expects to acquire a purchase money security interest in inventory of the debtor, describing such inventory by item or type.

(4) A purchase money security interest in collateral other than inventory has priority over a conflicting security interest in the same collateral *or its proceeds* if the purchase money security interest is perfected at the time the debtor receives possession of the collateral or within twenty (20) days thereafter.

(5) In all cases not governed by other rules stated in this section (including cases of purchase money security interests which do not qualify for the special priorities set forth in subsections (3) and (4) of this section), priority between conflicting security interests in the same collateral shall be determined *according to the following rules* [~~as follows~~]:

(a) *Conflicting security interests rank according to priority in time of filing or perfection. Priority dates from the time a filing is first made covering the collateral or the time the security interest is first perfected, whichever is earlier, provided that there is no period thereafter when there is neither filing nor perfection* [~~In the order of filing if both are perfected by filing, regardless of which security interest attached first under KRS 355.9-204 (1) and whether it attached before or after filing~~];

(b) *So long as conflicting security interests are unperfected, the first to attach has priority* [~~In the order of perfection unless both are perfected by filing, regardless of which security interest attached first under KRS 355.9-204 (1) and, in the case of a filed security interest, whether it attached before or after filing; and~~

~~(c) In the order of attachment under KRS 355.9-204 (1) so long as neither is perfected~~].

(6) For the *purposes of subsection (5) a date of filing or perfection as to collateral is also a date of filing or perfection as to proceeds* [~~purpose of the priority rules of subsection (5), a continuously perfected security interest shall be treated at all times as if perfected by filing if it was originally so perfected and it shall be treated at all times as if perfected otherwise than by filing if it was originally perfected otherwise than by filing~~].

(7) If future advances are made while a security interest is perfected by filing or, the taking of possession, or under KRS 355.8-321 on securities, the security interest has the same priority for the purposes of subsection (5) of this section with respect to the future advances as it does with respect to the first advance. If a commitment is made before or while the security interest is so perfected, the security interest has the same priority with respect to advances made pursuant thereto. In other cases a perfected security interest has priority from the date the advance is made.

Section 72. KRS 355.9-313 is amended to read as follows:

(1) *In this section and in the provisions of part 4 of this article referring to fixture filing, unless the context otherwise requires:*

(a) Goods are "fixtures" when they become so related to particular real estate that an interest in them arises under real estate law;

(b) A "fixture filing" is the filing in the office where a mortgage on the real estate would be filed or recorded of a financing statement covering goods which are or are to become fixtures and conforming to the requirements of subsection (5) of KRS 355.9-402;

(c) A mortgage is a "construction mortgage" to the extent that it secures an obligation incurred for the construction of an improvement on land including the acquisition cost of the land, if the recorded writing so indicates.

(2) A security interest under this article may be created in goods which are fixtures or may continue in goods which become fixtures, but no security interest exists under this article in ordinary building materials incorporated into an improvement on land.

(3) This article does not prevent creation of an encumbrance upon fixtures pursuant to real estate law.

(4) A perfected security interest in fixtures has priority over the conflicting interest of an encumbrancer or owner of the real estate where:

(a) The security interest is a purchase money security interest, the interest of the encumbrancer or owner arises before the goods become fixtures, the security interest is perfected by a fixture filing before the goods

become fixtures or within ten (10) days thereafter, and the debtor has an interest of record in the real estate or is in possession of the real estate; or

(b) The security interest is perfected by a fixture filing before the interest of the encumbrancer or owner is of record, the security interest has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner, and the debtor has an interest of record in the real estate or is in possession of the real estate; or

(c) The fixtures are readily removable factory or office machines or readily removable replacements of domestic appliances which are consumer goods, and before the goods become fixtures the security interest is perfected by any method permitted by this article; or

(d) The conflicting interest is a lien on the real estate obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this article.

(5) A security interest in fixtures, whether or not perfected, has priority over the conflicting interest of an encumbrancer or owner of the real estate where:

(a) The encumbrancer or owner has consented in writing to the security interest or has disclaimed an interest in the goods as fixtures; or

(b) The debtor has a right to remove the goods as against the encumbrancer or owner. If the debtor's right terminates, the priority of the security interest continues for a reasonable time.

(6) Notwithstanding paragraph (a) of subsection (4) but otherwise subject to subsections (4) and (5) of this section, a security interest in fixtures is subordinate to a construction mortgage recorded before the goods become fixtures if the goods become fixtures before the completion of the construction. To the extent that it is given to refinance a construction mortgage, a mortgage has this priority to the same extent as the construction mortgage.

(7) In cases not within the preceding subsections, a security interest in fixtures is subordinate to the conflicting interest of an encumbrancer or owner of the related real estate who is not the debtor.

(8) [~~The rules of this section do not apply to goods incorporated into a structure in the manner of lumber, bricks, tile, cement, glass, metal work and the like and no security interest in them exists under this Article unless the structure remains personal property under applicable law. The law of this state other than this chapter determines whether and when other goods become fixtures. This chapter does not prevent creation of an encumbrance upon fixtures or real estate pursuant to the law applicable to real estate.~~

~~(2) A security interest which attaches to goods before they become fixtures takes priority as to the goods over the claims of all persons who have an interest in the real estate except as stated in subsection (4).~~

~~(3) A security interest which attaches to goods after they become fixtures is valid against all persons subsequently acquiring interests in the real estate except as stated in subsection (4) but is invalid against any person with an interest in the real estate at the time the security interest attaches to the goods who has not in writing consented to the security interest or disclaimed an interest in the goods as fixtures.~~

~~(4) The security interests described in subsections (2) and (3) do not take priority over~~

~~(a) a subsequent purchaser for value of any interest in the real estate; or~~

~~(b) a creditor with a lien on the real estate subsequently obtained by judicial proceedings; or~~

~~(c) a creditor with a prior encumbrance of record on the real estate to the extent that he makes subsequent advances if the subsequent purchase is made, the lien by judicial proceedings is obtained, or the subsequent advance under the prior encumbrance is made or contracted for without knowledge of the security interest and before it is perfected. A purchaser of the real estate at a foreclosure sale other than an encumbrancer purchasing at his own foreclosure sale is a subsequent purchaser within this section.~~

~~(5)~~] When *the* [~~under subsections (2) or (3) and (4) a~~] secured party has priority over *all owners and encumbrancers of* [~~the claims of all persons who have interests in~~] the real estate, he may, on default, subject to the provisions of Part 5, remove his collateral from the real estate but he must reimburse any encumbrancer or owner of the real estate who is not the debtor and who has not otherwise agreed for the cost of repair of any physical injury, but not for any diminution in value of the real estate caused by the absence of the goods removed or by any necessity for replacing them. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate security for the performance of this obligation.

Section 73. KRS 355.9-318 is amended to read as follows:

(1) Unless an account debtor has made an enforceable agreement not to assert defenses or claims arising out of a sale as provided in KRS 355.9-206 the rights of an assignee are subject to

(a) All the terms of the contract between the account debtor and assignor and any defense or claim arising therefrom; and

(b) Any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives notification of the assignment.

(2) So far as the right to payment *or a part thereof* under an assigned contract *has not been fully earned by performance* [~~right has not already become an account~~], and notwithstanding notification of the assignment, any modification of or substitution for the contract made in good faith and in accordance with reasonable commercial standards is effective against an assignee unless the account debtor has otherwise agreed but the assignee acquires corresponding rights under the modified or substituted contract. The assignment may provide that such modification or substitution is a breach by the assignor.

(3) The account debtor is authorized to pay the assignor until the account debtor receives notification that the *amount due or to become due* [~~account~~] has been assigned and that payment is to be made to the assignee. A notification which does not reasonably identify the rights assigned is ineffective. If requested by the account debtor, the assignee must seasonably furnish reasonable proof that the assignment has been made and unless he does so the account debtor may pay the assignor.

(4) A term in any contract between an account debtor and an assignor *is ineffective if it* [~~which~~] prohibits assignment of an account *prohibits creation of a security interest in a general intangible for money due or to become due or requires the account debtor's consent to such assignment or security interest* [~~or contract right to which they are parties is ineffective~~].

Section 74. KRS 355.9-401 is amended to read as follows:

(1) The proper place to file in order to perfect a security interest is as follows:

(a) When the collateral is equipment used in farming operations, or farm products, or accounts, [~~contract rights~~] or general intangibles arising from or relating to the sale of farm products by a farmer, or consumer goods, then in the office of the county clerk in the county of the debtor's residence or if the debtor is not a resident of this state then in the office of the county clerk in the county where the goods are kept, and in addition when the collateral is crops *growing or to be grown* in the office of the county clerk in the county where the land [~~on which the crops are growing or to be grown~~] is located;

(b) When the collateral is *timber to be cut or is minerals or the like (including oil and gas) or accounts subject to subsection (5) of KRS 355.9-103, or when the financing statement is filed as a fixture filing (KRS 355.9-313) and the collateral is goods which* [~~goods which at the time the security interest attaches~~] are or are to become fixtures, then in the office where a mortgage on the real estate [~~concerned~~] would be filed or recorded;

(c) In all other cases, if the debtor is a resident of this state in the office of the county clerk in the county of the debtor's residence *or,* [~~if the debtor is not a resident of this state but has a principal place of business in this state, in the office of the county clerk in the county where the nonresident has a principal place of business,~~] if the debtor is a nonresident of this state, [~~and has no principal place of business in this state~~] then in the office of the secretary of state of the Commonwealth of Kentucky. [~~The secretary of state may collect a fee of $3.00 for each filing in his office under this section.~~]

(2) A filing which is made in good faith in an improper place or not in all of the places required by this section is nevertheless effective with regard to any collateral as to which the filing complied with the

requirements of this article and is also effective with regard to collateral covered by the financing statement against any person who has knowledge of the contents of such financing statement.

(3) A filing which is made in the proper place in this state continues effective even though the debtor's residence or place of business or the location of the collateral or its use, whichever controlled the original filing, is thereafter changed.

(4) [~~If collateral is brought into this state from another jurisdiction,~~] The rules stated in KRS 355.9-103 determine whether filing is necessary in this state.

(5) For the purposes of this section:

(a) An individual debtor for whom filing is controlled by KRS 355.9-401(1)(c) shall be deemed a resident of the county in which the debtor's principal place of business in this state is located. If the debtor does not have a place of business in this state, then the debtor shall be deemed a nonresident for purposes of filing in this state;

(b) A partnership shall be deemed a resident of the county in which its principal place of business in this state is located. If the debtor does not have a place of business in this state, then the debtor shall be deemed a nonresident for purposes of filing in this state;

(c) A limited partnership organized under KRS Chapter 362 shall be deemed a resident of the county in which its principal place of business is located, as set forth in its certificate of limited partnership or most recent amendment thereto filed pursuant to KRS Chapter 362;

(d) A limited partnership not organized under the laws of this state and authorized to do business in this state under KRS Chapter 362 shall be deemed a resident of the county in which the office of its process agent is located, as set forth in the designation or most recent amendment thereto filed with the secretary of state of the Commonwealth of Kentucky;

(e) A corporation organized under KRS Chapter 271A, 273 or 274 shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent corporate filing with the secretary of state which officially designates its current registered office;

(f) A corporation not organized under the laws of this state and authorized to transact or do business in this state under KRS Chapter 271A, 273 or 274 shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent corporate filing with the secretary of state which officially designates its current registered office;

(g) A cooperative corporation or association organized under KRS Chapter 272 shall be deemed a resident of the county in which its principal business is transacted, as set forth in its articles of incorporation or most recent amendment thereto filed with the secretary of the state of the Commonwealth of Kentucky;

(h) A cooperative corporation organized under KRS Chapter 279 shall be deemed a resident of the county in which its principal office is located, as set forth in its articles of incorporation or most recent amendment thereto filed with the secretary of the state of the Commonwealth of Kentucky;

(i) A business trust organized under KRS Chapter 386 shall be deemed a resident of the county in which its principal place of business is located, as evidenced by the recordation of its declaration of trust in that county pursuant to KRS Chapter 386;

(j) A credit union organized under KRS Chapter 290 shall be deemed a resident of the county in which its principal place of business is located, as set forth in its articles of incorporation or most recent amendment thereto filed with the secretary of state of the Commonwealth of Kentucky; and

(k) Any other organization (defined in KRS 355.1-201) shall be deemed a resident of the county in which its principal place of business in this state is located. If the organization does not have a place of business in this state, then it shall be deemed a nonresident for purposes of filing in this state.

Section 75. KRS 355.9-402 is amended to read as follows:

(1) A financing statement is sufficient if it *gives the names of the debtor and the secured party,* is signed by the debtor [~~and the secured party~~], gives an address of the secured party from which information concerning the security interest may be obtained, gives a mailing address of the debtor and contains a statement indicating the types, or describing the items, of collateral. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches. When the financing statement covers crops growing or to be grown [~~or goods which are or are to become fixtures~~], the statement must also contain a description of the real estate concerned *and must describe the production season. If the production season is not described, the financing statement shall be deemed to describe the crops produced in the production season which ends within twelve (12) months after the filing date of the financing statement. A financing statement shall not describe more than one (1) production season. When the financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to subsection (5) of KRS 355.9-103, or when the financing statement is filed as a fixture filing (KRS 355.9-313) and the collateral is goods which are or are to become fixtures, the statement must also comply with subsection (5).* A copy of the security agreement is sufficient as a financing statement if it contains the above information and is signed by *the debtor. A carbon, photographic or other reproduction of a security agreement or a financing statement is sufficient as a financing statement if the security agreement so provides or if the original has been filed in this state or in any other state* [~~both parties. The chattel mortgage or other instrument referred to in KRS Chapter 186 shall be deemed to mean financing statements and shall be filed in accordance with the provisions of KRS Chapter 355. If at the time the financing statement required by this section is filed there is an indebtedness of two hundred dollars or more, that fact shall be stated~~].

(2) [~~If the property intended as collateral is consumer goods as defined in KRS 355.9-109 (1) in the possession of the consumer debtor at the time the financing statement required by this section is filed, and if the property is a motor vehicle, the make, year, model and motor number or identification number shall be given.~~

~~(3)~~] A financing statement which otherwise complies with subsection (1) is sufficient *when* [~~although~~] it is signed [~~only~~] by the secured party *instead of the debtor if* [~~when~~] it is filed to perfect a security interest in:

(a) Collateral already subject to a security interest in another jurisdiction when it is brought into this state, *or when the debtor's location is changed to this state.* Such a financing statement must state that the collateral was brought into this state, *or that the debtor's location was changed to this state* under such circumstances; *or*

(b) Proceeds under KRS 355.9-306 if the security interest in the original collateral was perfected. Such a financing statement must describe the original collateral*;*

(c) Collateral as to which the filing has lapsed; or

(d) Collateral acquired after a change of name, identity or corporate structure of the debtor (subsection (7) of this section).

(3)[~~(4)~~] A form substantially as follows is sufficient to comply with subsection (1) *of this section*:

Name of debtor (or assignee) ________________________________

Address ________________________________

Name of secured party (or assignee) ________________________________

Address ________________________________

(a)[~~1.~~] This financing statement covers the following types (or items) of property:

(c)[~~3.~~] *(If applicable) The above goods are to become fixtures on (or) The above timber is standing on (or) The above minerals or the like (including oil and gas) or accounts will be financed at the wellhead or minehead of the well or mine located on:*

(d)[~~4.~~] (If [~~proceeds or~~] products of collateral are claimed) [~~Proceeds-~~]Products of the collateral are also covered.

Signature of Secured Party (or Assignee) ____

(4)[~~(5)~~] *A financing statement may be amended by filing a writing signed by both the debtor and the secured party. An amendment does not extend the period of effectiveness of a financing statement.* [~~The term "financing statement" as used in this article means the original financing statement and any amendments but~~] If any amendment adds collateral, it is effective as to the added collateral only from the filing date of the amendment. *In this article, unless the context otherwise requires, the term "financing statement" means the original financing statement and any amendments.*

(5) A financing statement covering timber to be cut or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of KRS 355.9-103, or a financing statement filed as a fixture filing (KRS 355.9-313), must show that it covers this type of collateral, must recite that it is to be filed in the same office as the real estate records, and the financing statement must contain a description of the real estate. If the debtor does not have an interest of record in the real estate, the financing statement must show the name of a record owner.

(6) A mortgage is effective as a financing statement filed as a fixture filing from the date of its recording if:

(a) The goods are described in the mortgage by item or type;

(b) The goods are or are to become fixtures related to the real estate described in the mortgage;

(c) The mortgage complies with the requirements for a financing statement in this section other than a recital that it is to be filed in the real estate records; and

(d) The mortgage is duly recorded.

No fee with reference to the financing statement is required other than the regular recording and satisfaction fees with respect to the mortgage.

(7) A financing statement sufficiently shows the name of the debtor if it gives the individual, partnership or corporate name of the debtor, whether or not it adds other trade names or the names of partners. Where the debtor so changes his name or in the case of an organization its name, identity or corporate structure that a filed financing statement becomes seriously misleading, the filing is not effective to perfect a security interest in collateral acquired by the debtor more than four (4) months after the debtor notifies the secured party in writing of the change, unless a new appropriate financing statement is filed before the expiration of that time. A filed financing statement remains effective with respect to collateral transferred by the debtor even though the secured party knows of or consents to the transfer.

(8)[~~(6)~~] A financing statement substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading.

Section 76. KRS 355.9-403 is amended to read as follows:

(1) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this article.

(2) *Except as provided in subsection (6) of this section* a filed financing statement [~~which states a maturity date of the obligation secured of five years or less is effective until such maturity date and thereafter for a period of sixty days. Any other filed financing statement~~] is effective for a period of five (5) years from the date of filing. The effectiveness of a filed financing statement lapses [~~on the expiration of such sixty day period after a stated maturity date or~~] on the expiration of *the* [~~such~~] five (5) year period[~~, as the case may be,~~] unless a continuation statement is filed prior to the lapse. *If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of sixty (60) days or until expiration of the five (5) year period, whichever occurs later.* Upon [~~such~~] lapse the security interest becomes unperfected, *unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse.* [~~A filed financing statement which states that the obligation secured is payable on demand is effective for five years from the date of filing.~~]

(3) A continuation statement may be filed by the secured party [~~(a) within six months before and sixty days after a stated maturity date of five years or less, and (b) otherwise~~] within six (6) months prior to the expiration of the five (5) year period specified in subsection (2). Any such continuation statement must be signed by the secured party, identify the original statement by file number and date filed and state that the original statement is still effective. *A continuation statement signed by a person other than the secured party or record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee.* Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for five years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it *immediately if he has retained a microfilm or other photographic record, or in other cases after one (1) year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other relating filings, or by other means, that if he physically destroys the financing statements of a period more than five (5) years past, those which have been continued by a continuation statement or which are still effective under subsection (6) of this section shall be retained.*

(4) *Except as provided in subsection (7) of this section* a filing officer shall mark each statement with a [~~consecutive~~] file number and with the date and hour of filing and shall hold the statement *or a microfilm or other photographic copy thereof* for public inspection. In addition the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement.

(5) The uniform fee for filing and indexing an original or a continuation statement shall be as provided for in KRS 64.012. This fee includes the fee for filing and indexing a termination statement and for sending or delivering the terminated instrument and financing statement.

(6) A real estate mortgage which is effective as a fixture filing under subsection (6) of KRS 355.9-402 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to subsection (5) of KRS 355.9-103, or is filed as a fixture filing, the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described, and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if he were the mortgagee thereunder, or where indexing is by description in the same fashion as if the financing statement were a mortgage of the real estate described.

Section 77. KRS 355.9-404 is amended to read as follows:

(1) Whenever there is no outstanding secured obligation and no commitment to make advances, incur obligations or otherwise give value, the secured party must on written demand by the debtor send the debtor, *for each filing officer with whom the financing statement was filed,* a *termination* statement *to the effect* that he no longer claims a security interest under the financing statement, and identify the original statement by file number and date filed. A termination statement signed by a person other than the secured party of record must

[~~include or~~] be accompanied by *a separate written* [~~the assignment or a~~] statement *of assignment signed* by the secured party of record *and complying with subsection (2) of KRS 355.9-405, including payment of the required fee,* [~~that he has assigned the security interest to the signer of the termination statement~~]. The uniform fee for filing and indexing such an assignment or statement thereof shall be seventy-five (75) cents. If the affected secured party fails to *file such termination statement as required by this subsection, or to* send such a termination statement within ten (10) days after proper demand therefor he shall be liable to the debtor for one hundred dollars ($100), and in addition for any loss caused to the debtor by such failure.

(2) In the absence of a demand by the debtor for a statement of termination, and within fifteen (15) days after a secured transaction evidenced by record in the county clerk's *or secretary of state's* office has terminated, the secured party *must file with each filing officer with whom the financing statement was filed* [~~shall send to the clerk~~] a *termination* statement *to the effect* that he no longer claims a security interest under the financing statement or other instrument, which shall be identified by file number and date filed. If the actual secured party willfully fails to send such a termination statement within fifteen (15) days after he no longer claims a security interest, he shall be liable to the debtor for twenty-five dollars ($25), and in addition for any loss caused to the debtor by such failure.

(3) On presentation to the filing officer of such a termination statement he must note it in the index. *If he has received the termination statement in duplicate, he shall return one (1) copy of the termination statement to the secured party stamped to show the time of receipt thereof.* [~~The filing officer shall remove from the files, mark "terminated" and send or deliver to the secured party the financing statement and any continuation statement, statement of assignment or statement of release pertaining thereto.~~] Whenever a statement required under *this chapter* [~~KRS Ch. 355~~] need be sent to a party to the transaction by the *filing officer* [~~county clerk~~], it shall be sufficient for the *filing officer* [~~county clerk~~] to send the statement to the party entitled to receive it, at his last known address. *If the filing officer has a microfilm or other photographic record of the financing statement, and of any related continuation statement, statement of assignment and statement of release, he may remove the originals from the files at any time after receipt of the termination statement, or if he has no such record, he may remove them from the files at any time after one (1) year after receipt of the termination statement.*

(4) The uniform fee for filing and indexing a termination statement for any financing statement filed prior to July 1, 1966 for which a termination fee was not paid when the financing statement was filed and for sending or delivering the terminated instrument and for sending or delivering the financing statement shall be seventy-five (75) cents.

Section 78. KRS 355.9-405 is amended to read as follows:

(1) A financing statement may disclose an assignment of a security interest in the collateral described in the *financing* statement by indication in the *financing* statement of the name and address of the assignee or by an assignment itself or a copy thereof on the face or back of the statement. [~~Either the original secured party or the assignee may sign this statement as the secured party.~~] On presentation to the filing officer of such a financing statement the filing officer shall mark the same as provided in KRS 355.9-403 (4). The uniform fee for filing and indexing a financing statement so indicating an assignment shall be as provided in KRS 64.012.

(2) A secured party may assign of record all or a part of his rights under a financing statement by the filing *in the place where the original financing statement was filed* of a separate written statement of assignment signed by the secured party of record and setting forth the name of the secured party of record and the debtor, the file number and the date of filing of the financing statement and the name and address of the assignee and containing a description of the collateral assigned. A copy of the assignment is sufficient as a separate statement if it complies with the preceding sentence. On presentation to the filing officer of such a separate statement, the filing officer shall mark such separate statement with the date and hour of filing. He shall note the assignment on the index of the financing statement, *or in the case of a fixture filing, or a filing covering timber to be cut, or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of KRS 355.9-103, he shall index the assignment under the name of the assignor as grantor and, to the extent that the law of this state provides for indexing the assignment of a mortgage under the name of the assignee, he shall index the assignment of the financing statement under the name of the assignee.* The uniform fee for filing and indexing such a separate statement of assignment shall be as provided in KRS 64.012. *Notwithstanding the provisions of this subsection, an assignment of record of a security interest in a fixture contained in a mortgage effective as a fixture filing (subsection (6) of KRS 355.9-402) may be made only by an assignment of the mortgage in the manner provided by the law of this state other than this Act.*

(3) After the disclosure *or* [~~of~~] filing of an assignment under this section, the assignee is the secured party of record.

Section 79. KRS 355.9-406 is amended to read as follows:

A secured party of record may by his signed statement release all or a part of any collateral described in a filed financing statement. The statement of release is sufficient if it contains a description of the collateral being released, the name and address of the debtor, the name and address of the secured party, and the file number of the financing statement. *A statement of release signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee.* Upon presentation of such a statement *of release* to the filing officer he shall mark the statement with the hour and date of filing and shall note the same upon the margin of the index of the filing of the financing statement. The uniform fee for filing and noting such a statement of release shall be as provided for in KRS 64.012.

SECTION 80. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

(1) If the person filing any financing statement, termination statement, statement of assignment, or statement of release, furnishes the filing officer a copy thereof, the filing officer shall upon request note upon the copy the file number and date and hour of the filing of the original and deliver or send the copy to such person.

(2) Upon request of any person, the filing officer shall issue his certificate showing whether there is on file on the date and hour stated therein, any presently effective financing statement naming a particular debtor and any statement of assignment thereof and if there is, giving the date and hour of filing of each such statement and the names and addresses of each secured party therein. Upon request the filing officer shall furnish a certified copy of any filed financing statement or statement of assignment.

(3) Neither the filing officer nor any employe of the filing officer shall be personally liable for any damages which may arise due to information furnished pursuant to this section which is subsequently shown to be inaccurate.

SECTION 81. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

A consignor or lessor of goods may file a financing statement using the terms "consignor," "consignee," "lessor," "lessee" or the like instead of the terms specified in KRS 355.9-402. The provisions of this part shall apply as appropriate to such a financing statement but its filing shall not of itself be a factor in determining whether or not the consignment or lease is intended as security (KRS 355.1-201(37). However, if it is determined for other reasons that the consignment or lease is so intended, a security interest of the consignor or lessor which attaches to the consigned or leased goods is perfected by such filing.

Section 82. 355.9-501 is amended to read as follows:

(1) When a debtor is in default under a security agreement, a secured party has the rights and remedies provided in this Part and except as limited by subsection (3) those provided in the security agreement. He may reduce his claim to judgment, foreclose or otherwise enforce the security interest by any available judicial procedure. If the collateral is documents the secured party may proceed either as to the documents or as to the goods covered thereby. A secured party in possession has the rights, remedies and duties provided in KRS 355.9-207. The rights and remedies referred to in this subsection are cumulative.

(2) After default, the debtor has the rights and remedies provided in this Part, those provided in the security agreement and those provided in KRS 355.9-207.

(3) To the extent that they give rights to the debtor and impose duties on the secured party, the rules stated in the subsections referred to below may not be waived or varied except as provided with respect to compulsory disposition of collateral (subsection *(3) of KRS 355.9-504 and* [~~(1)~~ ~~of~~] KRS 355.9-505) and with respect to redemption of collateral (KRS 355.9-506) but the parties may by agreement determine the standards by which the fulfillment of these rights and duties is to be measured if such standards are not manifestly unreasonable:

(a) Subsection (2) of KRS 355.9-502 and subsection (2) of KRS 355.9-504 insofar as they require accounting for surplus proceeds of collateral;

(b) Subsection (3) of KRS 355.9-504 and [~~subsection (1) of~~] KRS 355.9-505 *in its entirety,* which deal with disposition of collateral;

(c) Subsection (2) of KRS 355.9-505 which deals with acceptance of collateral as discharge of obligation;

(d) KRS 355.9-506 which deals with redemption of collateral; and

(e) Subsection (1) of KRS 355.9-507 which deals with the secured party's liability for failure to comply with this Part.

(4) If the security agreement covers both real and personal property, the secured party may proceed under this Part as to the personal property or he may proceed as to both the real and the personal property in accordance with his rights and remedies in respect of the real property in which case the provisions of this Part do not apply.

(5) When a secured party has reduced his claim to judgment the lien of any levy which may be made upon his collateral by virtue of any execution based upon the judgment shall relate back to the date of the perfection of the security interest in such collateral. A judicial sale, pursuant to such execution, is a foreclosure of the security interest by judicial procedure within the meaning of this section, and the secured party may purchase at the sale and thereafter hold the collateral free of any other requirements of this article.

Section 83. KRS 355.9-502 is amended to read as follows:

(1) When so agreed and in any event on default the secured party is entitled to notify an account debtor or the obligor on an instrument to make payment to him whether or not the assignor was theretofore making collections on the collateral, and also to take control of any proceeds to which he is entitled under KRS 355.9-306.

(2) A secured party who by agreement is entitled to charge back uncollected collateral or otherwise to full or limited recourse against the debtor and who undertakes to collect from the account debtors or obligors must proceed in a commercially reasonable manner and may deduct his reasonable expenses of realization from the collections. If the security agreement secures an indebtedness, the secured party must account to the debtor for any surplus, and unless otherwise agreed, the debtor is liable for any deficiency. But, if the underlying transaction was a sale of accounts, [~~contract rights,~~] or chattel paper, the debtor is entitled to any surplus or is liable for any deficiency only if the security agreement so provides.

Section 84. KRS 355.9-504 is amended to read as follows:

(1) A secured party after default may sell, lease or otherwise dispose of any or all of the collateral in its then condition or following any commercially reasonable preparation or processing. Any sale of goods is subject to the Article on Sales (Article 2). The proceeds of disposition shall be applied in the order following to:

(a) The reasonable expenses of retaking, holding, preparing for sale *or lease*, selling, *leasing* and the like and, to the extent provided for in the agreement and not prohibited by law, the reasonable attorneys' fees and legal expenses incurred by the secured party;

(b) The satisfaction of indebtedness secured by the security interest under which the disposition is made;

(c) The satisfaction of indebtedness secured by any subordinate security interest in the collateral if written notification of demand therefor is received before distribution of the proceeds is completed. If requested by the secured party, the holder of a subordinate security interest must seasonably furnish reasonable proof of his interest, and unless he does so, the secured party need not comply with his demand.

(2) If the security interest secures an indebtedness, the secured party must account to the debtor for any surplus, and, unless otherwise agreed, the debtor is liable for any deficiency. But if the underlying transaction was a sale of accounts[~~, contract rights,~~] or chattel paper, the debtor is entitled to any surplus or is liable for any deficiency only if the security agreement so provides.

(3) Disposition of the collateral may be by public or private proceedings and may be made by way of one or more contracts. Sale or other disposition may be as a unit or in parcels and at any time and place and on any terms but every aspect of the disposition including the method, manner, time, place and terms must be

commercially reasonable. Unless collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, reasonable notification of the time and place of any public sale or reasonable notification of the time after which any private sale or other intended disposition is to be made shall be sent by the secured party to the debtor *if, except in the case of consumer goods, he has not signed after default a statement renouncing or modifying his right to notification of sale. In the case of consumer goods no other notification need be sent. In other cases notification shall be sent to any other secured party from whom the secured party has received (before sending his notification to the debtor or before the debtors renunciation of his rights) written notice of a claim of an* [~~, and except in the case of consumer goods to any other person who has a security~~] interest in the collateral [~~and who has duly filed a financing statement indexed in the name of the debtor in this state or who is known by the secured party to have a security interest in the collateral~~]. The secured party may buy at any public sale and if the collateral is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations he may buy at private sale.

(4) When collateral is disposed of by a secured party after default, the disposition transfers to a purchaser for value all of the debtor's rights therein, discharges the security interest under which it is made and any security interest or lien subordinate thereto. The purchaser takes free of all such rights and interests even though the secured party fails to comply with the requirements of this Part or of any judicial proceedings.

(a) In the case of a public sale, if the purchaser has no knowledge of any defects in the sale and if he does not buy in collusion with the secured party, other bidders or the person conducting the sale; or

(b) In any other case, if the purchaser acts in good faith.

(5) A person who is liable to a secured party under a guaranty, indorsement, repurchase agreement or the like and who receives a transfer of collateral from the secured party or is subrogated to his rights has thereafter the rights and duties of the secured party. Such a transfer of collateral is not a sale or disposition of the collateral under this Article.

Section 85. KRS 355.9-505 is amended to read as follows:

(1) If the debtor has paid sixty per cent of the cash price in the case of a purchase money security interest in consumer goods or sixty per cent of the loan in the case of another security interest in consumer goods, and has not signed after default a statement renouncing or modifying his rights under this Part a secured party who has taken possession of collateral must dispose of it under KRS 355.9-504 and if he fails to do so within ninety days after he takes possession the debtor at his option may recover in conversion or under KRS 355.9-507 (1) on secured party's liability.

(2) In any other case involving consumer goods or any other collateral a secured party in possession may, after default, propose to retain the collateral in satisfaction of the obligation. Written notice of such proposal shall be sent to the debtor *if he has not signed after default a statement renouncing or modifying his rights under this subsection. In the case of consumer goods no other notice need be given. In other cases notice shall be sent to any other secured party from whom the secured party has received (before sending his notice to the debtor or before the debtor's renunciation of his rights) written notice of a claim of an interest in the collateral. If the secured party receives objection in writing from a person entitled to receive notification within twenty-one (21) days after the notice was sent,* [~~and except in the case of consumer goods to any other secured party who has a security interest in the collateral and who has duly filed a financing statement indexed in the name of the debtor in this state or is known by the secured party in possession to have a security interest in it. If the debtor or other person entitled to receive notification objects in writing within thirty days from the receipt of the notification or if any other secured party objects in writing within thirty days after the secured party obtains possession~~] the secured party must dispose of the collateral under KRS 355.9-504. In the absence of such written objection the secured party may retain the collateral in satisfaction of the debtor's obligation.

SECTION 86. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

ARTICLE 11. TRANSITION

As used in this article, the term "old UCC" shall mean this chapter as it existed prior to July 1, 1987, and the term "new UCC" shall mean this chapter as amended effective July 1, 1987.

SECTION 87. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

Transactions validly entered into after July 1, 1960 and before July 1, 1987, and which were subject to the provisions of old UCC and which would be subject to this chapter as amended if they had been entered into after the effective date of new UCC and the rights, duties and interests flowing from such transactions remain valid after the latter date and may be terminated, completed, consummated or enforced as required or permitted by new UCC. Security interests arising out of such transactions which are perfected on July 1, 1987 shall remain perfected until they lapse as provided in new UCC, and may be continued as permitted by new UCC, except as stated in Section 88 of this Act.

SECTION 88. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

A security interest for the perfection of which filing or the taking of possession was required under old UCC and which attached prior to July 1, 1987, but was not perfected shall be deemed perfected on July 1, 1987, if new UCC permits perfection without filing or authorizes filing in the office or offices where a prior ineffective filing was made.

SECTION 89. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

(1) A financing statement or continuation statement filed prior to July 1, 1987 which shall not have lapsed prior to July 1, 1987 shall remain effective for the period provided in old UCC, but not less than five (5) years after the filing.

(2) With respect to any collateral acquired by the debtor subsequent to July 1, 1987, any effective financing statement or continuation statement described in this section shall apply only if the filing or filings are in the office or offices that would be appropriate to perfect the security interests in the new collateral under new UCC.

(3) The effectiveness of any financing statement or continuation statement filed prior to July 1, 1987 may be continued by a continuation statement as permitted by new UCC, except that if new UCC requires a filing in an office where there was no previous financing statement, a new financing statement conforming to Section 90 of this Act shall be filed in that office.

(4) If the record of a mortgage of real estate would have been effective as a fixture filing of goods described therein if new UCC had been in effect on the date of recording the mortgage, the mortgage shall be deemed effective as a fixture filing as to such goods under subsection (6) of KRS 355.9-402 of new UCC on July 1, 1987.

SECTION 90. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

(1) If a security interest is perfected or has priority on July 1, 1987 as to all persons or as to certain persons without any filing or recording, and if the filing of a financing statement would be required for the perfection or priority of the security interest against those persons under new UCC, the perfection and priority rights of the security interest continue until three (3) years after July 1, 1987. The perfection will then lapse unless a financing statement is filed as provided in subsection (4) of this section or unless the security interest is perfected otherwise than by filing.

(2) If a security interest is perfected on July 1, 1987 under a law other than this chapter which requires no further filing, refiling or recording to continue its perfection, perfection continues until and will lapse three (3) years after July 1, 1987 unless a financing statement is filed as provided in subsection (4) or unless the security interest is perfected otherwise than by filing, or unless under subsection (3) of KRS 355.9-302 the other law continues to govern filing.

(3) If a security interest is perfected by a filing, refiling or recording under a law amended by new UCC which required further filing, refiling or recording to continue its perfection, perfection continues and will lapse on the date provided by the law so amended for such further filing, refiling or recording unless a financing statement is filed as provided in subsection (4) or unless the security interest is perfected otherwise than by filing.

(4) A financing statement may be filed within six (6) months before the perfection of a security interest would otherwise lapse. Any such financing statement may be signed by either the debtor or the secured party. It must

identify the security agreement, statement or notice (however denominated in any statute or other law amended by new UCC), state the office where and the date when the last filing, refiling or recording, if any, was made with respect thereto, and the filing number, if any, or book and page, if any, of recording and further state that the security agreement, statement or notice, however denominated, in another filing office under this chapter or under any statute or other law amended by this Act is still effective. KRS 355.9-401 and 355.9-103 determine the proper place to file such a financing statement. Except as specified in this subsection, the provisions of KRS 355.9-403 (3) for continuation statements apply to such a financing statement.

SECTION 91. A NEW SECTION OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS:

SECTION 95. A NEW SECTION OF KRS CHAPTER 186A IS CREATED TO READ AS FOLLOWS:

The motor vehicle lien statement, provided for in Section 98 of this Act, shall be developed by January 1, 1987 by the transportation cabinet, in cooperation with county clerks, financial institutions and auto dealers. The transportation cabinet shall ensure that the motor vehicle lien statement is in a similar form and contains the same information as that provided for in KRS 355.9-402 and in addition include the year, make, motor number and identification number of the motor vehicle.

Section 96. KRS 186A.140 is amended to read as follows:

(1) The department of vehicle regulation shall provide by administrative regulations, procedures for registration or titling, for a vehicle in a county not equipped with automated facilities provided for by this chapter, or whose facilities have been rendered useless for a period exceeding one (1) day by reason of calamity.

(2) Procedures developed under this section shall be consistent with concepts that liens associated with motor vehicles shall be *submitted for notation upon the certificate of title to* [~~filed with~~] the county clerk, and that a title shall be issued centrally from Frankfort, after careful review of an application to determine correctness and legitimacy of it.

Section 97. KRS 186A.190 is amended to read as follows:

(1) *The perfection and discharge of a security interest in a motor vehicle, required to be registered or titled in accordance with this chapter, shall be by notation on the certificate of title. The notation of the security interest on the certificate of title shall be in accordance with this chapter and remain effective until discharged under this chapter and KRS Chapter 186.*

(2) The notation of security interests [~~Financing statements~~] relating to vehicles required to be titled in Kentucky through the county clerk shall be *done* [~~filed~~] in the office of the county clerk of the county in which the debtor resides or, if the debtor is a nonresident, in the office of the county clerk in which the vehicle is principally operated. Notwithstanding the existence of any filed financing statement *under the provisions of KRS Chapter 355* relating to any vehicle registered or titled in Kentucky, the sole means of *perfecting and discharging a security interest* [~~determining priority of security interests~~] in a [~~such~~] vehicle *for which a certificate of title is required by this chapter is by* [~~shall be the~~] notation [~~of the security interest~~] on such vehicle's *certificate of* [~~registration or~~] title. *In other respects the security interest is governed by the provisions of KRS Chapter 355.*

(3)[~~(2)~~] Before ownership of a vehicle subject to a lien evidenced by *notation on the certificate of title* [~~a financing statement executed pursuant to KRS Chapter 355~~] may be transferred, the transferor shall obtain the release of the prior liens in his name against the vehicle being transferred. *Once a security interest has been noted on the owner's title, no subsequent title may be issued by any county clerk free of such notation unless the owner's title is presented to the clerk and it has been noted thereon, that the security interest has been discharged. If this requirement is met, information relating to any security interest shown on the title as having been discharged may be omitted from the title to be issued by the clerk.*

(4)[~~(3)~~] No more than two (2) active *security interests* [~~financing statements as provided by KRS Chapter 355~~] may be *noted* [~~recorded~~] upon a certificate of title.

(5)[~~(4)~~] In *noting a security interest* [~~recording the filing of a financing statement~~] upon a certificate of title, the county clerk shall ensure that the certificate of title bears the lienholder's name, mailing address and zip code, the date the lien was *noted* [~~filed~~], *the notation number* [~~its file number~~] and the county in which the

security interest was noted [~~financing statement is on file~~]. *The clerk shall obtain the information required by this subsection for notation upon the certificate of title from the motor vehicle lien statement described in KRS 186A.195 to be provided to the county clerk by the secured party.*

(6) In lieu of any and all fees prescribed by statute and for all the costs incurred in the notation and discharge of a security interest on a motor vehicle on the certificate of title, the county clerk shall receive ten dollars and fifty cents ($10.50) of which seven dollars and fifty cents ($7.50) shall be retained by the clerk and three dollars ($3.00) transmitted to the state treasurer. The fee prescribed by this subsection shall be paid at the time of submittal of the motor vehicle lien statement described in KRS 186A.195.

(7)[~~(5)~~] A copy of the application, certified by the county clerk, indicating the lien will be *noted on the certificate of title* [~~filed~~] shall be forwarded to the *lienholder* [~~lender~~].

Section 98. KRS 186A.195 is amended to read as follows:

(1) *As used in this chapter a motor vehicle lien statement is a document to be submitted by the secured party to the county clerk. Upon submission of the motor vehicle lien statement the county clerk shall use the information contained therein to note the security interest on the certificate of title. The county clerk may make motor vehicle lien statements available to the general public. However, public availability of such statements is not necessary or effective to perfect a security interest in motor vehicles required to be registered or titled in accordance with this chapter.*

(2) If a *motor vehicle lien statement* [~~financing statement~~] and the required fees accompany the application for first title of a vehicle in the name of an owner, the county clerk shall enter the information required by KRS 186A.190*(5)*[~~(4)~~] into the automated system so as to produce a certificate of title in Frankfort bearing in addition to any other required information, the information designated by KRS 186A.190*(5)*[~~(4)~~]. The clerk shall thereby produce, in accordance with design of the automated system, a certificate of registration, if required.

(3)[~~(2)~~] If a *motor vehicle lien statement* [~~financing statement~~] and the required fees are not received at the time of application for first title of a vehicle in the name of the owner due to owner's residency in another county *or if the form prescribed by KRS 186A.060 indicates a pending lien but the motor vehicle lien statement does not accompany the application for title*, the county clerk shall enter into the automated vehicle informational system (AVIS) the name and address of the lienholder and the county where the lien is to be *noted or that a lien is pending* [~~filed~~]. The clerk shall indicate a title is not to be issued until the lien has been *noted* [~~filed~~] and fees, *according to KRS 186A.190,* paid in the county of the owner's residence or in thirty (30) days. The county clerk shall then issue the registration. The county clerk in the county of the owner's residence shall, after receiving the *motor vehicle lien statement* [~~financing statement~~] and [~~required~~] fees, *contained in KRS 186A.190* enter into the automated vehicle information system (AVIS) the date of lien *notation and the notation number,* [~~filing and the file number~~] thus enabling the system to produce the title in Frankfort.

(4) Should a certificate of title be issued after the thirty (30) day period has expired without the notation of a security interest thereon or should there be no provision made for a lien to be noted in the county of residence of the debtor within thirty (30) days and the title issued within that time, the secured party shall request from the debtor, and the debtor shall submit to the secured party, the certificate of title. The secured party shall submit the certificate of title along with the motor vehicle lien statement to the county clerk of the county of the debtor's residence. The county clerk shall then enter the information required by KRS 186A.190(5) into the automated vehicle information system (AVIS) and note on the certificate of title in the appropriate section the information described in that section. Following the notation of the appropriate information on the certificate of title, the county clerk shall return the title to the debtor.

(5) The security interest noted on the certificate of title shall be deemed perfected at the time the security interest attaches (KRS 355.9-203) if the secured party tenders the required fees and submits a properly completed motor vehicle lien statement and application for first title or, in the case of a vehicle previously titled in the name of its debtor, the certificate of title to the appropriate county clerk within ten (10) days of attachment. Otherwise the security interest shall be deemed perfected at the time that such fees are tendered and such documents are submitted to the appropriate county clerk.

Section 99. KRS 186A.200 is amended to read as follows:

(1) With respect to a vehicle, previously titled in the name of its debtor, the secured party shall, within fifteen (15) days after execution of the security agreement, obtain the current certificate of title in the name of the debtor, with no more than one prior lien indicated thereon, and present *to the county clerk the certificate of title, which the secured party shall have the right to obtain from the debtor,* [~~it~~] together with the *motor vehicle lien statement* [~~financing statement~~] and the required fees *in KRS 186A.190* to the county clerk.

(2) For failure to present both the title and *motor vehicle lien statement* [~~financing statement~~] within the time prescribed by subsection (1) of this section, the secured party shall pay a penalty of two dollars ($2.00) to the county clerk as a prerequisite for noting the security interest on the title.

(3) The county clerk shall enter the information required by KRS 186A.190*(5)*[~~(4)~~] into the automated system.

(4) The county clerk shall record upon the title in the appropriate section the information designated by KRS 186A.190*(5)*[~~(4)~~].

Section 100. KRS 186A.205 is amended to read as follows:

Whenever a security interest is assigned as provided by KRS 186.045*(1)*[~~(4)~~], the county clerk of a county that is operating under automated procedures shall, in addition to carrying out his requirements stated therein, enter the record of lien assignment into the automated system in the manner directed by the bureau of vehicle regulation.

Section 101. KRS 186A.210 is amended to read as follows:

Whenever a security interest to a vehicle has been discharged as provided by KRS 186.045*(2)*[~~(5)~~], the county clerk of a county that is operating under automated procedures shall, upon receiving a termination statement, *within five (5) days* [~~promptly~~] enter the record of termination into the automated system. *The automated system shall be programmed to allow a county clerk in a county where the termination statement was not received to access the automated system to determine the county and date that the record of termination was entered into the automated system.* The clerk *of the county where the termination statement was received* shall then release the lien recorded upon the title in the manner directed by the department of vehicle regulation, and take such other action with respect to a termination as is directed by the department of vehicle regulation.

Section 102. KRS 186.040 is amended to read as follows:

(1) Upon receiving the application and fee, the county clerk shall issue to the owner a certificate of registration [~~and ownership~~] containing the information required by subsection (2) of this section and a registration plate. If the cabinet finds that there is a shortage of materials suitable for making plates, or that a substantial saving will result, it may require by regulation with the approval of the governor that previously issued plates continue to be used for a designated period. For services performed the owner shall pay the county clerk the sum of two dollars ($2) for each registration, or if said registration exceeds a twelve (12) month period the clerk shall receive a fee of three dollars ($3).

(2) The certificate of registration [~~and ownership~~] shall contain the registration number, the *name* [~~names~~] and post office *address* [~~addresses~~] of the owner [~~and the secured party as shown by the financing statement on file in the office of the county clerk~~] and such other information as the cabinet may require. [~~The owner's copy of such certificate shall bear the seal of the county clerk who issued same. No fee shall be charged for placing such seal on the owner's copy of the certificate.~~

~~(3) If a motor vehicle, other than a new motor vehicle, is registered in this state under the authority of a bill of sale, registration receipt or title, the certificate of registration and ownership shall show the title or the registration number and the name of the state issuing same under which the motor vehicle was last registered in addition to the other required information.~~]

Section 103. KRS 186.045 is amended to read as follows:

[~~(1) Financing statements relating to vehicles required to be registered in Kentucky by the county clerk shall be filed in the office of the county clerk of the county in which the debtor resides or, if the debtor is a nonresident, in the office of the county clerk in which the vehicle is principally operated.~~

~~(2) (a) Whenever a financing statement required by KRS Chapter 355 relating to any vehicle registered or required to be registered in Kentucky for use on the highway is presented to a county clerk for filing, such clerk shall also immediately note information required by the cabinet relative thereto on the owner's copy of the certificate of registration and ownership or transfer receipt issued for the current registration period as noted in subsection (2) of KRS 186.170, which the secured party must obtain and present to the county clerk, along with the financing statement, within fifteen (15) days, exclusive of Sundays and holidays, after execution of the security agreement. The clerk shall also note such information on the clerk's copy of the certificate of registration and ownership or transfer receipt maintained in his office in numerical order. The clerk noting the information on the owner's copy of the certificate of registration and ownership or transfer receipt shall return such receipt to the owner within five (5) days after making such notation. For filing the financing statement, the clerk shall collect a fee pursuant to KRS 64.012 from the secured party and, in addition, for noting the security interest on the required receipts, the clerk shall collect from the secured party a fee pursuant to KRS 64.012 for each additional motor vehicle included on the financing statement.~~

~~(b) Whenever a financing statement affecting a vehicle is presented to a county clerk for filing in any county other than the one in which the current receipt was issued, the county clerk shall, in addition to the other requirements of this section, mail a notice of the security interest on a form furnished by the cabinet to the clerk of the county in which the current receipt was issued. Upon receipt of said notice, the county clerk shall attach it to the copy of the current receipt on file, maintained in numerical order, in the county clerk's office and note the security interest on the clerk's copy of the receipt.~~

~~(3) For failure to present both the current receipt and financing statement within the time prescribed by subsection (2)(a), the secured party shall pay a penalty of two dollars ($2.00) to the county clerk as a prerequisite for noting the security interest on the current receipt.~~]

(1)[~~(4)~~] Whenever a perfected security interest is assigned, the assignor shall immediately give a statement of assignment to the assignee and at the same time deliver another copy of *the* [~~such~~] statement to the debtor. *After the receipt of the statement of assignment and at the request of the assignee, enclosed with a self-addressed stamped envelope, the debtor shall forward the certificate of title to the assignee.* The assignee shall, within thirty (30) days thereafter, present a copy of the statement of assignment *and the certificate of title* to the county clerk in whose office the *security interest was noted* [~~financing statement is on file~~]. Upon receipt of the assignment, the county clerk shall *note the assignment on the certificate of title and in addition include the name, address and zip code of the assignee and the date the assignment was noted* [~~mark the same as provided in subsection (2) of KRS 355.9-405 and attach it to the original financing statement~~]. *After the notation on the certificate of title, the county clerk shall return the certificate of title to the debtor.* For this service the county clerk shall collect a fee pursuant to KRS 64.012.

(2)[~~(5)~~] Whenever a security interest has been discharged, other than by proceedings under KRS 355.9-501 through 355.9-507 or similar proceedings, the secured party shall, within *ten (10)* [~~fifteen (15)~~] days thereafter, deliver a termination statement in the manner required by KRS 355.9-404 to the county clerk of the county in which the *motor vehicle lien statement was submitted* [~~financing statement is filed~~]. *The secured party shall also deliver a copy of the termination statement to the debtor or the debtor's transferee.* For failure to file the termination statement within the allowable time, the secured party shall be subject to the penalty provided in KRS 186.990(1). Within five (5) days after the receipt of such documents, the county clerk shall note the filing in the index [~~and, in addition, note on the clerk's copy of the current receipt maintained in his office in numerical order~~], in language prescribed by the cabinet, that the termination statement has been filed. Upon presentation of the owner's *title* [~~copy of the receipt~~] showing such security interest *to the county clerk where the termination statement was submitted, and with the copy of the termination statement submitted by the secured party,* the clerk shall *discharge the security interest by noting* [~~also note~~] on such *title* [~~receipt~~] that the termination statement has been filed and place the seal of the county clerk thereon. The clerk shall return the owner's *title* [~~receipt~~] to the owner. [~~The county clerk shall remove the financing statement from his files, mark "terminated" thereon and send or deliver it to the secured party along with any continuation statement, statement of assignment or statement of release pertaining thereto.~~] The county clerk shall then file the termination statement in the place from which the *motor vehicle lien statement* [~~financing statement~~] was removed. Termination statements must be retained in the clerk's files for a period of two (2) years subsequent to the date of filing such statement, at which time they may be destroyed. *The* [~~No~~] fee [~~shall be collected~~] for these services *are included in the provisions of KRS 186A.190* [~~by the clerk. Once a security interest has been noted on the owner's copy of a certificate of registration and ownership or transfer receipt, no subsequent certificate of registration and ownership or transfer receipt may be issued by any county clerk free of such notation unless the owner's copy of the current receipt is presented to the clerk and it has noted thereon by the proper county clerk that the termination statement therefor has been filed. If this requirement is met,~~]

~~information relating to any security interest shown on the receipt as having been terminated may be omitted from the receipt to be issued by the clerk~~].

(3) Upon presentation of the owner's title showing such security interest to the county clerk of a county where the termination statement was not delivered, the county clerk of that county shall access the automated system to determine whether a record of termination of the security interest has been entered into the automated system by the county clerk where the termination statement was delivered by the secured party as provided in KRS 186A.210. If such record of termination has been entered into the automated system, the county clerk of the county where the termination statement was not delivered, shall note the discharge of the security interest on the certificate of title by noting that the termination statement has been delivered, the county where it was delivered, and placing the seal of the county clerk thereon and may rely on the automated system to do so. If such record of termination has not been entered into the automated system, in no case shall the county clerk of the county other than where the termination statement was delivered, make any notation upon the certificate of title that the security interest has been discharged or that a termination statement has been delivered to the county where the motor vehicle lien statement was submitted.

(4)[~~(6)~~] Whenever any secured party repossesses a vehicle *titled in this state* [~~registered with a county clerk~~], for which a *security interest is in existence at the time of repossession* [~~financing statement has been filed~~], and disposes of such vehicle pursuant to the provisions of KRS Chapter 355, he must present, within fifteen (15) days after such disposition, an affidavit in form prescribed by the department and a termination statement or proof that such termination statement has been filed. The new owner shall pay all applicable fees for *titling* [~~registering~~] and transferring the vehicle to the county clerk. Upon receipt of such documents, the county clerk who issued the *lien* [~~current receipt~~] shall then omit from the *title* [~~certificate of registration and ownership or transfer receipt~~] he *makes application for* [~~issues~~] any information relating to the security interest under which the vehicle was repossessed or any security interest subordinate thereto. However, any security interest, as shown by such *title* [~~clerk's copy of the current receipt,~~] which is superior to the one under which the vehicle was repossessed, must be shown on the *title* [~~receipt~~] issued by the clerk unless the prior secured party has *discharged* [~~terminated~~] such security interest in such clerk's office or proof of termination is submitted in case such prior security interest was discharged in another clerk's office.

(5)[~~(7)~~] Whenever any vehicle brought into this state is required to be *titled in this state* [~~registered with a county clerk~~] and such vehicle is then subject to a security interest in another state as shown by the out of state documents presented to the clerk, the county clerk is prohibited from *processing the application for title on* [~~registering~~] the vehicle unless the owner obtains from the secured party a financing statement *or motor vehicle lien statement* and presents same to the clerk along with *the* [~~all~~] fees *required in KRS 186A.190* [~~due~~]. [~~Such a financing statement must conform to the requirements of subsection (3) of KRS 355.9-402.~~] The clerk shall note the out of state security interest on the *certificate of title* [~~new registration receipt and on the clerk's copy thereof~~]. This provision does not apply to vehicles required to be registered in Kentucky under forced registration provisions under KRS 186.145. [~~The penalty provided in subsection (3) of this section shall not apply to this subsection.~~]

(6)[~~(8)~~] The fees provided for in this section are in addition to any state fee provided for by law.

(7)[~~(9)~~] Any person violating any provision of this section or any person refusing to surrender a certificate of *title* registration and ownership or transfer certificate upon request of any person entitled thereto, is subject to the penalties provided in subsection (1) of KRS 186.990.

(8)[~~(10)~~] The county clerk is prohibited from *noting* [~~filing~~] any *security interest on a certificate of title* [~~financing statement~~] on any vehicle subject to the provisions of *KRS Chapter 186A* [~~this section~~] if a certificate of *title* [~~registration and ownership or transfer receipt~~] therefor is presented to him which has all the spaces provided thereon for noting security interests fully exhausted. The owner must see to it that a *discharge* [~~termination statement~~] is *noted on the certificate of title* [~~filed~~] for each [~~discharged~~] security interest and then a duplicate *title* [~~receipt~~] as provided for in *KRS 186A.180* [~~KRS 186.180~~] must be obtained from the clerk by the owner of the vehicle.

(9)[~~(11)~~] Security interests in vehicles sold to or owned by residents of other states must be perfected in the state of such nonresident and repossession of the vehicle must be taken pursuant to the laws of such state, unless the vehicle is principally operated in Kentucky and is properly *titled* [~~registered~~] herein under *KRS Chapter 186A* [~~KRS 186.020~~] and the security interest is authorized to be *noted on the certificate of title by* [~~filed with~~] the county clerk under *KRS Chapter 186A* [~~KRS 355.9-401. However, a security interest on any~~

~~vehicle which is not used on the public highways and for that reason is not required to be registered for highway use may be filed with the county clerk as otherwise permitted under KRS Chapter 355~~].

Section 104. KRS 186.990 is amended to read as follows:

HB 208, AN ACT relating to motor vehicle registration.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 186 IS CREATED TO READ AS FOLLOWS:

(1) Any owner of a motor vehicle required to be registered under the provisions of KRS 186.050(1) or (3)(a), except taxicabs, airport limousines and U-Drive-Its, may, in addition to registration under KRS 186.050(1) or (3)(a), obtain a medical information license plate. A medical information license plate shall not be issued unless an application accompanied by a fee of twenty-five dollars ($25.00) is received by the county clerk and forwarded to the transportation cabinet on or before September 1 preceding the year in which the plate or renewal thereof is to be issued. In addition, such application shall be accompanied by a physician's statement that the vehicle owner has a specific physical ailment or drug allergy, which if noted, may serve to aid emergency personnel treating the individual. Any payments required to be made under this section shall be in the form of a certified check, cashier's check or money order. Medical information license plates issued under this section expire December 31 each year.

(2) The medical information license plate shall be a five (5) year license plate in the same form and character as license plates authorized by law, to be used upon similar private vehicles registered in Kentucky, except that such license plate shall bear the inscription "Medical Condition", a registration number and an appropriate standardized insignia.

(3) The cabinet shall send the medical information license plate to the county clerk in the county in which the applicant would be required to register his motor vehicle. The county clerk of the county of residence shall issue

said plate and receive thirteen dollars and fifty cents ($13.50), of which two dollars ($2.00) shall constitute the clerk's fee and eleven dollars and fifty cents ($11.50) shall constitute the cabinet's fee. Annually thereafter, if a new license plate is not scheduled to be reissued, upon application to the county clerk of the county of residence and payment of an eleven dollar and fifty cents ($11.50) registration fee, the clerk shall issue a current year renewal decal to the applicant to be affixed to the medical information license plate.

(4) Upon the sale or transfer of a vehicle licensed as authorized by subsection (1) of this section, the owner shall remove the medical information license plate and return it to the county clerk who shall reissue it for use on any other vehicle of the same class and category owned by the same applicant to whom the medical information license plate was originally issued.

(5) For the services performed in issuing the medical information license plate and in annually issuing a current year renewal decal to be affixed to the plate, the county clerk shall receive from each applicant a fee of two dollars ($2.00). A like fee shall be charged for reissuance of such license plate after the sale or transfer of the vehicle for which it was originally issued.

(6) The secretary of the transportation cabinet shall provide such forms as may be necessary to carry out the purposes of this section.

HB 425, AN ACT relating to tolls.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 175.520 is amended to read as follows:

(1) The authority, while having the right to control tolls under this chapter or any lease, and the department, while having such right under this chapter or any such lease, are hereby authorized to fix, revise, charge and collect tolls for the use of each turnpike project and the different parts or sections thereof. *The authority or the department shall not charge or collect tolls from state police vehicles, local police and fire department vehicles and emergency vehicles operated by ambulance services while such vehicles are being operated in an official capacity, in both emergency and non-emergency situations, on a turnpike project.*

(2) The authority, with the approval of the department, is hereby authorized to contract with any person, partnership, association or corporation desiring the use of any part of a project, including the right of way adjoining the paved portion, for placing thereon telephone, telegraph, electric light or power lines, service stations, garages, stores, hotels, motels, and restaurants, or for any other purpose except for tracks for railroad or railway use, and to fix the terms, conditions, rents and rates of charges for such use. A sufficient number of service stations shall be authorized to be established in each service area along any such turnpike to permit reasonable competition by private business in the public interest.

(3) During any period when tolls are under the control of the authority, such tolls shall be so fixed and adjusted in respect of the aggregate of tolls from the turnpike project or projects in connection with which the bonds of any issue shall have been issued under the provisions of this chapter as to provide funds sufficient, with any other available funds, to pay (a) the cost of maintaining, repairing and operating such turnpike project or projects, unless such cost or any part thereof is being paid by the department as authorized in this chapter, and (b) the principal of and the interest on such bonds as the same shall become due and payable, and to create reserves for such purposes. Such tolls shall not be subject to supervision or regulation by any other department, commission, board, bureau or agency of the Commonwealth. The tolls and all other revenues derived from the turnpike project or projects in connection with which the bonds of any issue shall have been issued, except such part thereof as may be necessary to pay such cost of maintenance, repair and operation and to provide such reserves therefor as may be provided for in the proceedings authorizing the issuance of such bonds or the trust indenture securing the same, shall be set aside in a sinking fund or funds which are hereby pledged to and charged with the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the tolls or other revenues or other moneys so pledged and thereafter received by the authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act; and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether such parties have notice thereof. Neither the proceedings nor any trust indenture by which a pledge is created need be filed or recorded except in the records of the authority and the department. The use and disposition of moneys to the credit of any such sinking fund shall be subject to the

provisions of the proceedings authorizing the issuance of such bonds or of such trust indenture. Except as may otherwise be provided in such proceedings or in such trust indenture, any such sinking fund shall be a fund for all bonds provided to be payable therefrom without distinction or priority of one (1) over another.

(4) Notwithstanding any of the foregoing provisions of this section, the department may, by separate proceedings ancillary to the proceedings of the authority authorizing the issuance of revenue bonds or revenue refunding bonds under the provisions of this chapter, covenant to pay all or any part of the cost of maintaining, repairing and operating any project constructed under the provisions of this chapter, and the department may, in such proceedings, covenant to make up all or any part of any deficiency in the fund or funds pledged to and charged with the payment of the principal of and the interest on such bonds from any funds or tax revenues available for general purposes of the department and not required by law to be devoted to some other purpose, and, inasmuch as such project will have been constructed by agreement with the department for the use and benefit of the Commonwealth and will eventually become the property of the Commonwealth, any such covenant shall have the force of contract between the Commonwealth and the holders of such revenue bonds or revenue refunding bonds.

(5) Notwithstanding any of the foregoing provisions of this section, the authority may, in the proceedings authorizing the issuance of revenue bonds or revenue refunding bonds for any turnpike project or projects under the provisions of this chapter or in the trust agreement securing such bonds, pledge to the payment of such bonds all motor fuel taxes and surtaxes collected by the Commonwealth on gasoline and other motor fuels consumed on such project or projects (except the two-sevenths (2/7) of said motor fuel taxes provided by KRS 138.220 to be set aside for the construction, reconstruction and maintenance of rural and secondary roads) and paid over to the authority by the department as revenues of such project or projects, and covenant to deposit such motor fuel taxes from time to time in the sinking fund or funds pledged to the payment of such bonds. In determining the amount of motor fuel consumed on any turnpike project the department shall divide the total miles traveled on such project by passenger automobiles, single unit trucks, and semitrailer trucks and buses as determined by the department by the average number of miles per gallon of motor fuel consumed by each of those classes of motor vehicle on the following basis:

Passenger automobiles	15 miles per gallon
Single unit trucks	10 miles per gallon
Semitrailer trucks and buses	5 miles per gallon

(3) The cabinet upon receiving a record of the conviction of any person upon a charge of operating a motor vehicle while the license of that person is denied or suspended, or revoked, or while his privilege to operate a motor vehicle is withdrawn, shall immediately extend the period of the first denial, suspension, revocation or withdrawal for an additional like period.

(4) The revocation or denial of a license or the withdrawal of the privilege of operating a motor vehicle under this section shall be for a period of six (6) months, except that, if the same person has had one (1) previous conviction of any offense enumerated in subsection (1) of this section, regardless of whether the person's license was revoked because of the previous conviction, the period of the revocation, denial or withdrawal shall be one (1) year; if the person has had more than one (1) previous conviction of the offenses considered collectively as enumerated in subsection (1) of this section, regardless of whether the person's license was revoked for any previous conviction, the period of revocation, denial or withdrawal shall be for not less than two (2) years. Attendance at the school shall not permit the retention of the operator's license. Successful completion of the school shall reduce the period of operator's license suspension from six (6) months to thirty (30) days as specified in KRS 189A.070(1)(a).

(c) The applicant shall furnish proof of liability insurance in effect on the operation of each amusement ride or attraction providing coverage, with an insurer authorized to issue such a policy in this state, in the amount of one million dollars ($1,000,000) due to all bodily injuries or deaths per occurrence, *or in lieu thereof, if the applicant's amusement ride or amusement attraction is one (1) that is permanently located or erected on a site in this state, the applicant shall be required only to provide proof of liability insurance in the sum of one hundred thousand dollars ($100,000) or proof of financial responsibility in the sum of one hundred thousand dollars ($100,000).* Every insurance carrier of such policies shall notify the commissioner at least thirty (30) days prior to cancellation of the policy. In addition to proof of adequate insurance coverage, the applicant shall furnish any other information the commissioner may require, including, but not limited to, written notice of each intended operating site to be received by the commissioner at least fourteen (14) days prior to operation at that site. However, in cases of emergency, notice of a change in future plans may be given to the commissioner by telephone. Insurance requirements for amusement rides and attractions operated at the Kentucky state fair may be adjusted by the commissioner to any amount reasonably necessary to ensure adequate coverage.

However, in regard to situations in which safety violations are found that cannot be corrected immediately, the commissioner shall charge an inspection fee in the amount one hundred dollars ($100) for any future inspection necessary to determine if that particular amusement ride or attraction complies with accepted standards of safety.

(b) In regard to situations in which safety violations are found that cannot be corrected immediately, the amusement ride or attraction shall cease to operate in this state by order of the amusement safety inspector. In addition, the amusement safety inspector shall conspicuously post a public notice on or near the amusement ride or attraction. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 78.530 is amended to read as follows:

(1) Each county and school board as defined in KRS 78.510 will participate in the system by appropriate order authorizing such participation which has been entered and duly recorded in the records of the governing body of the county or school board. The authority to issue and properly record such order of participation being hereby granted, permits such county to participate in the system. The effective date of such participation shall be fixed in the order.

(2) Once a county or school board participates it shall thereafter continue to participate except as provided in KRS 78.535.

(3) (a) Concurrent with the adoption of the appropriate resolution to participate in the system, a county may elect the alternate participation plan which will require the county to purchase on behalf of each employe electing coverage, at the time the county elected to participate in the system as provided under KRS 78.540(2) current service credit between July 1, 1958 and the participation date of the county. Cost of such service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of such actuarial service shall be paid by the county.

(b) The county shall establish a payment schedule subject to approval by the board for payment of the cost of such service over and above that which would be funded within the existing employer contribution rate. The maximum period allowed in a payment schedule shall be thirty (30) years with interest at the rate actuarially assumed by the board.[~~; however,~~] A shorter period is desirable and the board may approve any payment schedule provided it is not longer than a thirty (30) year period, *except that cities which participate in the system pursuant to 1984 Acts Chapter 177, as amended by this Act, may, at their option, extend the payment schedule to a maximum of forty (40) years, may choose to make level payments over the life of the payment schedule chosen, and may retain employer contributions and the earnings thereon attributable to employes electing coverage.*

[~~(c) A city entering the system under the alternate participation plan, may, by ordinance, levy a special property tax to pay for current service credit purchased for the period between July 1, 1958 and the participation date of the city. The special tax shall be to pay, within a period of no more than fifteen (15) years, for the cost of such service credit over that which would be funded within the existing employer contribution rate, as determined by the board's consulting actuary. The reason for levying the special tax and the disposition of the proceeds shall be part of the ordinance levying the tax. The special tax shall be rescinded when the unfunded prior service liability has been amortized, and shall not be subject to the provisions of KRS 132.017 or 132.027. The city shall not collect the special property tax if its participation has been terminated pursuant to KRS 78.535.~~]

(4) Every school board not participating on June 21, 1974, shall enact a resolution of participation no later than July 1, 1976.

(5) The order of the governing body of a county, as provided for in subsection (1) of this section, may exclude from participation in the system, hospitals and any other semi-independent agency. Each such excluded agency shall be identified in the order authorizing participation and such excluded agency may participate in the system as a separate agency.

(6) An agency whose participation in the county employes retirement system has been terminated by the board of trustees in accordance with KRS 78.535 may at a later date request participation in the retirement system by the adoption of an appropriate order as authorized by subsection (1) of this section. The board may accept the participation of such agency provided it is determined that such participation is in the best interest of the agency, the employes thereof and the county employes retirement system.

(7) After July 1, *1986* [~~1985~~], local government retirement systems created pursuant to KRS 79.080, 90.400, 95.767 and 96.180 shall be closed to new members. New employes who would have been granted membership in such retirement systems shall instead be granted membership in the county employes retirement system. Employes who would have been granted membership in retirement systems created pursuant to KRS 95.767, or any other policemen or fire fighters who would have been granted membership in retirement systems created pursuant to KRS 79.080, 90.400 or 90.410 shall be certified by their employers as working in hazardous positions. Each city participating in the county employes retirement system pursuant to this subsection shall execute the appropriate order authorizing such participation, shall[~~, if its local pension system provides a defined benefit,~~] select the alternate participation plan as described in KRS 78.530(3), and shall pay for the actuarial services necessary to determine the additional costs of alternate participation. *Cities which closed their local pension systems to new members and participated in the system prior to the effective date of 1984 Acts Chapter 177 as amended by this Act, whose employes at the time of transition were given the option to join the system shall not be required to offer said employes a second option to join the system as a result of any provision of 1984 Acts Chapter 177 as amended by this Act* [~~Cities which provide a defined contribution pension plan locally may select the alternate participation plan, and in that case shall pay for the actuarial services necessary to determine the additional costs of alternate participation~~].

Section 2. KRS 65.156 is amended to read as follows:

(1) The governing board of any local government retirement system created pursuant to KRS 67A.320, 67A.340, 67A.360 to 67A.690, 79.080, 90.400, 90.410, 95.290, 95.520 to 95.620, 95.621 to 95.629, 95.767 to 95.784, 95.851 to 95.884 or 96.180 shall submit the retirement system to an actuarial evaluation at least once every three (3) years, if the system provides a defined benefit. The evaluation shall be prepared by an actuary who is a fellow of the society of actuaries, a member of the American academy of actuaries, or an enrolled actuary under the Employes' Retirement Income Security Act of 1975. The board shall send a copy of the most recent evaluation to the librarian of the legislative research commission by September 1, 1982, and thereafter the board shall send a copy of each new evaluation within ten (10) days of receipt.

(2) Actuaries performing evaluations pursuant to this section shall use the entry age normal cost funding method. Their reports shall include a definition of each actuarial term and an explanation of each actuarial assumption used. Assumptions shall be reasonably related to the experience of the system and represent the actuary's best estimate of anticipated experience.

(3) Any city with a retirement system created pursuant to KRS 79.080, 90.400, 90.410, 95.520 to 95.620, 95.621 to 95.629, 95.767 to 95.784, 95.851 to 95.884 or 96.180 which is closed to new members pursuant to KRS 78.530, 95.520, 95.621 or 95.852 shall, if its local pension system provides a defined benefit, contribute annually to the pension system, for the benefit of the retirees of the system and the active participants who choose to remain in the system, and in cities of the second class for the benefit of members who have completed at least twenty (20) years' service and withdrawn from service pursuant to KRS 95.857, an amount equal to that which would be required pursuant to the funding standards of KRS 95.868, plus so much of the principal amount of any unfunded prior service liability as the actuary states is necessary to maintain cash flow adequate to pay retiree and beneficiary payments until financial obligations to all retirees and beneficiaries are fully satisfied.

(2) A city of the fourth or fifth class is authorized to adopt the provisions of KRS 95.520 to 95.620 governing policemen's and fire fighter's pension fund, the same as a city of the third class.

(3) A city of the fourth or fifth class is authorized to adopt the provisions of KRS 90.300 to 90.420 governing civil service, the same as a city of the third class, and may provide a retirement system for any of its employes, including police and fire fighters, pursuant to KRS 90.400 or 90.410. If a city creates a retirement system for its police and fire fighters pursuant to KRS 90.400 or 90.410, it shall establish a board of trustees for that system. The provisions of KRS 90.400 and 90.410 notwithstanding, a majority of the board shall be members of the retirement system elected by the members of the retirement system. The board of trustees shall control and manage the retirement fund, for the exclusive purposes of providing benefits to members and their beneficiaries and defraying reasonable expenses of administering the plan. The board may contract with investment advisors or managers to perform investment services as deemed necessary and prudent by the board.

(4) A city of the fourth or fifth class may adopt the provisions of KRS 79.080 or 78.510 to 78.852 for any of its employes, or KRS 95.767 to 95.784 for its police and fire fighters.

(5) The legislative body of the city of the fourth or fifth class may not establish or continue a retirement system for any of its employes unless such action is taken pursuant to statutes listed in subsection (2), (3) or (4) of this section, *or unless the city adopts a deferred compensation program pursuant to KRS 18A.270 or a defined contribution or money purchase plan qualified under section 401(a) of the internal revenue code of 1954 as amended.* If a city has adopted a retirement system but has not done so pursuant to *the options* [~~statutes~~] listed in *this subsection or in* subsection (2), (3), or (4) of this section, it shall amend its action to comply with the provisions of this subsection. This subsection shall not be construed to limit the application of KRS 82.082(2) with respect to the comprehensive nature of Kentucky law governing city retirement systems. After adoption of the provisions of any of the statutes listed in this section, the city may not revoke, rescind or repeal these adoptions for any employe covered thereby.

(6) (a) Any of the following offices, positions, and places of employment, in the police and fire departments, may be excluded from the classified service: The chief of police, assistant chief of police, chief of fire fighters and assistant chief of fire fighters.

(b) Any classified employe in either department who shall accept an appointment and qualify as chief of police, assistant chief of police, chief of fire fighters, or assistant chief of fire fighters, shall be deemed to have received a leave of absence from the classified service for, and during the incumbency of, any of said respective positions. Should any such chief or assistant chief, cease to serve as such, the same classification and rank which he had prior to said appointment shall be restored to him.

(7) After July 1, *1986* [~~1985~~], no city shall create a new pension fund pursuant to this section other than by adopting KRS 78.510 to 78.852, *or by adopting a deferred compensation program pursuant to KRS 18A.270 or a defined contribution or money purchase plan qualified under section 401(a) of the internal revenue code of 1954 as amended.*

Section 12. Whereas it is necessary to require certain city pension systems to join with the county employes retirement system on July 1, 1986 because the plan or fiscal year begins on July 1, and it is necessary for employes who will have an option to join the county employes retirement system to make their decision by June 1, 1986, an emergency is declared to exist and this Act shall take effect upon passage by the General Assembly and signature by the Governor.

The Committee Substitute to HB 738 is as follows:

HB 738, AN ACT relating to pensions for police in cities of the first class.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 95.290 is amended to read as follows:

(1) The city legislative body in cities of the first class may enact ordinances providing for a system of pensions for retired and disabled members of the police and fire divisions of the department of public safety and their dependents, may appropriate funds for the purpose of paying such pensions, may allot and pay to the policemen's pension fund or the fire fighter's pension fund or either or both of them, all fines and forfeitures imposed upon members of the respective divisions, and may provide for, assess and collect contributions from the members for the benefit of the fund.

(2) There shall be a governing body of the policemen's pension fund, and a governing body of the fire fighter's pension fund. The governing bodies of the respective funds shall hold title to all assets in their respective funds, and shall have exclusive authority relating to investment of the assets of the funds, including contracting with investment advisors or managers to perform investment services as deemed necessary and prudent by the board. A majority of the governing body of each fund shall be comprised of members of the respective pension systems, and no more than one (1) member of the city legislative body may be a member of the governing body of either the policemen's or the fire fighter's pension fund.

(3) Any pension fund established under the provisions of this section shall be held *or* [~~and~~] distributed for *any of the following purposes:*

(a) Paying pensions;

(b) Payments to the city for transfer to the county employes retirement system for alternate participation pursuant to KRS 78.530(3)(a) and KRS 78.531(2)(c);

(c) Transfer of pension assets through investment contract or other financial instrument for the purpose of amortizing unfunded service liability; and

(d) Payment from the city to the county employes retirement system for future pension contributions required pursuant to KRS 61.565.

Pursuant to the terms of this Act, if policemen of the city of the first class elect entry into the county employes retirement system and thereby create excess funds over those required to provide for the purposes set forth in paragraphs (a), (b), and (c) of this subsection, these excess funds shall be distributed to the city for use by the city for any other purpose it may elect, including, but not limited to, the establishment of a reserve for payment under paragraph (d) of this subsection. [~~the purpose of paying pensions and for no other purpose, except that~~] The governing board of the fund may annually expend for the necessary expenses connected with the fund, including but not limited to expenses for medical, actuarial, accounting and legal services, the amount such governing board deems proper.

(4) Any ordinance establishing a pension fund under this section shall make equitable provision for the rights of persons having an interest in assets transferred to the fund from any fund heretofore established by statute.

(5) The legislative body in a city of the first class shall issue the appropriate order, pursuant to KRS 78.530(1), directing participation for policemen in the county employes retirement system. All new employes who would have been granted membership in the local policemen's pension system shall be members of the

county employes retirement system. All active members of the local policemen's pension system at the time of transition to the county employes retiremenet system may choose membership in the county employes retirement system or may retain membership in the local system. The city shall elect the alternate participation plan, pursuant to KRS 78.530(3), for policemen who transfer to the county employes retirement system. Notwithstanding the provisions of KRS 78.530(3)(b), the city may, at its option, extend the payment period for the cost of alternate participation to a maximum of twenty (20) years with the interest at the rate actuarially assumed by the board. The city shall have the right to use assets in the local pension fund, other than assets necessary to pay benefits to the remaining active members of the local policemen's pension system and to retirees and their survivors as determined by actuarial evaluation, to assist in the payment of the annual installment cost of alternate participation. All policemen who become members of the county employes retirement system pursuant to this Act shall be granted hazardous duty coverage, and the city may, at its option, purchase accumulated sick leave for each policeman upon retirement pursuant to KRS 78.616.

(6) Notwithstanding the provisions of KRS 61.565, which relate to the contributions required of participating employes, any city of the first class participating in the county employes retirement system hazardous duty pension plan which has in effect a collective bargaining agreement with a group of employes who participate in said plan, shall have the right to enter into agreement with its employes or with their respective collective bargaining representatives. This agreement may include, but is not limited to, specifications of what portion of the required employer contribution shall be borne by the participating employer and what portion shall be borne by the participating employe. This provision in no way modifies the employer's obligation to remit the contributions required by the county employes retirement system pursuant to KRS 61.565, whether such contributions are borne by the city or by its participating employes.

(7) With regard to the employer participation or employer contributions pursuant to KRS 61.565 as it relates to future pension contribution requirements or as it relates to payback period or interest charge for service liability cost under alternate participation, if any statute or any resolution of the appropriate state board of trustees having authority over employer participation or employer contribution grants any terms or conditions to any city of the second through the sixth class, or to any county, or to any urban-county government, which are more favorable in terms of participation than terms or conditions granted to any city of the first class, then said provisions for employer participation or contribution shall be available to the city of the first class, at its option and effective upon adoption by the city of the first class and notification to the county employes retirement system.

Section 2. KRS 78.531 is amended to read as follows:

(1) Any member of a retirement system created pursuant to KRS 67A.320, 67A.340, 79.080, 90.300 through 90.420, *95.290,* 95.520 through 95.620, 95.621 through 95.629, 95.767 through 95.784, 95.851 through 95.884 and 96.180 notwithstanding any provisions of the statutes to the contrary, may elect to terminate coverage under the retirement system in which he is a member, if the city or urban-county government has adopted the provisions of the county employes retirement system pursuant to KRS 78.510 through 78.852.

(2) If the city or urban-county government elects the alternate participation plan, as set forth in KRS 78.530(3), employe contributions made to the fund under authority of KRS 67A.320, 67A.340, 79.080, 90.400(1), 90.410, *95.290,* 95.520 through 95.620, 95.621 through 95.629, 95.767 through 95.785, 95.851 through 95.884 or 96.180 shall be paid to the county employes retirement system and credited to the individual member's account in the system for any employe electing to terminate coverage under the provisions of this section. Proper credit for these employe contributions shall be given to the city or urban-county government in computing the cost of participation under the alternate participation plan as provided by KRS 78.530(3).

(3) If the city or urban-county government does not elect the alternate participation plan as set forth in KRS 78.530(3), the employe contributions paid into the fund under authority of KRS 67A.320, 67A.340, 79.080, 90.400(1), 90.410, *95.290,* 95.520 through 95.620, 95.621 through 95.629, 95.767 through 95.785, 95.851 through 95.884 or 96.180 by each employe electing to terminate coverage under the provisions of this section shall be refunded to the employe with interest as specified in the applicable statute, unless the employe has a vested account in which case he may elect to leave his contributions in the fund in order to later receive a pension when he becomes eligible.

Section 3. Whereas, the interest rates available to any city of the first class through investments are dramatically decreasing for the purpose of amortizing the unfunded service liability, an emergency is declared to exist, and this Act shall become effective upon passage and approval by the Governor.

SB 207, AN ACT relating to coöperation between cities of the first class and counties containing such cities.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 79 IS CREATED TO READ AS FOLLOWS:

(1) Within one hundred and twenty (120) days of the effective date of this Act, there shall be entered into by each city of the first class and a county containing such city of the first class a cooperative compact pursuant to this Act. Such compact shall provide a framework for cooperation between the city and the county and shall contain such provisions as are required by this Act and may contain any other provisions which are not in conflict with this Act as may be agreed upon by the city and the county. The compact shall be executed by the mayor of the city of the first class with the consent of the legislative body of the city and the county judge/executive of the county with the consent of the fiscal court.

(2) The compact entered into pursuant to subsection (1) of this section shall be for a period of twelve (12) years, except that if any mandatory provision of the compact or this Act is adjudicated invalid or if any provision of this Act is amended or repealed by subsequent act of the General Assembly, the compact shall immediately terminate.

(3) Any compact entered into pursuant to this Act may be amended by the city and the county, provided that no such amendment shall conflict with the provisions of this Act.

SECTION 2. A NEW SECTION OF KRS CHAPTER 79 IS CREATED TO READ AS FOLLOWS:

In the compact entered into pursuant to Section 1 of this Act, a city of the first class and the county containing such city shall agree for the period the compact is in effect that:

(1) Any annexation by the city of the first class of unincorporated territory shall be pursuant to the procedures established by Section 6 of this Act;

(2) Occupational license fees collected by the city and the county shall be divided between the city of the first class and the county in accordance with the formula established by Section 4 of this Act;

(3) The control and responsibility for specific boards, commissions and agencies established or controlled by either the city or the county or by the city and the county jointly shall be in accordance with the provisions of the compact pursuant to Section 5 of this Act notwithstanding any provision of the Kentucky Revised Statutes to the contrary.

SECTION 3. A NEW SECTION OF KRS CHAPTER 79 IS CREATED TO READ AS FOLLOWS:

As used in Section 4 of this Act, unless the context otherwise requires:

(1) "Base year collections" means the amount of combined collections received by the city of the first class and the county containing such city in calendar year 1985;

(2) "Collections" means the sums received (excluding penalties and interest) by a city of the first class and the county containing such city in a calendar year from its occupational license fee levy;

(3) "Combined inflation-adjusted base" means the base year collections of the city of the first class and the county containing such city adjusted by the increase or decrease in the consumer price index by using 1985 as the base year. Each year the combined inflation adjusted base shall be computed by multiplying the consumer price index in December of that year by base year collections and dividing the product by the December 1985 consumer price index; and;

(4) "Consumer price index" means the index for all urban consumers as published by the United States department of labor, bureau of labor statistics;

(5) "Occupational license fees" means license fees levied upon wages and net profits by a city of the first class pursuant to KRS 91.200 and by the county containing such city pursuant to KRS 68.180, but shall not include occupational license fees imposed for educational purposes pursuant to KRS Chapter 160, for mass

transportation programs pursuant to KRS 96A.310 to 96A.370 or license fees or taxes on insurance premiums for the privilege of engaging in the business of insurance.

SECTION 4. A NEW SECTION OF KRS CHAPTER 79 IS CREATED TO READ AS FOLLOWS:

(1) Effective the year the compact between the city and the county is entered into pursuant to this Act, the sinking fund of the city of the first class shall calculate the distribution of the combined collections from the occupational license fees in accordance with the formula established by this section instead of in accordance within which jurisdiction the situs of the person or business subject to the tax is located. This section shall not change the manner in which such license fees are levied or collected by such city and county and the fees therefor, but merely directs that the combined collections from such license fees be apportioned between the two (2) local governments better to reflect the sharing of responsibilities and obligations agreed to by such city and the county in the cooperative compact under this Act.

(2) If combined collections from occupational license fees in any calendar year are less than or equal to the base year collections, fifty-eight and seven hundred and thirty-five thousandths percent (58.735%) of such combined collections shall be apportioned to the city of the first class and forty-one and two hundred and sixty-five thousandths percent (41.265%) of such combined collections shall be apportioned to the county.

(3) If combined collections are greater than the base year collections but less than the combined inflation-adjusted base, the amount equal to the base year collections shall be divided between such city and county in accordance with subsection (2) of this section, and the remainder of combined collections shall be divided so that the city shall be apportioned fifty-nine and seven tenths percent (59.7%) of such remainder and the county shall be apportioned forty and three tenths percent (40.3%) of such remainder.

(4) If combined collections in any calendar year exceed the combined inflation-adjusted base, the amount of combined collections equal to the combined inflation-adjusted base shall be divided between the city and the county in accordance with subsection (3) of this section, ten percent (10%) of the combined collections in excess of the combined inflation-adjusted base shall be apportioned in accordance with subsection (5) of this section, and the remaining ninety percent (90%) shall be apportioned so that fifty-seven and two tenths percent (57.2%) of the remainder shall be apportioned to the city of the first class and forty-two and eight tenths percent (42.8%) of the remainder shall be apportioned to the county.

(5) Ten percent (10%) of the combined collections in excess of the combined inflation adjusted base shall be apportioned to the city of the first class or the county in accordance within which jurisdiction the growth in combined collections occurred. If the increase in combined collections is attributable to increased collections in both jurisdictions, the city and the county shall each be apportioned a percentage of the ten percent (10%) equal to the percentage of the increase in combined collections that is attributable to the increase in collections in its jurisdiction.

SECTION 5. A NEW SECTION OF KRS CHAPTER 79 IS CREATED TO READ AS FOLLOWS:

(1) When a city of the first class and a county containing such city have entered into a compact pursuant to this Act, such city and county may provide for the transfer and alteration of joint city-county entities as provided in Sections 8 through 23 of this Act.

(2) In making appointments to joint entities transferred or altered pursuant to this Act, the mayor and the county judge/executive, to the extent practicable, shall take into account the demographic characteristics of the county, including, but not limited to, race and sex.

SECTION 6. A NEW SECTION OF KRS CHAPTER 81A IS CREATED TO READ AS FOLLOWS:

(1) When a city of the first class, which has in effect a compact with the county pursuant to this Act, desires to annex unincorporated territory, the legislative body of the city shall enact an ordinance stating the intention of the city to annex. If an ordinance proposing to annex unincorporated territory has been enacted prior to the effective date of this Act and the ordinance annexing the territory to the city has not been enacted, then in order for the city to annex the territory during the time the compact is in effect, the legislative body of the city shall re-enact the ordinance only including the same territory as the original and stating the intention of the city to annex. Such ordinances shall accurately define the boundary of the unincorporated territory proposed to be annexed, and declare it desirable to annex the unincorporated territory.

(2) The mayor of the city shall deliver a certified copy of the ordinance to the county clerk of the county in which the territory proposed to be annexed is located, who shall have prepared to be placed before the voters in each precinct embraced in whole or in part within the territory proposed to be annexed the question: "Are you in favor of being annexed to the city of ________?" If only a part of any precinct is embraced within the territory proposed to be annexed only persons who reside within the territory proposed to be annexed shall be permitted to vote. The clerk shall cause the sheriff or sheriffs to deliver to the election officers in each precinct in the appropriate counties copies of the ordinance proposing to annex:

(a) If more than fifty percent (50%) of those voting on the question approve of the annexation, the legislative body may proceed to annex the territory. Within sixty (60) days of the certification of the election results in which more than fifty percent (50%) of those voting in the election approved the annexation, the legislative body of the city may enact an ordinance annexing to the city the territory described in the ordinance. Upon enactment of the ordinance the territory shall become part of the city for all purposes; or

(b) If fifty percent (50%) or less of those voting on the question approve the annexation, the ordinance proposing annexation shall become ineffectual for any purpose subject to the provisions of KRS 81A.460.

(3) Once the ordinance stating the intention of the city to annex an area has been given its first reading or enacted by the city legislative body, no part of such area may be incorporated or be annexed by another city, unless such incorporation or annexation is pending at the time the ordinance is given its first reading, until the annexation proposal by the city of the first class is defeated pursuant to subsection (2) of this section or until the ordinance is withdrawn or repealed or amended as to the area to be annexed. This subsection shall apply to any proposing ordinance which has had a first reading or has been enacted as of January 1, 1986. Notwithstanding anything to the contrary in this subsection, any annexation by a city other than the first class or incorporation prior to January 1, 1986 shall not be nullified by the application of this Act; provided, however, that any city of the first class shall retain any legal annexation priorities which existed on January 1, 1986 to the territory so annexed or incorporated. All pending litigation challenging annexation of a specific unincorporated territory by the city of the first class arising from ordinances proposing to annex such territory enacted prior to the effective date of this Act shall, at the discretion of the court, be remanded on the docket of the appropriate court without prejudice during the term of the compact.

Section 7. KRS 81A.010 is amended to read as follows:

(1) The boundaries of cities of the first class, *except for a city which has in effect a compact with the county pursuant to this Act,* shall remain as established by law until changed as provided in KRS 81A.010, 81A.020, 81A.440 or through merger with a contiguous city pursuant to KRS 81.410-81.440. Whenever *such* [~~a~~] city of the first class desires to annex any unincorporated territory or to reduce the boundaries of the city, the city legislative body may enact an ordinance, defining accurately the boundary of the territory proposed to be annexed or stricken off. The ordinance shall be published pursuant to KRS Chapter 424. In not less than thirty (30) days after the enactment of the ordinance, if the publication has been made and no petition has been filed in the circuit court as provided in KRS 81A.020, the city legislative body may enact another ordinance annexing to the city or striking from the city the territory described in the ordinance. Upon the enactment of this ordinance, the territory shall become part of the city, or be stricken from the city.

(2) The boundaries of any city of the first class which has in effect a compact with the county pursuant to this Act shall remain as established by law unless changed pursuant to the procedure set out in Section 6 of this Act. Upon the termination of such compact, boundary changes shall be governed by subsection (1) of this section.

Section 8. KRS 65.540 is amended to read as follows:

(1) The members of the authority shall be appointed as follows:

(a) If the authority is established by a city, such members shall be appointed by the mayor of the city;

(b) If the authority is established by a county, such members shall be appointed by the county judge/executive *with the approval of the fiscal court*;

(c) If the authority is established as a joint city-county riverport authority, three (3) members shall be appointed by the mayor and three (3) members by the county judge/executive to the terms as provided in subsection (2) of this section, and in addition, the mayor may appoint himself or a member of the city legislative body as one (1) additional member of the authority and the county judge/executive may appoint himself or a member of the fiscal court as one (1) additional member of the authority for a term of two (2) years, provided that such persons may not serve on the authority after the expiration of their term as an elected official;

(d) If a combination of cities and/or counties establishes a joint riverport authority, the mayors and/or county judges/executive involved shall jointly choose six (6) members to the terms as provided in subsection (2) of this section, and shall jointly choose successors and may upon agreement appoint a mayor or a member of a city legislative body and a county judge/executive or a member of a fiscal court as two (2) additional members of the authority for terms of two (2) years provided that such persons may not serve on the authority after the expiration of their term as an elected official.

(2) Except as provided in subsection (1)(c) and (1)(d) of this section members of the authority shall serve for a term of four (4) years each, and until their successors are appointed and qualified, provided, however, that initial appointments shall be made so that two (2) members are appointed for two (2) years, two (2) members for three (3) years and two (2) members for four (4) years. Upon expiration of these staggered terms, successors shall be appointed for a term of four (4) years.

(3) A riverport authority member may be replaced by the appointing authority for inefficiency, neglect of duty, malfeasance, or conflict of interest. The appointing authority shall submit a written statement to the riverport authority setting forth the reasons for removal, and the statement shall be read at the next authority meeting, which shall be open to the general public. The member so removed shall have the right of appeal in the circuit court. Except as provided in subsection (1)(c) and (1)(d) of this section no riverport authority member shall hold any official office with the appointing authority.

(2) The board may, in its discretion, employ necessary legal counsel and other agents and employes to carry out its work and functions, and may from time to time prescribe and alter such rules and regulations as it may deem necessary.

(3) The executive director, if and when employed in the discretion of the board, shall be experienced and knowledgeable in the field of transportation; and if and when employed, such executive director shall be the chief executive officer of the authority, having such powers and duties as the board may prescribe. Such executive director may recommend the establishment or alteration of rules and regulations, and of rates and charges for use of the services and facilities of the mass transportation system of the authority; but action in such respects, and in the issuance of revenue bonds or mortgage bonds of the authority, and in requesting the issuance of general obligation bonds by other public bodies for the benefit of the authority, and in authorizing leases of the properties of the authority for financing purposes, shall be taken by the board, or by the executive committee of the board if properly thereunto authorized.

Each such bond shall be with corporate surety, provided by a corporate surety company qualified to transact business in Kentucky and approved, in each instance, by the board. The board may in like manner require similar bonds, with corporate surety, to be given by other officers, agents and employes in such manner and in such penal sums, as it may specify from time to time. Premiums payable to sureties upon such bonds shall be paid by the authority and may be chargeable as an operating expense of the authority.

(6) The board shall fix the salaries, wages or other compensation of the officers, agents and employes whom it may engage from time to time; in each case within such limitations, if any, as may be prescribed in the proceedings or joint proceedings set forth in the establishment of the authority, or as such proceedings may be amended; but such salaries, wages or other compensation shall constitute obligation of the authority only, and shall be payable from the authority's revenues and any other available resources, and shall not constitute obligations of any city or county participating in the creation and establishment, or subsequent enlargement, of the authority.
